

Inter - Lake Yachting Association 2017

Protecting and enhancing wood surfaces since 1910.

Waterlox is the only Tung Oil recommended for use when finishing working surfaces and is an excellent choice for teak, exotic or hand-scraped woods. Our Tung Oil-Based formulations are hand made in Cleveland, Ohio using only the best ingredients along with our original family formulas. And we couldn't imagine a better job. Because to us, there is nothing more rewarding than preserving the authenticity and inherent beauty of wood.

ORIGINAL Formula

For all interior wood surface projects including floors, countertops and furniture.

MARINE Formula

For all exterior wood surface projects including boats, exterior doors and furniture.

TRUETONE Formula

For all interior wood surface projects where a matte finish with color is desired.

Premium Tung Oil finishes since 1910. www.waterlox.com

About the Cover:

Yearbook covers often include the image of the Commodore's vessel. In 1989 Com. Rolf Krotseng's family boat was on the cover. In 2017 Com. Andy Krotseng, son of Rolf, decided that the namesake of Rolf's boat should grace this year's book.

The original *Bonafide* was built, owned and skippered by Anton Marius Jacobsen, the Commodore's great-grandfather. A 300 foot barque, it plied the split-rail traffic from Sweden. The rails were used to build the railroads in Norway.

Jacobsen built the *Bonafide* in his own shipyard which he purchased from the Amundsen brothers, one of which, Roald, led the first expeditions to successfully reach the North and South poles. The Shipyard was primarily used for repairs but also built a number of ships that sailed well beyond Norway. During the busy season, the shipyard employed upwards of 150 men.

The Commodore's sister, Stephanie, painted this picture of *Bonafide* in high school. The following are her words on her work...

"This painting of the Bonafide was my tempera painting assignment from my senior year art class back in 1977! Dad had shown me the only photo he had of the Bonafide and I knew I just had to paint it. The photo pictured Grandpa standing next to a painting of the Bonafide. With that small picture, I got started on the painting as soon as it was assigned.

The strongest memory I have of that assignment was that the Bonafide had so many sails! I made it my goal to paint at least one sail every study hall in order to get it done on time. When it was finally finished, Dad was so happy he framed it and hung it above our fireplace where it still hangs today."

From the Commodore

It is both an honor and a privilege to serve as the Commodore of the Inter-Lake Yachting Association for 2017. This year is the 124th running of our cherished Regatta. It is important to note that this regatta, from its earliest days, has been inclusive of both sail and power contests. Indeed, during the wars when the power events were not run due to fuel rationing, the regatta was referred to as a “half regatta.” In more modern times the regatta has been split. We will mark the year as the 62^d Junior Sail, and the 43^d Power. The Junior Power Regatta is run concurrently with Power.

A challenge to our boating community comes from outside, those without knowledge of the sport of sailing or how a power boat works. If we do not actively pursue educational avenues for new boaters, we will find ourselves governed by laws that are not based from the boating community. Our Association is perfectly suited to this challenge. I-LYA acts as a “watchdog” for legislation and issues that affect boaters and boating, sending delegates to five major national organizations. We are recognized as the Regional Sailing Authority and Appeals Body for United States Sailing in the area. A more recent aspect of US Sailing is their power educational programs, and I would imagine our association will be at the forefront of that effort as well.

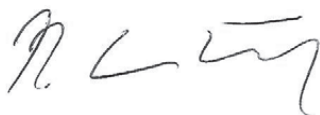

The Inter-Lake Yachtsmen’s Fund is uniquely positioned to drive participation in our junior programs. Two years ago a crossover program, between Junior Power and Junior Sail began. The effort to run a sail race involves power boats. By involving our juniors from junior power in assisting junior sail events, we have created a teaching moment. Go ahead and ask the kids involved if they had a good time. Having involved youth that understand the needs of both sail and power will only make us stronger.

Our existence continues through the very generous donations of time and energy of our volunteers. Some do it to be involved, some do it for fun, and some do it as a sense of duty. Either way, our Association benefits. It is important to split up the tasks—divide and conquer. People that are new to our clubs should feel welcome to come and learn what we do and why we do it. Sometimes we forget that the newer friends need to be taught “the ropes,” and we need to spread the knowledge. Being Commodore is not a walk in the park, but it has been an amazing thrill to meet so many wonderful people. I’d like to thank all that have helped, and all that will through this year.

Spread the News! I-LYA News is a great way to communicate what’s going on in your club’s world. Be it a regatta or event, our newsletter is a great way to let other clubs know when and how they can participate. There are also Facebook pages and a Twitter at @InterLakeYacht to round out our electronic footprint.

Finally, I would like to thank Edgewater Yacht Club. The support of the members, officers, and staff has been tremendous. My boat family’s support and encouragement over the years has been awesome. I can’t thank all of you enough.

May the best of the boating season bring fair winds and calm seas. We will see you on the Island!!

Meet the Commodore

Norman Andrew Krotseng, of Lakewood, Ohio, is the 124th Commodore of the Inter-Lake Yachting Association. His home port is Edgewater Yacht Club in Cleveland, Ohio.

“Andy” grew up at Edgewater. His parents became members there in 1969 and all the Krotseng kids went through the junior program, eventually competing at I-LYA’s Junior Bay Week. After graduating high school, under the tutelage of Commodore Don Emery, Andy took over the writing of the regatta rules for I-LYA’s Sail Regatta. After several years of helping run Jr. Bay, Andy settled in to the position of Secretary-Treasurer of the Inter-Lake Yachtsmen’s Fund for seven years. Leaving the Fund in 2007, he moved through the chairs of Edgewater’s bridge, overseeing the sale of bonds funding a pool project. Returning to I-LYA, Andy served on the Board of Trustees and chaired the Sponsorship and Publications Committees. During that time, he successfully brought aboard Boat US as a major sponsor of the regattas, and with the help of Bryan Huntley catapulted *I-LYA News* from its infancy to where it is today.

Over the years, Andy has raced many boats, but always finds his way back to the family boat *Bonafide*, a J-34. There have been four *Bonafides* in the family. The original (pictured on the cover) was a 300 foot barque built in 1891 by Andy’s great-grandfather, A.M. Jacobsen, in his shipyard which was purchased from the Amundson brothers. One of the brothers, Roald, led the first expeditions to successfully reach the North and South Poles. The J-34 has successfully competed in almost every available event from the Port Huron Mac to Youngstown Levels, one season garnishing 18 firsts.

Andy and his wife Patty reside in Lakewood, Ohio, where they raised their three children who also all went through the junior program at Edgewater. Nicholas, 32, currently lives in Washington DC, where his wife Rebecca is expecting their first child as this is written. Amy, 20, is a junior at Baldwin Wallace University in Berea, Ohio. Rachel, 17, is a junior at Lakewood High School.

Bonafide, the family J-34

Andy, Rachel, Patty, Amy, Becky, and Nick

CONGRATULATIONS

Commodore Andy Krotseng and Lady Patty

Edgewater Yacht Club

Originally organized as the Cleveland Boat Club in 1913, Edgewater Yacht Club nearly met an early demise when a November storm ripped the steamship *State of Ohio* free of her moorings, destroying a number of boats at their E. 9th St. location. Early members were primarily from the Cleveland Powerboat Club and disaffected members of the Cleveland Yacht Club. CBC was formally recognized on Jan. 21, 1914. By the end of the inaugural year, Commodore Thomas C. Green had attained membership in the I-LYA and a membership of 427. The move of Cleveland Yacht Club to the mouth of the Rocky River left the Cleveland Boat Club the sole tenant of the lagoon at E.9th St. and the only yacht club downtown.

By the 20s, shortcomings of the downtown location became apparent. Club leadership saw an opportunity to move to newly constructed twin lagoons at Edgewater. In anticipation of this move, CBC in 1928 briefly changed its name to Edgewater Boat Club and finally to Edgewater Yacht Club, and developed plans for their new home in the western basin at Edgewater Park. By Christmas, EYC was granted a 10 year lease. At the time, EYC was primarily a powerboat club.

The membership built a modest clubhouse and two docks, but the Great Depression came and membership dwindled over the ensuing decade. Depths in the new harbor were eleven feet, but by 1936, despite repeated dredging, there remained only 58 boats and one foot of water. Petitioning the city for relief, the city bisected the basin and Edgewater occupied the Eastern half. On July 9 1942, Cleveland approved a 10 year lease on the property where EYC today resides.

During the war years a shift toward sailing occurred. The club added to its social calendar, revived the regatta for sail and power, and formed the Women's Auxiliary in 1943. Returning veterans brought dock expansion and a growing membership.

In 1951 the clubhouse along with most of the records were destroyed in a fire. Members rallied and built a new clubhouse dedicated in 1952 at the 10th annual regatta. A junior sail program was added in 1956. In 1958 and over the next 15 years, the club began to replace the wooden docks with steel ones. At the end of the decade plans for an expansion adding a bar and restaurant were made, beginning a shift to a hired management.

In July of 1972 Hurricane Agnes blew through and destroyed the remaining wooden docks, leaving the boats inaccessible from shore. Membership dropped from about 350 to 195. The remaining membership creatively secured funding from the Small Business Administration. The steel dock program was completed, a new lease with the city obtained, and growing membership was the focus. Later in the decade bonds sold to the membership were retired, additional land acquired, and a travel lift purchased, allowing for on-site storage.

From a modest wooden shack on a barge to present, our club has grown to a nationally recognized venue that has hosted numerous championships. Our Junior Sail camp has introduced hundreds of children to the sport, and our Junior Race Team has won the I-LYA Traveler Series championship for the past eight years. For over 100 years Edgewater Yacht Club has not only survived but thrived. It is our members who have earned Edgewater the reputation as "the friendliest club on the lake."

Yachtsman of the Year

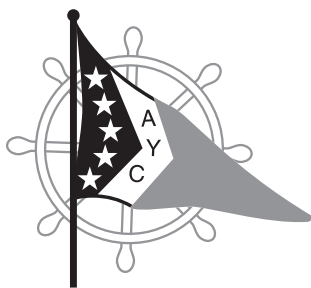

Commodore Krotseng presents the Yachtsman of the Year award to Com. Steve Harris

Com. Steve Harris

Steve Harris grew up in boating. Weekends were often family picnics and afternoon sails at Buckeye Lake and family vacations were fishing trips to Lake Erie. Although sailing and boating were a part of his childhood, he did not get involved with yacht clubs or sailboat racing until his late twenties. Running BLYC's Jr. Sailing Program for several years, he became increasingly involved in I-LYA. First, as the Jr. Sail Championships Chair in 2006 followed by chairing the Jr. Activities Committee for four years. This led to his election to the I-LYA Board of Trustees, serving as President in 2011 and as Commodore in 2014. Although he's never really been *inactive* in Junior Sailing in I-LYA, his activity increases yet again this season as he returns to chair our Junior Championships at Put-in-Bay.

Each year since 2006, Steve has returned to serve as either a Race Officer or a Judge for the Jr. Championships. For several years, he has also been one of our PROs at the Sail Regatta. He has been our voice at US Sailing, first as our delegate, and now serving beyond I-LYA as both our Area Coordinator and Area Race Officer. A member of the US Sailing Race Officer Training Committee, he has instructed many of the race officials in our area and, himself, has been PRO at a number of high-level regattas around Lake Erie. Steve is a Trustee of the Inter-Lake Yachtsmen's Fund and also maintains the I-LYA website, our Twitter, and assists annually with production of the yearbook.

His continued dedication and spirit exemplifies that which makes I-LYA the great association it is and, for that spirit, we are pleased to recognize Commodore Steve Harris as the 2017 I-LYA Yachtsman of the Year.

Commodore's Award

Bruce Sattler

Bruce Sattler owned his first boat when he was 18. After many years and many boats (17!) he and his wife Pam currently enjoy their 34 ft. Sea Ray. Joining a local club and being a member of South Shore Cruising Club, Bruce eventually found his way through the chairs of SSCC and was commodore twice. He was the 2015 Power Boat Chairman for I-LYA, and received the Mid-America Boating Skipper of the Year Award in 2016. Currently Bruce serves on I-LYA's Board of Trustees, and as Rear Commander of the Greater Cleveland Boating Association. It should not surprise anyone when asking for help that Bruce's hand is one of the first up. A stalwart volunteer, his presence is comforting to any organizer. For these reasons, Bruce has deservedly been awarded the Commodore's Award for 2017.

Commodore Krotseng presents the Commodore's Award to Bruce Sattler

Commodore's Award

The Davis Family: Matt, Tracey, Matthew, & Michael

The Davis Family is unique in I-LYA, all serving as Fleet Captains! Matt and Tracey have chaired the Junior Sail Regatta twice (2009 and 2013). Tracey served as Commodore Steve Harris' Ally in 2014, and currently as a Fleet Captain. Matt currently serves on I-LYA's Board of Trustees and as Head Fleet Captain. Their two sons, Michael and Matthew, served as Fleet Captains in 2014. Both of the boys also have participated in the Junior Sail Regatta. It is an understatement that the boys are reliable and always willing to help—something they learned from their parents. This dependability throughout this family has earned them the Commodore's Award for 2017.

I-LYA Honorary Regatta Chairman

The I-LYA Honorary Regatta Chairman is awarded to an individual who has displayed his or her dedication over the years to I-LYA and our four regattas and who has consistently cooperated and helped with the goals of I-LYA and our affiliates on and off the Island.

Mary Ann McCann

Mary Ann McCann

Mary Ann McCann is a “true Islander.” She was born to a fishing family, the Schnieders, from Middle Bass and her dad and brother owned the *Sonny S*, the popular shuttle that still runs between Middle and South Bass Islands. She now resides on the east end of South Bass. Mary Ann attended Sandusky High School, received a degree from Kent State University and spent a portion of her life as a school teacher. She has three children: Mary, Mike and Melinda. All are active on the island in various ways.

Mary Ann’s love has always been the Islands. In the early days, she raced Interlakes and enjoyed the family Lyman. She continues her love for fishing and enjoys the winter ice fishing season. She helped build many of the local businesses that we all have come to know around the Island.

Mary Ann has also long been a supporter of I-LYA. Her friendship with PC Norm & Gloria Winkel was the start of one of I-LYA’s many longstanding traditions. For almost 40 years, her home the “Anchorage” has been the location for our annual Commodore’s Brunch and also the site of our finishes for many Deepwater and Bay Week races. Mary Ann was influential in starting the PIB Chamber of Commerce hospitality room at our spring and fall meetings. She is still active on the Island with the Historical Society, PIBYC and the Crews Nest.

Best wishes to Commodore Andy Krotseng!

Celebrating 50-Years As A
Hospitality Leader!
1967 - 2017

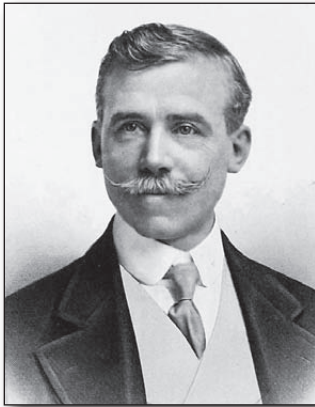

Historically Speaking

By Tom Thanasiu, Jolly Roger Sailing Club

I-LYA 125 Years Ago (1892):

Past Mayor of Cleveland (1885–86, 89–90) George W. Gardner was reelected to his 8th year as Commodore of I-LYA and his 14th year as Commodore of Cleveland Yachting Association that became Cleveland Yachting Club when it was incorporated in 1888.

I-LYA 100 Years Ago (1917):

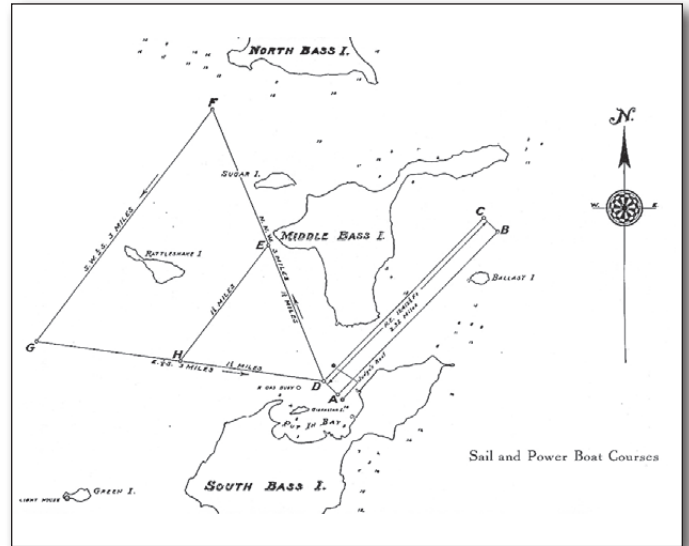

Com. Alexander Winton, CYC

Alexander Winton from Cleveland YC was elected by the 23 I-LYA clubs to Commodore for a second time. When first elected in 1911, he was a member of Lakewood YC prior to their merger with CYC in 1913 and the move to LYC's location at Rocky River Lagoon from East 9th Street, Cleveland. The Vice Commodore was C. Lee Abell from Buffalo YC

and Rear Commodore was R. George Marsh from Grosse Point YC. Commodore Winton's landlubber job was as owner of Winton Motor Carriage Company founded in 1897, evolving from bike manufacturing. Alexander Winton's legacy includes more than 100 patents instrumental in the early designs of automobiles and diesel engines. He was also generous on passing the technology along to competitors when safety was an issue including the steering assembly and gear that helped Henry Ford win the Grosse Point (auto) Race in 1901!

The 24th Annual Regatta took place at Put-in-Bay July 15–20. Registration (no fee) took place on Sunday the 16th with Commodore Winton's now 6-year-old steel plated 145 ft yacht *LaBelle* as the flagship. *LaBelle* was a beauty with her clipper bow and fantail stern. Her deck cabins were varnished mahogany and her engine was diesel. In the yearbook was an invitation to all yachtsmen and others attending the regatta to visit the *LaBelle* with their ladies at any time during the week. Monday's events included a ball game and then a tug-of-war between the Sailors and the Gasoliners. No sailing on Monday but the first heat of the power boat races started at 2:30 P.M. with 5 classes traveling 10 to 30 miles. It was best to have your power boat measured at your home club and have your rating certificate at registration or a fee of \$1 (open boats) and \$2 (cruisers) was added for I-LYA to measure. The

power boat course started just outside the harbor and went 2.36 miles between South Bass and Middle Bass and past Ballast Island. That evening a banquet and cabaret was held at the Crescent for \$1.50 a plate and ladies were invited. Tuesday, Wednesday, and Friday sailboat races started at 8:30 A.M. with 13 classes on an equilateral triangular course beginning by the harbor and encompassing Rattlesnake Island. The time limits were 5 hours for the 9-mile long course and 3 hours for the 4.5-mile short course. Other sports programs for the week consisted of swimming, diving, canoe, catboat, and power and rowing dinghy races.

On Thursday at 9:00 P.M. the Annual Ball started at the Colonial Pavilion with a fee of \$1 per yachtsman. Ladies with an escort were admitted free. Friday at 8:30 P.M. the distribution of prizes took place at the Colonial Grill. Power and sail winners received a cup and a flag for 1st in each of their classes. The cash that was received was from the new Yachtsmen's Fund. Awards for the Sailors were for only 1st and 2^d place. The cash award ranged from \$15 to \$40. Power Boats awarded cash to the top 3 positions in 5 classes ranging from \$20 to \$75. The Hydroplanes and Monoplanes were top in cash prizes. The other sports awards consisted of a variety of merchandise as in the past.

In 1918, Commodore Winton's yacht *LaBelle* was impressed for service as a sub chaser in WWI. *LaBelle* was purchased by Beaver Island Transit Co. and renamed *SS Marold II* in 1926. In 1939 *Marold II* and her crew were siphoning gasoline off the stranded tanker *Oswald Boyd* when a tremendous explosion occurred totally destroying *Marold* and her crew. Only pieces were found.

I-LYA 75 Years Ago (1942):

At the helm of I-LYA's 46 clubs in wartime 1942, was Commodore Howard A. Finch of Detroit's Crescent Sail Yacht Club. The United States had just entered WWII following the Pearl Harbor attack on December 7, 1941 and there were questions as to whether there would be a Regatta the following summer. The Vice Commodore was Dr. Leonard A. Stack, LYC and Rear was Milton N. Gallup, CYC to complete the Bridge.

The Regatta (without Power competitions) began on Sunday, August 9 with registration at Put-in-Bay Yacht Club followed by a 7:30 P.M. Memorial Service at the Commodore's Memorial conducted by the Sea Scouts of America. As announced by Commodore Finch, the Power half of the event was cancelled due to the War:

We announce with regrets that there will be no scheduled races for power yachts this year due to the unfavorable public criticism which would surely be incurred. This matter has been very carefully deliberated by the administration and with the imminence of gasoline rationing it is felt that it would be extremely unwise to sponsor any activity which could possibly be construed as unpatriotic or not in accord with national war time policies.

This decision is the direct result of conferences with official spokesmen from the Navy Department in Washington as well as many private yachtsmen and represents a unanimous opinion.

We cordially invite power yachtsmen to join in all activities of the regatta and sincerely hope that they will accept this condition as any loyal American should.

Commodore Howard A. Finch

The sailing fleet consisted of 22 classes in 2 divisions with the larger faster A division boats sailing a 12 mile course each morning with a 5 hour time limit. The B division had a 4.5 mile course with a 3 hour time limit and they also raced in the afternoon on Monday and Tuesday of the three days of racing. Other activities were a Ladies Cat Boat Race, Commodores Cat Boat Race, bowling tournament at the Colonial, bingo in the park, and a Commodores Reception at the Bay View Hotel. Two softball games took place on Monday evening, first was Cleveland vs. South Shore followed by Detroit vs Toledo and Monroe. The championship game was Tuesday evening.

In the program was an Honor Roll of the Clubs that had turned in a list of their members who had joined up, were serving, or had made the ultimate sacrifice in the military.

Most of the yearbook advertising was directed toward the war effort including the following message from Lyman Boat Works in Sandusky, Ohio, "Our production is now devoted entirely to the war effort and there won't be any new Lymans until it's over. If you own a Lyman now, you are fortunate, give it a reasonable [*illegible*] of care and it will serve you for a long time to come."

I-LYA 28 Years Ago (1989): The Year the Commodore's Father was Commodore

Com. Rolf Krotseng, EWYC

Rolf Krotseng from Edgewater YC was I-LYA's 96th Commodore. From the beginning, Rolf's involvement in I-LYA was a family affair. In 1969, he brought his wife Marilyn and children Stephanie, David, Tom, and Andy to Put-in-Bay to camp at Victory Park. During Sail, Marilyn and Rolf raced on their Flying Scot, *Witch Thimble*. At Jr. Bay they

helped set the racing marks with Don & Mary Emery. In 1974, a Pearson 26 *Bonafide II* replaced the Flying Scot and the soggy tent as the kids got old enough to crew. In the early 80s, Andy skippered a Thistle at Jr. Bay representing EWYC's Junior program.

I-LYA 25 Years Ago (1992):

Com. Francis W. Olech, BPYC

Francis W. Olech was Commodore of I-LYA's 128 clubs in 1992. Frank was a founding member of Bay Point YC and Bay Point's only representative to this top position. He worked his way through the I-LYA ranks for 17 years after he became involved in the reforming of the I-LYA Power Regatta that started up again in Erie, PA in 1975, Cedar Point in 1976, Kelley's Island in 1977 and finally at Put-in-Bay from 1978 till now. For years, the only power event held at Put-in-Bay had been the predicted log. He served two terms as secretary, three times as registrar and in 1978 as Chairman of the Powerboat Regatta. Having a keen interest in juniors, he formulated the Junior Navigation Event in 1986 that evolved into the Junior Power Regatta that we know now. Commodore Olech also organized the Weather Forecasting Event held during the Power Boat Regatta. Aboard his 36 ft. boat *KAN-DO* (daughter Kathy/wife Lady Doris) he served as a committee boat for both Power and Sail. He even played the trumpet and performed Taps at many clubs' Memorial Services. Frank was a member of Rocky River Power Squadron, Put-in-Bay YC and the Blue Gavel. Because of his continued support of I-LYA and boating in general he was awarded Yachtsman of the Year in 1999. Rounding out the rest of the bridge was Vice Commodore Rolf Tinge, Point YC and Rear Commodore Harold Christenson, Sandusky Sail Club.

The 37th Junior Race Week was held July 26–31 for the Junior Sailing Championship of I-LYA and the Quarter Finals of the Sears Cup and the Bemis and Smythe Trophies for the Junior Nationals. The chairmen were Tony and Aura Jucaitis from Edgewater YC. 102 sailors represented 17 clubs. The top sailors were Aaron Stange, Bob Foeller, and Nat Kolling from Jolly Roger SC who topped the thistle class for their third straight year. Later, at the Area E Championship they were tied for 1st at the end of the four race series and placed 2^d following a one race sail off. The double handed Bemis sailors were Pat Quigley and Jamie Lipp from Mentor Harbor YC. After winning for the second time, the pair went on to finish third at the Area E Championship. The single-handed

winner was Aaron Smith from Jolly Roger SC who placed first at the Area E Championship and competed for the Smythe Trophy in Newport, Rhode Island, finishing 7th in the Nation.

P/C John Bureau from Perrysburg BC was Principal Race Officer for the 99th consecutive I-LYA Sail Regatta which started August 1 with the finishing of the deep-water feeder races and registration of boats. Some of the perpetual and memorial winners were:

- **W. Wade Rapprich Memorial Trophy (MORC overall winner):** Stanford Burriss on *Quickerr*, MHYC
- **Parsons Memorial Trophy (winner of the largest class):** PHRF: Blair Arden on *Odis B Driftwood*, North Star YC
- **Blue Gavel Trophy (IOR and PHRF Boats of the Year):** IOR: Don Bartels/Lowell Body on *Legend*, Lakeside YC
PHRF: Don Fernald/Bill Gordon on *Whim*, Cleveland YC.

Allen Ashley from Detroit Beach BC was chairman of the Power Boat Regatta which started on August 6 at the end of Sail. The power boating events were Flying Mile, Docking, Inflatable Boat Races, Compass Navigation, and Predicted Log. Other events were War Canoe contests, Fishing Derbies, Weather Forecasts, Golf, and Softball. The Ladies Party was held at the Yachtsmen's Club, the home of Jan and Michele Graves. This was the first year of the Junior Power Education Classes put on by Ken Alvey with the Ohio Dept. of Natural Resources. The winner of the Jr. Navigation Contest was Matt Collins, South Shore CC. The winner of the Commodores Trophy was Glen Fish, *Erie Princess*, SSCC. The Alton H. Greeley Memorial Trophy winner was John Thompson, *Dawdler*, Toledo YC.

The Yachtsman of the Year was transformed to Couple of the Year with P/C Don Emery and Lady Mary, EWYC receiving the honors.

The K-Cruise started on July 16 at Wildwood YC and went East this year with Fred Weiss as chairman. The ports of call were Ashtabula YC, Erie YC, Dunkirk, Buffalo, Commodore Perry YC, and Geneva. Some highlights of the trip were a snapped steering cable to the pedestal on his 30 ft. Catalina, *Rumors*, 15 miles from Erie, PA and using the emergency tiller; Receiving the Key to the City of Buffalo; a ride up the Erie Barge Canal; and learning the strength of the current on the Niagara River.

That year in Vermilion there was another lighthouse to steer to. To commemorate the 200th anniversary of the U.S. Lighthouse Service, the trustees of the Great Lakes Historical Society approved a project to build an exact replica of the classic 1877–1929 Vermilion lighthouse. Appropriately, the new lighthouse stands at the lakefront / riverside former home of 1920 I-LYA

Historically Speaking

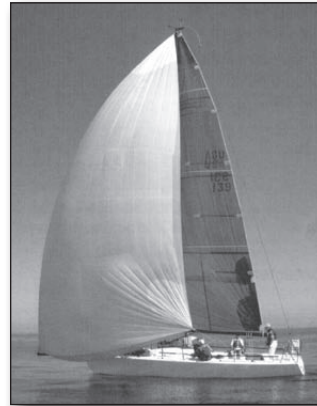

Commodore F.W. Wakefield and his son 1931 I-LYA Commodore A.F. Wakefield. That house is now the Inland Seas Maritime Museum where Great Lakes and I-LYA's history was displayed.

On February 24, 1992, I-LYA's 1961 Commodore Al Mastic passed. Al devoted his entire life to supporting sail and power boating. A successful racing sailor, power cruiser, supporter of women's and junior sailing, teacher, lecturer, reporter, author, maritime photographer, 1983 I-LYA Yachtsman of the Year and I-LYA Historian. The entire boating community lost a tireless worker, chronicler, supporter, advisor, and loyal friend.

I-LYA 10 Years Ago (2007):

In 2007, Commodore Jim DuPré (pronounced *Doo-Pray*) and Lady Betty of Riverview Yacht Club were at the helm of I-LYA. With General Motors as a major sponsor, the regattas kicked off July 15th with Ron and Deana Spies chairing the 52^d Annual Junior Race Week. Ron was also recognized in 2007 as Yachtsman of the Year. North Cape Yacht Club topped both the thistle and 420 fleets and Tim Zacher of Vermilion Boat Club sailed

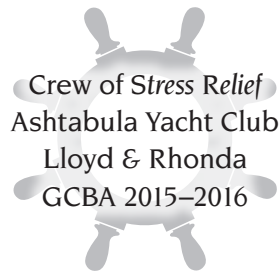

to the first of three consecutive first place finishes in the laser class. The Powerboat Regatta kicked off on July 25th with a 9 A.M. committee breakfast meeting at Tippers led by chairman John Stewart. Junior Powerboat contests were held at Ladd's dock. Jay Olynyk, WRYCC, won the Jr. Navigation contest and the accompanying scholarship compliments of the Yachtsmen's Fund. East beat West in softball and the Greeley Trophy was awarded

2007 Boat of the Year, *Vanpire*

to John Popovich, SSCC, on *Rasputin*. The regatta ended July 29 as Power gave way to Sail which was chaired by Ed and Abigail Skoch. Sail racing ran from July 30th to August 1st and docks cleared August 2^d. Winner of the Blue Gavel Boat of the Year & Mike Smith PHRF Class Overall was Dan vanHeeckeren on *Vanpire* from MHYC.

About I-LYA

INTER-LAKE YACHTING ASSOCIATION

I-LYA's basic purpose is the protection and promotion of the interests of boat owners and water sport fans in the enjoyment of their sport.

I-LYA is a watchdog for proposed legislation that may affect yachting and yachtsmen.

I-LYA serves as a clearinghouse for yachting information.

I-LYA's officers and committees are available to help its member clubs with boating related problems.

I-LYA is the US Sailing Regional Sailing Authority and Appeals Body for race protests in the area.

At the top level, **I-LYA** works hand in hand with US Sailing and class racing associations in developing fair and workable rules.

I-LYA's foundation, The Inter-Lake Yachtsmen's Fund was established to support training, education, and junior activities. The Yachtsmen's Fund is a qualified 501(c)3 corporation and all donations are tax deductible.

I-LYA is the leader in Junior Sailing in the Midwest. The annual Junior Regatta is one of the largest Junior Sailing Events in the United States and serves as a model for other clubs. The winners of "Junior Bay" receive scholarships from the Inter-Lake Yachtsmen's Fund.

I-LYA is also a leader in Junior Power boating in the area. The Junior Powerboat program which was developed in 2006, offers Leadership Training and navigational contests. The winners of this event are also awarded scholarships from the Inter-Lake Yachtsmen's Fund.

I-LYA consists of 145 member clubs and every member of each club is automatically a member of I-LYA, and is assured recognition among other clubs.

I-LYA's membership includes clubs from both the United States and Canada, making for strong international ties and competitions.

Member clubs are represented by delegates to **I-LYA** and meet twice annually. Spring and fall meetings are held in the vicinity of the current Commodore. Class advisory, cruise and powerboat committees meet prior to the delegate's meeting, giving open forum for class improvement and rules enlightenment. Delegates elect the Flag Officers and Trustees at the Fall Meeting.

I-LYA appoints delegates to US Sailing and Yacht Racing Union of the Great Lakes.

I-LYA is governed by a nine member Board of Trustees. Business is conducted through the office of the Executive Secretary.

I-LYA seeks corporate sponsorship to improve the services provided to its members and to control costs. Current sponsors include BoatU.S., Tito's Vodka, Put-in-Bay Yacht Club, and the Boardwalk Family of Restaurants.

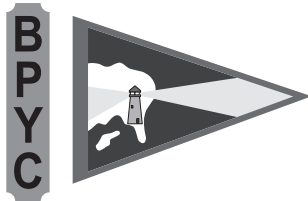

I-LYA's Annual Regatta is held at Put-in-Bay, on South Bass Island, in western Lake Erie—the site of the historic Battle of Lake Erie in the War of 1812. It draws more than 500 Sail and Power boats annually.

Past Recipients

Yachtsmen of the Year

1978 marked the beginning of a tradition that has been adopted by each administration since. Commodore Norm Winkel determined that recognition should be given to the many volunteers who freely donate their time, vacations, talents, expertise, and even boats and equipment to assure the continued success of yacht racing competition and the I-LYA organization. These special people have earned the honor of being "Yachtsman of the Year."

Final Voyage

J. William Latham

Commodore William “Dr. Bill” Latham served as our Commodore in 1981. Born and raised in Columbus, Ohio, Bill graduated from The Ohio State University with a degree in Education in 1958. Following graduation, he served in the U.S. Army in Germany then returned to Columbus to begin a teaching career. After four years of teaching, he returned to the Ohio State College of Dentistry, graduating in 1968. He opened his practice in Toledo, Ohio and it was during this time that he and Lady Kay became active in North Cape Yacht Club. Racing on their 29' Columbia Defender, *Ugly Duckling*, they were active in the Club and Bill served as North Cape’s Commodore in 1975.

Becoming increasingly active in I-LYA, Bill & Kay were co-chairs of the Junior Championships in 1975 and chaired the event in 1976. Bill was elected to the Board of Trustees in 1977, elected to the bridge in 1979, and was our Commodore in 1981.

In 1982, he married Susan Powers and relocated his dental practice to Put-in-Bay, where he also served as a teacher at the Put-in-Bay School. Active in island life, he could often be found at The Goat or Tipper’s, particularly if the Buckeyes were playing. He was involved in the Put-in-Bay American Legion Post and volunteered as a referee for the Lake Erie Islands Softball League for many years. Dr. Bill had a simple

philosophy about life—work hard, find humor where you can, take time for fun, and value what’s important. He valued family and friends, but also valued the island, its traditions, its beauty, and its history. Commodore Latham passed away at his Put-in-Bay home on October 14, 2016.

**1981 Commodore
J. William Latham**

July 29, 1935–October 14, 2016

The Inter-Lake Yachtsmen's Fund

The Inter-Lake Yachtsmen's Fund, for which all private donations are tax-deductible, is an IRS-recognized 501(c)(3) charitable organization. The assets are administered by the nine trustees who are elected by the Fund's members (its donors.)

Listed below are some of the grants the Fund made last year. This ambitious program of support can only continue through your generosity. We urge you to become a member of the Fund or renew your old membership. We will gladly recognize you in the I-LYA's yearbook and other publications. Simply complete and mail the form on the following page. It's worthwhile... it's tax deductible... and it's greatly appreciated!

Also consider these tax-deductible opportunities through donations to *The Yachtsmen's Fund*:

Bequests in Memory of Friends and Loved Ones
Property • Securities • Vessel Donations

Inter-Lake Yachtsmen's Fund Grants

Amateur Activities

Provides support for I-LYA Clubs hosting the US Sailing Junior Championships (Sears, Bemis, Smythe Trophies); for US Sailing Junior Olympics held at a port on Lake Erie; support for Juniors of I-LYA clubs through the Challenge Team program; and partial reimbursement for expenses for any I-LYA junior sailor qualifying for the US Sailing Junior National Championships.

Scholarships

Twenty-three scholarships to 1st, 2nd, and 3rd place finishers of the I-LYA Junior Race Week and Powerboat Junior Navigation Contest.

I-LYA Junior Race Week

Subsidize coaching expenses and provide ongoing support.

I-LYA Junior Power Regatta

Provide support for major I-LYA Junior Power events.

I-LYA Challenge Team

The Yachtsmen's Fund has established the Challenge Team, which will provide partial funding to encourage juniors to take part in important events (regattas & clinics) in addition to I-LYA and US Sailing ladder events. Primarily intended to encourage those who have not yet reached their sailing potential, this program is open to I-LYA juniors between the ages of 13 and 19.

To qualify for funding the event or clinic must typically draw at least 20–25 entrants per class, and be of a level of competition found at the I-LYA Junior Bay Regatta.

The following are examples of the type of activity in which this program is intended to encourage participation:

- Orange Bowl
- Oyster Bay Clinic
- Buzzard's Bay
- C.O.R.K.
- Nationals, Districts or Mid-Winters of the following classes: 420, Laser, Thistle, etc. Request forms are online at i-lya.org.

Please Use Your Imagination and Go Race !!!

Vermilion Boat Club

Established 1913

Latitude: 41° 25' 21" N | Longitude: 82° 21' 43" W

5416 Liberty Avenue | Vermilion, Ohio 44089
440-967-6634 | vbc@vermilionboatclub.com | www.vermilionboatclub.com

Commodore	Lori Koethe
Vice Commodore	Stacie Whitacre
Rear Commodore	Jim Chapple
General Manager	Brian Sullivan
Dockmaster	Kraig Kirby

Visit VBC ... the "place to be" on the south shore of Lake Erie!!! Enjoy fine food, inside & outside bars, pool, live music and transient dockage. Vermilion boasts restaurants, shopping, putt putt and a family-friendly atmosphere. VBC was the proud host of the 2016 Tartan 10 Nationals.

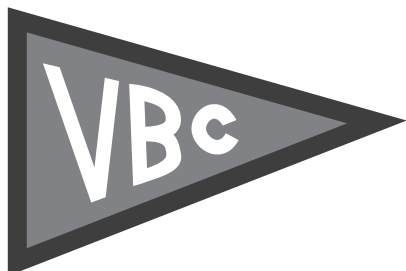

VBC's outstanding restaurant service includes fine dining on Tuesday, Wednesday and Friday nights in our upstairs dining room overlooking the Vermilion River. The pool is open and a casual lunch menu is available daily (excluding Mondays) from Memorial Day weekend through mid-September.

VBC Bowl Race & Sailors Shrimp Boil – Saturday, May 27 (Live Music Billy Morris & Sunset Strip)
South Shore Regatta & Pig Roast – Saturday, August 26 (Live Music Liverpool Lads Beatles Tribute)
Commodore's Memorial Clambake – Saturday September 30

***VBC Officers & Members extend their Congratulations to

8/8–11	Chubb US Jr. Champs
▲ 8/11	Hoover SC (awards)

Please check the current
calendar at www.i-lya.org.

▲ = Counter Race for Series Awards

The Junior Traveler Series is a summer-long series of weekly regattas hosted by I-LYA member clubs which offers an increased opportunity to race close to home. Series awards will be presented to the top finishing skippers and crew in each qualifying fleet based on the best five regatta finishes at any of the qualifying events. There is also a Team Trophy awarded each year to the top finishing club. Registration and scoring for the series and each qualifying regatta will utilize noticeofrace.net.

Sailors must be at least 7 years old and can participate in the Traveler Series up to and including the summer immediately following their senior year of high school. The Notice of Series is available online on the Traveler Series page under Junior Sailing at I-LYA.org.

2016 Chubb Junior National Sailing Championships

With the support of the Yachtsmen's Fund, Ian Moran, Abie Griggs, Ryan Squires, and Tim McDonough represented I-LYA at the Chubb Junior National Sailing Championships at Mission Bay Yacht Club in San Diego. They qualified at the Area E Championships held at North Cape Yacht Club in July and even though they had to contend with "ocean sailing through kelp beds" all sailed extremely well.

At the end of the first day of racing, Area E sailors were on top of both the 420 and lightning fleets. According to the race report, "Ian Moran and Abie Griggs (Edgewater Yacht Club) excelled right out of the gates Saturday by winning the first three races." Despite winning two more, including the last one of the regatta, Ian and Abie finished second overall behind a team from San Francisco who took home the Bemis Trophy. The lightning team from Buffalo Canoe Club also finished second in the Sears Cup. Ryan Squires (Hoover Sailing Club) and Tim McDonough (Cleveland Yachting Club) competed for the Smythe Trophy in laser radials. Ryan finished 12th in the fleet of 20 boats improving on his 2015 performance. Overall, a very strong showing by our fresh water sailors.

Reflecting on his experience, Ryan encourages "all I-LYA junior sailors to look beyond our local regattas and make a goal of sailing at regional regattas and qualifiers." Area E Championships will be held at Hoover Sailing Club July 6-8 and Chubb Nationals will be in Toms River, NJ in August. Plan now to attend.

Optimistic About the Future

In April, Grace Squires (Hoover) and Sara Schumann (Cowan Lake) also traveled to California competing at the United States Optimist Dinghy Association (USODA) Team Trial Qualifiers in San Francisco. Grace then headed back to Ohio where she won a hotly contested I-LYA Traveler Series in the opti fleet. Sara, who is 13 years old and a member of the United States Development Team, stayed on the road sailing with the Fort Lauderdale Yacht Club in the winter and the Lake Ontario Opti Team (LOOT) in the summer. She won numerous team race championships and was top female skipper at Texas Race Week and at CORK in Kingston, Ontario. At the USODA Spring Team Qualifiers at the Southern Yacht Club, Sara qualified for the South American Championships in Paraguay and the XXVIII International Villa de Palamos Optimist Trophy Nations Cup. Sara traveled to Palamos, Spain in February of 2017, finishing 68th out of 544 sailors. She'll be back on the road this summer.

Across I-LYA, an increasing number of local sailors are traveling to USODA events. Clubs are bringing in outside coaching talent and focusing on their youngest sailors. Mentor Harbor is once again hosting a Junior Olympic Festival with US Sailing provided coaches. These investments will pay dividends for years to come.

Ian Moran (EWYC), Abie Griggs (EWYC), Ryan Squires (HSC), and Tim McDonough (CYC).

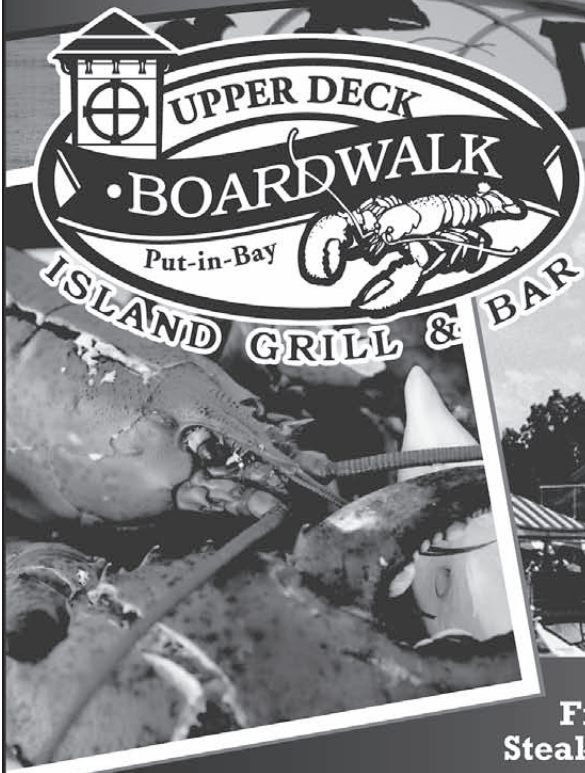

Smiles all around ... a strong 8th place finish at the 2016 Buzzards Bay 420 Championship, repeat winners at Area E, Junior Bay, and the Traveler Series, and a second at Bemis.

Sara Schumann, at 13, is one of the top female opti sailors in the US.

AFTERGLOW 2017

... post-regatta events at Middle Bass Island

The members of Middle Bass Island Yacht Club invite all I-LYA SAIL and POWERBOAT Regatta participants to join us on Sunday August 6, 2017 and Sunday August 13, 2017 respectively. Unwind at MBI before heading home.

I-LYA participants will enjoy dockage for the night at MBIYC for reduced rates and JF Walleyes will offer specials/discounts especially for you.

So, don't hurry home.
Spend the night at beautiful
Middle Bass Island.
We look forward to having you!

JF WALLEYES
WELCOMES
I-LYA Afterglow
PARTICIPANTS!

From the Editor:

Our advertisers, clubs, individuals placing ads, and sponsors make this Yearbook possible. Without your continued generosity we would not be able to produce this book. Along with the pertinent information for our participants at the regattas, the contents between the covers allows our members access to the finest services through fellow members and beyond.

Many thanks also go to our numerous photographers who took the time to capture last year's events! Donna Pribe, Sharon Amlin,

Deb Schaefer, Deena Kern, Tim Yanda, John Bedford, Marilyn Paselsky, and Nate Parsons all contributed to the moments presented here. I would also like to thank my sister Stephanie for long ago seizing the opportunity to paint the picture of a painting of the original Bonafide—and granting use for the cover.

Smooth seas and following winds,
2017 Yearbook Editor, Andy Krotseng

Sunday, August 13, 2017

- 1100 Powerboat Regatta ends! Must clear C-Dock by 1200/A-Dock by 1500 or pay for extended dockage

Schedule is subject to change.
Please check your regatta packets or online at www.i-lya.org.
Follow us on Twitter or Facebook for the latest information.

Junior Power Contests

These Junior Regatta contests are designed to reinforce the safe boating practices and rules of the road learned in the classroom. The contests and seminars use a hands-on approach and provide the juniors with the confidence to operate motorized vessels. The vessels used at the regatta are inflatables donated by senior participants of the power regatta. For additional information about the Junior Power Program please visit the I-LYA web-site.

General Knowledge and Seamanship

Friday's safe boating seminar provides each junior with a refresher course on safety requirements, rules of the road, understanding of buoys and their identifying characteristics, and much more. Juniors will be asked to demonstrate knot tying, line throwing, and how to properly secure a vessel. A written exam, testing each junior on his or her general knowledge of the above concludes this contest.

Charting and Course Plotting

The safe boating seminar also covers charting and course plotting. Hands-on activities teach the juniors how to read charts, determine their position and plot a course. At the end of the seminar, each junior will be tested on their understanding of the above.

Navigation Competition

This is a shore-based contest that will require juniors to pair up and take a short walk or bike ride around the Island. They will be asked to take bearings, make observations and determine their position as they make their way around the Island. Bikes will be provided if necessary.

Weather Contest

Each junior will be asked to forecast the weather for a prescribed time and place. The forecast will include temperature, wind direction and velocity, barometric pressure, sky conditions, precipitation, and relative humidity. Prediction forms will be provided and must be submitted by a set deadline. A committee shall assemble at the prescribed place and time to observe and record the actual weather conditions and determine the winners of this contest.

On-the-Water *(Four contests using inflatables)*

"COURSE A" Boat Handling Contest "Course A" will demonstrate the steering and boat handling capabilities of each junior. The junior, accompanied by an assigned adult, will run a 3-leg course in both a clockwise and counter-clockwise direction with the objective of making both runs in the same amount of time. Speed is NOT the objective.

"COURSE B" Compass Reading and Bearings Contest "Course B" will demonstrate a junior's ability to read a compass and take bearings. The goal is to steer as carefully as possible between the marks for each of three designated courses set by the committee. At the end of each leg the junior is to record the compass heading steered. An assigned adult will crew on each vessel.

Chicane This is a timed test of boat handling and low speed maneuvering. The junior will be timed and judged on his or her ability to successfully maneuver through a prescribed course at no-wake speed in both forward and reverse gears without creating a wake and without hitting the marks on the course.

Docking This contest evaluates the junior's boat handling and maneuvering skills as related to docking. The junior will be judged on his/her ability to properly maneuver, dock and secure his or her vessel within a predetermined dock space. Hitting the dock and/or high speed operations will result in loss of points.

Social Competitions

In addition to the bragging rights earned by making a hole-in-one during Jr. Putt-Putt or Jr. East trouncing Jr. West (or vice-versa) in volleyball, Junior Power Regatta participants also enjoy the following contests:

Geo-Quest

Based on Geo-caching, Geo-Quest is a live treasure hunt utilizing compass and GPS skills. Junior teams will explore the island via adult-driven golf carts and locate hidden "treasures."

Cardboard Boat Race

Who *doesn't* love making stuff with duct tape? Juniors combine their engineering skills with construction and boating knowledge. Entrants must be 12–17, pre-assembly is allowed, each boat to be designed for 1 or 2 people. Awards given to place finishers and a "Spirit award" given to the team showing greatest Team Spirit and "The Titanic Award" to the boat that sinks in spectacular fashion.

Fishing Derby

The "Fishing Derby" is designed for all juniors participating in the regatta. Come one, come all and see who catches the largest, the most and the smallest fish. The committee will be available to bait your hooks and will supply the bait as well as snacks for the anglers. Bring your pole and your life jacket and arrive 15 minutes before start time so you will be ready to drop your hook. Prizes will be awarded immediately after the finish time. So don't be late and good luck!

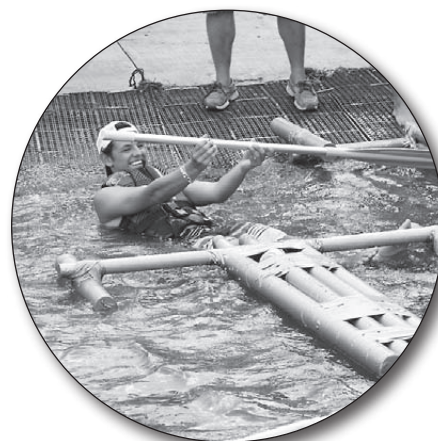

Awards

Ribbons: are given to each winner of the four On-the-Water contests, the Weather contest, and the land/shore based Navigation competition. 1st, 2^d or 3^d place ribbon awards are provided depending upon participation.

Junior Skipper Award and Trophy: is given to the individual having the highest total combined score for all On-the-Water contests and the Weather contest.

Scholarships: 1st, 2^d & 3^d place monetary scholarship awards are given to the eligible juniors with the highest overall score for all competitions.

1. Only those juniors who are members of a boat club affiliated with I-LYA will be eligible to receive scholarship awards.
2. Scholarships are based on final results from 2 days of competitions at the annual I-LYA Regatta.
 - General knowledge and seamanship
 - Charting and course plotting
 - Navigation competition
 - On-the-Water
 - "Course A" Boat Handling
 - "Course B" Compass Reading and Bearings
 - Chicane: boat handling and low speed operations
 - Docking contest: maneuvering and docking

I-LYA Power Regatta at Put-in-Bay

Power Contests

Commodore's Trophy

Competition for the Commodore's Trophy is based upon a combination of seamanship, boat handling and overall knowledge of boating. Four events were selected by the committee, which are thought to provide all of these skills. To compete you must enter all four (4) of these contests. Entry forms are available at the Registrars desk and must be completed and on file in order to compete. A percentage has been given to each event to determine the overall winner of the Commodore's Trophy. A flag and pin will be presented to the winner and your name placed on the Commodore's Trophy which is kept in the Boaters' Museum at Put-in-Bay. The trophy is awarded at the I-LYA Fall Banquet each year. This trophy will be awarded to an individual competing in the various events. The trophy will NOT be awarded to a competing team. This is an individual award NOT a team award. Commodore's Trophy contests include: Predicted Log & Navigation (30%), Docking (25%), Chicane (25%) and Weather Forecasting (20%).

Predicted Log

The Predicted Log is a boat handling skill contest. Knowledge of your boat's performance and navigational skills are a must. The predetermined course is designed around set "Control Points" (navigational aids, buoys, markers, landmarks) which must be passed or rounded, on either the port or starboard side (as indicated). Calculating your "Predicted Log" requires the participant to plot the course on his or her charts and to predict the time he or she will pass each control point in minutes and seconds. This year we are allowing the use of a GPS or Chart Plotter. Contestants may run at any chosen speed above 6 knots comfortable for the weather conditions, and make their predictions based on this speed. Participants should also know their compass deviation, because some points are too far away to be seen easily. The Predicted Log Committee will assign an impartial observer to accompany the run. Each contestant is ask to bring along at least one observer who will be assigned to another boat. A short training class will be held for the observers before the start of the contest. Each contestant must furnish two watches able to read in hours, minutes and seconds (preferably one digital and one stop watch).

Greeley Trophy

Start Buoy R "2" Fl R 4s, PIB Harbor Entrance Leave to Port
 Run a course of 270 T for 2.5 Nautical miles, then proceed to:
 Control Pt. 1 Green Island Light Fl 2.5s 80 ft 8 St M Leave to Port
 Control Pt. 2 Buoy R "2" Fl R 6s Leave to Port
 Control Pt. 3 Buoy R "2" Fl R 4s Leave to Port
 Control Pt. 4 Buoy G "5" Fl G 2.5s Leave to Port
 Control Pt. 5 Buoy G "7" Fl G 4s Leave to Port
 Finish Buoy R "2" Fl R 4s, PIB Harbor Ent. Leave to Port
 Committee Distance 16.1 Nm

Specific instructions will be provided in the contest packet. Each contestant must complete the entry form provided by the committee. This contest is NOT intended to be a team event. However, if a team wishes to compete in this event, only one (1) flag will be awarded (to the team captain). Only the team captain will be eligible to compete for the Commodore's Trophy.

Docking

This is a contest of boat handling and the ability to maneuver your vessel dockside. This contest is not a contest of speed. However, your time is recorded and used for determination of final finish placement and tie breaking decisions. When your vessel is called to compete, maneuver your vessel dockside and set your dock lines. The committee will set marks forward and aft of your vessel. These marks are used to define the space you have to maneuver your vessel. The committee will give you the signal to start and you will leave the dock, go to harbor and make a complete 360 degree turn. Once your turn is complete you will return to the dock and maneuver your vessel to dockside within the marks previously set.

Chicane

The object of the Chicane is to maneuver through the course with your engines in forward gear. Upon completion of the marked course make a 360 degree turn with your vessel. After completing the 360 degree turn, you must maneuver your vessel with engines in reverse back through the course returning to the start/finish line. You will be timed for the entire time it takes to run the complete course (both forward and reverse runs). You will be penalized for hitting a mark or making a wake.

Weather Forecasting

The contest form shall be filled in completely and filed with the Weather Forecast Committee by the time and day posted on the entry form and in the Regatta schedule. Twenty-two (22) hours later, at 1500 hours (3:00 PM) or as otherwise noted on the entry form, a committee appointed for the purpose shall assemble at Put-in-Bay to observe and record the actual weather conditions at the time and place described on the entry form. These conditions shall then be compared to the contestants' predictions and penalty points assessed for all variations. The winner shall be the contestant receiving the least number of penalty points.

Flying Mile

All boats will be timed electronically using a radar gun. Boats will NOT be required to run a full mile at their top speed. All boats will be timed within a 500 foot area designated by the committee. Two (2) or more participants are required to establish a class. No boat will be permitted to run in more than one class. Safety is our number one rule. Please operate your vessel in a safe manner. Remember, you are responsible for the safety of your vessel and all others on board.

Social Competitions

Social competitions include the women's and men's East vs. West Volleyball and the now co-ed Softball Game. Volleyball takes place on the PIBYC grounds and the softball game, at the school. Because most of the participants play these games only once a year, the spectators usually get a good laugh from the weekend warriors but occasionally see some impressive athleticism. The rivalry is sometimes intense but always good-natured. A trophy is naturally awarded to the victors but bragging rights are the real "Gold Medal" that is sought. The cardboard boat races are also a source of "titanic" good fun.

General Information

1. The SAFETY of all participants, crew, committee and audience is our number one rule. While participating in these contests, we ask all to observe navigation rules of the road, local laws and follow all safe boating practices. Please conduct yourself in an orderly and professional manner at all times and not put fellow participants, general public or the committee at risk or cause unnecessary nuisance. We want everyone to enjoy these contests whether on land or sea, please remember to BE SAFE.
2. These Contests and their rules have been prepared by the various contest committees and approved by the Powerboat Committee. From time to time, weather and scheduling conflicts may require changes or modifications to the schedule or contest rules. The various Committee chairpersons will make every effort to inform you of any last minute changes.
3. The success of the Regatta is directly related to participation in these contests and events. There is a first, second and third place flag given to the Clubs with the most participants in Regatta contests and events.
4. In addition to the Club Participation award, Clubs are eligible to receive an award for volunteerism. This is awarded to the Club having the most volunteers working the various contests, events and social functions. If you are a committee chairperson, it is very important to record the hours worked by your many volunteers in order that clubs are credited with all the hours earned during the Regatta.
5. Protests of judges' ruling can be filed with the Powerboat Committee. The Powerboat Committee will review the protest and make a final ruling.
6. Electronic copy of the official Regatta "Contest Rules Booklet" is available from the I-LYA website (i-lya.org). Also, hard copies are available at the Registrar's desk.
7. Refer to the official Regatta schedule and information available at the registrar's desk for the specific place and time of each contest.
8. Entry forms for all contests are available at the Registrar's desk located at PIBYC.

I-LYA Mid America Boating Skipper of the Year

V/C Mike Powers, SSCC

I-LYA
Mid America
Boating Skipper of the Year

Mike Powers

Born in Cleveland and raised in Dayton, Mike graduated from Belmont High School. He then graduated from the U.S. Coast Guard Academy and from the Naval Postgraduate School in Monterey, CA with a Master of Science in Electrical Engineering.

Mike's boating experience began with racing sailboats with his father at Kiser Lake Sailing Club north of Dayton. While in college, he continued sailboat racing in the New England Inter-Collegiate circuit and competed in the Sunfish World Championships in Puerto Azul, Venezuela. He also sailed aboard the *USCGC Eagle*, a 295' barque while at the Academy.

Mike his wife, Kathy, arrived in the Monroe area late in 2006 and joined the Monroe Boat Club in 2008. He served as Power Fleet Captain (2009 & 2011), Financial Secretary (2010), Rear Commodore (2012), Vice Commodore (2013), and Commodore (2014). Mike continues to serve MBC as a Director and the club's delegate to the I-LYA.

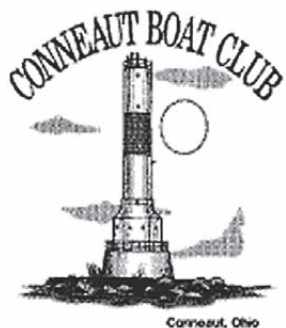

Mike served the Inter-Lake Yachting Association as the 2016 Chair of the Powerboat Committee and also as a Trustee. In 2015, being club Past Commodore allowed him to actively support all three I-LYA regattas, operating their powerboat as a Race Committee boat for the Jr. Sail Regatta and as a mark and photography support boat for the Sr. Sail Regatta.

Kathy and Mike can often be found (in season) either racing locally aboard their J/24, *Mariner*, or cruising the Western Lake Erie basin aboard their motoryacht, *Voyageur*.

Past Winners of the Alton H. Greeley Memorial Trophy

Middle Bass Island welcomes you!

A perfect family vacation destination or a getaway with family or friends.

At Catawba Point, take the Miller Ferry for a relaxing ride to Middle Bass Island. Bring your bicycles or rent them at the Ohio State Park Marina or from J.F. Walleye's and enjoy the great outdoors. Relax in the beautiful wading pool at J.F. Walleye's Bar/Restaurant, a family get together during the day and enjoy the nightclub atmosphere in the evening. Stay with us at Middle Bass Inn or a beautiful condo on Lake Erie through J.F. Walleye's/ St. Hazards. The Ohio State Park provides rustic camp sites. Our General Store offers grocery, MBI clothing items and souvenirs. The Tiki Boutique Gift Shop offers unique treasures, gift items, and apparel for the entire family. Visit St. Hazards' swimming pool, tiki bar, gift shop, restaurant, camping and cabin rentals. Take the Middle Bass Ferry/ Sonny-S for a 10 minute ferry ride to Put-in-Bay and enjoy the sites, return to Middle Bass to relax and unwind.
