COMMODORE'S REPORT

Happy July! It is time for the running of the 126th Annual Regatta's at Put-in-Bay! We will soon be back at our host club the Put-in-Bay Yacht Club, our home away from home. Preparations are in the final stages for all of our exciting events. The only thing we are missing is YOU! So please plan to join us this summer, yes it truly is summer and I am very sure all the best weather is holding out for the Bay!

We are now in the heart of Boating Season and I hope everyone is fully enjoying their boating activities. We hope you will consider attending the I-LYA Regattas held at Put-in-Bay, Ohio this year so that you can maximize your boating pleasure and exercise your skills by taking part in the Sail Regatta racing or the Power Regatta competitions. We have a full schedule of on shore activities for each of our Regattas and we will keep you busy the entire time. Please refer to the information contained in this newsletter or visit the I-LYA website at www.I-LYA.org to get more information on the Regattas and review the full schedule of activities in the I-LYA Yearbook which is available on-line.

The activities start with the Junior Sail Regatta held July 14th to the 18th where over 130 juniors will compete in the racing and will receive coaching on the water and on shore. I-LYA holds the largest Junior Regatta in the country. We are very proud of the experience we provide for our juniors.

Next we hold the Senior Sail Regatta which starts with Deepwater races on July 31st and then the Regatta begins on Thursday August 1st with racing on Friday through Sunday. We provide an entire experience by not only organizing high caliber racing on the water but on shore activities when the racing is done: Food, entertainment and other activities. If you sail, you really don't want to miss the I-LYA Regatta and if you say well I don't really race we also have a Cruising class, or you can just come for the experience and have a more relaxing vacation with other people who share your passion for sailing. **Go to Yacht Scoring to register now.**

The Power Regatta starts on August 7th and runs through August 11th and includes a full schedule of competitions and on-shore activities. Come join all the fun! Bring the whole family!! Kids are welcome and encouraged to join in as we have competitions and learning events for them as well! All I-LYA Boaters (includes all members of an I-LYA member club) are invited to join for some fun at the bay! **Go to the I-LYA Website for On Line Registration by July 19th.**

A significant amount of planning and preparation goes into making the Regatta's a premier destination for our boating members. Please join us this year and experience the fun, competition and comradery. Once you attend you will make it an annual destination!

See you at the Bay! Cindy Johnson-Mintus, 2019 Commodore

Vice Commodore's Corner...Steven Hyder

Ahoy - From the Mid Ship, Well it is that time of year when all attentions is turned towards our regattas. All 4 regattas are right around the corner and now is the time to get registered.

All the committees have been hard at work and now it is time to show them your appreciation and get registered early so they all know how many to plan for.

Participation is what makes these regattas so much fun. So please get registered as soon as practicable.

On another note, right after the Power Boat Regatta is when the survey will be released. The survey will be up on survey monkey and will only be available for approximately 2 weeks. So please keep an eye out for the survey. Hopefully we will get emailed to everyone on the newsletter email list. Participation in the survey will be extremely helpful as we continue to work with our sponsors in an attempt to identify our demographics. Everyone get out and enjoy the water! Please have a safe and fun boating summer!

Steve Hyder, Vice Commodore

Rear Commodore's Corner...Bob Lang

Captain Bob here. WOW, here we are first of July and the Regattas are just around the corner. I sure hope everyone has their registration forms filled out and processed. This will be a first for me as far as attending all 3 regattas and I'm looking forward to seeing everyone and enjoying all the fun filled activities. The weather sure hasn't been very cooperative for the start of 2019 but, let's all be positive and hope the weather is kind to us for our upcoming regattas.

You know, these regattas are the highlight of the I-LYA year, at least they are for me. I always look forward to making new friendships with fellow boaters and catching up with old friends. For those out there that haven't come to a regatta lately, your missing out on a great time. There is something for everyone, sailors, power-boaters and kids alike.

As I continue my year as Rear Commodore, I look forward to visiting many of your clubs. Its been a busy year personally for Bobbi and me but, I think moving forward, we'll be able to spend a little more time on the boat and cruising the lake and catching up with old friends. Oh, I forgot to tell you, I sold my boat Kemosabe. Not to worry, Captain Bob isn't going to be without a boat, made an offer, offer accepted and should be moving the new boat from West side of Michigan to Lake Erie first part of July, just in time for the Regattas.

For those who didn't get notification of my new email, please take a minute to correct my contact information as I will not be monitoring my office email. My new email is: CaptainBobLang@outlook.com If you want talk, give me a call 313-938-8414 or stop by the old garage, I'm usually there at the bench working on a project.

Thanks for listening. See you at the REGATTA. Captain Bob, Rear Commodore I-LYA

2019 I-LYA Meetings and Regattas

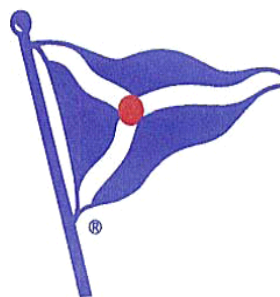

- **Junior Championship** July 14 – 18 Put-In-Bay, Ohio
- **Powerboat Week** August 7 – 11 Put-In-Bay, Ohio
- **Sail Regatta** August 1 – 4 Put-In-Bay, Ohio
- **Fall Meeting** December 6-8 Doubletree Hotel, Westlake, OH.

The 64th annual ILYA Junior Sailing Championships are quickly approaching. As Mother Nature provides us with some challenges, we are confident there will still be top quality racing and engaging onshore activities. A reminder that the dates for this year's Junior Sail Regatta are July 14-18th.

The tradition of this event could not happen without the support of the ILYA Flagline, ILYA Yachtsmen's Fund, every ILYA club, member and volunteer. Thanks to the Yachtsmen's Fund and to some private donors, the safety plan for the regatta has been reviewed and will be implemented by PHASTAR Marine. Also, new this year is the all paperless registration! Please make sure your team is registered by July 2nd to avoid the late fee. Please review all of the detailed information on our website ilyajrchamps.com. If you still have questions after checking the site, you may email us at ilyajrchamps@gmail.com

Liz Barker and Kate Keane - 2019 Junior Sail Regatta Chairs

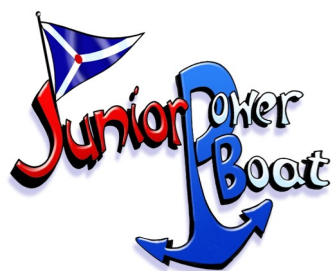

2019 Powerboat Committee

Greetings from the Power Boat Committee. Well the time has come to get registered for Powerboat week at Put-In-Bay!! We are very excited about all the fun we have planned. If you have not done so may I ask that you consider sponsoring a keg of beer for the event? Every year we count on the support of member clubs and individual's generosity to keep the beer tent stocked. Without our sponsors the beer tent runs out of beer! We cant have that! The forms are available on the website under the Power Regatta Tab. This is also where you need to register for the event. I encourage you to register today so we can plan for your attendance and our dock layouts. There is a late charge after the July 19th cutoff date, but to help in our planning we ask that you get registered as soon as possible. The registration form contains very valuable information about this years event please review it as you get registered.

I look forward to seeing you at the Bay. Brian Moyer - 2019 Powerboat Chair - Monroe Boat Club

brian@moyerswelding.com - 734-777-6093

HOLY SMOKES! Junior Power Boat Regatta is only weeks away. I hope you have registered; we're planning a new event this year. It's called "Man Overboard". Should be interesting, entertaining and best of all a learning experience. This year as in the past, we are offering a \$20.00 rebate to those juniors who compete in all of the "On-The-Water" events including weather and classroom seminar. Its been a little busy for me personally this year, but we are on track now and looking forward to a great Regatta.

For those Juniors who have been to the regatta in past years, please help get the word out to your boating friends and invite them to join us this year. Also, we're opening up the Junior regatta to any junior (age 12 -18) on South Bass Island, just pay the registration of \$10.00 and you can join in on the fun. Hope to see some new faces.

Looking forward to seeing you all.

Captain Bob - 313-938-8414 - CaptainBobLang@outlook.com

Sail Regatta Notes

The 126th Sail Regatta is fast approaching and we have planned a wonderful weekend of sailing and socializing. Hopefully you have August 1 - 4 on your calendar to join us for a great event. With the Mills Trophy Race and Cleveland Race week completed, now is the time to get your crew together and get your registration in for Bayweek.

On the water we will be continuing the improvements from the past few years including daily skipper's meetings, three racing divisions each with a dedicated PRO. The one design course will race a combination of tri-angle & windward leeward courses. PHRF will have a mix of courses featuring "Around Islands Racing", JAM and Cruising will have all "Around Islands Racing". We will have dedicated starts for any fleet with five entries or more. The information is accessible from <http://www.i-lya.org/> where you will find the NOR and the registration links. That link is also where you purchase social packages for you and your crew members. Remember that registration fees go up on July 6th and that there will be limited social packages available at the door. We've got entertainment and great food and drink in the party tent, including a Mount Gay Rum party Friday night with a steel drum player and A Tito's Vodka party on Saturday. The three day package, for \$50, is a deal that can't be beaten. Don't wait until the last minute. Get your registrations in now so we can properly plan for this great event.

Please support the Sail Regatta by becoming a 2019 Sail Regatta water, keg, or flag sponsor. All sponsors will be recognized on event banners. The sponsorship form is online and also included elsewhere in this newsletter.

POWERBOAT REGATTA SHUTTLE SPONSORSHIP OPPORTUNITY

To: I-LYA Affiliated Clubs and Interested Members

Re: Opportunity to Support the 2019 I-LYA Power Boat Regatta

The I-LYA Powerboat Committee and Shuttle Transportation Chairman are inviting the I-LYA affiliated clubs and individuals that have participated in past Powerboat Regattas. We are asking you or your club to consider donating money towards our Golf Cart Shuttle Transportation for the upcoming 2019 Powerboat Regatta.

We are asking each club (or interested individuals) that participate in the Regatta if they would consider donating \$80.00 towards this fund so that we can continue to provide transportation to the many events. If your club is not in a position to contribute at this level, the committee will gladly accept contributions in any amount. We transport a large number of your club members whether it's to A or C Dock, the PIB Yacht Club, the Putt-Putt Golf Course, I-LYA events, etc. We have many members that are unable to walk long distances and this valuable service provides an efficient way so that our participants can go to the numerous activities, some of which are quite a distance from where their boats are docked.

We ask for your contribution in donating; information is listed below on where you can forward your donation. Checks should be made payable to "I-LYA 2019".

If you are able to donate, please send your check to Lloyd Bogue, Powerboat Treasurer. Lloyd's mailing address is P.O. Box 681, Geneva, OH 44041.

Thanks for your consideration.

A MESSAGE FROM THE YACHTSMEN'S FUND PRESIDENT...

We are beginning to believe that there are tidal currents in Erie, Pa. The water level is so high that our roads and sidewalks are flooded at certain points of the day at the Erie Yacht Club. We have taken to putting cones alongside the underwater road, so that our Jr. sailors know where the bay ends and the road used to be. I feel the same way with the ebb and flow of fundraising. We are currently in an ebb and am confident that the flow is right around the corner.

Thank you to all of the Dollar-per-Member Clubs who have already sent in their 2019 donation. There is still time for clubs and individuals who have yet to donate. We were so pleased to see requests for training grants come in, and are looking forward to attending Jr. Bay Week and Junior Power to see all the talented young sailors and boaters.

Wishing all a safe boating season and hoping for warmer weather!

Truly, Monica Bloomstine - President Yachtsmen's Fund

Make 2019 the year you support the organization that
supports junior sailing and powerboating in I-LYA!

yachtsmensfund.org

So far in 2019....

* **Scholarship certificates totaling \$1950** have been redeemed by sailors attending:

The Ohio State University; Terra State Community College.

Sailors and junior power boaters with outstanding scholarship certificates will find current redemption instructions on the Grants page of our website.

* **Challenge Team Grants totaling \$550** have been paid out to sailors who have traveled outside the I-LYA area to compete. Challenge Team Grant applications should be received prior to the event.

* **Training Grant Requests** have been received for both Race Management and Sailing Instructor Training. The Yachtsmen's Fund is proud to support higher level training in the I-LYA area.

* **Championship Grants of \$500** will be available for sailors who qualify to represent I-LYA at Chubb Nationals at the Area E Championships to be held at Edgewater Yacht Club in July
