# From the Commodore

Greetings from the Bridge! First let me start out by stating what an honor and privilege it is to be the Commodore of I-LYA. When I was elected, I had no idea what 2020 was going to bring. We put together our Boat Show plans and kicked off 2020 on the road to great success. As we are all aware, the world came to a screeching halt with the pandemic. We had to cancel our Spring meeting and then we had to cancel what would have been the 65<sup>th</sup> year of Junior Bay. Pam and I were really looking forward to that event. After the tough decision to cancel, we turned our focus to this yearbook. I am sure you can imagine the difficulty in obtaining sponsors and ads needed to publish the yearbook as everything was closed and/or communication was delayed. To say the least, 2020 has been an incredibly challenging year thus far.

What I have learned most about this organization is the spirit of not wanting to give up. The Board of Trustees, the Yachtsmen's Fund, the Bridge, the past commodores, and of course, this membership are stepping up and working tremendously hard to make the second half of 2020 the best it can be. The Sailing Regatta is still on schedule to move forward on July 29–August 1. The Sail Committee is working extremely hard to make sure everyone has a great time on the water while maintaining safe distancing on shore. The same is happening with the Power Regatta scheduled for August 4–9. The Power Regatta committee is working non-stop to make sure the regatta is safe and everyone has a great time.

The Regattas will be held and we will practice all the safety recommendations from the CDC. We are boaters and we enjoy the greatest natural resource that God has given us. The Regattas will allow us to take time away from this crazy world, enjoy the camaraderie with one another, and see friends perhaps not seen since last year. This is what the Regattas are about.

The unbelievably dedicated people I have met throughout the three years I have served are humbling and they make our organization unstoppable. Each year the Commodore recognizes just a few that stand out. This year Bruce Sattler was awarded 2020 Yachtsman of the Year. The 2020 Yacht Union Racing Trophy went to Rear Commodore Mike Fishbaugh, and the 2020 Skipper of the Year is Brian Moyer. The 2020 Commodore's Award was presented to Leslie Hill. These recipients truly represent the hardworking dedication of all our members.

This year I-LYA lost three wonderful ladies who dedicated their time and energy to the continued success of our organization: 1981 Lady Kay Drake, 1989 Lady Marilyn Krotseng, 1995 Lady Carol Mock. All of you will be deeply missed. Sail on in peace!

As we all know, there is no way anyone can go through their Commodore year alone and without the support of the perfect first mate. Lady Pam has stood by me and has truly been my anchor and support throughout this very tough year.

I hope to see all of you at this year's regattas. Please enjoy the lake and stay safe.

Very truly yours,

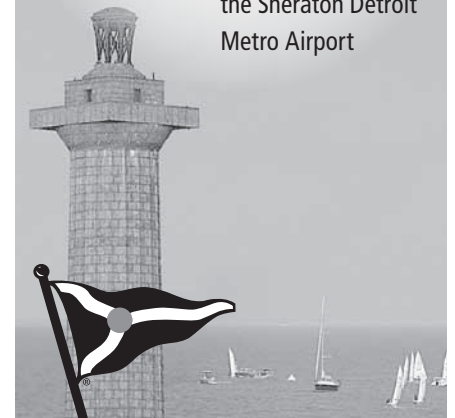

Steven M. Hyder  
2020 Commodore

**Steve Hyder**  
*2020 I-LYA Commodore*

## I-LYA Event Dates 2020

- Cancelled** Spring Meeting
- Cancelled** Junior Bay Week
- July 29–31** Deepwater Races
- July 31– Aug. 2** Sail Regatta
- Aug. 4–9** Junior & Senior Powerboat Regattas
- Dec. 11–12** Fall Meeting at the Sheraton Detroit Metro Airport

# Meet the Commodore

2020 Commodore Steve Hyder was born and raised in Adrian, MI. Steve worked as an apprentice electrician while going to high school and college. He attended Eastern Michigan University and graduated with a bachelor's degree in Public Law & Government and a minor in Communications. After graduation, Steve changed directions and became an EMT. After several years of working as an EMT, he decided to pursue his dream of becoming an attorney and received his Juris Doctorate from Thomas Cooley School of Law in 2006. Steve is a man of many talents—electrician, paramedic, and attorney!

Steve became active on the water at an early age as he loved fishing with his father. His family purchased a cottage on Devil's Lake, and this is where he could be found every spring/summer weekend, always doing something on the water including scuba diving. However, the lake fun did not stop in the summer, as Steve enjoyed snowmobiling on the frozen lake in the winter, too.

Steve has held a multitude of positions in boat clubs and boating organizations. He became a member of Detroit Beach Boat Club in 2004, served as Entertainment Chairman in 2007, eventually going through the chairs to become Commodore in 2010. He then went on to serve for the Associated Yacht Clubs as Nominating Committee member in 2011, Sergeant-at-Arms in 2012, Rear Commodore (2013), Vice Commodore (2014), and was the 2015 AYC Commodore. In addition, Steve has served as AYC Ways & Means chairman in 2017 and 2019. Steve is also a co-chairman of the 2021 AYC Commodore's Ball.

While Steve was serving DBBC and AYC, he became very involved in I-LYA. He was, consecutively, the Power Regatta Secretary, Treasurer, Vice Chairman, and then Chairman from 2009–2012. Steve has also served on the Yachtsmen's Fund and I-LYA Trustee Board. Steve is a Life Member of the Yachtsmen's Fund.

Steve met Lady Pam at one of the multiple boating functions they both attend. Steve and Pam enjoy making lifelong friends from all around Lake Erie. They both love Put-in-Bay and go every chance they can. Steve and Pam joined Put-in-Bay Yacht Club (PIBYC) in 2018 and have made even more friends since then.

In late August, Steve can be found on a football field every Friday evening refereeing high school football. Yes, he has been knocked down a few times, but loves the game!

Steve and Pam spend as much time as possible on the water where all their worries float away. In off-boating season, they can be found attending multiple boating events representing DBBC, AYC, and I-LYA. Steve and Pam also try to work in a vacation or two in the winter months to one of their favorite vacation spots (always near or on the water).

Steve is honored to have been elected to the position of I-LYA Commodore for 2020. Despite facing many challenges with our recent pandemic, he is committed to leading this great organization.

Steve and Pam

# BE THE FRIEND WITH THE BOAT.

Summer is about to get a whole lot more fun with an auto, RV or boat loan from Croghan. Our rates and financing options are competitive and approval decisions are made locally, not in some distant corporate office. Of course, we're always here should you have any questions about your loan. Stop by and let us help you create a summer you and your family won't forget.

# Detroit Beach Boat Club

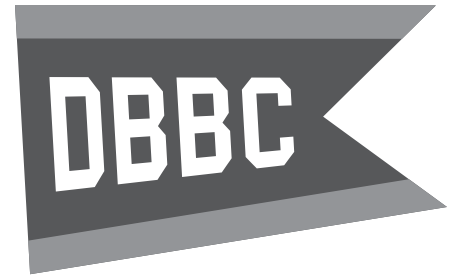

Detroit Beach Boat Club was founded in 1939 by 32 men who all lived within the Detroit Beach Association subdivision. A single dock, which was home to a dozen boats, extended into Sandy Creek and the open waters of Lake Erie. A small garage-sized building was the gathering place. Early years saw little growth as the country was heavily focused on the war effort. Eventually, however, as fuel became more plentiful, fishermen gave way to families who enjoyed cruising on the lake and visiting neighboring clubs. Membership at the time was limited to Detroit Beach residents, so DBBC remained a quiet place where members enjoyed the “honor system” bar in the clubhouse and gathered under the large elm tree that grew on the dike.

1949 saw the club’s first regatta in which hydroplanes raced out front on the lagoon waters. They were quite popular and became a part of the annual regatta until 1961 when interest in these little boats diminished and the races were discontinued. To help fill the void, DBBC hosted a water ski exhibition but logistical problems associated with the huge crowds it attracted prompted the switch to the “Homecoming Steak Roast” format still used today. A Luau was added earlier in the summer as another entertainment option for members and the general public.

In 1965, membership expanded and an addition to the building on the east and west ends was completed, using mostly member volunteers. 1968 saw a unique construction project in which the center building was encased in a new two-story structure. The old section remained in use during this period of construction and was not torn down until the new shell was complete.

1970 saw the DBBC burgee and its members appearing at more and more distant events. It was not unusual to see visiting boats outnumbering home vessels at our docks on a summer weekend. Record high lake levels and high winds in April 1973 brought water surging over the dike wall to flood the club building and grounds. The membership pulled together and again made the necessary repairs. Improvements came yearly and it was not long before DBBC earned a reputation as a friendly port due to its social events and wonderful amenities. Declining interest and a changing neighborhood, along with the Vietnam War, took a toll on the membership in the early 70s. In 1975 membership was opened to non-subdivision property owners and the club began to fill with new faces. The new members helped make more improvements to the docks and clubhouse which in turn attracted even more members.

In 1984, the year after the Michigan DNR dredged Sandy Creek to maintain access to Sterling State Park, DBBC added a second-floor deck and bar facility followed by a large pavilion, playground, expanded parking lots and in 1989, a new dike. Improvements to existing structures and docks continued over the next twenty years, but the volunteers really got busy after 2010 when members approved the purchase of all the property, including the previously leased clubhouse land. The second-floor deck was renovated in 2015 along with replacement of the patio below it and in 2017, a complete renovation of the first-floor bar and hall area was completed. The top of the new bar which is three times bigger than the previous one was done in concrete with blue and white dye representing the lake we love. The future of DBBC is a bright one and our opportunities are limitless. There is no doubt why DBBC is “The Friendliest Club on Lake Erie.”

*Detroit Beach Boat Club is proud to be home port to many leaders.*

# *Yachtsman of the Year*

---

Congratulations, Bruce Sattler!  
2020 I-LYA Yachtsman of the Year

## *Bruce Sattler, Catawba West Harbor Yacht Club*

Yachtsman of the Year was created to recognize one of (or sometimes several of) the volunteers who freely donate their time, vacations, talents, expertise, or even boats and equipment to ensure the continued success of yacht racing competition and the I-LYA organization. One of the hardest decisions for a Commodore is deciding who to honor with this award.

There are many people in this organization that dedicate time and energy to the success of I-LYA. This year it is with great honor and privilege that I award the 2020 I-LYA Yachtsman of the Year to 2019 GCBA Commander Bruce Sattler. Bruce has been involved with I-LYA for many, many years. He has served under several commodores as Fleet Captain and Power Boat Chairman. He has served I-LYA as a Trustee and is often the “man to go to” when you need something. He doesn’t need a title, he doesn’t need to be “asked,” he just sees a need, gets his hands dirty and gets the job done. I have gotten to know Bruce over the years, and I don’t remember a time that he isn’t doing something for the organization. He is always there whenever you need someone. He works non-stop to make our regattas and this organization the best they can be. He is the first to show up and the last to leave. THANK YOU, Bruce, for all your years of dedication to I-LYA. I can not think of a better recipient for this prestigious award. —2020 I-LYA Commodore Steve Hyder

---

# *Commodore’s Awards*

---

I-LYA Commodore’s Award winner Leslie Hill with her children, Madeline and Joey Lark. Both Madeline and Joey are past recipients of individual sportsmanship trophies at Junior Bay Week.

## *Leslie Hill, North Cape Yacht Club*

It was my distinct honor and humbling privilege to award Leslie Hill of North Cape Yacht Club the 2020 Commodore’s Award for I-LYA. It takes a dedicated group of volunteers to run an event the size of I-LYA’s Junior Bay Week and Leslie is a standout volunteer among many. She is one of those special people who devote their time and energy and enthusiasm for the benefit of all. Leslie shines because she always shares her knowledge with all the clubs and used her position as Safety Chair to educate all the parents and sailors about how to make our sport as safe as possible. As Safety Chair, she educated us about concussion protocols, helmet use, and made the North Cape Safety Kits available for loan at Junior Bay. She made safety a priority and we should all be thankful.

Leslie’s tireless efforts within I-LYA also included a stint as Junior Activities Chairman where she helped organize and schedule the very successful I-LYA Traveler Series. Under her leadership, efforts to balance training and racing continued with MHYC hosting Junior Olympic Festivals with coaching clinics and NCYC hosting Advanced Racing Seminars where Leslie also took on the task of feeding all the participants.

Whether coordinating safety boat assignments, preaching concussion awareness, or manning the kitchen, Leslie brings 100% to every task she takes on and we in I-LYA celebrate her achievements and say:

Thank you, Leslie, for everything you do!!!

---

# *I-LYA Honorary Regatta Chairman*

---

*The I-LYA Honorary Regatta Chairman is awarded to an individual who has displayed his or her dedication over the years to I-LYA and our four regattas and who has consistently cooperated and helped with the goals of I-LYA and our affiliates on and off the Island.*

Tim Niese

## ***Tim Niese***

Tim Niese first discovered Put-in-Bay in 1973 at the age of 16. It was at his prompting that his father, Tipper Niese, took over management of the Island General Store launching the beginning of the Niese family's active participation in the growth and development of the island community. Tim spent the next 2 decades earning a degree in Criminal Justice, raising a family and working for the City of Sandusky Police Department. With his father an active businessman on the island, the island was always in the back of his mind. As the island became increasingly busy, he recognized that there was a shortage of modern hotel accommodations. When he retired from SCPD, he decided to address that shortage and built the Islander Inn. Two expansions and the acquisition of Parker's Inn, which was built where the old gas station used to be, gave him a facility large enough to house all of the Junior Bay sailors and their chaperones—which he has done now for over two decades. In 2007, he built the Niagara Event Center, which he allows I-LYA to use each year for banquets and awards at reduced rates. He is truly a great friend and supporter of I-LYA. Tim is also the force behind Bash at the Bay which has turned into a monster musical event at the end of each summer. Tim brings in civic groups, including the I-LYA, to help with this event and raise money for their respective organizations.

---

# *Yacht Racing Union Trophy*

---

## ***Mike Fishbaugh, Sandusky Sailing Club***

The Yacht Racing Union was the pre-cursor to the present-day sailing body of US Sailing. The trophy is awarded to a person who has gone above and beyond to ensure the success of the I-LYA Sail Regatta.

There are so many people who work non-stop to make the Sail Regatta a success year-in and year-out. However, there is one person who has been extremely dedicated to this regatta over the years. He chaired the event in 2012 and 2013, he's vice chaired it three times and has continued to support this event as well as Deepwater in a variety of other roles. Congratulations to 2020 I-LYA Rear Commodore Mike Fishbaugh for everything you have done for the Sail Regatta. I can't think of anyone more deserving.—2020 I-LYA Commodore Steve Hyder

Congratulations, Mike Fishbaugh!  
2020 I-LYA Yacht Racing Union Trophy

Visiting I-LYA Yachtsmen Welcome

# Historically Speaking

By Tom Thanasiu, Jolly Roger Sailing Club

## I-LYA 125 Years Ago (1895)

Com. John E. Gunckel

John E. Gunckel of Toledo's Ohio YC (soon after to merge with Toledo YC) was I-LYA's Commodore in 1895. Among the Commodore's other claims to fame were the formation of the Old Newsboys Association in Toledo (which later morphed into the Boys and Girls Club of Toledo), as a passenger agent for the

Lake Shore and Michigan Southern Railroad line, and telling comical fishing stories. Harry C. Kendall of Detroit's West End YC was Vice Commodore and J.J. Gill of Sandusky YC was Rear Commodore. This same year Detroit YC joined I-LYA, becoming the 10<sup>th</sup> club in the organization.

At the spring meeting, the trustees adopted the Seawanhaka Rule, requiring remeasurement and reclassification of every boat. The regatta, held the week of August 6<sup>th</sup>, at Put-in-Bay was a success but the complaints about the rules were loud and endless. The winners were *Clytie* of TYC in the special class, *Marie-M* of SYC in the 25 footers, *Undine* of PIBYC in the 30 footers, *Puritana* of TYC in the 40' class, *Sultana* of TYC in the 46' class and *Neva* of CYC in the 56 footers.

*Sultana*, owned by Commodore E.D. Potter Jr., was built under the old rules in 1894 to beat *Neva*, which she did without effort. *Puritana* was "the ship of the year for '95." She was built at Racine, WI, for Commodore S.O. Richardson Jr. It was the first year for *Priscilla* in fresh water, brought here by George H. Worthington of CYC after a remodel from her efforts as an America's Cup contender.

## I-LYA 100 Years Ago (1920)

I-LYA's 1920 Commodore Frederick William Wakefield was a self-made man of his time. Born in Birmingham, England in 1863, he emigrated to the United States in 1875 and moved to Cleveland. He worked in a wire mill at 16 and soon after learned the art of metalworking. In 1887, he started working for C. A. Selzer & Co. Exporters dealing in light fixtures, brass goods, and bric-a-brac. He eventually left Selzer and started Gas Fixture and Brass Co. making light fixtures for Standard Lighting Fixtures of Cleveland. In 1905, at the age of 41 and as Commodore of Lakewood YC

Com. Fred W. Wakefield

(Lakewood would merge into Cleveland YC in 1908), he sailed his 28' cutter *Unique* into Vermilion harbor and told his companions it looked like a good place to locate a factory... and that is what he did. He sold his interest in his Cleveland firm and established F.W. Wakefield Brass Co. in Vermilion. The Wakefield Brass Co. invented battery-operated

running lights for small boats and an auto spotlight that could be changed instantly into a red danger light, among other lighting fixtures. He bought a summer house on the lake from Miss Cora Thompson in August of 1905. His home eventually became the Great Lakes Historical Society Museum (1953) and then the Inland Seas Maritime Museum which housed quite a bit of I-LYA history until it fell into disrepair and closed. In 1912, F.W. Wakefield was president of the Vermilion chamber of commerce and elected mayor (twice). He was a founding member of Vermilion YC. He and his family were featured, along with F.W.'s new 45' *Matthews Tobermory*, in Matthews Boat Co. advertisements which ran in the October 1914 *Power Boating* and *Motorboating* Magazines. *Tobermory*, built in Port Clinton, had one of the first diesel engines to be installed in a pleasure boat on the Great Lakes.

45' x 11' TOBERMORY, 30 HP. Kalsen Motor, Owned by Commodore F. W. Wakefield, Vermilion, Ohio

**A Matthews Craft**  
The Ideal Summer Home for the Family

What other form of recreation presents the advantages of the moderate size motor cruiser? No dust—no serious strain—no exorbitant hotel expenses.

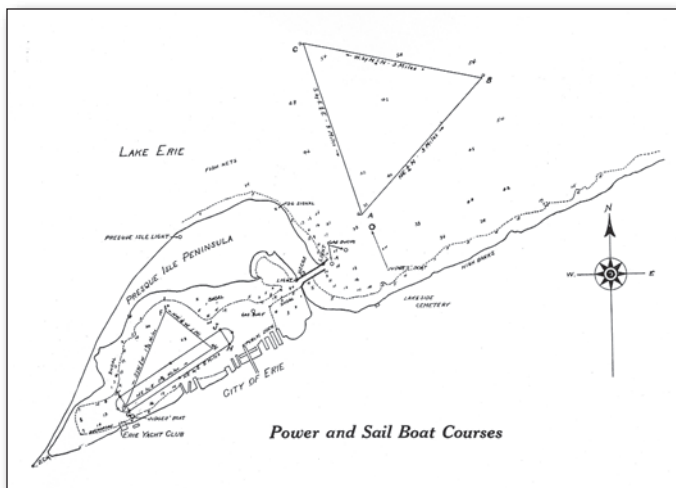

The surroundings of your summer home may be changed with each succeeding day, and every member of the family obtain a vast benefit in the way of health and pleasure.

The above photo of Commodore Wakefield's happy family proves his letter.

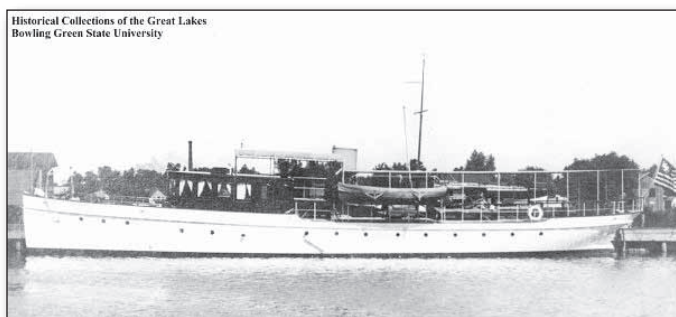

Creating Boats of Quality

**The Matthews Boat Company**  
Port Clinton, Ohio

The 1920 I-LYA regatta was held (for the first and only time) in Erie, Pennsylvania over July 11–17. It was also the first dry regatta with prohibition finally kicking in with the ratification of the 18<sup>th</sup> Amendment and the Volsted Act. The regatta began with a long-distance powerboat race from Rocky River, Ohio to Erie, Pa. Held under International Power Boat Union rules, prizes totaling \$600 were divided among the first 10 boats finishing with a sterling trophy and flag to the winner. There was also a sailing distance race free-for-all from Rocky River to Erie with prizes totaling \$150 and a sterling trophy. Commodore Wakefield's *Tobermory* was the flagship and the Commodore's reception was held aboard Harry Parsons yacht, a 79' Matthews, *MahaPa II*. Along with the daily sail and powerboat racing, there were other sporting events—swimming, tennis, baseball, tug-of-war, rope climbing, running, a boxing exhibition and other field events. Novelty events included a night shirt race, mixed relay, wild goose chase, walking spar, canoe tilting, dingy and canoe races and water polo. No entry fee was charged for any event, but dinner and dance tickets were \$3 a plate, including the ball at Erie YC.

MaHaPa II

## I-LYA 75 Years Ago (1945)

Commodore James A. Beidler Jr. of Toledo YC was in charge of I-LYA's 52 clubs in 1945. Commodore Beidler sailed frequently in the early 1900s and was Commodore of TYC in 1935. He owned five movie theaters in the Toledo area with his father James Sr. and bought a 1929, 39' Matthews which he eventually replaced with a cottage on Peach Point at Put-in-Bay. He was PIBYC's commodore in 1956 and was active in both I-LYA and PIBYC for many years.

Com. James A. Beidler Jr., TYC

Serving with him were Lester R. Mylander of SYC as Vice Commodore, Edward W. Keifer of PHYC as Rear Commodore and I-LYA PC (1915) Harry C. Kendall of DYC as Secretary-Treasurer. Trustees were I-LYA PC Wilbur J. Wright of CYC, Arthur Summerlee of DYC and Lee Miller of PIBYC.

The Spring Meeting was held at the TYC and the meal was roast muskrat. The regatta dates were August 5–8 with 23 classes completing, the largest being the 8-Meters. The Lightnings were popular newcomers to I-LYA racing with the Stars, 30-Square Meters, Snipes, Interlakes, and K Cats also well represented.

Visiting clubs played for the softball championship. Buster Crabbe brought along his troupe of Olympic champions to put on a water carnival in front of the I-LYA headquarters at PIBYC. There was a "Gay Nineties" bicycle race for the Thundermug Trophy. The Ladies Cat Boat Races were on Monday the 6<sup>th</sup> with the first class at 3 P.M. on a 4.5 mile course. There was a bowling tournament at the Colonial Pavilion the next day. The Commodore's Reception was informal and held at the Park Hotel Tuesday evening.

For two of the three race days, 30 knot winds prevailed but the races were still sailed. During starting line maneuvers several yachts became tangled. The new Thistle class sailboat, designed, built and sailed by Sandy Douglass from VBC swept the Universal Class. Andie Carnegie of DYC won in the CK Class and George Harris of SYC swept the Star Class in *Ripple*.

### I-LYA 50 Years Ago (1970)

Com. Viril F. Berry, FCYC

Viril F. Berry of Forest City YC was Commodore of I-LYA with George L. Sackett of MHYC elected as Rear Commodore at 1969's fall meeting at Detroit's Hotel Whittier. Arthur N. O'Hara of VBC continued to Vice Commodore. The discussion at the spring and fall meetings at Hotel Pick-Carter in Cleveland were centered around Ohio's proposed anti-pollution laws.

I-LYA's Junior Championship was held Monday July 27<sup>th</sup> through Friday the 31<sup>st</sup> with Arnold Bahr of Lake County YC as chairman and Wm. "Scotty" Robertson of MHYC as vice. Entry fees were \$50 for each team with an additional \$28 per crew member to partially cover the cost of meals and housing. A team of four Juniors was preferred. However, the actual races were sailed by a skipper and two crew. The skipper, who was to be helmsman during the entire series, was designated at the time of registration. The alternate crew could be used in any of the races. Male crews and chaperones were housed at the Bayview Inn. The location of the evening meal was at the discretion of the chaperone. Junior girls were housed in quarters separate from the boys. No junior sailor was permitted to drive an automobile on the island during race week. The winning Thistle of the seven-race series was from Erie YC, manned by 14 year old skipper Doug Loesel and crew Clark Kuebler, Richard Esenberg, and Doug Russell.

The traditional regatta attracted 186 sail yachts in 25 classes. Threatening weather and the loss of a course boat created an upset attitude in some classes. Commodore Frank Miller's *Cat's Paw* won the K Class. Walt Swindeman Jr's *Red-S* from NCYC swept the cruising Class-B as did Lewis Wake's *White Elephant* from Detroit in the Thistles. John Mueller of CYC won the Lightning class on *Tickled Pink*, and *Cutty Shark*, skippered by Rick White of PIBYC, won the Shark Catamaran class. The only powerboat event was the Predicted Log for the Greeley Trophy, won by Frank Stallings of SYC. The fall meeting, traditionally a stag affair, changed to co-ed and the Yachtsman's Ball, previously held at Put-in-Bay during the regatta, became a part of it.

### I-LYA 25 Years Ago (1995)

Com. Clay Mock, MHYC

After participating in its activities for over 30 years, Clay Mock 1980 PC of MHYC took the helm of I-LYA. Clay began judging I-LYA races in the 1970s, was elected trustee in 1982, served on several committees, filled in for Commodore Snodgrass at the Junior Championships in 1986, and continued working that event for many years after. He was the Chief Judge for the Junior Championships from 1990–1997, advancing the level of race management, judging and training at the event. After his year leading I-LYA, Clay continued his stewardship of the Inter-Lake Yachtsmen's Fund for many years, ensuring the Fund's longevity.

The 40<sup>th</sup> I-LYA Junior Race Week began on Sunday, July 23<sup>d</sup> with Chris and Lin Bartel from MHYC as Chairs and Arne and Marge Hanson from Jolly Roger SC as Vice Chairs. Filling up a busy Sunday was a racing clinic followed by the icebreaker dinner, meeting and group picture at Perry's Monument. Four days of racing saw 104 sailors representing 16 clubs. The winners in the Championship Series were Charles Vanderhorst, Christine Synowiec and Taylor Robinson of Hoover YC (*Sears/Thistle*), Michael Kaim and Stuart Lipp of MHYC (*Bemis/JY-15*), and Bill Bolas of CYC (*Smythe/Laser*). The juniors were housed at the Arlington House, Park Hotel, Perry Holiday and Pete's Retreat and the awards banquet was held at Tippers.

The weekend Deepwater feeder races brought sailboats to Put-in-Bay and the I-LYA Regatta sailing started on Monday July 31<sup>st</sup> with PC John Bureau of Perrysburg BC as PRO. The weekday racing continued through Wednesday. Top winners were: MORC Overall—*InfraRed*, Bryan Huntley, SSC and PHRF Overall—*Bullet*, Jim Samson, SSC. *Bullet* also won the I-LYA Blue Gavel Trophy for Lake Erie Boat of the Year for the 3<sup>d</sup> consecutive year. This year also marked the 60<sup>th</sup> year of the Interlake class racing at I-LYA. The sailboats cleared the docks by 11:00 A.M. Thursday to make room for the Powerboat Regatta, arriving a half hour later.

The I-LYA Powerboat Regatta began August 3<sup>d</sup> and ran through Sunday the 6<sup>th</sup> with 223 boats registered. The Chairman was Howard Jones of Bay View YC. Roger Viculis of Ford YC was the winner of both Predicted Log

contests—the Greeley and I-LYA II—on *Lady Katherine* but the Commodore's Trophy went to John Thompson of Toledo YC on *Dawler*. In the softball game, the East beat the West 17 to 6 and Elba-Mar BC took home the Greatest Participation Award. The Junior Powerboat Navigation Contest was won by Kristine Kopsky (15) of WWYC.

1995 was also a year of sadness with the passing of 1964 I-LYA Commodore Frank H. Miller of BLYC/PIBYC, 1994 I-LYA Man of the Year Jim E. Crain of PIBYC, Dr. Dale Walker of VBC/SSC/MBIYC, Jack B. Springer of SSC/SYC/CIC, and Joe LoPresti of PIBYC/MBIYC. On a happier note, Paul Pheiffer was awarded I-LYA Man of the Year for his many years of dedicated service to the organization.

### ***I-LYA 10 Years Ago (2010)***

Com. John D. Stewart, WRYCC

The Commodore of I-LYA was John D. Stewart of West River Yacht and Cruising Club. John was drafted into the Army in May of 1967 and became the post's pre-eminent parachute packer—an art form for which hundreds of members of the 82<sup>d</sup> Airborne are, to this day, very thankful. After the Army and several jobs, John decided he like being a

mixologist and a teller of tales. Practicing his trade at several Detroit area clubs led him to a job at Detroit Metro Airport and, in 1983, he became owner of the Double Eagle Lounge in Romulus Heights —“A bar with pool tables and he will take your money at both!” John married Nancy on December 31, 1985 and acquired two daughters by association. His first boat was a 34' cruiser named *Bull Ship*. He and Nancy joined WRYCC in 1997. He was elected to the WRYCC board in 1999 becoming Commodore in 2002. He served on the I-LYA Powerboat committee from 2003 to 2006 and in 2005 was elected to the I-LYA trustees. His Texas Hold'em tournaments at Michigan clubs were successful fund-raisers for his commodore year.

The flagship for the 2010 regatta was John's 41' Chris Craft Commander *Lovely Lady*. Commodores-in-waiting were Fred Schroeder from CCYC and Mike Morton from WYC. The 55<sup>th</sup> Junior regatta co-chairs were Matt & Sue Dubois and Patti & Todd Duffett from Grosse Ile YC. Junior Bay began on Sunday July 18<sup>th</sup> with registration, rigging, and inspection of boats at PIBYC. The juniors were housed at the Grand Islander Inn. The Icebreaker

dinner, introductions and skits for the “Looney Toons” trophies took place at the Niagara Conference Center. The 155 participants, representing 17 different clubs and organizations, took their traditional group photos at the pirate ship between the Islander and Grand Islander hotels. First place winners from the three divisions were Charlie Yingling, Daniel Burns, and Harris Bransch from CYC (Sears/Thistle), Colin Mackay and AJ Rush from NCYC (Bemis/420), and John Fisher from ISC (Smythe/Laser). Long time volunteers Rob and Abby Ruhlman took home the “Thank You for Caring” Matt & Tracey Davis Family trophy.

The Powerboat regatta, chaired by John Bedford of SSCC, began on Wednesday July 28<sup>th</sup> and ended Sunday August 1<sup>st</sup>. The top awards went to Gary Coles of EMBC for both the Predicted Log (Greeley) and overall boat handling and weather contests (Commodore's Trophy). The Club Participation award went to WRYCC and the Club Volunteerism award went to SSCC.

The schedule for I-LYA's 117<sup>th</sup> Sail Regatta sailing changed from previous years. Following a slow decline of sailboat participation, Sail Chairman Bob Sheppard (ACSA/LLYC) was instrumental in moving the regatta from weekday to weekend racing, a change that had been successful at several other regattas around the country. The Deepwaters included races from Buffalo, Cleveland, Detroit, Port Clinton, and Toledo throughout the week and the Bay Week races were held Friday through Sunday. This was also the 75<sup>th</sup> anniversary of the Interlake class racing at I-LYA. Started at Sandusky Sailing Club, and originally called the SC<sup>2</sup> (Sandusky Sailing Club Class), the Interlake was designed by naval architect Francis Sweisguth of Rochester, NY for the waters of Sandusky Bay and Lake Erie *and to be under 18 feet long*. The reason for the length restriction was because SSC had recently raised their dockage rates from 25 cents/ft. to 60 cents/ft. for boats over 18 feet. Five SC<sup>2</sup>s raced in the 1935 I-LYA regatta. By 1936, the class was renamed to Interlake. Top trophy winners at the 2010 sail regatta were Matt Dubois of GIYC on *Racer X*—Blue Gavel/PHRF Boat of the Year & the Mike Smith Trophy/PHRF Class Overall, Jim & Chris Davis of NCYC on *Orange Crate*—Millennium Trophy/JAM Class Overall, Patrick Green of PIBYC on *Black Cat Racing*—Parsons Trophy/Largest One-design Class/Hobie Wave, and Bob Bradley of JRSC on *Red Hot*—McDermott Memorial Trophy/Largest Small Centerboard Fleet.

The Yachtsmen of the Year award went to 2002 I-LYA Com. Douglas Hogan and Lady Pearl (Swan Boat Club). Notable losses this year were 1978 I-LYA Commodore Norm Winkel and 1997 Yachtsman of the Year John Dent.

## Past Recipients Yachtsmen of the Year

1978 marked the beginning of a tradition that has been adopted by each administration since. Commodore Norm Winkel determined that recognition should be given to the many volunteers who freely donate their time, vacations, talents, expertise, and even boats and equipment to ensure the continued success of yacht racing competition and the I-LYA organization. These special people have earned the honor of being “Yachtsman of the Year.”

# Play Ball!

## A Short History of Bay Week Softball

By Com. Douglas Hogan with input from I-LYA Historian Tom Thanasiu Jr.

Bay Week softball, as we now know it, began back in the early 70s when the I-LYA Sail Regatta hosted over 300 sailboats. The bigger sailboats had larger crews who spent a lot of time enjoying the party life of Put-in-Bay. Skippers felt their crews were not capable of performing at their best after an afternoon and evening of socializing. Thus, searching to find a good way for the young sailors to blow off steam following a day of racing, it was suggested that they play softball.

To the best of our knowledge, it was Commodore Keith Davis of Cooley Canal Yacht Club that enlisted some help from his home club and got Art Kreger and Bill Martin to organize a softball tournament using Mother of Sorrow's ball diamond. At that time, with the big boats and large crews, there were enough players to hold softball games over three days. Games were held on Sunday, Monday and Tuesday with accolades to the winners on Wednesday along with the racing awards. The winner of the first softball tournament in 1976 was NCYC. U.S. yacht clubs from Erie, PA. to Detroit, MI. as well as some Canadian clubs participated. Credit for establishing the tournament goes out to Art Kreger and Bill Martin from CCYC who were named the first I-LYA Sports Ashore Chairmen. Art and Bill were assisted by Dave Horn from EMBC.

By the late 80s, Mike Bureau had succeeded Art Kreger as Sports Ashore Chairman. As the size of the sail regatta diminished, the tournament grew smaller and ultimately moved over to the Powerboat Regatta. When Doug Hogan took over as Sports Ashore Chair in 1991, he tried a couple of things to build the softball tournament, but nothing seemed to work until he challenged Rocco DiLillo from West Channel YC to an East vs. West softball game. Doug Hogan was a Past Commodore of AYC (Associated Yacht Clubs) at the time, so a game against the members of GCBA (Greater Cleveland Boating Association) seemed like a great idea. Rocco accepted the challenge—loser buys a keg of beer—and the game was scheduled for Tuesday during the Powerboat Regatta. AYC won the first game and is still waiting for the keg! The Bureau Family contributed a trophy which was then given to the annual winner of the regatta softball game.

The softball game still continues today under new management. Dave Grey from CPYC took over as the chairman for GCBA for a period of time and was then replaced by Rich McKee Jr. who is still playing today. The Cousneau Family took over from Doug Hogan as the AYC Softball Chairman. Doug became the Softball Commissioner and home plate umpire with the three I-LYA Commodores as base umpires. Doug retired in 2018 after many years of great and happy memories.

Art Kreger

**2007 Commodore  
James D. DuPré**

*June 25, 1941–July 17, 2019*

## *Jim Dupré*

James D. DuPré was born on June 25, 1941 and passed on July 17, 2019. Jim was born and raised in Sylvania, Ohio. He was one of four brothers. Jim was always an outdoor person. He loved fishing, hunting and most of all boating. He and Betty joined River View Yacht Club in 1980. The membership was a birthday present to Betty, but as Jim's love of boating had begun long before that, it didn't take long before they were both very involved in the club. In the mid 80s Jim and Betty decided they would like to take part in I-LYA and never missed a year after that. Jim held several offices at RVYC and in 1996 decided it was time to be the Commodore. While holding that office he told his Bridge Officers that he expected them to be at the I-LYA regatta that summer, as none of them had ever attended, and they honored his wish. One of those officers has never missed a year since. That officer being RVYC PC Al Antoine.

In 2002 while serving as one of Commodore Doug Hogan's Fleet Captains, Jim thought he would like to be even more involved in I-LYA and decided to run for the office of trustee. He was elected to the position and that same year he became the Commodore of River View for the second time. It was while serving as I-LYA trustee that he decided it was time for him to seek the position of I-LYA Commodore. "Never a dull moment with this man," was Betty's saying. So in 2007, Jim became the Commodore of I-LYA. While going through the chairs of I-LYA, he and ORYC PC Gary Ryan started the Junior Power program and, thanks to this year's Rear Commodore Bob Lang, it is doing very well today.

*"It was a pleasure and an honor to serve as your Commodore"*  
— Jim DuPré

# Final Voyage

## Rolf Krotseng

The 96<sup>th</sup> Commodore of the Inter-Lake Yachting Association hailed From Edgewater Yacht Club in Cleveland. An avid sailor who loved to be involved in all aspects of the sport, he was particularly proud of his time dedicated to I-LYA.

Rolf and Marilyn joined Edgewater in 1969 and soon became immersed in every aspect of the club and all that it had to offer. Racing their Flying Scot, *Witch Thimble*, they traveled near and far. Their travels included such far off destinations as Deep Creek, Maryland for the Nationals — it was all their Ford Fairlane 500 could muster through the eastern hills of the US!

Back in Ohio, the trip of the summer was always to Put-in-Bay. Over the years, their friends on the island read like a who's who. Their children, Stephanie, Dave, Tom, and Andy always had a "parent" watching over them no matter where they went. From the first days staying at the State Park to the present day, they have always felt the welcome only Islanders could give.

Rolf encouraged the Association to greater involvement in one design racing. In the years leading up to the 1976 Olympics, I-LYA held "Spirit" regattas at Sandusky attracting sailing greats such as the Harken Brothers and Olympic great Peter Barrett to Lake Erie. One of the stories goes that Bill Bentsen of the US Olympic Committee was there to observe the racing. Noticing a power boat with a bunch of "guys in whites," he inquired who they were. After hearing they were all Past Commodores, his response was, "Do you mean to say you let Commodores run your race committee? At our club we don't even let them on the race course!"

Organizing events and individuals the likes of John and Phoebe Borman, Jim Crane, and cadre of Commodores, Rolf immersed himself in volunteering his time to ensure that the regattas were as successful as possible. Later, he would also serve as the President of the Yacht Racing Union of the Great Lakes and organized several runnings of the Great Lakes Championship, a match racing event. Many other organizations also benefitted from his time. He served as Commodore of the Ohio Inter-Club Yachting Association, Rear Commodore of MORC International, Vice Commodore of MORC Station 14, and as a United States Yacht Racing Union Certified Race Officer.

Rolf and Marilyn gave every ounce of their time to the Inter-Lake Yachting Association. As memorialized on cocktail napkins from his 1989 Commodore year stated, "Yachting forever — yardwork whenever!"

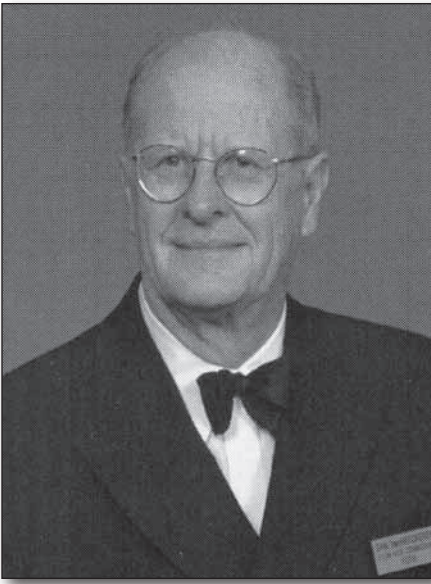

**1989 Commodore  
Rolf Krotseng**

*October 6, 1930–November 9, 2019*

# Final Voyage

**2003 Commodore  
Dr. Daniel W. van Heeckeren**  
*December 1, 1936–June 9, 2020*

## ***Daniel van Heeckeren***

Commodore Daniel W. van Heeckeren served I-LYA as Commodore in 2003. Born in Nootdorp, Netherlands in 1936, descendant of a Dutch royal family, Dan held the title of Baron. After immigrating to the United States and becoming a U.S. citizen in 1970, he was no longer eligible to use that title. “Dr. Dan” attended Colby College in Waterville, Maine where he received his BA in physics, Harvard Medical School, where he earned his MD, Yale-New Haven Hospital where he was a Resident and then Chief Resident of Surgery, and Karolinska Institute in Stockholm, Sweden as a Fellow in cardiothoracic surgery. Working in a number of Cleveland area hospitals throughout his career, and as an Assistant Professor at Case Western Reserve University, he saved thousands of lives and taught hundreds of medical students surgical procedures and bedside manner, thus saving many thousands more throughout his career. He and his wife, Doris, were well known for their philanthropy—championing democracy, justice, and equal rights for all, educating young people in sailing & boating, and helping others living with Parkinson’s disease, among many others. As members of Mentor Harbor Yachting Club, and later Edgewater Yacht Club, Dan & Doris were very active in sailing on Lake Erie, in I-LYA, and in US Sailing as a National Judge and serving on several committees.

Dan’s Commodore year, 2003, was the Bicentennial of the State of Ohio and also the 30<sup>th</sup> anniversary of he and Doris joining Mentor Harbor Yachting Club, their 40<sup>th</sup> wedding anniversary (celebrated during the regatta), and the 30<sup>th</sup> anniversary of the van Heeckerens sailing at I-LYA Bay Week. In those years, his racing at the event was only interrupted twice – once when the boat had run aground returning from Mackinac Island, and the previous year when his Vice Commodore duties necessitated him staying ashore.

Following his year as Commodore, Dan & Doris became the co-Chairs for the I-LYA Junior Championships in 2004, chairing the event in 2005. The 2005 event attracted 176 junior sailors representing 24 I-LYA clubs – one of the largest in the history of Junior Bay. Dr. Dan was a driving force behind the change to the Club 420 as the doublehanded boat and the Laser Radial as the singlehanded boat for Junior Bay Week and the I-LYA Traveler Series - following the rest of the nation at the time and helping to elevate the level of competition for Lake Erie area junior sailors. The van Heeckeren Family Trophy is awarded annually to the winner of the Laser Radial Class at the I-LYA Junior Championships.

He was a mentor to many of the leaders of I-LYA who followed him and shared his love of the sport of sailing and racing on Lake Erie with friends and family throughout his life. Even throughout his battle with Parkinson’s disease, Dan remained as active in I-LYA as possible. Dr. Daniel W. van Heeckeren passed away on June 9, 2020 in Shaker Heights, Ohio.

# About I-LYA

---

## INTER-LAKE YACHTING ASSOCIATION

**I-LYA's** basic purpose is the protection and promotion of the interests of boat owners and water sport fans in the enjoyment of their sport.

**I-LYA** is a watchdog for proposed legislation that may affect yachting and yachtsmen.

**I-LYA** serves as a clearinghouse for yachting information.

**I-LYA's** officers and committees are available to help its member clubs with boating related problems.

**I-LYA** is the US Sailing Regional Sailing Authority and Appeals Body for race protests in the area.

At the top level, **I-LYA** works hand in hand with US Sailing and class racing associations in developing fair and workable rules.

**I-LYA's** foundation, The Inter-Lake Yachtsmen's Fund was established to support training, education, and junior activities. The Yachtsmen's Fund is a qualified 501(c)3 corporation and all donations are tax deductible.

**I-LYA** is the leader in Junior Sailing in the Midwest. The annual Junior Regatta is one of the largest Junior Sailing Events in the United States and serves as a model for other clubs. The winners of "Junior Bay" receive scholarships from the Inter-Lake Yachtsmen's Fund.

**I-LYA** is also a leader in Junior Power boating in the area. The Junior Powerboat program which was developed in 2006, offers Leadership Training and navigational contests. The winners of this event are also awarded scholarships from the Inter-Lake Yachtsmen's Fund.

**I-LYA** consists of 142 member clubs and every member of each club is automatically a member of I-LYA, and is assured recognition among other clubs.

**I-LYA's** membership includes clubs from both the United States and Canada, making for strong international ties and competitions.

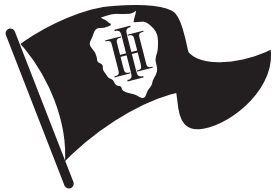

Member clubs are represented by delegates to **I-LYA** and meet twice annually. Spring and fall meetings are held in the vicinity of the current Commodore. Class advisory, cruise and powerboat committees meet prior to the delegate's meeting, giving open forum for class improvement and rules enlightenment. Delegates elect the Flag Officers and Trustees at the Fall Meeting.

**I-LYA** appoints delegates to US Sailing and Yacht Racing Union of the Great Lakes.

**I-LYA** is governed by a nine member Board of Trustees. Business is conducted through the office of the Executive Secretary.

**I-LYA** seeks corporate sponsorship to improve the services provided to its members and to control costs. Current sponsors include BoatU.S., Tito's Vodka, Mount Gay Rum, NWO Beverage, RCR Yachts, Huntington National Bank, Put-in-Bay Yacht Club, Sailing Inc., and the Boardwalk Family of Restaurants.

**I-LYA's** Annual Regatta is held at Put-in-Bay, on South Bass Island, in western Lake Erie—the site of the historic Battle of Lake Erie in the War of 1812. It draws more than 500 Sail and Power boats annually.

**Congratulations  
Commodore  
Steve Hyder**

**Indian Hill Boat Club**  
Maumee, Ohio

## Celebrating the Past — Shaping the Future

The Yachtsmen's Fund, an IRS-recognized 501(c)3 charitable organization, believes that our young sailors and power boaters are the future of our sport. It is imperative that we do all we can to support their education, growth, development, and love of sailing and powerboating. In 2019, to broaden our impact, the Fund began providing Training Grants to encourage and support certification for instructors and race management throughout I-LYA. We did this while maintaining our traditional programs: supporting Junior Bay Week and Junior Power; awarding of scholarships to qualifying I-LYA junior sailors and power-boaters; and providing Championship and Challenge Team grants to junior sailors who represent I-LYA.

We thank the Benefactors and Sponsors listed on this page who recently contributed over \$11,000 toward our Centennial Campaign in honor of our first 100 years. We also acknowledge the gifts of all who have given or will give as life members, annual contributors, or through memorial donations. Your support along with that of our Dollar-per-Member organizations makes a difference today, tomorrow, and far into the future.

# JUNIOR SAIL

A note of gratitude is extended to Kate Keane and Tina Petrigan for the use of their Junior Sail Regatta photos.

## 2020 Junior Sailing Championship Cancelled

After many discussions and meetings with program directors, the I-LYA Junior Council, I-LYA Flag Officers and Trustees made the hard decision to suspend the 2020 I-LYA Junior Sailing Championship for the 2020 season.

This difficult decision was made early in May 2020 and was primarily focused on the safety of the participants due to the 2020 COVID-19 pandemic. Suspending the event early in the season allowed individual junior programs to plan and adjust their schedules for a shortened and/or aborted season.

**WHERE THE  
OPEN WATER  
MEETS ENDLESS  
DISCOVERIES**

Past Commodore, Johnson-Mintus and the team at BMF know that it's people who make companies grow and excel. At BMF, we don't represent numbers, we represent people. We represent the people behind the numbers – the owners and employees who work tirelessly for the success of their company.

Yes, businesses need knowledge, expertise and sometime counsel. Most of all, business people need business partners to help them navigate uncharted courses. Partners who are all-in, no matter what.

Proudly helping our clients see beyond the numbers for over 60 years.

# 2020 I-LYA Junior Traveler Series

## 2020 Junior Regattas

Date	Club
7/25	I-LYA Opti Champs— Sandusky SC
8/1	Senior Bay, Thistle Natn'ls—Put-in-Bay YC
8/8	Hoover SC

Please check the current calendar at [www.i-lya.org](http://www.i-lya.org).

I-LYA is monitoring the incidence of COVID-19 and will be following guidance from local health departments and the State of Ohio. Be aware that regatta events this year may be altered or cancelled to accommodate current restrictions. Most regattas have been cancelled or postponed for 2020.

The Junior Traveler Series is a summer-long series of weekly regattas hosted by I-LYA member clubs which offers an increased opportunity to race close to home. Series awards will be presented to the top finishing skippers and crew in each qualifying fleet based on the best five regatta finishes at any of the qualifying events. There is also a Team Trophy awarded each year to the top finishing club. Registration and scoring for the series and each qualifying regatta will utilize Regatta Toolbox.

Sailors must be at least 7 years old and can participate in the Traveler Series up to and including the summer immediately following their senior year of high school. The Notice of Series is available online on the Traveler Series page under Junior Sailing at [I-LYA.org](http://I-LYA.org).

 Ethan Taylor, Max Belli, Barrett Hall  
 2<sup>d</sup> Place: *Mentor Harbor Yachting Club*  
 Andrew Gallagher, Keagan Gallagher,  
 Ethan Gallagher

# 2019 U.S. Junior Championships

The Chubb U.S. Junior Championship, U.S. Sailing's National Championship for junior sailors aged 13-18, was held in 2019 in Redwood City, CA at the Peninsula Youth Sailing Foundation. Nine I-LYA juniors qualified to compete based on their finishes at the Area E Championships which were held at Edgewater Yacht Club in early July. Five of the nine applied for and received Yachtsmen's Fund Championship Grants to help offset the expense involved with travel and participation while representing I-LYA.

Spencer Barnes and Will Carroll, both from Cleveland Yachting Club, competed for the Smythe Trophy in the Laser Radial fleet. This was Spencer's second trip to Nationals, having finished 17<sup>th</sup> in 2018. The experience certainly paid off. According to Spencer, "The sailing conditions (on San Francisco Bay) are just as good as they talked about. Up until the last day of the competition, winds, waves, and tides were absolutely 'blowin the hats off the gumbies.' On the last day, the conditions backed off and matched a more familiar pattern to me. I managed to secure a 1<sup>st</sup> and 4<sup>th</sup> allowing me to move up in the standings to finish 4<sup>th</sup>/20." Spencer, who won the Radial fleet at Junior Bay Week in 2018 switched things up in 2019 and sailed and won the C420 fleet with crew John Wynne. He also branched out into Thistles, VX One, and the J105 and is very appreciative of the skippers who let him "climb aboard and compete with them."

Some of the doublehanded competitors also benefitted from past experience. C420 skipper and Edgewater Yacht Club sailor Jack Vanderhorst who sailed a Lightning in 2018 returned in 2019 with his regular "Double Dutch" crew Daniel van Heeckeren to compete for the Bemis Trophy and finished 11<sup>th</sup> out of 20 boats. The Grosse Point Yacht Club team of Michael Kirkman and Zach Rockwell improved on their 10<sup>th</sup> place 2018 performance by finishing strong in 3<sup>d</sup> place.

The three man team of Chad Schaffner, Jonathan Mack, and Will Thornton from Cleveland Yachting Club not only had to manage sailing in tides and currents on the open waters of San Francisco Bay, they also had to quickly adjust to an asymmetrical boat as racing for the coveted Sears Cup was held in Open 5.7s. While they did not finish where they had hoped, they learned a lot and met many excellent junior sailors from around the country.

The U.S. Junior Women's Doublehanded and Singlehanded Championships were also held in California in 2019. Sara and Annie Schumann, representing Cowan Lake Sailing Association, Nadia Reynolds from Hoover Sailing Club and the Grosse Point Yacht Club team of Anna Carron and Eva Paschke competed for the Ida Lewis Trophy in San Diego in July. Emma Friedauer, Hoover Sailing Club, and Siri Schantz, Leatherlips Yacht Club, took advantage of two days of coaching and three days of racing for the Leiter Trophy in Richmond, CA.

While all 2020 Championships have been cancelled due to Covid-19. Sailors should plan now for 2021 and remember that the Yachtsmen's Fund has Championship Grants and Challenge Team Grants available to help support travel outside our I-LYA footprint.

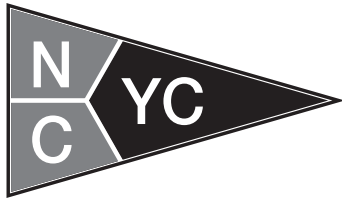

CYC sailor Spencer Barnes finished 4<sup>th</sup> overall in the Laser Radial fleet at Chubb Nationals in San Francisco in 2019.

CYC sailors Chad Schaffner, Jonathan Mack, and Will Thornton sailing an Open 5.7 at Chubb Nationals on San Francisco Bay.

Representing I-LYA and Area E in San Francisco are (L-R): Daniel van Heeckeren, Jonathan Mack, Jack Vanderhorst, Will Thornton, Chad Schaffner, Spencer Barnes, and Will Carroll.

# PHRF Boat of the Year

*Trivial Pursuit*  
David Young  
Edgewater Yacht Club

The owners and crew from the boat **Trivial Pursuit**, a Mirage 338, are honored to be named the I-LYA PHRF Boat of the Year! The team enjoys participating in many regattas along the shores of Lake Erie throughout the years. Our effort during Bay Week was done in honor and memory of Tim Edwards, former crew member, husband, father and friend.

Thanks to the onshore crew of Denise Edwards and Beth Young, and to the on-the-water crew of Jimmy Allen, Devon Edwards, Rhiannan Edwards, Cindy Engbert, Kaitlyn Jablonski, Scott Young, Dave Young and Friday guest helmsman Bill Kelner.

Winning was a special moment with special meaning. Many thanks to I-LYA for hosting a fun and competitive event.

## CONGRATULATIONS

*Commodore Steve Hyder*

# JAM Boat of the Year

*Mystery Dance*  
Peter Huston  
Sandusky Sailing Club

Our **Mystery Dance** team is excited to be the 2019 I-LYA JAM Boat of the Year. Sailing at Bay Week has been a goal since we launched in 2012. Bay Week has been part of our sailing world since we were children dragged up by parents in the 60s. While we spend most of the summer sailing in Sandusky Bay at Sandusky Sailing Club, getting to sail among the Bass Islands and enjoy Put-in-Bay last summer was better than we could have dreamed. Thanks to our shore team of Amy Huston, Mary Jane Hahler, and Bob Gardner, Mystery Dance enjoyed the chance to sail in our first Bay Week together. Shout out to our 2019 team of Peter Huston, Tom Schmidt, Sari Kelley, Myong Wooten, Victoria Bailey, Rudy Rence, Skip Oliver, Steve Hottinger, Sheri Gardner, and Gerry Skebe. *Mystery Dance* US537 is a 26' S2 7.9 dagger board style racer cruiser, one of the last built in Holland Michigan in 1994. We are fortunate to enjoy the camaraderie of sailing with such a great group of friends.

Join more than half a million boaters for savings, service, and representation.

- ▶ Largest towboat fleet nationwide
- ▶ Voice for boaters on Capitol Hill

# I-LYA Junior Power Regatta at Put-in-Bay

## Junior Power Regatta Schedule

### Tuesday, August 4, 2020

- 1600–1900 PIBYC Registration
- 1800–2000 PIBYC Spaghetti Dinner
- 1900–2000 PIBYC Junior Powerboat Committee meeting

### Wednesday, August 5, 2020

- 1100–1430 PIBYC Registration
- 1200 Junior Powerboat Regatta begins!
- 1300–1500 Perry's Cave Junior Putt-Putt (*all ages*)
- 1630–2000 PIBYC Dinner (*Reservations Required*)

### Thursday, August 6, 2020

- 0900–1030 "A" Dock Jr. Fishing Contest, end of "A" Dock (*all ages*)
- 1100–1300 DeRivera Park Geo-Quest Competition (*all ages*) meet by I-LYA Memorial
- 1600 PIBYC Volleyball (*15 years and older*)
- 1700 PIBYC Weather Forecast Submission Deadline
- 1700–1930 PIBYC Corn Hole (*15 years and older*)
- 1730–1900 PIBYC Hot Dog Cookout
- 1930–2130 PIBYC Junior Movies

### Friday, August 7, 2020

- 0900–1200 PIBYC Junior Powerboat Safe Boating Seminar (*ages 12–18*)
- 1800–2000 PIBYC Steak/Chicken Roast (*Reservations Required*)

### Saturday, August 8, 2020

- 0900 Oak Point State Park Junior Navigation and On-the-Water Contests (*Course "A": Boat Handling; Course "B": Compass Reading; Chicane; & Docking*) (*ages 12–18*)
- 1130 Ball Field Softball Game (*15 years and older*)
- 1700 PIBYC Junior Powerboat Awards Presentations

### Sunday, August 9, 2020

- 1100 Junior Powerboat Regatta ends! **Must clear C-Dock by 1200/A-Dock by 1500 or pay for extended dockage**

**Schedule is subject to change.**  
Please check your regatta packets or online at [www.i-lya.org](http://www.i-lya.org).  
Follow us on Twitter or Facebook for the latest information.

I-LYA is monitoring the incidence of COVID-19 and will be following guidance from local health departments and the State of Ohio. Be aware that regatta events this year may be altered to accommodate the current restrictions.

## I-LYA Junior Power Regatta at Put-in-Bay

### Junior Power Contests

These Junior Regatta contests are designed to reinforce the safe boating practices and rules of the road learned in the classroom. The contests and seminars use a hands-on approach and provide the juniors with the confidence to operate motorized vessels. The vessels used at the regatta are inflatables donated by senior participants of the power regatta. For additional information about the Junior Power Program please visit the I-LYA web-site.

### General Knowledge and Seamanship

Friday's safe boating seminar provides each junior with a refresher course on safety requirements, rules of the road, understanding of buoys and their identifying characteristics, hand held GPS and electronic chart instruction, and much more. Juniors will be asked to demonstrate knot tying, line throwing, and how to properly secure a vessel. A written exam, testing each junior on his or her general knowledge of the above concludes this contest.

### Charting and Course Plotting

The safe boating seminar also covers charting and course plotting. Hands-on activities teach the juniors how to read charts, determine their position and plot a course. At the end of the seminar, each junior will be tested on their understanding of the above.

### Navigation Competition

This is a shore-based contest that will require juniors to pair up and take a short walk or bike ride around the Island. They will be asked to take bearings, make observations and determine their position using hand held GPS as they make their way around the Island. Bikes will be provided if necessary.

### Weather Contest

Each junior will be asked to forecast the weather for a prescribed time and place. The forecast will include temperature, wind direction and velocity, barometric pressure, sky conditions, precipitation, and relative humidity. Prediction forms will be provided and must be submitted by a set deadline. A committee shall assemble at the prescribed place and time to observe and record the actual weather conditions and determine the winners of this contest.

### On-the-Water *(Four contests using inflatables)*

**"COURSE A" Boat Handling Contest** "Course A" will demonstrate the steering and boat handling capabilities of each junior. The junior, accompanied by an assigned adult, will run a 3-leg course in both a clockwise and counter-clockwise direction with the objective of making both runs in the same amount of time. Speed is NOT the objective.

**"COURSE B" Compass Reading and Bearings Contest** "Course B" will demonstrate a junior's ability to read a compass and take bearings and identify your position using hand held GPS. The goal is to steer as carefully as possible between the marks for each of three designated courses set by the committee. At the end of each leg the junior is to record the compass heading steered. An assigned adult will crew on each vessel.

**Chicane** This is a timed test of boat handling and low speed maneuvering. The junior will be timed and judged on his or her ability to successfully maneuver through a prescribed course at no-wake speed in 2 directions without creating a wake and without hitting the marks on the course.

**Docking** This contest evaluates the junior's boat handling and maneuvering skills as related to docking. The junior will be judged on his/her ability to properly maneuver, dock and secure his or her vessel within a predetermined dock space. Hitting the dock and/or high speed operations will result in loss of points.

### Social Competitions

In addition to the bragging rights earned by making a hole-in-one during Jr. Putt-Putt or Jr. East trouncing Jr. West (or vice-versa) in volleyball, Junior Power Regatta participants also enjoy the following contests:

#### Geo-Quest

Based on Geo-caching, Geo-Quest is a live treasure hunt utilizing compass and GPS skills. Junior teams will explore the island via adult-driven golf carts and locate hidden "treasures."

#### Cardboard Boat Race

Who *doesn't* love making stuff with duct tape? Juniors combine their engineering skills with construction and boating knowledge. Entrants must be 12–17, pre-assembly is allowed, each boat to be designed for 1 or 2 people. Awards given to place finishers and a "Spirit Award" given to the team showing greatest Team Spirit and "The Titanic Award" to the boat that sinks in spectacular fashion. Bring your own cardboard and tape. NO materials will be provided by the committee.

#### Fishing Derby

The "Fishing Derby" is designed for all juniors participating in the regatta. Come one, come all and see who catches the largest, the most and the smallest fish. The committee will be available to bait your hooks and will supply the bait as well as snacks for the anglers. Bring your pole and your life jacket and arrive 15 minutes before start time so you will be ready to drop your hook. Prizes will be awarded immediately after the finish time. So don't be late and good luck!

### Awards

**Ribbons:** are given to each winner of the four On-the-Water contests, the Weather contest, and the land/shore based Navigation competition. 1<sup>st</sup>, 2<sup>d</sup> or 3<sup>d</sup> place ribbon awards are provided depending upon participation.

**Junior Skipper Award and Trophy:** is given to the individual having the highest total combined score for all On-the-Water contests and the Weather contest.

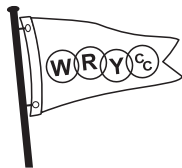

**Scholarships:** 1<sup>st</sup>, 2<sup>d</sup> & 3<sup>d</sup> place monetary scholarship awards are given to the eligible juniors with the highest overall score for all competitions.

1. Only those juniors who are members of a boat club affiliated with I-LYA will be eligible to receive scholarship awards.
2. Scholarships are based on final results from 2 days of competitions at the annual I-LYA Regatta.
  - General knowledge and seamanship
  - Charting and course plotting
  - Navigation competition
  - On-the-Water
    - "Course A" Boat Handling
    - "Course B" Compass Reading and Bearings
    - Chicane: boat handling and low speed operations
    - Docking contest: maneuvering and docking

# I-LYA Power Regatta at Put-in-Bay

## Power Regatta Schedule

### Tuesday, August 4, 2020

- 1600–1900 PIBYC Registration (*Skippers & Mates*)
- 1800–2000 PIBYC Spaghetti Dinner
- 1900–2000 PIBYC Powerboat Committee meeting

### Wednesday, August 5, 2020

- 1100–1430 PIBYC Registration
- 1000–1400 Keys/OtW Contests: Docking
- 1100–1330 On-the-Water Contests: Chicane, & Flying Mile
- 1200 Power Boat Regatta Begins—docking available
- 1300–1500 Perry's Cave Junior Putt-Putt (*all ages*)
- 1500 DeRivera Park Commodore's Welcome & Flag Raising Ceremony\*
- 1530 TBD Commodore's Reception\*
- 1600–2000 PIBYC Beer Trailer Open
- 1630–2000 PIBYC Dinner (*Reservations Required*)
- 1830–2030 PIBYC Pub Crawl

### Thursday, August 6, 2020

- 0830–1000 "A" Dock Commodore's Coffee
- 0900–1030 "A" Dock Jr. Fishing Contest, "A" Dock (*all ages*)
- 1000–1200 Keys/OtW Contests: Docking, Chicane, Flying Mile
- 1100–1300 DeRivera Park Jr. Geo-Quest Competition (*all ages*) meet by I-LYA Memorial
- 1100–1430 On-the-Water Predicted Log/Navigation Contest (*Skipper's meeting 0900 @ Memorial*)
- 1430 PIBYC Adult Inflatable Boat Races
- 1600 PIBYC Men's & Ladies Volleyball (*15 years and older*)
- 1600–2130 PIBYC Beer Trailer Open
- 1700 PIBYC Weather Forecast Submission Deadline
- 1700–1930 PIBYC Corn Hole (*15 years and older*)
- 1730–1900 PIBYC Hot Dog Cookout
- 1930–2130 PIBYC Junior Movies
- 1930–2130 PIBYC Mount Gay Rum Party

### Friday, August 7, 2020

- 0900–1000 Golf Course Golf Tournament (*Registration & Start—prizes for best dressed team*)
- 0900–1200 PIBYC Junior Powerboat Safe Boating Seminar (*ages 12–18*)
- 1200–1330 PIBYC Ladies Luncheon (*Reservations at Registration*)
- 1300–1430 Miller Pav. Smoker
- 1700–2000 PIBYC Beer Trailer Open
- 1800–2000 PIBYC Steak/Chicken Roast (*Reservations Required*)
- 2030 Perry's Cave Putt-Putt Golf (*age 18 and over*)

### Saturday, August 8, 2020

- 0900 Oak Point State Park Junior Navigation and On-the-Water Contests (*Course "A": Boat Handling; Course "B": Compass Reading; Chicane; & Docking*) (*ages 12–18*)
- 1130 Ball Field Softball Game (*15 years and older*)
- 1500–1600 PIBYC IOBG Cocktail Party\*
- 1500–1900 PIBYC Beer Trailer Open
- 1700 PIBYC Powerboat Awards Presentations
- 1900–2100 PIBYC Tito's Vodka Party

### Sunday, August 9, 2020

- 1100 Powerboat Regatta ends! **Must clear C-Dock by 1200/A-Dock by 1500 or pay for extended dockage**
- 1100 The Anchorage Commodore's Brunch (*By Invitation Only*)
- 1500 PIBYC Parade Assembly for Memorial Ceremony\*
- 1530 DeRivera Park Ceremony at I-LYA Memorial\*

\* **Denotes Summer Whites (Long Pants & Covers)**  
 (*The basic Summer White uniform is white shirt, white long pants, white belt, white socks, white shoes, & white officer cap/cover*)

**Schedule is subject to change.**

# I-LYA Power Regatta at Put-in-Bay

## Power Contests

### Commodore's Trophy

Competition for the Commodore's Trophy is based upon a combination of seamanship, boat handling and overall knowledge of boating. Four events have been selected by the committee which provide all of these skills. To compete you must enter all four (4) contests. Entry forms are available at the Registrars desk and must be completed and on file to compete. A percentage has been given to each event to determine the overall winner of the Commodore's Trophy. A flag and pin will be presented to the winner and the winner's name will be placed on the Commodore's Trophy which is awarded at the I-LYA Fall Banquet each year. This trophy is an individual award and will be awarded to an *individual* competing in the various events NOT to a competing team. Commodore's Trophy contests include: Predicted Log & Navigation (30%), Docking (25%), Chicane (25%) and Weather Forecasting (20%).

### Predicted Log

The Predicted Log is a boat handling contest. A contestant's knowledge of their boat's performance and good navigation skills are necessary. A predetermined course is designed around a set of *control points*; which include buoys, markers, and landmarks, which must be passed on the port or starboard side of the boat, as designated. A contestant's calculation of his/her *predicted log* requires the contestant to plot the designated course on his/her own chart and predict the elapsed time, in minutes and seconds, that he/she will pass each control point. Contestants must run the course at their chosen speed, higher than six knots; their prediction should be based on their chosen speed. The use of GPS is allowed when running the course. However the use of auto-pilot during the contest is strictly prohibited. Contestants should know their boat's compass deviation, as most control points are not visible from the start of a leg. The Predicted Log committee will assign an impartial observer to accompany the contestant during the run. Each contestant is asked to bring at least one observer, who will be assigned to another contestant's boat. A short training class will be held for observers before the start of the contest. Each contestant must furnish two watches able to read in hours, minutes and seconds.

### 2020 Greeley Trophy

- |               |  |                    |
|---------------|--|--------------------|
| Start         | Buoy R "2" Fl R 4s, PIB Harbor Entrance  | Leave to Port      |
|               | Steer a course at 250 degrees T for 2.60 NM (2.99 SM). At that point, give timepiece to the observer and proceed to: |                    |
| Control Pt. 1 | Buoy RN "2" (West of North Bass Island)  | Leave to Starboard |
| Control Pt. 2 | Buoy R "6" Fl R 4s, Bell   | Leave to Starboard |
| Control Pt. 3 | Buoy RN "4"  | Leave to Port      |
| Control Pt. 4 | Buoy G "1" Fl G 4s, Bell   | Leave to Starboard |
|               | Steer a course of 235 deg. M until Ballast Island Light disappears, then proceed to:                                 |                    |
| Finish        | Buoy R "2" Fl R 4s, PIB Harbor Entrance  | Leave to Port      |

Committee Distance 17 NM

Specific instructions will be provided in the contest packet. Each contestant must complete the entry form provided by the committee. This contest is not intended to be a team event. However, if a team wishes to compete, and if eligible, only one flag will awarded to the team captain. Only the team captain will be eligible to compete for the Commodore's Trophy.

### **Docking**

This is a contest of boat handling and the ability to maneuver your vessel dockside. This contest is not a contest of speed. However, your time is recorded and used for determination of final finish placement and tie breaking decisions. When your vessel is called to compete, maneuver your vessel dockside and set your dock lines. The committee will set marks forward and aft of your vessel. These marks are used to define the space you have to maneuver your vessel. The committee will give you the signal to start and you will leave the dock, go to harbor and make a complete 360 degree turn. Once your turn is complete you will return to the dock and maneuver your vessel to dockside within the marks previously set.

### **Chicane**

The object of the Chicane is to maneuver through the course with your engines in forward gear. Upon completion of the marked course make a 360 degree turn with your vessel. After completing the 360 degree turn, you must maneuver your vessel with engines in reverse back through the course returning to the start/finish line. You will be timed for the entire time it takes to run the complete course (both forward and reverse runs). You will be penalized for hitting a mark or making a wake.

### **Weather Forecasting**

The contest form shall be filled in completely and filed with the Weather Forecast Committee by the time and day posted on the entry form and in the Regatta schedule. Twenty-two (22) hours later, at 1500 hours (3:00 PM) or as otherwise noted on the entry form, a committee appointed for the purpose shall assemble at Put-in-Bay to observe and record the actual weather conditions at the time and place described on the entry form. These conditions shall then be compared to the contestants' predictions and penalty points assessed for all variations. The winner shall be the contestant receiving the least number of penalty points.

### **Flying Mile**

All boats will be timed electronically using a radar gun. Boats will NOT be required to run a full mile at their top speed. All boats will be timed within a 500 foot area designated by the committee. Two (2) or more participants are required to establish a class. No boat will be permitted to run in more than one class. Safety is our number one rule. Please operate your vessel in a safe manner. Remember, you are responsible for the safety of your vessel and all others on board.

### **Social Competitions**

Social competitions include the East vs. West Volleyball, the co-ed Softball Game, and senior Corn Hole. Volleyball takes place on the PIBYC grounds and the softball game, at the school. Because most of the participants play these games only once a year, the spectators usually get a good laugh from the weekend warriors but occasionally see some impressive athleticism. The rivalry is sometimes intense but always good-natured. A trophy is naturally awarded to the victors but bragging rights are the real "Gold Medal" that is sought. The cardboard boat races are also a source of "titanic" good fun.

### **General Information**

1. The SAFETY of all participants, crew, committee and audience is our number one rule. While participating in these contests, we ask all to observe navigation rules of the road, local laws and follow all safe boating practices. Please conduct yourself in an orderly and professional manner at all times and not put fellow participants, general public or the committee at risk or cause unnecessary nuisance. We want everyone to enjoy these contests whether on land or sea, please remember to BE SAFE.
2. These Contests and their rules have been prepared by the various contest committees and approved by the Powerboat Committee. From time to time, weather and scheduling conflicts may require changes or modifications to the schedule or contest rules. The various Committee chairpersons will make every effort to inform you of any last minute changes.
3. The success of the Regatta is directly related to participation in these contests and events. There is a first, second and third place flag given to the Clubs with the most participants in Regatta contests and events.
4. In addition to the Club Participation award, Clubs are eligible to receive an award for volunteerism. This is awarded to the Club having the most volunteers working the various contests, events and social functions. If you are a committee chairperson, it is very important to record the hours worked by your many volunteers in order that clubs are credited with all the hours earned during the Regatta.
5. Protests of judges' ruling can be filed with the Powerboat Committee. The Powerboat Committee will review the protest and make a final ruling.
6. Electronic copy of the official Regatta "Contest Rules Booklet" is available from the I-LYA website ([i-lya.org](http://i-lya.org)). Also, hard copies are available at the Registrar's desk.
7. Refer to the official Regatta schedule and information available at the registrar's desk for the specific place and time of each contest.
8. Entry forms for all contests are available at the Registrar's desk located at PIBYC.

The **Club Participation Award** is given to the club with the most participation points earned in the Power Regatta and Junior Power Regatta events. Power Regatta events include: Docking, Chicane, Predicted Log, Weather Forecasting, Flying Mile, Inflatable Boat Races, Cardboard Boat Races, Softball, Volleyball, Putt-Putt, and Golf. Junior Power Regatta events include: Cardboard Boat Races, Children's Games, Fishing Derby, Navigation Class, Navigation On-the-Water, Weather Forecasting, Volleyball and Putt-Putt.

One person participating in one event equals one participation point. The club earning the most participation points earns the 1<sup>st</sup> place Participation Flag. 2<sup>d</sup> and 3<sup>d</sup> place flags are also awarded.

Club Participation Award		
1 <sup>st</sup>	Bay View YC	152 points
2 <sup>d</sup>	South Shore CC	55 points
3 <sup>d</sup>	West River Yacht & CC	31 points

The **Club Volunteer Award** is given to the club having the most hours worked to support the events listed under the Participation Award and the Hot Dog Roast, Spaghetti Dinner, Steak Roast, Tippers Supper, Rum Party, Tito's Party, Shuttle Driving, Dock Security, Registrar, Announcement Trailer, Beer Trailer, Marks, Pub Crawl, and other functions, as appropriate. Committee chairmen are automatically given 10 hours. Committee chairmen shall record all the hours worked by their volunteers and submit to the designated Power Regatta chairman.

1<sup>st</sup>, 2<sup>d</sup> and 3<sup>d</sup> place flags are awarded.

Club Volunteer Award		
1 <sup>st</sup>	West River Yacht & CC	289.0 hr
2 <sup>d</sup>	Detroit Beach Boat Club	177.0 hr
3 <sup>d</sup>	Bay View Yacht Club	170.0 hr

The **Commodore's Trophy** is presented to the individual displaying superior skills in four events: Predicted Log, Docking, Chicane, and Weather Prediction.

### CONGRATULATIONS

&

### BEST WISHES TO I-LYA Commodore Steven M. Hyder

Commodore—Russell K. Marcks  
Vice Commodore—Tim Kemerley  
Rear Commodore—Janell Lundgren

**I-LYA MEMBERS WELCOME**

### *From the Editor:*

This year has so far proven to be one we will look back on and think, "Oh yeahhh..., 2020. That year was a *character builder*." We hope that history will show that despite uncertainty and unasked-for challenges, the amazing volunteers who help I-LYA remain strong and long-lived, soldiered through. Thank you for all you do!

We would like to thank our sponsors, advertisers, clubs, and other individuals for their support. Without your continued generosity and support, we would not be able to produce this book. This book is a valuable resource to our members and our Regatta participants and allows them to access important information throughout the year. The book also serves as an historical record of our members' enthusiasm and success.

Many thanks also go to our numerous photographers for the photos that are reproduced in this year's book. They include John Bedford, Al Chapman, Kate Keane, Tina Petrigan, Donna Pribe, Bruce Sattler, and Deb Schaefer.

We are grateful to the commodores and chairmen, past and present, who provided data for the pages, to Tom Thanasiu for his efforts in keeping I-LYA history alive, to Steve Harris for editing as well as compositing photo pages, and to Jane O'Brien who lent her eagle-eyed proofing expertise to the project.

Here's hoping for an easier year and a return to normal in 2021!  
—2020 Yearbook Editor, Marilyn Paselsky

Ron White, President of District 7, IOBG  
and all of the District Officers and Chapters salute  
2020 I-LYA Commodore Steve Hyder & Lady Pam  
and extend our Best Wishes  
for a successful 2020 season
