COMMITTEE REPORT

POWERBOAT REGATTA 2012

Captain Bob here; WOW, what a great Regatta. You all should have been there. Participation was down, power was down and docks got moved around and the weather on Friday was impossible, did I mention the overlapping events. Oh well, lets put that stuff behind us and look on the bright side of things. The weather began to clear late Friday and we were finally able to start our Regatta on Saturday. This years events were just as exciting and worth while as any other year.

For those involved in the Cardboard boat race things got off to a slow start but BVYC "Caddyshack" was a fast moving well designed vessel and made two runs. Winning First in the Teen event and would later run in the adult Guppy class. WRYCC ship named "Survival" came in first in the adult Guppy class, followed by BVYC "Caddyshack" with third place going to the vessel named "AYC Commodore" from ORYC. Unfortunately, the teen vessel from SSCC named "Team USA" skippered by Margaret McIlwee & Corina Cooper found their way to the bottom of the bay, winning the "Titanic award"---good going girls. Some were very sad to see SSCC go to the bottom.

The Spirit Award went to WRYCC vessel named "Beaver Box" formerly, known as "Ultralite". These girls just could not find a course to agree upon and the vessel, due to some unknown spirit or force insisted on a course for the City Docks, needless to say, this team kept correcting their course but could not pull it all together.

WOW, what about the new course for the INFLATABLES!!! This was a double slalom around-about and back through---I guess. What a course, the racers all thought they could run flat out, but they all soon learned after missing the second slalom buoy, they had to slow down at the turns and throttle up on the straight aways. This was a great spectator event and even MORE fun for those who participated. We had a couple of racers even try to run over the slalom buoys rather than rounding them, what a great event, lots of FUN-FUN-FUN. That's all for now, see you at the I-LYA fall meeting and we can begin planning for 2013.

JUNIOR POWER REGATTA 2012

Captain Bob here; The final results for Junior Powerboat 2012 are in and we want to congratulate the top three winners. First place and a \$300.00 scholarship check goes to Morgan Krohn, second place (\$200.00) to Baylee Thompson and third place (\$100.00) to Michael Rankin. These top finishers are all Juniors from FYC. Congratulations to Ford Yacht Club, a sweep. Juniors compete in five different contests over a two day period. Each of the five events are evaluated and scored in order to establish the overall final winners. There are on the water activities as well as class room studies.

Each year we try to provide a new and challenging dry land navigation contest. This year was no different and our Juniors were running courses, taking bearings and checking ranges on various land marks around the State Park. We all had a good time and a lot of fun.

Overall turnout was down from 2011, please help me get the word out to fellow club members and Juniors. We need your help and participation to make next years Regatta a success.

Capt' Bob Lang, Junior Powerboat Chairman

BENETEAU OWNERS RENDEZVOUS

The 2012 Beneteau Owners Rendezvous sponsored by Freeman Eckley Inc and Beneteau America will be in Vermilion this year on August 24, 25 and 26. Every Beneteau owner is invited to attend this annual event. This year the rendezvous coincides with the 30th Anniversary for Freeman Eckley.

The rendezvous has events scheduled each day but the headline event will be Saturday evening at the Vermilion Boat Club where owners, past customers, suppliers and subcontractors are invited to spend the evening listening to the big band sounds of the 16 piece Swing City orchestra.

If you're lucky enough to own a Beneteau or to have bought your boat from Freeman Eckley, give them a call for more details and to make your reservation to attend. 440-967-0260
