COMMODORE'S REPORT

I hope that your winter has gone well thus far, no matter if you stayed north or flew south! It's been very busy for Kathy and myself, from attending a Commodore's Ball almost every weekend, the Mid-America Boat Show in Cleveland, the hospitality room I-LYA hosted at the recent AYC Commodore's Ball and preparing for the upcoming boating activities with the various committees. Over the winter, we've also continued our fundraising efforts with a great Comedy Night and very successful Burger Nights in February at Monroe Boat Club. My sincere thanks for those who were able to take the time to participate!

You are invited to the 2018 Spring Meeting of the Inter-Lake Yachting Association! The dates are April 6th and 7th and it will be held at the Holiday Inn/French Quarter in Perrysburg, Ohio. This weekend offers an overview of the year to come and the opportunity to network, share ideas with other boaters and clubs within the I-LYA. The reservation / invitation form and preliminary schedules are included in this edition of the Newsletter and have also been posted on the I-LYA website.

Our Association's strength comes from the many, many volunteers who make it great. It truly is a team effort and I thank all of you for your continued support! See you at the Spring Meeting!

Commodore Mike Powers

2018 I-LYA Sail Regatta

Make your plans now in March to attend the 125th I-LYA Regatta August 2-5. The Notice of Race has been released and is available at i-lya.org.

HOTEL ROOMS AVAILABLE

Why should you plan now in March? Because the Sail Committee has worked with two island hotels and reserved blocks of rooms for the 125th I-LYA Regatta for the nights of August 2,3 &4. You have to act quickly as they will only hold them for a couple of weeks in March. I can assure you that rooms on Put-in-Bay for Bayweek will be very hard to reserve after March.

Bayshore Resort has 15 rooms until March 16. Call at [866-422-9746](tel:866-422-9746)

Island Inn has 20 rooms until March 31. Call at [419-285-7829](tel:419-285-7829)

Blocks of rooms are under ILYA Regatta.

RACING AT ITS BEST

I am Bill Pribe the Chairman for the 125th I-LYA Regatta. I have been sailing Bayweek since 1988. I have experienced good Bayweeks and not so good Bayweeks. Two years ago was not so good on the PHRF/JAM course. I was a competitor on that course and was very disappointed in the regatta as were many others. Last year the Sail Committee made several changes that were received as very positive from the competitors. As Sail Chairman and a member of the Sail Committee I can assure you that we are committed to make the 125th I-LYA Sail regatta the best yet.

Make your plans now to attend.

Thanks,
Bill Pribe

I-LYA Power Boat Regatta

Wednesday, August 8th – Sunday, August 12th

We are starting to have a few nice days and some warmer weather to signal the start of spring and the upcoming boating season. This is the time to get last minute boat projects completed and to start planning your boating season. The I-LYA Power Boat Committee hopes you include the Power Boat Regatta in your plans. This year's Regatta will be special in that it is the 125th Anniversary. Commodore Powers is planning some special things to commemorate the 125th.

The Powerboat Regatta Committee and members will meet at the I-LYA Spring Meeting to finalize the schedule of events for the Regatta. Please feel free to contact any of the committee members if you have any questions or suggestions.

The Spring Meeting will be held at the Holiday Inn French Quarter in Perrysburg. The Power Boat Meeting will be at 9:00am on Saturday morning, April 7. All boaters are more than welcome to join us as schedules are reviewed and modifications made to reflect input from the attendees. The meeting lasts about an hour.

Again this year, we will be sending out information to our member's clubs and individuals asking for donations for keg sponsorships and donations to offset the cost of golf cart transportation to get our members to and from the docks and the various event locations. Please encourage your club to help support these projects, which are used to help keep our registration fees as low as possible.

We hope to see you at the Spring Meeting in April, and further information will be distributed after that date.

North Cape Yacht Club

North Cape Yacht Club is pleased to announce its schedule for this summer's Adult Learn to Sail Program. This program, first initiated by I-LYA trustee and AYC delegate, Bill Pribe, eight years ago. It is open to adults 18 years or older wishing to learn the basics of sailing.

Thus far 141 students have taken the ALTS classes since the program's inception in 2010. Each session consists of four evening class periods. Participants are briefly prepped ashore for the evening's lesson, and then the majority of the lesson takes place on the water. Participants learn sailing theory, terminology, boat handling, vessel rigging, safety procedures and more. Boats in the 26' range are used for the class, and there is one boat with two instructors for every 3-4 students, which allows for plenty of hands-on experience.

One of our 2016 participants remarked: "Fabulous experience! I loved it all and will be back for next session. The instructors are super great, informative and enthusiastic!" An ALTS student from 2017 added: "Everyone is passionate and friendly about sailing. Many students comment on how much more comfortable they are on the water now!"

The dates for this year's sessions are:

Session 1 June 12, 14, 19, 21

Session 2 July 3, 5, 12, 14

Session 3 July 24, 26, 31, August 2

Heidi Schultz, coordinator of the NCYC Adult Learn to Sail Program, recently stated: "When you join us for lessons you'll discover that our sailing program is a unique combination of classroom instruction, on-the-water practice, and social activities. Come and enjoy the thrills, exhilaration, enjoyment, and satisfaction of learning to sail. **Once a Sailor, Always a Sailor!**"

North Cape YC is located at 11850 Toledo Beach Road in LaSalle, Michigan (Exit 9 off I-75)

Classes fill up quickly! For additional information please contact Heidi Schultz at northcapesailschool@bex.net or 734-430-0930.

Toledo Yacht Club Invitational Mills Trophy Race

Wednesday, June 6.....2017 Awards Banquet
 Thursday, June 7.....TYC Mills Party
Friday, June 8.....Mills Trophy Race
 Saturday, June 9, Put-in-Bay Post Race Party
 Sunday, June 10.....PIB Flag Awards

The Mills Trophy Race was initiated in 1907 at the Toledo Yacht Club and has been held nearly every year since that time. The Friday night race starts at the Toledo Harbor Light and ends at Put-in-Bay on South Bass Island. The Mills has long been recognized as the premier yacht racing event on Lake Erie, and is certainly one of the oldest as we celebrate the 111th anniversary of the first race. To all interested Mills Trophy racers – Registration for the 2018 Mills Trophy Race is on-line at Yacht Scoring. The Sailing Instructions when posted on Yacht Scoring will have the final course diagrams and descriptions. This year there is a two tier entry fee schedule based on boat size and entry date (including paid registration).

Heading toward historical milestones (the 100th Mills Race is in sight) is a credit to all of the participants, sponsors, and committee volunteers that have supported the Mills Trophy Race over the years. Please include the 95th running of the Mills Trophy Race on your racing or cruising schedule and join us at the historic (and newly renovated) Toledo Yacht Club (formed in 1865, 11th oldest in the US and 3rd oldest on the Great Lakes) as we celebrate this Great Lakes Legacy.
