Volume 8, Issue 5

COMMODORE'S REPORT

WOW! The Regattas were absolutely great. I know our Regatta Chairs will be posting all the winners in this issue, so take a look and congratulations to all those winners. Anyways, Bobbi and I arrived on the Island the 18th of July for the start of Junior Bay. Couldn't ask for nicer weather. The Regatta ran like a Swiss Watch, and I think all the participants enjoyed their time on the Island and all that the Regatta has to offer. Hats off to Mike FitzGibbon and all those who helped to make the 2021 Junior Bay Regatta one for the record book. After

Junior Bay, there were a few days to enjoy the Island, but the sailors for Senior Sail came in strong and we found ourselves right in the thick of things. So, what else to do, but to enjoy the activities with the rest of our sailing fleet. Weather was absolutely great for the sailors. There was one day with some gusty winds, but all the more fun for our sailing fleet and their races. Bill Pribe and his team did a great job for our sailors, thank you to the whole team.

Things were moving fast; no sooner did we finish senior sail and BAM, Powerboat was starting. The Opening Ceremony was great, I think we had 130 attend the Commodores Reception at the Boathouse Biergarten. Food, drinks and comradery was great. The next few days were quite honestly a blur, with boating contests, pub crawl, miniature golf, 9 hole golf, softball, volleyball, steak roast, hot dogs and taco Wednesday. Turnout at Lady Bobbi's Luncheon was great. Again, good food and comradery. After 4 days of activities, we found ourselves at the Awards on Saturday. We had a great turnout and there was one small wardrobe malfunction that we'll keep to those who attended. Anyways, we moved on to Sunday and the Commodores Brunch, parade and Closing Ceremony. For me, the Brunch, the Closing Ceremony were all very personal and very emotional for 2021 my year, and well; I don't usually get choked up at public speaking events but like I said, this year was very personal and special.

You know, its hard to thank everyone that puts in time and effort to make these Regattas. I look over the audience at the Opening Ceremony, the Brunch, the Awards and the Closing Ceremony and I can't begin to thank all those who spent hours upon hours planning and promoting and making things happen at these Regattas; to all: Thank you and from the bottom of my heart, I love you all. Thanks.

Captain Bob

Vice Commodore's Corner...Michael Fishbaugh

Wow, what a great summer! Hats off to Commodore Bob & Bobby, regatta chairs and committees for hosting 4 fantastic regattas in 2021. It was great to see everyone at all the events, see old friends and make many new ones. To say it takes a small army to pull these events off is an understatement. Thanks to all who attended, helped at one or many regattas and helped make it all a great success! All the committees are planning debrief meetings, and we planning for 2022 will be starting soon.

At the end of August, I then had the privilege to attend and help at Bash on the Bay with an I-LYA group organized by Commodore Steve Hyder. We are very fortunate to be one of the groups chosen by the event organizers to operate one of the beverage tents, and all tips from the two day event serve as a fundraiser for our Junior Programs! The event this year was a great success. Thanks to all who helped this year!

It's never too early to start planning for 2022! Make sure you get your housing arrangements made early. Junior Bay Week: July 17-21, 2022, Power Regatta: July 27 – 31, 2022, Sail Regatta: August 5 – 7, 2022

Rear Commodore's Corner...Lloyd Bogue

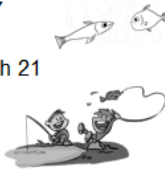

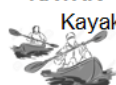

What a fantastic summer we have had, 3 wonderful regattas and beautiful weather to go along with it. Congratulations to Commodore Bob Lang on spearheading 3 successful regattas and to all of his committee people who pulled off these events! Lady Rhonda and I had the pleasure of enjoying each and every one of these events. They all have their own characteristics but the one that we enjoyed the most was the Jr. Sail program. Watching 128 young adults go through the rigors of daily competition was something to see. I also understand that the launch and recovery team set a record of launching 86 boats in 15 minutes, Wow! Congrats to Mike FitzGibbon and to all of the participants on a great job!

Hats off to Bill Pribe, Connie Miller and Doug Seib for another great job running the Sr. Sail Program. I would also like to thank Put-in-Bay Yacht Club, Commodore Marcia Ashley, brother Dave McNew & CC Wisniewski and the complete staff at the yacht club for all their efforts in helping all of the regattas become a success. I would be remiss if I didn't thank my complete power boat committee for a fantastic job! Thanks to all!

I would also like to congratulate Commodore Lang on a wonderful article in this month's "Boat Us" magazine. This was a well-deserved honor for him!

I believe everyone had a great time at their regatta and we hope they are planning on returning next year. With that being said remember that the sail and power have switched weeks starting next year. Power will be July 26-31, and sail will follow on August 4-7th. It won't be long and we will be talking about closing out the 2021 boating season. We sure hope that everyone has had an enjoyable time on their crafts this summer. But just think we have all winter to plan for our next summer's adventures.

I would like to ask each club to include us in mailing for your club information so Lady Rhonda and I could possibly attend one of your events. You can email it to me at lloydbogue@windstream.net or hard copy it to me at P.O. Box 681 Geneva Ohio 44041-0681. The fall meeting will be here before we know it, so plan on attending on December 3-5 at the "Doubletree" in Westlake Ohio. More to come! So we hope we see everyone on the water sometime before the close of summer.

Powerboat Regatta

WOW! What a week! 38 events in 6 days with beautiful weather and fantastic volunteers. What more could any one commodore or chairman ask for? But wait there was more, 28 club participating and the generosity of everyone just knocked it out of the park. From buying keg sponsorships or supporting the shuttle fund, to the 50/50 raffle, or to the prize raffle you people just amazed me!

We can't thank you enough for making this year's regatta a huge success! Our event chair people did a wonderful job in pulling off all of our events too, and without their hard work it wouldn't be possible to have such a fantastic event. We tried some new events, kayak races and tug of war. Thank you Tom Thanasiu for pulling this off and thanks to all of those that tried these events too. We also tried to spice up the Saturday night Tito's party with a little "karaoke" after the awards. Commodore Mike Brown and his fellow "AYC" quartet performed very impressively at their time at the microphone. I would also be remiss if I didn't thank Tim & Julie Ames for providing all of the equipment to make this event possible. They even hauled all of the equipment to the Bay without their boat. Awesome! I would like to thank each and every one of you from the bottom of my heart.

Plans are well underway for next year's regatta to make it even bigger and better. Remember next year (2022) the powerboat regatta will be in July (26-31). So mark your calendars and plan on attending. The powerboat committee will be sending out a survey sometime in the next month to get everyone's feedback on our event and we would ask if you have any suggestions to please reply. So watch your emails for this very important notice.

Also don't forget about our December meeting that will be held at the "Doubletree" in Westlake Ohio on December 3-5th. This is great place to continue those friendship that you made at the bay!

The 2022 Progressive Cleveland Boat Show will be back at the Cleveland IX Center January 13-17. Watch for more info and for signup times and dates.

Greetings! The 2021 Junior Power Regatta was a success. The events included the Geo-Quest, Fishing Derby, Putt-Putt, Kayak races, four inflatable boat On-the-Water events, Weather prediction, Navigation, and Chart Plotting. Thank you to all the Juniors who came out to participate. Also thank you to the adults who volunteered their time and inflatable boats.

There were eleven juniors in attendance at both the classroom and on-the-water events. Kevin Glatzer from SSCC won 1st place, Brendon McKee from SSCC won 2nd place, and Trent Miller from MBC won 3rd place. Scholarships of \$300, \$200, and \$100 were awarded to the 1st, 2nd and 3rd place winners, respectively. The Junior Skipper Award, the highest scoring in all On-The-Water events, was also won by Kevin Glatzer. Congratulations to the winners! All the regatta results should be published in this edition of the newsletter.

A reminder to Juniors and their parents – **the 2022 regatta dates are July 27 -31**. This is one week earlier than in recent years. This schedule change was made to help minimize conflicts with high school extracurricular activities, such as football practices and band camps. Hopefully more juniors will be able to attend the regattas in future years. Please tell your boating friends about the regatta so that we may have a successful 2022, and beyond.

The 65th Junior Sailing Championships was a wonderful success. To all the Volunteers who came together on behalf of the sailors, I am grateful. To the leadership of Put-in-Bay Yacht Club, thank you for being wonderful hosts. To the many island businesses and organizations that supported the event, thank you. But most importantly, I want to thank the sailors and their families for being at the Bay after a year away.

I-LYA 2021 SAIL REGATTA

We had a very successful I-LYA Sail Regatta. The weather cooperated for the most part and we had good wind for all three days. There were some changes that we implemented this year on the social side that went very well. The competitors I spoke to had good things to say about them. Every competitor was provided with a wrist band that entitled them to free beer after the races and the Mount Gay Rum party on Friday night and the Tito's Vodka party on Saturday night. There were a total of 67 boats on three race courses. All the courses were well run by our three Race Officers. The sail committee would like to thank our Race Officers and their crews for a job well done:

PHRF course: Race officers 2015 Commodore Duane Burgoyne & Lady Dar. Their crew included Jim and Chris Davis, Bobby Bennett, Jenn Casey, Sean Koltiska, Lew Kuhn and Roger Newberry.

JAM / Cruising Course: Race Officer Geoff Endris. Geff's crew included 2018 Commodore Mike Powers & Lady Kathy, Larry & Pam Marter and Tony Douglas.

Hobie Wave and centerboard course: Race officer 2017 Commodore Steve Harris. Steve's crew included Tom Thanasiu, Dick & Betty Bliss, Billie McIntyre, Becky Vardian and Jack Woerhle.

The onshore Deepwater finish line committee was PIBYC Commodore Marcia Ashley, Heidi Tigges and Donna Pribe.

Our Chief Judge was Ed Theisen.

Scoring was 2001 Commodore Dennis Mintus.

Registration: I-LYA Social Chair, Connie Miller, Julie Osborne Reni Miller and Donna Pribe.

Fleet Captain: Eric Osborne

A special thanks to I-LYA Race Chairman Doug Seib for coordinating the race committees and Connie Miller for coordinating the after race parties.

Make your plans now to attend next year's sail regatta.

I-LYA News - 17 - September 2021

Yachtsmen's Fund Update

The Yachtsmen's Fund is excited that we were able to return to our normal boating activities this summer and that the Fund was able to support Junior Sailing and Junior Powerboating in I-LYA this season. Both activities were a huge success this summer and we appreciate the support of our members who made it possible for us to offer grants and scholarships. In addition to our direct support of the I-LYA Junior Regattas, we were also able to make grants to those junior sailors from our area who qualified to compete in the 2021 US Sailing Chubb Junior National Championships. Our sailors competed well among very tough competition and represented I-LYA and our area with class.

TRAINING GRANTS...

The Yachtsmen's Fund is pleased to offer training grants for individuals who wish to enroll in boating instructor and race management courses and plan to "give back" to help improve boating safety and instruction in our area. There are still funds available for 2021! Visit our website at www.yachtsmensfund.org for more information.

BREAKING NEWS....

A team of former I-LYA junior sailors has been accepted to represent Area E in this year's US Sailing Offshore Championship, hosted by the US Naval Academy later this month. The Fund was able to provide them with a grant to help offset the expense of registration for this premier event. Good Luck! Keep on Sailing!
