COMMODORE'S REPORT

Summer 2022 certainly is speeding along and the I-LYA Regattas are right around the corner! Registration is still open for the Power & Sail Regattas, so if you haven't already made your plans to attend, please join us. We are all looking forward to visiting our favorite summer destination, Put-in-Bay and seeing so many great friends at the regattas.

Boating season is in full swing, and the I-LYA Bridge has been busy attending events around our region. We look forward to seeing everyone at your home club or at an upcoming regatta.

The I-LYA Regattas start with the Junior Championships July 17-21, with over 100 Juniors from our member clubs participating in what is the largest junior regatta in the country. If you have not seen our Junior Championships, it is quite an event to see. Thanks to the team lead by Kathy Allyn and the countless volunteers who make this event a great success.

Following the Junior Championships this year is the I-LYA Power Regatta and Junior Power Regatta. The Regatta runs July 27-31 and has a full schedule of on-shore and on the water activities. Come join all the fun! Bring the whole family!! Kids are welcome and encouraged to join in as we have competitions and learning events for them as well! All I-LYA Boaters (includes all members of an I-LYA member club) are invited to join for some fun at the bay!

And wrapping up our regatta season this year is the 129th Annual I-LYA Sail Regatta. Deepwater Races begin Wednesday night, August 3 and continue on the 4th. The regatta is August 5-7. We look forward to a great weekend of racing around the Lake Erie Islands, with evening entertainment each night at PIBYC. As we did in 2021, wristbands to the party are FREE for all competitors, so please plan on racing and joining the festivities at PIBYC. A nice menu of food options will also be available at Put-in-Bay Yacht Club. Please check out the info on the website or in this I-LYA new regarding registration.

We look forward to seeing everyone this summer at our Regattas!

Vice Commodore's Corner...Lloyd Bogue

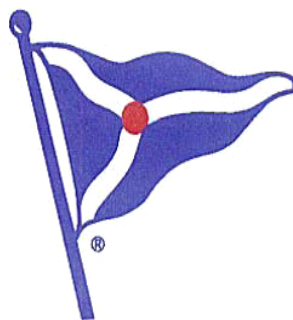

I can't believe how fast the days are going!! Lady Rhonda & I want take this opportunity to **thank everyone** that attended our fundraiser at Ashtabula Yacht Club. The support we received from not only our club, but from many of you from the west end too was phenomenal. It was greatly appreciated! Also congratulations go out Gail Lassiter from REYC in Fairport on winning the Blackstone Grill, we hope to have some pancakes off that baby later this summer!

I would like to thank the "Opening of the Island" committee for including I-LYA in this celebration. We thoroughly enjoyed ourselves and got to meet more & more fellow boaters from the west end. **Fun times for sure!**

Rhonda & I also got to have some fun with the GCBA at Their Rendezvous @ the Huron Boat Basin on June 17 & 18th. They had an American gangster theme this year and Lady Rhonda & I won one of the costume contests. What a Hoot! Thanks to Tony Ciero and his Bridge along with Rock Adams from ICYC for a great time! Don't want to forget IOBG district 7 for hosting a wonderful cocktail party too! It's always good seeing all of our friends from the Cleveland Area.

Talking about fun times, our regattas are just around the corner and we hope that everyone has put in for their vacations so they can join us at the bay. The JR'S start us off on July 17th thru the 21st and should be fantastic as always. I know Kathy Allyn and her committee have been working very hard to ensure this. Tony Blank and his committee has also been working hard on the power boat regatta. Don't forget that the sail & power have changed weeks. Julybe you have had time to polish up on your corn hole game or Julybe had a little more practice on the softball field or volleyball courts? Or perhaps your golf game has improved, whatever the case is, the power boat committee we will be ready for you. Don't forget to bring your club burgee so we can display it at the end of the dock. The sail committee with a veteran group at the helm should not have an issue in providing a great experience for all of our sailors. Bill Pribe, Connie Miller & Doug Seib have been meeting monthly to make sure everything stays on an even keel.

So whatever your pleasure is make sure you get registered before the deadlines and come to the Bay for some fun & fellowship. **We hope to see all of you very soon on the water—Safe Travels!**

Rear Commodore's Corner...Dale Vanderford

Happy July to everyone. We've had a very busy spring around the lake. I was honored to take part in some of the opening of the year festivities at AYC and GCBA clubs. The entire bridge was in Toledo on Memorial Day weekend. We met at Toledo Yacht club to participate in the blessing of the fleet and their Memorial Day ceremony. On Memorial Day itself, the bridge once again represented I-LYA at the GCBA ceremony aboard the USS Cod submarine. Commodore Fishbaugh gave a short speech that was received well by all. Two weeks later VC Bogue and I were at Ford Yacht Club for their "Opening of the Island" Celebration, where there was a very moving ceremony removing Wyandotte Yacht Club from their committee, due to that club's closing.

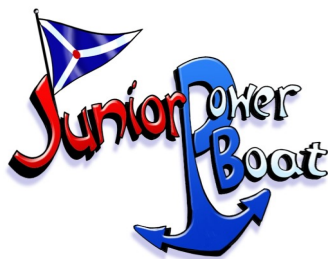

If you recall, Wyandotte donated a very sizeable donation from the remainder of their club's assets to the Yachtsman's Fund this past year. Commodore Fishbaugh represented I-LYA that same weekend in the annual Mills race to the Bay. There was a large turnout of boats participating this year, which is very nice to see!

Our Regattas for the summer are getting closer and Jr's are just a few weeks away. I always enjoy attending the Jr's festivities and watching their activities and races throughout their week. Shortly after Juniors, we have our Power Regattas kicking off the week of July 27th. Attendance is down due to the large number of folks that have sold their boats and then the high cost of fuel. We are hopeful for a rebound in that attendance, with a reminder out there that even if you don't have a boat--you can still attend the Power Regatta for the low cost of \$60.00 per person for the week--which includes 4 meals, the legendary Titos Vodka/Mt. Gay Rum Parties, and free beer all week! Lodging is still available on the island at several hotels.

Rounding out the schedule in the 1st week of August is the Sr. Sail Regatta, which looks to be well attended this year. Of course, there is always room for one more boat and crew, so go ahead and sign up if you are thinking about it. Registration is still available for both at www.I-LYA.org. Can't attend but want to support? Check out the keg and flag sponsorships for Sail and the Keg and golf cart sponsorships for Power. See you at the Bay!

Captain Bob here. Great News; the Junior Powerboat Regatta is just around the corner. The date has CHANGED from previous years, the Regatta has moved to the last weekend in July.

For those who have never attended the Junior Powerboat regatta, you're missing out on some great fun and camaraderie. The fun starts on Wednesday the 27th of July and runs concurrent with the Senior Power boat Regatta, ending on Sunday the 31st of July. There is fun for the entire family, so mark your calendar and plan your family's vacation to coincide with the Regatta. This year, we will continue the incentive program to get families and particularly our juniors involved. The power boat committee is offering a \$20.00 rebate per junior that participates in the regatta. That's right a \$20.00 rebate, it's hard to believe. Here is how it works. The rebate is available to all Senior Power boat participants who enroll their juniors (ages 12 to 19) into the Junior Power Boat regatta program. \$20.00 will be returned to each junior who participates in ALL of the educational and Junior Power contests. This means that your junior must take part in (and complete) the following activities: Junior Powerboat seminar, Weather contest, Chart reading and course plotting exercise, On-shore navigation contest, O.T.W. (On-The-Water) Boat handling contest, O.T.W. compass reading, O.T.W. Chicane-boat handling and low speed maneuvering, O.T.W. docking contest. This is a great opportunity to get your juniors involved and who knows; Julybe they will win it all and come away with a \$300.00 scholarship. Or Julybe they will win the Junior Skipper award. No matter what, they will have a great time and learn a little something in the process.

In addition to these award winning activities, we have additional activities for the 12 to 19 group and those pre juniors under 12. Junior Putt-Putt, Geo-Quest contest, fishing contest, movie night and the regatta wrap-up with Saturday afternoon AWARDS and Presentations.

Be sure to check the I-LYA web site for registration and schedule information. If you have any questions, please feel free to contact me; Captain Bob 313-938-8414 or send me an email; Captain-BobLang@OutLook.com

That's all for now; think boating and I'll see you at the Bay in July.

Captain Bob; 313-938-8414

The 66th annual I-LYA Junior Championships is July 17-21 at Put-in-Bay Yacht Club. We are expecting 120 youth sailors at the event, racing in ILCA (Laser Radial), Club 420, and perhaps the Thistle will make a comeback. Several years ago, we created a special website dedicated to this event and are paperless with an online registration process. Registrations are due July 2.

We are promoting registration with our youth at each Traveler Series event, and also through the I-LYA Juniors weekly email that goes out to more than 300 parents and sailors and junior sailing supporters.

Special thanks to Sailing Inc., powered by Evolution Sails, for being our premier event sponsor. The Hritovsky family is also generously donating Adventure Bay night for our sailors. Thank you!

Going forward, we have adjusted the chairmanship assignment process to be at the club level, with 1 large club program and 2 small club programs paired up, in alternating years.

Chair MHYC (Kathy Allyn); Co-Chairs GIYC (Alec Chabalowski) and PCYC (Linda and Mark Sprenger)

In I-LYA news:

Our former I-LYA junior sailors continue to impress. Sara Schumann from Cowan Lake is now sailing for Boston College and recently won the College Sailing Women's National Championship. While there she competed against Grace Squires from Hoover Sailing Club who now sails for College of Charleston. Joey Lark and Cam Douglas are racing to benefit ALS this summer. Cam recently sailed on board *Jericho* in the Bermuda race, raising \$2,000 for ALS research. Stay tuned for more from these two former I-LYA juniors as the season continues.

Emma Friedhauer will sail for Old Dominion in the fall. We'd love to hear from more former junior sailors and powerboaters. Drop us a note and send a picture so we can share your stories.
