COMMODORE'S REPORT

The beautiful summer has transitioned into the nicest fall I can remember! I hope you are getting some time to enjoy this lovely weather. So, while we are getting our boats out of the water and laid up for winter, it is time to think about celebrating another great year for the I-LYA! This year's fall meeting is being held at the Hilton Doubletree in Westlake, Ohio and is open to all members of our member clubs. Dennis and I hope you will join us to celebrate the year and begin planning for next year. We will have the Vendor Fair back again and have some wonderful additions for great shopping and to gather information from various boating resources such as Homeland Security.

Please refer to the information in this newsletter as well as online at www.I-LYA.org.

It is bittersweet to see the year coming to a close. It has been a wonderful year despite some challenges early on with the high-water issues we all faced. But in the end, we had a wonderful summer. The Regattas were well attended and we had a great time. A huge thank you to all of our volunteers as these great events would not happen without you! I hope you can join us in celebrating another great year at the fall meeting. We have several hospitality suites on Friday and the I-LYA room both Friday and Saturday. The Vendor fair is back for Friday evening and Saturday afternoon and we have the General Meeting and Elections as well as the Commodores' Banquet and Change of Watch. Please plan to stay for our final celebration on Saturday evening at the Commodore's Ball.

Dennis and I have enjoyed visiting all of the clubs and attending the Commodore's Balls throughout the year. Thank you again for your hospitality! How to thank all of you who have volunteered your time, talent and treasure on behalf of I-LYA this year? Words can't convey the deep gratitude Dennis and I have for each of you and all of your efforts. We just can't thank you enough! So please join us in December so we can toast you for all you have done this year and in the years past and yet to come. Thank you so very much!!

It has been an honor and a privilege to serve as your Commodore in 2019. Dennis and I hope to see you December 6th - 8th at the Doubletree in Westlake, Ohio. It is time to celebrate and to plan for the future! Commodore Cindy Johnson-Mintus

2019 I-LYA Meeting

FALL MEETING

DECEMBER 6-8

DOUBLE TREE HOTEL (WESTLAKE, OHIO)

Vice Commodore's Corner...Steven Hyder

Hello All—Well spring has sprung, summer has faded away and now we are into the fall season. A cheers to the boats that are still in the water and a moment of silence for those who have already winterized. With the change of seasons, I-LYA looks forward to the fall meeting, change of watch and the 2020 season. Pam and I are extremely excited and honored to take the helm in 2020. Thank you to everyone for their support, hard work and dedication to this great organization.

Part of the work for 2020 is attempting to gather information about our members and our demographics. We are still collecting responses to the survey we posted back in August. Please cut and paste this link into your browser and take the quick survey <https://www.surveymonkey.com/r/DSBWYSS>. This information will help us gain sponsorship and control our regatta costs.

Also in early 2020, we have the upcoming Cleveland Boat Show January 16th - 20th, 2020. Once again I-LYA will have a booth at the boat show. If you are interested in helping us staff the booth, please let me know. I will have sign up sheets at the fall meeting. Please take time to work the booth and explore the show.

Remember to get registered for the 2019 Fall Meeting December 6th-8th, 2019. This event will be held at the Double Tree by Hilton in Westlake, OH. Friday night there are hospitality rooms and socializing. Saturday the business of the organization is handled with meetings and the 2019 committee wrap ups and 2020 planning. Please register and participate in the fall meeting. Hope to see you all there!!

A big shout out THANK YOU to Member Club Lake Erie Offshore Performance Association (LEOPA). LEOPA hosted an event at Put-in-Bay called "Thunderfest". This year they donated their proceeds from this event to the Yachtsmen's Fund and to the JR. Power Deferred Fund. Thank you - the money is much appreciated and needed!

Until next time. See you all in Westlake! Steve H. (the good one) and Lady Pam, Vice Commodore

Rear Commodore's Corner...Bob Lang

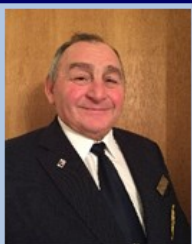

Captain Bob here. Here we are, the end of October and the Fall Meeting is just around the corner. As I look back over this past year I have to say this really is a great organization.

We put on four regattas designed to bring sailors and power boaters together to enjoy their vessels and the camaraderie of fellow boaters. Then, at the fall meeting we have the opportunity to reflect on our accomplishments, awards and elect new officers and committee chairs to start the whole process over again; seems crazy, but I love it.

This year as rear commodore, I have been taking notes, listening and learning the ropes. One thing is for sure, it takes a lot of folks to make the year a success. I'm looking forward to the new year and the challenges we face. Together, we'll make this organization even better.

Thank you for all your support this past year and thanks in advance for your continued support as I move through the ranks. Looking forward to seeing everyone at the Fall Meeting in Westlake, Ohio. If you have any comments or would like to talk, send me an email CaptainBobLang@Outlook.com Thanks, see you soon; Captain Bob, Rear Commodore

Hello fellow boaters. It's that time again. The boats need to be put away for the winter. I hope everyone had a wonderful summer and enjoyed some time on the water. Now it's time to get ready for the I-LYA Winter meeting in December at the Double Tree by Hilton Hotel in Ohio. Check the I-LYA website or give the hotel a call to make your reservations.

I would like to remind everyone that at the December meeting, we will be electing three trustees and one rear commodore. Please make sure that your delegates read the biographies of each candidate in this newsletter. I would like to thank Commodore Cindy Johnson-Mintus for a successful year and three wonderful regattas. I was very pleased with how all the regattas ran. A job well done by all!

I would like to thank LEOPA for their gracious donation to the I-LYA Junior Power Program and the Yachtsmen's Fund. Both donations were in honor of Past Commodore Jim Dupré. PC Jim Dupré was very instrumental in moving I-LYA forward for so many years. He will be deeply missed.

In closing, I hope to see everyone at the December meeting. As the holidays approach, we wish everyone good health, safe travels and enjoy your time with your family. I would like to wish the trustees and incoming bridge much success in 2020!

John Dalessandro, President - I-LYA Board of Trustees

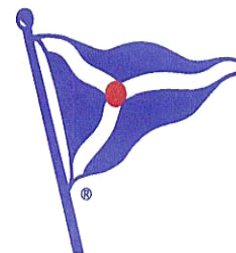

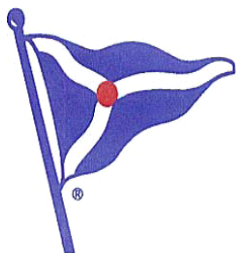

The Nominating Committee has selected the following slate of officers to stand for election at the I-LYA Fall Meeting on Saturday, December 7, 2019.

Rear Commodore

Mike Fishbaugh, Sandusky Sailing Club
Bruce Sattler, South Shore Cruising Club

Trustee:

Bob Effinger, Vermilion Power Boat Yacht Club
Commodore Cindy Johnson-Mintus, Port Clinton Yacht Club
Scott Kneisel, Bay View Yacht Club
Rich McKee, Catawba West Harbor Yacht Club
Connie Miller, Put-in-Bay Yacht Club
Bill Pribe, North Cape Yacht Club

Respectfully Submitted,

Commodore Steve Harris, Chair
Todd Duffett
Sharon Kneisel
Commodore N. Andrew Krotseng
Commodore Mike Powers

Please read the candidate bios contained in this newsletter and plan to attend the "Meet the Candidates" session at 1400 hours on Saturday, December 7th.

2020 Rear Commodore Candidates

I am writing this letter to express my interest for consideration in serving as a Rear Commodore of the Inter-Lake Yachting Association. Through my participation at I-LYA regattas, and as a trustee currently in the last year of my second term, I have fostered an interest in furthering my involvement within I-LYA.

Through participation within I-LYA, I have served as a committee member of the Senior Sail Committee and the One-Design Racing Committee for a number of years. In 2012-2014, I served as chair of the Senior Sail Committee and Sail Regatta. I am currently in my second term as trustee. This involvement has greatly increased my appreciation for the organization and desire to serve. Beginning at the December 2012 meeting, I took on the role as Publications Chair. Working diligently with a great team, we have worked to further the production of I-LYA News, along with boat show and other materials to promote this organization. Likewise, serving as part of the Sponsorship Team, we have been working to further organize and promote sponsorship opportunities within I-LYA.

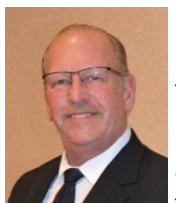

I was commodore of Sandusky Sailing Club in 2014. At SSC, I also serve as president of Sandusky Junior Sailors, Inc., a non-profit organization that operates the Learn to Sail program for Sandusky Sailing Club. I enjoy sailing my Tartan 10 and C&C 121 at SSC and am also a member of Edgewater Yacht Club.

If selected, I look forward to the opportunity to continue to serve I-LYA.

Respectfully Submitted,

Michael Fishbaugh

Michael P. Fishbaugh - PC, Sandusky Sailing Club; Member, Edgewater Yacht Club; Member, Sandusky Yacht Club

My experience in the organized boating community reaches back to the year 2003 when I joined South Shore Cruising Club. With that club, I have filled all of the Executive Board positions and was twice elected as Commodore of that club

(2008 and 2010). and while with that club, I served on all appointed positions that was asked of me. Currently I am a 2 year member of All Ports Y/C and subsequently an AYC member. Since 2008, I have been an active member of the IOBG. Currently I am the 2019 Commander of the Greater Cleveland Boating Association. I have served 4 terms as trustee for the Inter-Lake Yachting Association which includes filling in for vacated positions. I have also been active on the I-LYA Powerboat Committee and was Treasurer, Secretary and finally Chairman for the 2015 Regatta. I have served the last four I-LYA Commodores as Fleet Captain for them and have been involved in all the regattas since 2003.

In the year of 2016, I was awarded the "Boater of the Year" Award from the GCBA as well as the 2016 Mid American Skipper of the Year from the I-LYA. In 2017 and again in 2018, I proudly received the I-LYA Commodore's Award. My knowledge of the workings of the I-LYA and knowing of the hard work and dedication exhibited by the Bridge and the many chair people from both the AYC as well as the GCBA, inspires me to do my best to help advance this organization in all its endeavours.

I currently reside in Columbia Township, Lorain County, Ohio. I have been retired since 2015. I currently own a 34' Sea Ray Express Cruiser and dock my vessel, "Island View" at Midway Marine on Catawba Island. My 3 children and 9 grandchildren reside out of town. My wife of 30 years, Pamela continues to work in the veterinary field and hopes to retire in the coming year.

Sincerely, Bruce A. Sattler

Continued.....

2020 Trustee Candidates

I'm excited to be involved with I-LYA. I have been boating for the last 45 years on all of the great lakes and we make our home in Canton Ohio.

I began my own commercial refrigeration service company 15 years ago, that services commercial and institutional customers all across North East Ohio And western Pennsylvania. We currently are members of Vermilion Power Boats Yacht Club, where I will be the Commodore coming up in 2020.

I have participated in the I-LYA Powerboat Regatta for the last four years and have enjoyed it so much that in 2019, I brought several boats from my club. I look forward to being involved in I-LYA for Many years to come. Thank you. Bob Effinger

Greetings. I have been very involved in I-LYA for approximately 20 years, and I am completing my three years on the Bridge at the December meeting. I have previously served on the board of trustees and would feel honored to have the opportunity to continue to serve the organization.

Prior Experience: I-LYA Bridge Officer 2017 to 2019 and will be completing a very successful Commodore year at the December meeting; 2004 to 2009 (6 years) Member of the I-LYA Board of Trustees and Vice President in 2007 and 2009 – I served with P/C John Bureau and John Thompson along with many others and as such learned a great deal about the history of the organization, the leadership of the organization, the requirements to be successful in carrying out the Administration duties, and I contributed many volunteer hours and was always someone who was very involved and participated in the management of the organization.

I have also served on the Sponsorship committee for a number of years and also the Code of Regulations committee. As a member of the Code of Regulations committee, I was involved in updating the I-LYA Code of Regulations in 2015 and presenting the changes to the Board of Trustees. The Code of Regulations was approved by the Trustees and members with minimal changes and or questions. I currently serve as the Chair of the Code of Regulations Committee. I have also served as a trustee of the Inter-Lake Yachtsmen's Fund since 2015.

I served as the Treasurer of the Administration for 7 years for many different Commodores. My reports were accepted by the audit committee without question. In addition, I worked hard to be a good resource for each of the Commodore's. I served to ensure they had the most favorable results possible and as part of their administration I attended much of the Junior, Power and Sail Regattas and have significant knowledge about how to run the organization and carry out a successful year of I-LYA Regatta activities.

It would be my honor to have the opportunity to serve I-LYA once again in the position of Trustee. I have a proven track record of success in my career, my volunteer activities and with my involvement in I-LYA. Thank you for your consideration. Cindy Johnson-Mintus

Continued.....

2020 Trustee Nominations Continued

My name is Scott Kneisel, a current I-LYA Trustee. It is a privilege to again have been nominated for the position of Trustee; I have prepared this brief biography to introduce myself as I request your consideration and vote at the fall meeting.

Homeport is Bay View Yacht Club in Toledo. My boating involvement began at the age of two when my father got his first boat. My father continued boating over the years, progressively getting larger boats. He joined BVYC in 1972, where he served as Commodore in 1985. I joined BVYC in 1988 and have served in the following offices:

- * Recording Secretary: 1994, 2015 - 2018
- * Rear Commodore: 1995
- * Vice-Commodore: 1996
- * Commodore: 1997
- * Board of Trustees: 1998 -1999 and 2019 as Chairman
- * I-LYA Delegate: 2011 – 2019
- * Fleet Captain: 2012

I am married to Sharon, also a second generation boater. We have two children, Joshua (21) and Erin (19), who were both regular participants in the Junior Powerboat Regatta from 2010 through age 18. Joshua also attended two Junior Sail Regattas as a "powerboat kid," operating a judge's boat.

Our family involvement with I-LYA began with our attendance at the Powerboat Regatta from 1994 - 2000 and 2010 - 2019. On the powerboat committee I have chaired the adult putt-putt since 2013 and Predicted Log in 2017 – 2018, while Sharon has chaired the shuttle golf carts from 2016 - 2019. I served on the I-LYA Nominating committee in 2015.

In 2011, I became the Bay View Yacht Club I-LYA delegate not only because I wanted to increase my involvement with I-LYA, but also because I wanted to encourage my fellow club members to attend the regattas so that they could experience the fun, camaraderie and sportsmanship that my family has enjoyed. During my tenure as delegate BVYC's powerboat regatta attendance has increased from 2 boats to as many as 20 boats. My objective in running for a second term as I-LYA Trustee is to help increase attendance at the regattas and support the objectives of I-LYA.

In my professional life, I served in the US Navy from 1979 – 1990, both as a crew member on two destroyers, having made deployments to the Persian Gulf on each, and then as an instructor at the Great Lakes Naval Training Center. After leaving the Navy, I attended the University of Toledo where I graduated in 1993 with a Bachelor's Degree in Industrial Engineering. Immediately after graduation I started employment with La-Z-Boy Incorporated, where I worked in various engineering and management roles until early 2019.

Continued.....

2020 Trustee Nominations Continued

Hello! My name is Richard McKee Jr. I grew up in Lakewood and graduated from Lakewood High School in 1981. After graduation, I joined the United States Marine Corp and served four years in the service. I am currently employed at UPS Freight as a truck driver.

I was born into a boating family and have been boating for almost my entire life. I purchased my first boat, a 242 Formula in the early 90s. My current boat is a 30' Sunrunner Classic which was purchased in 2000. My wife and I joined South Shore Cruising Club in 2002 and I became Commodore in 2006 and again in 2018 since I enjoyed it so much the first time around. I was proud to be part of the first father/son Commodores of SSCC. I have also held several committee chair positions such as I-LYA/GCBA Delegate, Membership Chair, etc.

In 2005 I started attending the Greater Cleveland Boating Association meetings trying to get more involved. I started running through the officer chairs of GCBA and became Commander of GCBA in 2010.

My wife and I are also members of Catawba West Harbor Yacht Club. We originally joined in 2010-2011. We rejoined in 2015 and are still members today.

Because my wife states that I can't say no – I started attending IOBG – District 7 meetings. I held several offices in this organization and was IOBG-District 7 President in 2016. At the same time, I became part of the I-LYA Powerboat Regatta Committee. In 2013 I began running the chairs of the Powerboat Committee and became Chairman in 2017.

I ask for your consideration as I am placed on the Nomination Ballot for I-LYA Trustee for 2020.

Thank you.

To the Past Commodores, Delegates, and Members of the Inter-Lake Yachting Association:

I have had the honor of serving as an I-LYA Trustee for the past three years and am requesting your support of my interest in a second term. As an alum of the Junior Sail program, I had the opportunity to grow up on the water and to make lifelong friendships with those competitors. My home club, the Put-in-Bay Yacht Club, has long hosted the annual junior and senior regattas and I have been active on the Sail Regatta Committee since 2014.

I am a Past President of the PIBYC Auxiliary and was elected PIBYC Recording Secretary in 2015, a position I continue to hold for 2020.

In 2010 my father, PC Kris Miller, was elected to the Bridge and he asked me to serve as his 2013 Treasurer. This year, I have had the privilege of serving as Treasurer again with C Cindy Johnson-Mintus.

During my tenure on the Board, I have come to realize the need to modernize components of the association if we intend to thrive. As the world goes digital, we need to leverage tools that can help us communicate and interact with the membership in a more effective fashion. I believe that the educational, racing, and advocacy programs help create the next generation of boaters and ensure that the waterways are protected.

I appreciate your consideration and am asking for your support.

Sincerely, Trustee Connie Miller

2020 Trustee Nominations Continued

My name is Bill Pribe and I am running for a three-year term for the I-LYA Trustees. I have been active in I-LYA since 1986, attending the spring and winter meetings and the Senior Bayweek Sail Regattas. I am also a member of North Cape Yacht Club and 2010 Past Commodore. I also have been a member of Jolly Roger Sailing Club since 1985, serving on committees and as Bar chairman and Dock chairman through the years. In the mid 1990's I was the I-LYA delegate for Jolly Roger Sailing Club. In 1997 I joined North Cape Yacht Club and moved my boat there in 1999. I was elected to the Board of Directors at North Cape Yacht Club in 2003, serving two three-year terms before being elected to Rear Commodore and going through the chairs, becoming Commodore in 2010. In 2012 I was elected as an I-LYA trustee for a three-year term and served on the finance committee for two years. In 2015 I was elected Trustee President. I was re-elected for a second three-year term in 2015 ending in 2018. Throughout my terms as trustee and my year as Trustee President I have stressed the importance of running I-LYA and the three regattas more like a business. I also have been on the Senior Sail committee since the fall of 2009 when the plans were made to move the Senior Sail Regatta to the current Friday, Saturday, Sunday format. I have served as I-LYA Senior Sail Chair in 2018 and 2019. I will be I-LYA Senior Sail chair again in 2020. Additionally, I am also the 2019 AYC Sail Fleet Captain charged with the coordinating the AYC Sail Championship.

Outside of I-LYA my current job is General Manager at Toledo Jet Center located at Toledo Express Airport where we service and maintain business jets and turboprop aircraft. I have been an aircraft Airframe and Powerplant Technician with an Inspection Authorization for 46 years. I feel I have some unique knowledge and experience to continue to bring to the I-LYA Trustees to help lead the organization into the future.

2019 Powerboat Committee

Greetings from the Power Committee! We have nothing new to report as of now. I look forward to meeting with you all at the Power Boat Meeting Saturday Morning at 9 AM at the I-LYA Winter Meeting in Westlake. At that time we will review our Regatta for 2019 and begin discussions for next year. We will be holding elections for next years officers at this meeting. I thank you all again for your support and participation. It has been an honor to serve as your Power Boat Chairman for 2019.

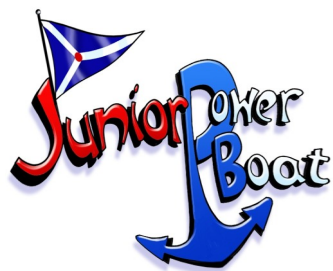

Brian Moyer - 2019 Power Boat Chairman

Sail Regatta Notes

The 2019 Sail Committee Team will be back for 2020. Bill Pribe is the Overall Chair, Doug Sieb is the Race Chair and Connie Miller is the Party Chair. We have the backing of many of the Sail Committee from last year and are very glad we have their commitment and experience but we need more new people to get on the committee. Make no mistake the I-LYA regatta is a very challenging regatta to put on. Having enough people to be on the committee is very important.

This is **your** regatta. If you have been coming to the regatta, we need to know how you would like us to improve the regatta. If you used to come to the regatta but have not participated recently we need to know why you have not been participating. If you have never been to I-LYA Bayweek, we would like to know why not. Whether you are a one-design sailor, centerboard sailor, PHRF, JAM or cruising sailor, we would like to know what you do and what you do not like about Bayweek and how we can improve the regatta and get more sailors to attend. We will be actively searching for your opinions and suggestions. A survey is coming out soon. Please take time to respond to it. Please feel free to give me a call or email me at wpribe@bex.net. Sail Committee meeting will be at 09:00 at the Fall Meeting in Westlake, Ohio December 7.

Hope to see you there

Captain Bob here. The 2019 Regatta is far behind us and we will soon be looking to the 2020 regatta and how to make it better. Improving the regatta is always on my mind and 2019 brought a new Man Overboard contest and recovery training by Phastar. This was a great new contest and I think the Juniors really enjoyed the challenge. There is still room for improvement. The biggest challenge is getting new Juniors involved in Junior Powerboat Regatta. The regatta has grown over the past many years but this past year had disappointing attendance. Let's talk about this at the fall meeting and see if we can motivate more juniors to participate in 2020 and beyond.

Over the years we have had several juniors who have consistently taken part in the activities offered at the Junior Power Regatta and many of you now find yourself nearing the end of your eligibility to participate. So for you and those who have aged out, I would like to invite you to take the next step and get involved in helping out, judging, or grading our junior contestants. You all are the next generation to take charge of this program and I would like to get you involved and hear your thoughts on how to improve our regatta.

That's all for now. Send me your ideas and thoughts on how to improve and increase our numbers. Captain Bob; 313-938-8414 bob@encoeng.com

Welcome to the Great Lakes Cruising Club School

Want to spend your winter months building your boating IQ instead of watching it snow? The highly acclaimed internet-based *GLCCSchool* could be just for you. Presently launching its tenth year, the *GLCCSchool* has become a premier source of practical training for sail and power cruisers on the Great Lakes and beyond. All you need to participate is a computer, laptop or tablet with speakers and an internet connection.

To explore the *GLCCSchool's* live and interactive webinars, just go to the school's website at www.glccschool.com. You can easily browse the site without ever having to join, log on or register.

When you find what a great opportunity the *GLCCSchool* is and decide you want to participate in a webinar, you will need to set up a secure *GLCCSchool* account. Establishing an account is free and all of the school's webinars are open to everyone.

GLCCSchool webinars are very affordable, typically \$20.00 (with a \$5.00 discount offered to members of the Great Lakes Cruising Club and the US and Canadian Power Squadrons). Registering for a class is easy and much like buying something from Amazon or other online retailers. Just go the *GLCCSchool* website, log on with your ID and password, find the class you want to take and click on the course title. From there just follow the simple steps in the check-out process. After check-out, you'll receive an email confirmation plus information about how and when to view your webinar.

One of the special features in the *GLCCSchool* is that every live webinar is recorded. If you watch a live webinar but then a few days later want to review all or part of that webinar, it is free and easy to do. The *GLCCSchool's* special recording feature also lets you watch a webinar even if the date of the live broadcast conflicts with your schedule.

Marine Radar; Marine Battery Selection and Maintenance

Want to know what's in store on the *GLCCSchool* this year? Here's a partial list of classes planned for 2019-20.

Cruising guides for:

Lake Erie, Lake Michigan, Lake Huron, Lake Superior, Lake Ontario's Bay of Quinte and St. Lawrence River's 1,000 Islands, the North Channel, Northern Georgian Bay, the Georgian Bay's 30, 000 Islands Region, the Trent Severn Waterway and America's Great Loop Cruise

Skills classes for: Safety at Sea (two part series); Becoming a Weather Savvy Mariner (four part series); Diesel Maintenance (three part series); Cooking and Cruising on the Great Lakes; Navigating Locks; Dinghy Selection, Operation and Safety

About the Great Lakes Cruising Club...

The *GLCCSchool* is operated by the Great Lakes Cruising Club. Founded in 1934 the GLCC is an organization of over 2,500 US and Canadian Members dedicated to encouraging all boaters to explore the length and breadth of our five beautiful Great Lakes. One of the GLCC's goals is furthering learning and education about the Lakes and about boating. The GLCC has invested a great deal of time and energy into its *GLCCSchool* as this excellent endeavor gets right to the heart of meeting that goal. To learn more about the Great Lakes Cruising Club, go to glcclub.com.

See You in Class Soon!

Yachtsmen's Fund Update

A Letter from Our President

The days are getting shorter and the leaves are starting to flutter down. Boats are getting hauled out, must be fall. We have had such lovely weather, no complaints from this end of the lake!

We are so very appreciative to the Lake Erie Offshore Performance Association (LEOPA) for their generous donation of \$1000 given in honor of 2007 I-LYA Commodore Jim DuPré. Commodore DuPré was a long-time supporter of LEOPA and he will be missed.

We are getting our agenda together for the Fall meeting which will be here before we know it!

Our Centennial Campaign continues with the silver giving level of \$100 and gold giving level of \$1000. Please consider a centennial donation in celebration of our 100th year.

The Yachtsmen's Fund will have a dessert table outside the I-LYA hospitality suite, please stop by for a treat and chat. Looking forward to seeing many of you in December.

Truly, Monica Bloomstine, President-Yachtsmen's Fund - www.yachtsmensfund.org

2019 Memorial, Anniversary, and other Special Donations

Memorial Donations Received in Memory of:

Mary Emery

Dave Zmek

2007 Commodore James DuPré

Other Special Donations

Happy Birthday Commodore Steve Harris - \$50 for 50 years!

Centennial Donations Make Excellent Gifts, too!

Give the gift that keeps on giving. Did your parents or grandparents support your early efforts at sailing or boating? Are you looking for a way to thank that special person who drove your child to countless regattas or shared their coaching skills every weekend? Why not make a donation in their name to the Yachtsmen's Fund? Every size fits perfectly and you can give knowing that your gift will support young sailors and powerboaters next year and far into the future! Give online at www.yachtsmensfund.org or email us at yachtsmensfund@gmail.com if you have questions.

Continued...

Time Running Out to Be Listed as a 2019 Dollar-per-Member Club

The Yachtsmen's Fund appreciates all of our members who donate to the organization that supports junior sailing and powerboating throughout I-LYA, but we especially depend on our Dollar-per-Member Organizations to meet our grant obligations each year. In 2018, you contributed just over \$8000. We have not reached that mark yet this year. A current list of clubs who donated in 2019 is available on our website at <http://yachtsmensfund.org/about-us/dollar-per-member-clubs/>.

If your club is not listed, talk to your commodore. We sent a letter in February to every club and a reminder letter in June to any club who had recently contributed. Perhaps a call from you will help get your club listed as a 2019 Dollar-per-Member Organization. Participation is voluntary, but together we can all make a difference.

**2019 marks the 100th Anniversary of the
incorporation of the Yachtsmen's Fund.**

For over a century we have been actively
supporting sailing & boating throughout I-LYA.

Help us Celebrate!
