

JUNIOR

POWERBOAT REGATTA 2013

Capt' Bob here; I'm really excited about the Junior Power Regatta this year. We have some great things in store for our Juniors. **New contests** and **New awards**. They still compete for the scholarship money, but the new Junior Skipper Award and Trophy should spark some new competitive interest. In addition, a 1st, 2nd & 3rd place award will be given to winners of the On-The-Water contests.

The “**Junior and First Mate Safety talk**” at FYC on 23 May was a huge success. There were skippers, first mates and lots of JUNIORS. Thank you to all those who attended, we had a great time and lots of hands on demonstrations. There were a number of Juniors interested in taking the Junior Power boat classes. We're hoping to put together a Junior Powerboat Class starting in June. In addition to earning a Safe boating certificate your juniors have the opportunity to compete in some On-The-Water activities and competitions. Visit the I-LYA web site <http://i-lya.org/> for complete information on the Junior Powerboat program or call.

For anyone still interested in attending the Junior Power Class in JUNE; please contact me so I can get you added to the list.

Capt' Bob; 313-938-8414 cell.
