The Inter-Lake Yachtsmen's Fund

Since 1919

Why should I contribute to the Inter-Lake Yachtsmen's Fund ?

- Support boating education and learning activities for this major boating region.
- Deductible gifts support the next year's activities. Life Memberships and larger donations are invested and those earnings constitute your continuing gift for each year thereafter.
- Just call it a "give-back" to the boating activities you enjoy!
- Secure the continuation of boating by introducing junior power boaters and sailors to the activity, insuring the future of our yacht clubs.
- Be a part of the teaching and practice of safety and boating in a prudent manner.
- Recognition in the Honor Roll of Fund Supporters in each year's I-LYA Directory.
- Thanks to past support, many Junior boaters have obtained scholarships to colleges and gone on to become boating coaches, crew and boat owners in major races and events - and the ultimate for sailors, one of our Junior alumnus, Anna Tunicliffe, has gone on to win a 2008 GOLD OLYMPIC MEDAL, winning the Laser Radial Class after some grueling years of preparation and racing around this Earth !

Grants are given for amateur activities for juniors and seniors, both for power and sail boaters, including :

- National Predicted Log Contests.
- US Sailing Championships (men, women and junior sailors) scholarships for junior power and sailing boaters.
- Training for judges, event managers and race officers.
- Partial funding of expenses for juniors to travel to major regattas out of state, and for the education and betterment of their boating skills.
- Support of I-LYA member clubs for hosting national sailing and power boating events.
- Housing and coaching for I-LYA Junior Sail Race Week - ***the largest event of kind in the USA!***
- I-LYA junior education at powerboat regattas and education seminars held at nearby clubs.
- Many other worthy events, as grants are requested.
