INTER-LAKE YACHTING ASSOCIATION  
**121<sup>ST</sup> ANNUAL REGATTA**

# Pay As You Go Dockage

No need to prepay or cut a big check.  
Enjoy our flexible payment options that  
other marinas simply don't offer.

At Morningstar Marinas, we've created a community of boaters who come together to enjoy life on the water. Whether you're an old salt or novice boater, our friendly and knowledgeable staff is always on hand with the support you need. We work quickly and efficiently to help you get out on the water so you can start boating and start having fun as soon as you arrive. With clubhouse facilities and picnic areas, clean bathhouse facilities, fuel, fish cleaning stations and Ship's Stores, Morningstar Marinas is more than just a place to store your boat - it's a boating experience you'll never forget.

# I-LYA 2014

## About the Cover:

This year's cover photo is a shot taken of the rigging on board the Brig *Niagara* during last summer's Bicentennial Celebration of the Battle of Lake Erie. While the sailboats and powerboats that participate in our regattas today have moved far beyond the natural fiber lines and cloth sails seen in this photo, it is a reminder that our regatta—one of the longest continuously-running regattas in North America—has a long and rich tradition. Over one hundred and twenty years ago, for the first time, Yachtsmen from around Lake Erie met here, at Put-in-Bay for competition.

It is fitting that this year's photo was taken by Vivien Dennerl, 2014 Commodore of the Put-in-Bay Yacht Club. Throughout the history of our regattas, I-LYA has worked hand in hand with the Village of Put-in-Bay, island residents, businesses, and PIBYC in particular to ensure the success of our events. We are again happy to be working with PIBYC and honored to have them as our Supporting and Host Club Sponsor for 2014.

## From the Editor:

This year's book would not be possible without the efforts of many people. From those who sold ads, to the committees and chairs who've developed content, to those who lent support and advice, putting this book together is a team effort. While, as Commodore, I might have thought going in that I could coordinate all of this myself, that is not possible. There are two people, in particular, without whom this book would not be possible—Marilyn Paselsky and Jane O'Brien. Marilyn's persistence, graphic design skill and attention to detail has produced a book of which I think we can all be proud. Assistance with proofreading and editing by Jane has helped to make all of us sound good. Thank you to everyone who has been a part of this project. We hope that you enjoy the book and find it useful.

## Table of Contents

### Administration

- 8 2014 Flag Officers
- 8–9 Committees

### Flag Officers

- 3 From the Commodore
- 5 Meet the Commodore
- 7 Commodore's Home Port
- 14 Yachtsman of the Year
- 15 Commodore's Award

### Ladies' Program

- 10 Receptions

### Trustees

- 12 2014 Board of Trustees
- 13 Trustees' Appointments

### I-LYA History

- 17 Historically Speaking
- 19 About I-LYA
- 21 Past Commodores
- 23 Past Yachtsmen of the Year Recipients

### Final Voyage

- 25 Com. Henry Webber

### The Inter-Lake Yachtsmen's Fund

- 27 Trustees/Purpose
- 28 Membership Form
- 28 Bequests
- 29 Life Members
- 29 Patrons & Dollar Per Member Clubs

### Junior Sail Regatta

- 33 2014 Schedule
- 35 2014 Chairs & Committees
- 37 Past Jr. Sail Regatta Chairs
- 39 2013 Results
- 41 2013 Participants
- 43 Past Winners
- 45 2014 Traveler Series
- 47 Chubb Jr. Natn'l Champs.
- 47 USODA Great Lakes Champs.

# From the Commodore

It is my honor and privilege as Commodore to welcome you to the 121<sup>st</sup> I-LYA Regatta at Put-in-Bay. Recognized as the longest continuously running regatta in North America, our events at “the Bay,” and our organization itself, represent a long tradition of cooperation and friendly competition amongst sailors and boaters. While the Sail Regatta began over a century ago, our activities have grown and expanded over the years—adding competition for junior sailors in 1956, powerboat competitions in the 1970s, and, more recently, junior powerboat training & competitions. I-LYA acts as a “watchdog” for legislation and issues that affect boaters and boating, sending delegates to five major national boating organizations. We are recognized as the Regional Sailing Authority and Appeals Body for US Sailing in this area. Over the years, our close relationship with Put-in-Bay has allowed for literally thousands of boaters to come together and enjoy camaraderie through the tradition we know as “Bay Week.”

All of this takes a lot of coordination and effort. The Bridge and Trustees alone cannot possibly accomplish all of this. The countless, often under-recognized, volunteers that make up our organization and the various groups within it are the true heart of I-LYA. The Yachtsmen’s Fund—our charitable foundation—provides support and scholarships for the junior programs. The various committees—Sail, Power, Junior Sail, and Junior Power—provide coordination of activities throughout the season as well as at the Regattas. Other committees such as the Long-Range Planning, Sponsorship, Island Liaison, Advisory and Admiralty committees help to coordinate the business of the association and keep us on an even keel. We have tried to recognize and list all of them in this yearbook. However, I’m certain there will be some who we have inadvertently missed. I salute and thank all the volunteers that make I-LYA the great organization it is.

While I may be “at the helm” this year, I recognize that, as with any good racing team, the skipper is only as good as the crew. I am very fortunate to work with this great team of volunteers who really do the heavy lifting and make the tough decisions necessary to keep our association strong. I have the honor of serving as Commodore and having this great support. For that, I am grateful. I also should thank the Buckeye Lake Yacht Club who has supported me from the beginning of my involvement in I-LYA. I have had the opportunity to represent BLYC in I-LYA in a variety of positions over the years and am honored to be the fourth I-LYA Commodore from Buckeye Lake. Without the support of such a great Club, this would not have been possible. I also need to acknowledge my family—both my biological family and my “water family”—for their constant support and encouragement not only this year, but throughout this journey. Without you, this would not be possible.

As times change, we must also change to keep up. In the past, our communications were limited to this yearbook and the occasional mailing. Today, our communications are increasingly digital. Please visit us at [www.i-lya.org](http://www.i-lya.org) for all the latest and to sign up to receive *I-LYA News* in your email. To keep up on the latest at the regattas, like our various Facebook pages and follow us on Twitter at [@InterLakeYacht](https://twitter.com/InterLakeYacht). Hopefully, this increased communication will encourage greater participation and a more enjoyable experience for all.

The boating season is upon us. Together, let’s make this year’s regattas and the entire 2014 boating season a great one!

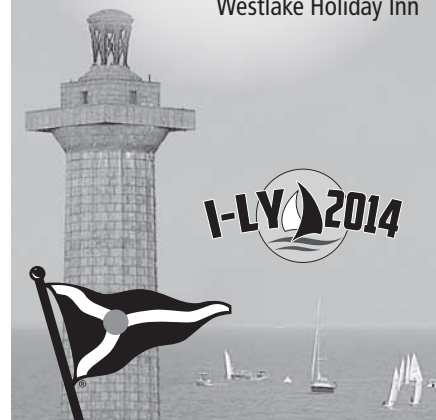

Commodore Steve Harris

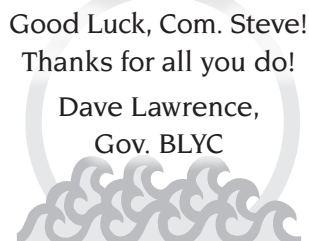

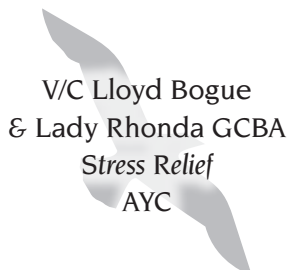

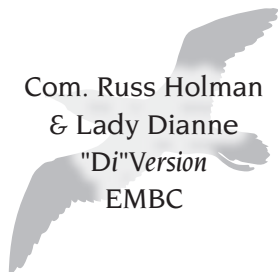

**Steve Harris**  
2014 I-LYA Commodore

## I-LYA Event Dates 2014

- April 4–5** Spring Meeting
- July 20–24** Junior Regatta

# Meet the Commodore

Steve Harris' love for the outdoors and the water began at a very young age. As a child, he got his love for the outdoors and camping from his grandmother and his love for the water from his grandfathers. Weekends were often family picnics and afternoon sails at Buckeye Lake and family vacations were fishing trips to Lake Erie. Although sailing and boating were a part of his childhood, he did not get involved in the Yacht Club or sailboat racing until his late twenties. As a young adult, he spent his summers in the woods—working at summer camp. Of his 15 summers on camp staff, most were spent at various Boy Scout camps. Not able to escape the allure of Lake Erie, one summer he was the naturalist at the Kelley's Island 4-H Camp. It was through his involvement with summer camps that Steve came to join the Buckeye Lake Yacht Club.

As Camp Director in the mid-1990s, looking for a place for his campers to sail, Steve struck a deal with BLYC. They could use the camp's Laser sailboats for their junior sailing camps in exchange for storing and maintaining the boats and providing a facility for the Boy Scout camp's off-site sailing trip. This led to Steve running for the BLYC Board of Governors and being assigned the responsibility of Race, Regatta, & Junior Sailing. Over the several years he held this position, the Club's racing and junior programs grew and, of course, Steve became involved in I-LYA and Junior Bay Week. It was during these years that Steve came to know I-LYA P/C Gus Schell. With Gus' guidance and encouragement, Steve's involvement in both BLYC and I-LYA increased. It was also during this time that he first became a US Sailing certified race officer—beginning what has now become his primary involvement in the sport of sailing. Following his success in the sailing position, Steve moved into other positions on the BLYC board, eventually serving as Commodore of BLYC in 2005. Steve's involvement at BLYC continues today—as the club's I-LYA Delegate, consultant to the Race Committee, Club Historian, and webmaster.

At the encouragement of I-LYA P/C Dan van Heeckeren, Steve chaired the I-LYA Junior Bay Regatta in 2006 and, following that season, became the Chair of the I-LYA Junior Activities Committee—a position he held for 4 years. In every year since 2005, he has held an official position with the Junior Bay Regatta—Co-chair, Chair, Principal Race Officer, or Judge. He was eventually elected to the Board of Trustees, serving as President in 2011, and thereafter moved into the Chairs of I-LYA.

Professionally, Steve is a high school biology teacher at Millersport High School located on the west end of Buckeye Lake. Over the years, he has also worked with youth through the Boy Scouts, DeMolay, as high school Quiz Team coach, drama club moderator, and percussion instructor. Continuing a love for music that goes back to childhood, he can be found playing percussion for several local vocal and theater groups and at various establishments around Buckeye Lake with the Lakeside Trio.

Steve's dedication to young people led to Steve's involvement in I-LYA, beginning with junior sailing, and his dedication to that program in particular is quite evident. Although he never competed at Junior Bay himself, Steve firmly believes that there are few opportunities available to today's youth as unique and rewarding as the Junior Bay experience and he is proud to be involved each year. The past few years, Steve has also come to enjoy the Power and Sail Regattas and all that I-LYA has to offer our clubs and members. He is proud to serve this year as Commodore—the fourth from BLYC—and is looking forward to three wonderful regattas at the Bay.

# The Buckeye Lake Yacht Club

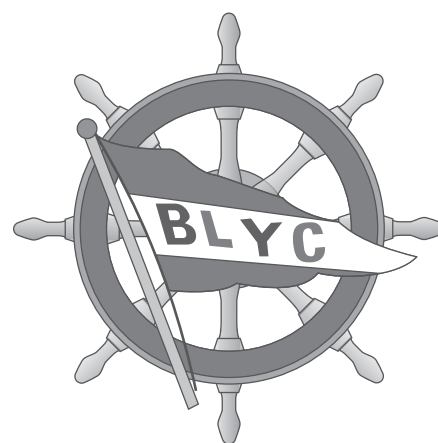

The history of the Buckeye Lake Yacht Club is inextricably linked to the waters whose name it bears. In the late 1800s, what was then known as the “Big Swamp” was dammed off to form the Licking Summit Reservoir on the Ohio-Erie Canal. As the canal days ended, the area was renamed “Buckeye Lake.” But changing the name did not make it a lake. A shallow, murky reservoir, it was hardly fit for navigation. But, in 1906 an intrepid group of Columbus area businessmen met to form a Yacht Club there. At 8:30 a.m. on Memorial Day 1906, Columbus area yachtsmen arrived on the Interurban railroad and were ferried over to Orchard Island for the inaugural activities of the new upstart Club. The day featured racing for both power and sailboats along with a wide variety of social activities. Dues were \$4.00 per year with an initiation fee of \$2.00. Today they are, of course, much higher.

That winter, members of the new Buckeye Lake Yacht Club, now nearly 100 members strong, applied for membership in the Inter-Lake Yachting Association at the regular fall meeting in Toledo. While there was admiration for the new Club’s spirit, I-LYA’s long-standing rule had been not to admit any club not located on the Great Lakes. BLYC was, therefore, not eligible. But, I-LYA Commodore George Worthington (1896, 1905, 1908, & 1913) defended the upstart Club noting that Buckeye Lake was connected to Lake Erie via the Ohio-Erie Canal and was therefore eligible for membership. Thus, BLYC was admitted to I-LYA. The first inland club so honored.

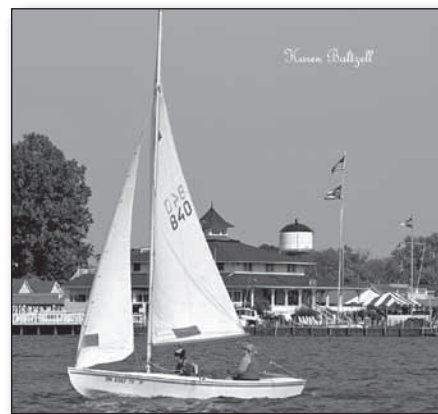

In those early years there was much work to be done, not just in forming a new Club, but also in improvements to transform the old canal reservoir into a “real lake.” The Club, with the assistance of then President of the State Board of Public Works, George Watkins, was an integral part of these efforts. Over the coming years, the Club would take a lease on a spot of “sometimes land” known as Sunken Island. The first Clubhouse, barely more than a boathouse, was constructed in 1907. It was replaced in 1913 with the current Victorian-style BLYC Clubhouse we know today. In those intervening years, improvements on both the island and the lake itself were many, transforming Buckeye Lake into what would later become known as the “Playground of Ohio,” attracting visitors from all over to its amusement park and dance halls. In recognition of his efforts and assistance in this development, “Sunken Island” was renamed “Watkins Island” to honor George Watkins.

Over the years, BLYC has seen many improvements: the Clubhouse has been expanded and remodeled, the pool added, additional property and boat docks acquired, and more. BLYC’s membership has included sailors and boaters from casual cruisers to club racers to National and World Champions. Throughout its history, BLYC has seen the many changes at our home lake—from the days of the big bands and the dance halls, to the rise and eventual fall of the amusement park—but BLYC has endured and continues to be a vibrant and successful club and active part of our lake community to this day.

One constant since her earliest days—Buckeye Lake Yacht Club has been active in I-LYA. BLYC members attended their first “Bay Week” in their first year of membership in 1907. In 1956, BLYC Junior Sailors won the inaugural I-LYA Junior Bay Week Regatta. Seven times, Junior Bay Week has been chaired by BLYC members, and numerous other members have been active over the years. Four of BLYC’s members have gone on to serve I-LYA as its Commodore: Edgar T. Wolfe in 1937, Frank Miller in 1964, Gustav Schell in 1975, and this year, 2014, Commodore Steve Harris.

*The object of the Club shall be the promotion of yachting and aquatic sports, cultivation of sociability among its members and the improvement of Buckeye Lake for boating purposes.*

# Yachtsman of the Year

Tom Thanasiu

## Thomas Thanasiu, Jr.

Tom is one of those volunteers that makes an organization run. Tom has been active in I-LYA and I-LYA member clubs for many years, most recently serving as Commodore of Jolly Roger Sailing Club in 2012. He has served I-LYA as a Fleet Captain and on the Race Committee. He helps to coordinate our Trophies and I-LYA equipment on the island, has recently taken on Historian responsibilities, and contributes in many other ways “behind the scenes.” It goes without saying that Tom is an active volunteer.

Just as important as the many hours he puts into the organization, though, is the way in which he does so. Tom can always be relied upon to keep things fun and entertaining at our I-LYA events—who else do you know that shows up on the Race Committee boat on Wednesdays of Junior Bay in full pirate attire? Tom’s enthusiasm for I-LYA is contagious and helps to make the regattas and other events a highlight of the season. For his tireless efforts, continued devotion to the association, and his example of how fun and hard work can come together to achieve success, we recognize Tom Thanasiu, Jr. as the 2014 I-LYA Yachtsman of the Year.

## Commodore's Award

### Jane O'Brien

If one looks up the term “enthusiastic volunteer” in the dictionary, you might very well find the directions “see Jane O'Brien.” Jane's drive and dedication to the I-LYA Junior Sailing programs are well known. As the current Chair of the Junior Sailing Committee and Council, she has implemented several changes that have resulted in increased communications and better representation of the participating Clubs and, most significantly, the junior sailors themselves.

Jane's dedication to I-LYA Junior Sailing is nothing new. Over the years, she has been involved in the sailing programs at PIBYC and I-LYA as a junior sailor, instructor, coach, program director and now Chair. All five of the O'Brien children—Tim, Kate, Colleen, Ann, & John—have also participated at Junior Bay. In fact, each year from 2001 until 2013, the O'Briens have always had at least one child participating! Jane & her husband Tim are the 2014 Co-Chairs for Junior Bay Week and will chair the event in 2015. For all her dedication and continued efforts, we recognize Jane with this Commodore's Award.

Jane O'Brien

## Commodore's Award

### Jay Onacila, III

Jay has been a tireless volunteer for I-LYA for many years. He rose up through the Powerboat Committee and served as Chairman in 2006. Subsequently, he was elected to the Board of Trustees, serving as President in 2012 & 2013. He has been active in the boating community for many years, serving as Commodore of both Beaver Creek Boat Club and All Ports Yacht Club in addition to his activities in I-LYA & GCBA.

Our association is large and represents a diverse range of interests and activities. Jay frequently speaks about doing “what's best for I-LYA” as a whole—not any particular group over any other. As a Trustee and as President, Jay never shied away from the difficult decisions, but addressed them head-on and worked for solutions for the good of all. His years of dedicated service, his leadership, and his courage are just some of the reasons why we recognize Jay with this Commodore's Award this year.

John Onacila accepts son Jay's Commodore's Award

# Historically Speaking

By Tom Thanasiu, Jolly Roger Sailing Club

## ***I-LYA 125 years ago (1889):***

George W. Gardner, I-LYA's founder and first commodore, still held the office. The regatta was held at Put-in-Bay.

## ***I-LYA 100 years ago (1914):***

The commodore was Henry Hess of Toledo Yacht Club. A new Class T dory was introduced at the regatta held at Put-in-Bay, July 12–18.

## ***I-LYA 75 years ago (1939):***

Elected commodore was Dr. A.R. Hackett of Detroit Yacht Club. The regatta, at Put-in-Bay, Aug. 6–9, was coupled with a United States Power Squadron rendezvous. The commodore's reception was held aboard the U.S. Coast Guard Cutter *Tahoma* and the commodore's dinner at the Bayview House. A Mardi Gras and street dance added to the festivities. I-LYA and USPS sponsored a Great Lakes Marine exposition at the Colonial Pavilion. Lyman Cats and Sea Gulls were added as new classes.

## ***I-LYA 50 years ago (1964):***

Frank H. Miller of Put-in-Bay and Buckeye Lake Yacht Clubs was I-LYA's commodore. Jr. Bay was chaired by BLYC's Clifford S. Dum. Regatta dates were Aug. 2–5 at Put-in-Bay. I-LYA had 91 member clubs with over 28,000 members. A special attraction was an antique launch rally with Commodore Miller's *Dixie II* and *Unadilla* stealing the show. On the regatta's opening weekend 3,000 students invaded the island but rigid police control kept things in order. There were 187 entries in 26 classes.

## ***I-LYA 25 years ago (1989):***

Rolf Krotseng of Edgewater Yacht Club was the 96<sup>th</sup> Commodore to serve I-LYA. The regatta started with Junior Sail July 23–28, Senior Sail July 28–August 2, and finished off with Power August 3–6.

Junior Sail was Chaired by Ed & Abbie Skoch of Put-in-Bay Yacht Club and co-chaired by Richard & Sue Duvall of Jolly Roger Sailing Club. Eighty-four junior racers representing 14 I-LYA clubs participated in Junior Race Week in 1989. The Cleveland Yachting Club Thistle team skippered by Matt Sessions and Laser sailor Brett Swasey advanced to the semi finals at Bayview Yacht Club, Detroit. Both won and advanced to compete in the finals at Indian Harbor Yacht Club in Greenwich, CT. where Sessions and crew finished third sailing an Impulse 21, and in a Laser, Brett Swasey finished sixth.

Senior Sail had 29 classes and 252 sailboats on the lake racing this regatta. With the W. Wade Rapprich Memorial Trophy (presented to the MORC overall winner) to Mark Poulsen of Cleveland Yachting Club and the Parsons Memorial Trophy (presented to the winner of the largest class in I-LYA regatta, PHRF) to Jim Davis, *Orange Crate*, Bay View Yacht Club.

The Power Boat Regatta had 220 boats registered with 33 clubs in attendance. The yacht club with the highest attendance was Point Yacht Club with 38 boats. The newly dedicated first winner of the Commodore's Trophy was Dennis Mintus of Ashtabula Yacht Club.

## ***I-LYA 10 years ago (2004):***

Richard McKee from Westlake Yacht Club was I-LYA's Commodore in 2004 and head of the 111<sup>th</sup> regatta. The Vice Commodore was Heidi Backus Riddle from Vermilion BC, with John Onacila from Beaver Creek Boat Club as Rear Commodore completing the Bridge.

The 49<sup>th</sup> Junior Race week ran July 18–23 with Rob & Abby Ruhlman as Chairmen and Doris & Dan van Heeckeren as co-chairs. There were 175 juniors racing representing 22 clubs. The top skippers of the week were Megan Riddle from Vermilion Boat Club in Thistle, Nick Thurber from North Cape Yacht Club in 420 and Ryan Lashaway, also from NCYC, in a Laser.

Powerboat Regatta began Monday July 26 with the docking and chicane contests. This year's Chairman was Tom Bernardi from South Shore Cruising Club and Vice Chair Rob Wolas from Swan Boat Club directing the Committees and volunteers. On the July 29<sup>th</sup> award presentation the Participation Trophy went to South Shore Cruising Club. Gary Coles from Sun Parlour Boat Club won the Commodore's Trophy. Power Regatta ended Friday July 30 to make room for Sail Regatta boats arriving from their deepwater feeder races to the Bay.

The Sail Regatta started on July 31. Don Bartels from Vermilion Boat Club was Chairman. The racing began on Monday morning August 2 and ended Wednesday the 4<sup>th</sup>. The Blue Gavel Trophy (PHRF Class Boat of the Year) went to *Gus* owned by Jim Bourgault from Grosse Ile Yacht Club. The Commodore Mike Smith Trophy (PHRF Class Overall) to *Revolution* owned by Jim Lengyl of Ashtabula Yacht Club. The Millennium Trophy (JAM Class overall) went to *Dragon Lady* owned by Brenda Woodruff also from GIYC.

This year's Yachtsmen of the Year award went to "Couple of the Year" Al & Marcia Ashley for their dedication and unselfish hours for the betterment of I-LYA.

# About I-LYA

---

## INTER-LAKE YACHTING ASSOCIATION

**I-LYA's** basic purpose is the protection and promotion of the interests of boat owners and water sport fans in the enjoyment of their sport.

**I-LYA** is a watchdog for proposed legislation that may affect yachting and yachtsmen.

**I-LYA** serves as a clearinghouse for yachting information.

**I-LYA's** officers and committees are available to help its member clubs with boating related problems.

**I-LYA** is the US Sailing Regional Sailing Authority and Appeals Body for race protests in the area.

At the top level, **I-LYA** works hand and hand with US Sailing and class racing associations in developing fair and workable rules.

**I-LYA's** foundation, The Inter-Lake Yachtsmen's Fund was established to support training, education, and junior activities. The Yachtsmen's Fund is a qualified 501(c)3 corporation and all donations are tax deductible.

**I-LYA** is the leader in Junior Sailing in the Midwest. The annual Junior Regatta is one of the largest Junior Sailing Events in the United States and serves as a model for other clubs. The winners of "Junior Bay" receive scholarships from the Inter-Lake Yachtsmen's Fund.

**I-LYA** is also a leader in Junior Power boating in the area. The Junior Powerboat program which was developed in 2006, offers Leadership Training and navigational contests. The winners of this event are also awarded scholarships from the Inter-Lake Yachtsmen's Fund.

**I-LYA** consists of 147 member clubs and every member of each club is automatically a member of I-LYA, and is assured recognition among other clubs.

**I-LYA's** membership includes clubs from both the United States and Canada, making for strong international ties and competitions.

Member clubs are represented by delegates to **I-LYA** and meet twice annually. Spring and fall meetings are held in the vicinity of the current Commodore. Class advisory, cruise and powerboat committees meet prior to the delegate's meeting, giving open forum for class improvement and rules enlightenment. Delegates elect the Flag Officers and Trustees at the Fall Meeting.

**I-LYA** appoints delegates to US Sailing, Yacht Racing Union of the Great Lakes, and Western Lake Erie Cruising Association.

**I-LYA** is governed by a nine member Board of Trustees. Business is conducted through the office of the Executive Secretary.

**I-LYA** seeks corporate sponsorship to improve the services provided to its members and to control costs. Current sponsors include, BoatU.S., Mount Gay Rum, Put-in-Bay Yacht Club, TrueCourse Captain's School and West Marine.

**I-LYA's** Annual Regatta is held at Put-in-Bay, on South Bass Island, in western Lake Erie—the site of the historic Battle of Lake Erie in the War of 1812. It draws more than 500 Sail and Power boats annually.

Jack Cmolach — Great Lakes Steel Boat Club

## ***Past Recipients Yachtsmen of the Year***

1978 marked the beginning of a tradition that has been adopted by each administration since. Commodore Norm Winkel determined that recognition should be given to the many volunteers who freely donate their time, vacations, talents, expertise, and even boats and equipment to assure the continued success of yacht racing competition and the I-LYA organization. These special people have earned the honor of being "Yachtsman of the Year."

# VERMILION BOAT CLUB

Established 1913

Latitude: 41° 25' 21" N | Longitude: 82° 21' 43" W

*Come Visit with us in 2014. The VBC is the place to be, enjoy our pool, inside and outside bar areas, you can dine in or grill out, kids room and play area. You are only steps away from restaurants, putt putt, ice cream, and many other family fun times. Come catch some wind with us all summer long during our Wednesday night sail races.*

**Dinner is served every Tuesday, Wednesday and Friday in our upstairs dinning room where our chefs create outstanding buffets and down home menu items**

**The Vermilion Boat Club Sailing Camp program is one of the best on the Great Lakes if you are looking for a great sailing experience for your child or grandchild give us a call.**

Come Sail with us

June 28<sup>th</sup> and 29<sup>th</sup> – Thistle District Championship

July 18<sup>th</sup> – Junior Regatta

July 19<sup>th</sup> and 20<sup>th</sup> – Laser Great Lakes Championship

**Officers and Members extend their Congratulations to ILYA  
Commodore Steve Harris and all of the ILYA Bridge**

For Dockage availability please call Brian at 440-967-6634

# Final Voyage

---

Commodore Henry “Hank” Webber’s life began just half a block from Lake Erie on December 20, 1936. He was born in Lorain, Ohio, the only child of Judge Henry P. and Hazel Webber. Growing up near the lake, he was destined to love the water.

Graduating from Lorain High School in 1955, Henry attended Kent State University determined to follow in his father’s footsteps. On his first day of school at Kent State, his life changed forever for the better when he met Peggy—his wife to be of over 50 years. They married in 1960. He went on to graduate from Case Western Reserve University School of Law in 1962. Later that same year, the Webbers were blessed with the birth of their daughter Barbara, followed almost five years later by their second daughter, Linda. Not long after Linda was born, while watching boats cruise up and down the Vermilion River, Henry came up with the idea that the family should purchase a powerboat and start boating on Lake Erie. That began a succession of boats, the Webber’s involvement in Vermilion Boat Club, and, eventually, I-LYA.

Hank served as an Assistant Prosecutor for Lorain County for several years prior to being elected Common Pleas Judge for the Domestic Relations division in 1971. During his 18 years as Judge, he was very interested in helping troubled youth and brought many improvements and new programs into the Juvenile Court. Henry was also active at the state and national levels addressing many of these same issues. As President of the State Child Support Committee, he lobbied for, and successfully obtained, unified child support guidelines in the state.

In 1970, the Webbers joined Vermilion Boat Club. Henry became active in VBC, serving on a number of committees and eventually serving as Commodore in 1980. VBC honored him as their “Outstanding Person of the Year” in 1988. Even as he became active in I-LYA Henry remained involved in VBC. Through the years, he remained active on a number of committees, most recently serving on the 100th Anniversary Committee in 2013. Hank was first introduced to I-LYA by P/C Art O’Hara at the 1970 Regatta at Put-in-Bay. As the delegate for VBC, he became increasingly active in I-LYA and served as our Commodore in 1991. Following his time as Commodore, he remained active within the organization. Among other involvements, he chaired the Admiralty Committee for many years. Each year, Henry has provided and presented the winner of the Art O’Hara Trophy for top Female Sportsman at Junior Bay Week with a locket. His loving wife Peggy plans to continue this tradition. Henry served as Fleet Chaplain in 2013 and, over the years, was a constant source of encouragement and advice for many upcoming officers of I-LYA.

Commodore Henry T. Webber passed on August 18, 2013 following a brief illness. His influence will be missed.

**1991 Commodore Henry Webber**  
*December 20, 1936–August 18, 2013*

# The Inter-Lake Yachtsmen's Fund

The Inter-Lake Yachtsmen's Fund, for which all private donations are tax-deductible, is an IRS-recognized 501(c)(3) charitable organization. US Bank holds the assets; however, they are administered by the nine trustees who are elected by the fund's members (its donors.)

Listed below are some of the grants the fund made last year. This ambitious program of support can only continue through your generosity. We urge you to become a member of the fund or renew your old membership. We will gladly recognize you in the I-LYA's yearbook and other publications. Simply complete and mail the form on the following page. It's worthwhile... it's tax deductible... and it's greatly appreciated!

Also consider these tax-deductible opportunities through donations to *The Yachtsmen's Fund*:

***Bequests in Memory of Friends and Loved Ones***  
***Property • Securities • Vessel Donations***

## Inter-Lake Yachtsmen's Fund Grants

### Amateur Activities

Provides support for I-LYA Clubs hosting the US Sailing Junior Championships (Sears, Bemis, Smythe Trophies); for US Sailing Junior Olympics held at a port on Lake Erie; support for Juniors of I-LYA clubs through the Challenge Team program; and entry fees, boat insurance and some travel funds for attending the US Sailing Jr. Championships noted.

Juniors: entry fees and insurance for Sears, Bemis, and Smythe.

### Scholarships

Twenty-three scholarships to 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place finishers of the I-LYA Junior Race Week and Powerboat Junior Navigation Contest.

### I-LYA Junior Race Week

Subsidize housing and coaching expense to enable all juniors to attend by keeping family expenses low.

### I-LYA Junior Power Regatta

Provide support for major I-LYA Junior Power events.

## I-LYA Challenge Team

The Yachtsmen's Fund has established the Challenge Team, which will provide partial funding to encourage juniors to take part in important events (regattas & clinics) in addition to I-LYA and US Sailing ladder events. Primarily intended to encourage those who have not yet reached their sailing potential, this program is open to I-LYA juniors between the ages of 13 and 19.

To qualify for funding the event or clinic must typically draw at least 20–25 entrants per class, and be of a level of competition found at the I-LYA Junior Bay Regatta.

The following are examples of the type of activity in which this program is intended to encourage participation:

- Orange Bowl
- Oyster Bay Clinic
- Buzzard's Bay
- C.O.R.K.
- Nationals, Districts or Mid-Winters of the following classes: 420, Laser, Thistle, etc. Request forms are online at [i-lya.org](http://i-lya.org).

***Please Use Your Imagination and Go Race !!!***

## Trustees of the Fund

*(Year Term Ends)*

### President

Com. Clay Mock, EWYC (2015)

### Vice-President

Monica Bloomstine, EYC (2015)

▲ 7/18/14	Vermilion BC (Co-host w/PCYC)
7/20–24	I-LYA Jr. Bay Week at PIB
▲ 8/9/14	Erie YC
8/4–8	US Sailing Chubb Jr. Championships — Grand Traverse YC

▲ = Counter Race for Series Awards

The Junior Traveler Series is a summer-long series of weekly regattas hosted by I-LYA member clubs throughout our region. The intent of the Traveler Series is to offer increased opportunities to race close to home. Series awards will be presented to the top finishing skippers and crew in each qualifying fleet based on the best four regatta finishes at any of the qualifying events. There is also a Team Trophy awarded each year to the top finishing club.

### Eligibility

Sailors must be at least 7 years old and can participate in the Traveler Series up to and including the summer immediately following their senior year of high school. (Please note that age requirements for Junior Bay are different.) The following fleets are eligible for the series: Optimists, Laser Radials, Laser Full Rigs, C420s, and Thistles. Minimum participation levels for series scoring are defined in the Notice of Series available online under Junior Sailing at [I-LYA.org](http://I-LYA.org). Also there are the requirements for the Thistle Szambecki Award.

### Registration

Registration and scoring for the series and each qualifying regatta will utilize [noticeofrace.net](http://noticeofrace.net). Complete instructions are available on the Traveler Series page at [I-LYA.org](http://I-LYA.org). Please read carefully as changes specific to junior sailing have been made.

### State Youth Concussion Law Compliance

I-LYA requires all clubs and coaches to comply with the appropriate youth concussion laws in the state where they are racing. Both Ohio and Michigan have online concussion training requirements. Please plan early to be in compliance. Complete details on the Traveler Series pages at [I-LYA.org](http://I-LYA.org).

# 2013 Chubb Junior National Sailing Championships

The 2013 Chubb U.S. Junior National Sailing Championships for the Sears Cup and the Bemis and Smythe Trophies were hosted by Houston Yacht Club and Texas Corinthian Yacht Club on Galveston Bay near Houston, Texas last August. Six I-LYA sailors emerged from the Area E Qualifiers hosted by Grosse Ile Yacht Club to go on to the Chubb Junior Championships where they competed against other top single-, double-, and triple-handed juniors from across the country. Alec Chicoine of Hoover Sailing Club finished second in a fleet of fifteen radials in Area E to compete for the Smythe Trophy and sailed well finishing 15<sup>th</sup> in a fleet of 20 ByteCIIIs. Stu Wallace and Scott Vining of Edgewater Yacht Club won the 39 boat 420 fleet at Grosse Ile to sail for the Bemis Trophy. Colin Mackay and AJ Rush of North Cape Yacht Club, who won the 420 fleet at Junior Bay Week, qualified, along with Cleveland Yachting Club sailor Christine Samanich, by topping the thistle fleet at Grosse Ile. They were joined by Sam Rush in Texas as four sailors were needed to meet weight requirements in the sonar class. The team was recognized with the Seamanship Award presented each year to the Sears team that receives the greatest number of points for neatness and general ship-shape condition of their boat.

All the sailors greatly appreciate the support of the Yachtsmen's Fund, I-LYA, and their parents and home clubs. I-LYA, in turn, thanks these young sailors and their families for representing us at Nationals. Area E Qualifiers this year will be held at Detroit Yacht Club in July and Nationals will be in Traverse City, Michigan in early August.

Sears and Bemis qualifiers pose together in Texas at the Junior National Championships in 2013. Pictured above (L-R): Colin Mackay, Scott Vining, Stu Wallace, Christine Samanich, and AJ and Sam Rush. Smythe qualifier Alec Chicoine is pictured right.

## USODA Great Lakes Championship

Edgewater Yacht Club hosted the 2013 United States Optimist Dinghy Association's (USODA) Great Lakes Championship on July 26/27<sup>th</sup>. The regatta was an international event drawing participants from as far as Bermuda and Canada and included multiple participants from the east coast.

Conditions were fantastic with Ian Moran of EWYC topping the 39 boat fleet. The event also served as a 2014 Team Trial Qualifier. I-LYA sailors who qualified for team trials include: Ian Moran (EWYC), Ryan Squires (HSC), Will Turner and Declan and Lachlain McGranahan (Chautauqua), Niels and Lars Kristensen (EWYC), and Luke Schumann (Cowan.)

Twelve sailors took advantage of a clinic on Friday coached by three-time National Uruguay Champion, Martin Borrallo. Eight novice racers participated in Green Fleet racing. Saturday evening 65 parents and participants were treated to a cruise aboard the *SS Holiday*. The trip included a tour past Cleveland's waterfront and up the Cuyahoga River to visit Cleveland's new public Aquarium.

Because of all the efforts of volunteers at our clubs, I-LYA's reputation as a center for junior racing continues to grow. In 2014, Eagle Creek Sailing Club is hosting a US Sailing Junior Olympics Festival June 13–15<sup>th</sup> and North Cape Yacht Club is hosting an Advanced Race Clinic June 25–28<sup>th</sup>. These efforts, open to sailors across I-LYA and beyond, are much appreciated and valued by all.

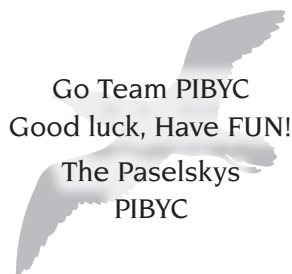

Ian Moran of Edgewater Yacht Club is awarded the Gunkler Family Trophy for the I-LYA Optimist Challenge by EWYC Commodore Terry McSweeney for being the top finishing I-LYA sailor at Opti Great Lakes. Ian also finished in first place in the Traveler Series Opti fleet.

Starboard Tack, I-LYA  
Love,  
Michael, Matthew, Matt  
& Tracey Davis

## AFTERGLOW 2014

... post-regatta events at Middle Bass Island

The members of Middle Bass Island Yacht Club invite all  
**I-LYA SAIL** and **POWERBOAT** Regatta participants to join us on  
Sunday August 3, 2014 and Sunday August 10, 2014 respectively.  
Unwind at MBI before heading home.

I-LYA participants will enjoy dockage for the night at  
MBLYC for reduced rates and JF Walleyes will offer  
specials/discounts especially for you.

So, don't hurry home. Spend the night at beautiful MBI.  
We look forward to having you!

**We are Coast Guard**  
**Approved to Give You the**  
**Course and the Test!!**

*We will arrange for drug test, medical exam,  
oath, and First Aid/CPR, required for all licenses*

**USCG Approved Courses, No Test at the Coast Guard**

**Advanced Education to Enhance Boating Skills, Current Regulations, and Confidence at the Helm**

**OUPV:** Known as the "6-Pack." Limited to 6 charter passengers on uninspected vessels (pleasure boats) up to 100GT.

**TOW ENDORSEMENT:** This course allows the OUPV and Licensed Master up to 200 tons to acquire a "Towing Endorsement" that permits them to engage in commercial assistant towing services for hire.

**MASTER:** For boats carrying more than 6 charter passengers that are U.S.C.G. inspected vessels.

**MROP:** Recommended for the Master Captain to be the licensed radio operator on a USCG inspected vessel.

**SAIL ENDORSEMENT:** This course allows the Master Captain to master a sailing vessel more than 6 passengers, or inspected boat.

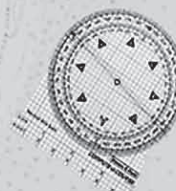

**LICENSE RENEWAL CLASS:** A one day class to replace vessel time, to maintain your 5 year license.

**SKIPPER/MATE:** This course explores a dynamic between skipper and mate and evaluates the reason "not to yell," teaches fundamentals of boating and is meant for Skippers and Mates to take together as a team.

# I-LYA Junior Power Regatta at Put-in-Bay

## Junior Power Regatta Schedule

### Tuesday, August 5, 2014

1800–2000 PIBYC Spaghetti Dinner  
1900–2000 PIBYC Junior Powerboat Committee meeting

### Wednesday, August 6, 2014

1200 Regatta begins!  
1200–1400 PIBYC Registration  
1300 PIBYC Children's Games (*pre-Juniors—under 12*)  
1300–1500 Perry's Cove Junior Putt-Putt  
1530–1730 PIBYC Junior Volleyball  
1730 PIBYC Hot Dog Cookout

### Thursday, August 7, 2014

0900–1030 "A" Dock Junior Fishing Contest, end of "A" Dock  
1000–1400 PIBYC Late Registration  
1100–1330 PIBYC Geo-Quest Competition  
1700 PIBYC Dinner  
1730 PIBYC Weather Forecast Submission Deadline

### Friday, August 8, 2014

0900–1400 PIBYC Junior Powerboat Safe Boating Seminar  
1000 PIBYC Cardboard Boat assembly and construction starts in PIBYC Pavilion  
1430 PIBYC Cardboard Boat Contest  
1800–2000 PIBYC Steak Roast (*Reservations Required*)

### Saturday, August 9, 2014

0900–1200 Oak Point Junior Navigation and On-the-Water  
State Park Contests (*Course "A" Boat Handling, Course "B" Compass Reading, Chicane & Docking*)  
1700 PIBYC Junior Powerboat Awards Presentations

**Schedule is subject to change.**

Please check your regatta packets or online at [www.i-lya.org](http://www.i-lya.org).  
Follow us on Twitter or Facebook for the latest information.

### Junior Power Contests

These Junior Regatta contests are designed to reinforce the safe boating practices and rules of the road learned in the classroom. The contests and seminars use a hands-on approach and provide the juniors with the confidence to operate motorized vessels. The vessels used at the regatta are inflatables donated by senior participants of the power regatta. For additional information about the Junior Power Program please visit the I-LYA web-site.

### General Knowledge and Seamanship

Friday's safe boating seminar provides each junior with a refresher course on safety requirements, rules of the road, understanding of buoys and their identifying characteristics, and much more. Juniors will be asked to demonstrate knot tying, line throwing, and how to properly secure a vessel. A written exam, testing each junior on his or her general knowledge of the above concludes this contest.

### Charting and Course Plotting

The safe boating seminar also covers charting and course plotting. Hands-on activities teach the juniors how to read charts, determine their position and plot a course. At the end of the seminar, each junior will be tested on their understanding of the above.

### Navigation Competition

This is a shore-based contest that will require juniors to pair up and take a short walk or bike ride around the Island. They will be asked to take bearings, make observations and determine their position as they make their way around the Island. Bikes will be provided if necessary.

### Weather Contest

Each junior will be asked to forecast the weather for a prescribed time and place. The forecast will include temperature, wind direction and velocity, barometric pressure, sky conditions, precipitation, and relative humidity. Prediction forms will be provided and must be submitted by a set deadline. A committee shall assemble at the prescribed place and time to observe and record the actual weather conditions and determine the winners of this contest.

### On-the-Water *(Four contests using inflatables)*

**"COURSE A" Boat Handling Contest** "Course A" will demonstrate the steering and boat handling capabilities of each junior. The junior, accompanied by an assigned adult, will run a 3-leg course in both a clockwise and counter-clockwise direction with the objective of making both runs in the same amount of time. Speed is NOT the objective.

**"COURSE B" Compass Reading and Bearings Contest** "Course B" will demonstrate a junior's ability to read a compass and take bearings. The goal is to steer as carefully as possible between the marks for each of three designated courses set by the committee. At the end of each leg the junior is to record the compass heading steered. An assigned adult will crew on each vessel.

**Chicane** This a timed test of boat handling and low speed maneuvering. The junior will be timed and judged on his or her ability to successfully maneuver through a prescribed course at no-wake speed in both forward and reverse gears without creating a wake and without hitting the marks on the course.

**Docking** This contest evaluates the junior's boat handling and maneuvering skills as related to docking. The junior will be judged on his/her ability to properly maneuver, dock and secure his or her vessel within a predetermined dock space. Hitting the dock and/or high speed operations will result in loss of points.

### Social Competitions

In addition to the bragging rights earned by making a hole-in-one during Jr. Putt-Putt or Jr. East trouncing Jr. West (or vice-versa) in volleyball, Junior Power Regatta participants also enjoy the following contests:

#### Geo-Quest

New for 2014! Based on Geo-caching, Geo-Quest is a live treasure hunt utilizing compass and GPS skills. Junior teams will explore the island via adult-driven golf carts and locate hidden "treasures."

#### Cardboard Boat Race

Who *doesn't* love making stuff with duct tape? Juniors combine their engineering skills with construction and boating knowledge. Entrants must be 12–17, pre-assembly is allowed, each boat to be designed for 1 or 2 people. Awards given to place finishers and a "Spirit award" given to the team showing greatest Team Spirit and "The Titanic Award" to the boat that sinks in spectacular fashion.

#### Fishing Derby

The "Fishing Derby" is designed for all juniors participating in the regatta. Come one, come all and see who catches the largest, the most and the smallest fish. The committee will be available to bait your hooks and will supply the bait as well as snacks for the anglers. Bring your pole and your life jacket and arrive 15 minutes before start time so you will be ready to drop your hook. Prizes will be awarded immediately after the finish time. So don't be late and good luck!

### Awards

**Ribbons:** are given to each winner of the four On-the-Water contests, the Weather contest, and the land/shore based Navigation competition. 1<sup>st</sup>, 2<sup>d</sup> or 3<sup>d</sup> place ribbon awards are provided depending upon participation.

**Junior Skipper Award and Trophy:** is given to the individual having the highest total combined score for all On-the-Water contests and the Weather contest.

**Scholarships:** 1<sup>st</sup>, 2<sup>d</sup> & 3<sup>d</sup> place monetary scholarship awards are given to the eligible juniors with the highest overall score for all competitions.

1. Only those juniors who are members of a boat club affiliated with I-LYA will be eligible to receive scholarship awards.
2. Scholarships are based on final results from 2 days of competitions at the annual I-LYA Regatta.
  - General knowledge and seamanship
  - Charting and course plotting
  - Navigation competition
  - On-the-Water
    - "Course A" Boat Handling
    - "Course B" Compass Reading and Bearings
    - Chicane: boat handling and low speed operations
    - Docking contest: maneuvering and docking

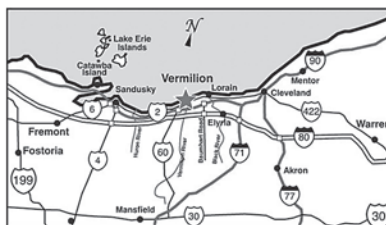

## BOAT DETAILING, MAINTENANCE AND STORAGE

## Power Contests

### Commodore's Trophy

Competition for the Commodore's Trophy is based upon a combination of seamanship, boat handling and overall knowledge of boating. Four events were selected by the committee, which are thought to provide all of these skills. To compete you must enter all four (4) of these contests. Entry forms are available at the Registrars desk and must be completed and on file in order to compete. A percentage has been given to each event to determine the overall winner of the Commodore's Trophy. A flag and pin will be presented to the winner and your name placed on the Commodore's Trophy which is kept in the Boaters' Museum at Put-in-Bay. The trophy is awarded at the I-LYA Fall Banquet each year. This trophy will be awarded to an individual competing in the various events. The trophy will NOT be awarded to a competing team. This is an individual award NOT a team award. Commodore's Trophy contests include: Predicted Log & Navigation (30%), Docking (25%), Chicane (25%) and Weather Forecasting (20%).

### Predicted Log and Navigation

Predicted Log & Navigation contest is a boat handling and navigation skill contest. Knowledge of your boat's performance along with piloting and navigational skills are a must. This is a two (2) part contest, with each contest being scored separately.

**PART 1: Predicted Log** A predetermined course established by the committee is designed around set "Control Points" (navigational aids, buoys, markers, landmarks) which must be passed or rounded, on either the port or starboard side. Calculating your "predicted Log" has been changed. New rules for a NO calculation predicted log have been approved by the committee. The contest will be run in or near the harbor allowing the use of an inflatable or other suitable small craft. The contestant will be required to maintain a constant speed and record the time at each mark. A two (2) man team is required; however, only the captain of the team will be eligible for any award (flag) or entry into the Commodore's Trophy competition.

### Greeley Trophy

Start	Buoy R "2" FLR PIB Harbor Entrance	Leave to Port
Control Pt. 1	RN "6" (Ballast Island Channel)	Leave to Starboard
Control Pt. 2	return to Buoy R "2"	Leave to Port
Control Pt. 3	GC "1" (PIB channel marker)	Leave to Starboard
Control Pt. 4	R2 Fl R 4s (PIB channel marker)	Leave to Port
Finish	Buoy RN "8" (PIB channel marker)	Leave to Port

Committee Distance 4.1 Nm

**PART 2: Navigation Contest** This is a contest designed to test the piloting and navigation skills of each contestant. You will be required to have a chart of the Islands in Lake Erie, road map for South Bass Island, hand bearing compass, stop watch or other time device equipped with a second hand, and basic plotting tools. This contest will take you on a trip around South Bass Island and you will be required to take bearings on distant objects from various observation points around the Island. You will be required to establish a fix on your

position or the theoretical position of another mariner and demonstrate your understanding of chart reading and plotting a course. The mode of transportation will be your choice (car, golf cart, bike or on foot).

Specific instructions will be provided in the contest packet. Each contestant must complete the entry form provided by the committee. This contest is NOT intended to be a team event. However, if a team wishes to compete in this event, only one (1) flag will be awarded (to the team captain). Only the team captain will be eligible to compete for the Commodore's Trophy.

### **Docking**

This is a contest of boat handling and the ability to maneuver your vessel dockside. This contest is not a contest of speed. However, your time is recorded and used for determination of final finish placement and tie breaking decisions. When your vessel is called to compete, maneuver your vessel dockside and set your dock lines. The committee will set marks forward and aft of your vessel. These marks are used to define the space you have to maneuver your vessel. The committee will give you the signal to start and you will leave the dock, go to harbor and make a complete 360 degree turn. Once your turn is complete you will return to the dock and maneuver your vessel to dockside within the marks previously set.

### **Chicane**

The object of the Chicane is to maneuver through the course with your engines in forward gear. Upon completion of the marked course make a 360 degree turn with your vessel. After completing the 360 degree turn, you must maneuver your vessel with engines in reverse back through the course returning to the start/finish line. You will be timed for the entire time it takes to run the complete course (both forward and reverse runs). You will be penalized for hitting a mark or making a wake.

### **Weather Forecasting**

The contest form shall be filled in completely and filed with the Weather Forecast Committee by the time and day posted on the entry form and in the Regatta schedule. Twenty-two (22) hours later, at 1500 hours (3:00 PM) or as otherwise noted on the entry form, a committee appointed for the purpose shall assemble at Put-in-Bay to observe and record the actual weather conditions at the time and place described on the entry form. These conditions shall then be compared to the contestants' predictions and penalty points assessed for all variations. The winner shall be the contestant receiving the least number of penalty points.

### **Flying Mile**

All boats will be timed electronically using a radar gun. Boats will NOT be required to run a full mile at their top speed. All boats will be timed within a 500 foot area designated by the committee. Two (2) or more participants are required to establish a class. No boat will be permitted to run in more than one class. Safety is our number one rule. Please operate your vessel in a safe manner. Remember, you are responsible for the safety of your vessel and all others on board.

### **General Information**

1. The SAFETY of all participants, crew, committee and audience is our number one rule. While participating in these contests, we ask all to observe navigation rules of the road, local laws and follow all safe boating practices. Please conduct yourself in an orderly and professional manner at all times and not put fellow participants, general public or the committee at risk or cause unnecessary nuisance. We want everyone to enjoy these contests whether on land or sea, please remember to BE SAFE.
2. These Contests and their rules have been prepared by the various contest committees and approved by the Powerboat Committee. From time to time, weather and scheduling conflicts may require changes or modifications to the schedule or contest rules. The various Committee chairpersons will make every effort to inform you of any last minute changes.
3. The success of the Regatta is directly related to participation in these contests and events. There is a first, second and third place flag given to the Clubs with the most participants in Regatta contests and events.
4. In addition to the Club Participation award, Clubs are eligible to receive an award for volunteerism. This is awarded to the Club having the most volunteers working the various contests, events and social functions. If you are a committee chairperson, it is very important to record the hours worked by your many volunteers in order that clubs are credited with all the hours earned during the Regatta.
5. Protests of judges' ruling can be filed with the Powerboat Committee. The Powerboat Committee will review the protest and make a final ruling.
6. Electronic copy of the official Regatta "Contest Rules Booklet" is available from the I-LYA website ([i-lya.org](http://i-lya.org)). Also, hard copies are available at the Registrar's desk.
7. Refer to the official Regatta schedule and information available at the registrar's desk for the specific place and time of each contest.
8. Entry forms for all contests are available at the Registrar's desk located at PIBYC.

**Wyandotte Yacht Club** Com. Steve Jakubik  
PO Box 274 Del. Leo Durocher  
Wyandotte, MI 48192  
2 guest docks; reciprocal \$1.25/ft.; electric; water; toilets; showers;  
pets allowed

*D'ya think  
there's enough  
gas in this thing to get us  
all the way to Canada?*

*Won't matter.  
Amlin would find us and  
make us come back.*
