

I-LYA news

July 2018

Volume 5, Issue 4

Inter-Lake Yachting Association

COMMODORE'S REPORT

Regatta time is quickly approaching! Final preparations for all four regattas are underway and we're looking forward to seeing you at the regattas this summer! Registration through the I-LYA website is available for Sr. Sail and both Powerboat regattas. Registration for the Junior Championships will be available online by July 3rd.

You will find information about each of our regattas in this issue of the I-LYA News. We hope that you will participate in this year's events and enjoy all that our association has to offer our member Clubs and our members!

This season we'll be celebrating I-LYA's 125th Regatta! The 125th Regatta Flags are flying in DeRivera Park –thanks to the many sponsors of this great project! We've scheduled an opening ceremony at the I-LYA

Memorial at 4pm on Thursday, August 2nd during the Sail Regatta. This will be followed by a short reception highlighting the I-LYA trophy room at the Put-in-Bay Winery.

Please consider helping out and volunteering for the many events during our regattas. Our association's strength comes from the many volunteers that make regattas successful!

Kathy and I look forward to seeing you this summer at the Bay for the 2018 I-LYA Regattas! Commodore Mike Powers

Vice Commodore's Corner...Cindy Johnson-Mintus

4th of July is right around the corner and what happens after that? Why the Bay Week Regattas! Are you signed up yet? Better hurry as we expect a record crowd this year to celebrate our 125th! Get your dock reserved and your ticket to the party. Did I say party, well I mean parties and events and competitions and well you get the picture. Don't be left out because what is summer without Bay week! No kidding aside, Bay week is a fun adventure that can be enjoyed by the whole family and is only waiting for your experiences to make it that much more enjoyable.

Help celebrate our 125th anniversary and pay homage to all those who volunteered over these many years to make the I-LYA Regattas such a premier must attend event! These events could not be what they are without all the individuals who volunteer their time each and every year and those who come to enjoy and participate.

Dennis and I have visited many clubs over the past couple of months and we have met so many wonderful I-LYA club members. Thank you all for your hospitality! We look forward to seeing everyone at the Bay. If we can be of any assistance, please give us a call or drop us a note.

See you at the Bay!

Vice Commodore Cindy Johnson Mintus

Rear Commodore's Corner...Steven Hyder

Hello Everyone from the Stern! Summer has hit and the boating seasons has begun! Can't believe everything that is going on. For I-LYA the next two months is going to be busy, fun and exciting. We have 4 regattas coming up and all the committees have been working extremely hard to make this year special especially since it is the 125th year!!

As Rear, I am listening, learning and watching very closely to how the regattas are being planned and I am looking forward to the flawless execution of these plans. There are some new things happening this year. I hope that everyone takes full advantage of the opportunity to come to Put In Bay, relax and have some great times with all our fellow boaters from around Lake Erie.

Everyone please remember to register early because these events are difficult to plan for when everyone registers late. We plan our dinners and events around the participation of our members. So the sooner we know who is coming the committees can be better prepared.

The Island is a great place to host these events and the Chamber is on board making sure they can do everything possible for I-LYA to have a very successful season of regattas.

Again serving I-LYA in this position is truly an honor and I am here to help in anyway I can. Pam and I thank everyone for all their support! Cheers, Rear Commodore Steve and Lady Pam.

Junior Bay Week is 3 Weeks Away!

We have a great week planned. Registration is online now.

NOR is posted. Plan on participating in this great regatta!

Competitors:

We have outstanding PROs and volunteers to run great sailing on the water.

We have some of the best coaches in the country as I-LYA coaches. The ILYA coaches will be coaching the coaches and helping the entire fleet, not just the top 3.

The 420 and Laser fleets will be split in half after Tuesday's racing and scores will start over on Wednesday.

There will be great gifts for all competitors at check in. On Sunday there will be folks from Harken available to discuss rigging.

Look for on-shore activities every night! Sunday we will have the group picture, followed by the Ice Breaker, competitors meeting and your skits. Monday night will be Team Fun at the monument.. Tuesday will be team dinners followed by a great time at Adventure Bay with go-karts, pool,, corn hole and volley ball available to all competitors. Wednesday night is the Banquet and on Thursday afternoon we will have Awards.

Junior Sail Chair - Matt Fisher

Sail Regatta

The 125th Sail Regatta is fast approaching and we have planned a wonderful weekend of sailing and socializing. Hopefully you have August 2 - 5 on your calendar to join us for a great event.

On the water we will be continuing the improvements from the past few years including daily skipper's meetings, three racing divisions each with a dedicated PRO. PHRF will have a mix of courses featuring "Around Islands Racing", JAM and Cruising will have all "Around Islands Racing". The one design course will race a combination of Triangle & windward leeward courses. We will have dedicated starts for any fleet with five entries or more. The information is accessible from <http://www.i-lya.org/> where you will find the NOR and the registration links. That link is also where you purchase social packages for you and your crew members. Remember that registration fees go up on July 5 and that there will be limited social packages available at the door. We've got entertainment and great food and drink in the party tent, including a Mount Gay Rum party Friday night and a Tito's Vodka party on Saturday. The three day package, for \$45, is a deal that can't be beaten. Don't wait until the last minute. Get your registrations in now so we can properly plan for this historic event.

Please support the Sail Regatta by becoming a 2018 Sail Regatta water, keg, or flag sponsor. All sponsors will be recognized on event banners. The sponsorship form is online and also included elsewhere in this newsletter.

I-LYA Power Boat Regatta

Wednesday, August 8th – Sunday, August 12th

Although the weather to date has been disappointing and has delayed the start of our boating season, I feel certain with some help from above, we will once again be blessed with fair winds, and calm seas for the 2018 I-LYA Power Boat Regatta.

Your Power Boat Committee is working hard to make this, our 125th Regatta, one to remember for years to come. The official Regatta starts on Wednesday, August 8th and ends on Sunday August 12th; however, early dockage from the PIB Dock master is available on Tuesday, August 7th for those of you who want to come on over and get a head start enjoying the Village of PIB. The last two years, we have had about 35% of our regatta boats come in early. "A" Dock is usually wide open and in many cases, we can get you close to your assigned Regatta Dockage.

Although there were some glitches in this year's online registration, all is up and running and you should not have any issues completing your registration. One new feature of the registration process is that you can use a PayPal account or for those of us who do not have an account, you can still use PayPal by entering your Credit Card information. This year there will not be any additional fees to participants who elect to pay with their credit card.

In order to assist Lloyd Bogue, your I-LYA Dock master, please get your registrations in early. Late registrants make dock assignments more difficult which sometimes results in boat assignments, which result in less than ideal matchups.

If you want to know more about the activities going on during the Power Boat Regatta, please take a look at the I-LYA website (www.i-lya.org/pages/regattas/power-regatta.php) for schedule and registration links.

Please contact any of the Power Boat Committee Members, if you still have any questions.

Larry Inguagiato - 2018 I-LYA Power Boat Chair - larry.inguagiato@mac.com

Captain Bob here. 2018 Powerboat Regatta is almost here; our registrar tells me that registration for Junior Power is down from last year. For those who have attended in the past, we need you to help spread the word and get your boating friends to join us in 2018. As many of you know, The Yachtsman's Fund and I-LYA Board of Trustees provided the necessary funds to purchase 10 Garmin GPS's for use during our Jr. Power Regatta. These new GPS's will be used for Saturday's Navigation contest. The GPS's will be used to take bearings and Latitude/Longitude readings. Everyone will now be using the same instrument and we should see much better results.

The regatta fun starts on Wednesday the 8th of August. As in past years, the Junior Power Boat Regatta runs concurrent with the Senior Power Boat regatta. There is fun for the entire family, so if you haven't been to the power boat regatta lately,

mark your calendar for August 8th. This year, we will continue to offer an

incentive to get families and particularly our juniors involved and the power boat committee is offering a \$20.00 rebate for each junior that participates in this year's regatta. That's right a \$20.00 rebate, its hard to believe. Here is how it works. The rebate is available to all Junior Power boat participants (ages 12 to 19) who enroll and complete all contests in the Junior

Power Boat regatta program. \$20.00 will be returned for each junior who participates in ALL of the educational and junior power contests. This means that your junior must take part in (and complete) the following activities; Junior Powerboat seminar, Weather contest, Chart reading and course plotting exercise, On-shore navigation contest, O.T.W. (On-The-Water) Boat handling contest, O.T.W. compass reading, O.T.W. Chicane-boat handling and low speed maneuvering, O.T.W. docking contest. This is a great opportunity to get your juniors involved and WHO knows; maybe they will win it all and come away with a \$300.00 scholarship. Or maybe they will win the Junior Skipper award. No matter what, they will have a great time and learn a little something in the process.

In addition to these award winning activities, we have additional activities for our under 12 group of pre juniors. Junior Putt-Putt open to all ages, volleyball, Geo-Quest contest, the fishing contest, movie night and the regatta wrap-up with Saturday afternoon AWARDS and Presentations.

Be sure to check the I-LYA web site for registration and schedule information. If you have any questions, please feel free to contact me; Captain Bob 313-938-8414 or send me an email; bob@encoeng.com

That's all for now; think boating and I'll see you at the Bay in August.

Captain Bob; 313-938-8414 bob@encoeng.com

I - LYA 125th Adult & Jr. Power Boat Regatta

A Note from Our President:

The Yachtsmen's Fund meeting was quite lively this Spring with much to discuss. One item that was top on our list is the upcoming Centennial Celebration that will be rolled out in the near future. One of the more immediate items on the agenda was to discuss the many grant requests we received and how to best award them. We were pleased with the number of requests and the national events occurring within the I-LYA this year.

Below are some of the grant recipients for 2018:

Jr. Power for the purchase of GPS units, coaching, and scholarships.

Jr. Bay Week for help with housing, coaching, and scholarships.

Mentor Harbor YC for hosting Ida Lewis.

The Foundry for US Team Race Championship for the Hinman Trophy.

North Cape YC for the 2018 Chubb US Sailing Jr. Championship.

Ian Moran to attend the 2018 I-420 Worlds in Newport.

A banner indicating the support of the Yachtsmen's Fund will be flown at each of these events.

All the trustees of the fund are working diligently to raise money, so we can continue supporting these worthwhile endeavors.

Wishing you fair winds, Monica Bloomstine—President Yachtsmen's Fund

If Takes a Village... and a Club... and a Fleet...

Each year, the Yachtsmen's Fund provides Championship Grants for the sailors who qualify to represent I-LYA at Chubb Nationals. However, as the story below shows, support for our young sailors comes in many forms and from many people.

Triple-handed boats competing for the coveted Sears Cup are usually sailed in the dinghy which is most popular in the vicinity of the hosting club. In 2017, sailors knew that the Sears Cup in Tom's River, New Jersey would be sailed in Flying Scots. Fortunately for the qualifying Hoover/Cowan team, Hoover Sailing Club had the most gracious and generous Flying Scot fleet around! 2018 Hoover Commodore Marty Sweterlitsch and her boat partner Stephanie Bahr lent Ryan Squires and his crew their boat for practice at Hoover and Hoover's deep talent pool lent advice for sailing the Flying Scot. Marty also called on the national fleet and the builder to help the boys practice at the Sandy Douglass Memorial Regatta sponsored by the Deep Creek Yacht Racing Association. North Sails Rep Zeke Horowitz met the boys at the regatta, the first for them in the Flying Scot, and spent time with the team helping them understand the boat. The builder lent a very race worthy Flying Scot to the team to race that weekend in lovely Deep Creek and even had it rigged and ready awaiting the junior sailors! The regatta sponsors found local housing for the boys and their chaperones. The red carpet was truly rolled out. The boys and their families will be forever grateful to the Flying Scot fleet and the Yachtsmen's Fund for making their dreams possible!

Continued....

Grace Squires and Michaela O'Donnell representing Hoover Sailing Club finished on top of the C420 fleet at the first Traveler Series regatta hosted by Alum Creek Sailing Club. Grace took advantage of Yachtsmen's Fund Challenge Team Grants to attend events in Florida this winter

Sara Schumann, a past recipient of Yachtsmen's Fund Challenge Team grants for travel outside the I-LYA footprint, was recently on the road again competing at the International Optimist Class Team Race, the 32nd Trofeo Marco Rizzotti in Venice, Italy.

Pictured L to R sailing a thistle: Skipper Ryan Squires (HSC), Luke Schumann (CLSA), and Bryn Irvine (CLSA). These boys represented I-LYA and Area E at the 2017 Chubb US Junior Championship for the Sears Cup.

MIDDLE BASS ISLAND YACHT CLUB

1649 Fox Road
Middle Bass Island, OH 43446

MBIYC Cruise-in Schedule

41°40'27.1"N 82°48'28.4"W

Attention: MBIYC has finalized the dates available for "Cruise-In's" for the 2018 boating season. MBIYC is located within the Middle Bass Island State Park Marina. The following dates are available to all I-LYA associated Clubs on a first come first serve basis. Please contact me at 419-341-1576 or by email at dockmaster@mbiyc.com.

- May 18-20
- June 1-3
- July 6-8
- July 27-29
- Aug. 24-26
- Sept. 7-9

Docks

Middle Bass Island Yacht Club currently has 56 docks within the Middle Bass Island Marina. Extra wide slips, dual 30A service, and fresh water ensure an enjoyable stay.

With first class dockage, a comfortable club house, large deck, clean restrooms, a grilling pavilion and restaurants/attractions nearby, we hope you consider an outing to our island destination this season!

Thanks,

Butch Mesenburg
MBIYC Club Manager
