# I-LYA 2015

## About the Cover:

This 2015 cover photo is a shot taken from the docks of Put-in-Bay looking through the regatta fleet towards the Perry's Victory & International Peace Memorial on a beautiful sunny day at "the Bay."

The cover photo was taken by 2003 Past Commodore of North Cape Yacht Club, Doug Haag. Doug has been the Event Photo Chair for the Mills Race for the past few years and has provided photos for the I-LYA yearbooks in the past.

## From the Editor:

We would like to thank all of the people who contributed their time and efforts to this year's I-LYA yearbook. This truly was a team effort.

A big thanks go out to our regatta chairmen who gathered regatta results, created schedules, updated directories, proofread and edited and also to those who supplied pictures. Thank you also to the many clubs and businesses who placed advertisements and to our regatta sponsors. I encourage you to visit them and thank them for their support.

We are especially grateful to Marilyn Paselsky for her graphic design skills and attention to detail and most of all that nudge when we needed it. To Jane O'Brien for assistance with proofreading and editing while busy being a chairperson. And to Steve Harris for the same in addition to creating the photo pages.

We hope you enjoy this year's I-LYA yearbook.

## From the Commodore

Please join Lady Dar and I as we celebrate the 130<sup>th</sup> year of the Inter-Lake Yachting Association. Our 145 member clubs and 50,000 members, not only make us one of the oldest yachting organizations in the US, but one of the largest, too. It is with a great sense of pride that we have assembled some of the finest people in the Great Lakes to head up our four Bay Week committees this year. We have reached out to our members and listened to their suggestions while putting together this year's events.

As a young boy visiting Put-in-Bay and looking at the names on the Commodores' Memorial, I would have never imagined that my name would one day be placed alongside those of the great men and women that have led this organization. To say that I'm honored to serve as your Commodore for 2015 would be an understatement. Our organization has grown over the years not only to hold some of the largest and longest running regattas, but we are also well represented at a national level in both environmental and safe boating organizations. As one of the five original organizations that formed what is now US Sailing, we remain an active part of both US Sailing and US Powerboating today.

This year will be the 60<sup>th</sup> running of Junior Bay Week and will be chaired by Jane and Tim O'Brien. In 2015 we look to continue to promote the highest level of racing, with safety and fun always at the forefront. With the Traveler Series, we have been able to grow our junior sailing programs at the club level while reaching out to the local communities for new sailors. We look forward to building better young citizens through sport and friendly competition.

Returning to Chair the 122<sup>nd</sup> sail regatta will be the team of Mike Fishbaugh and Bob Sheppard. We take pride in the fact that this is the third oldest annual regatta in the United States. This committee—put together 5 years ago—has made great progress and continues to strive to become the best regatta on the Great Lakes. In 2015 we still hold to our three main goals: provide a friendly and safe event, run a top notch professional racing program, and give all competitors and guests fun, cost effective onshore parties. With these basic elements in mind, I believe this team will once again deliver us a wonderful regatta.

This year we will be celebrating the 40<sup>th</sup> anniversary of power boat week. This event started at Presque Isle near Erie, Pennsylvania and at that time was known as I-LYA Power Boat Rendezvous. In 1984 the event was moved to South Bass Island. This year's event team will be Bruce Sattler and Mike Powers. This year's regatta theme is "Family Baycation." With the on-water and on-shore events planned, we will be able to provide a fun week for all that attend. Although the Power Boat event is younger than the other bay weeks, it is deep in tradition. Once again the groups from Associated Yacht Clubs and Greater Cleveland Boating Association will be competing for bragging rights on and off the water.

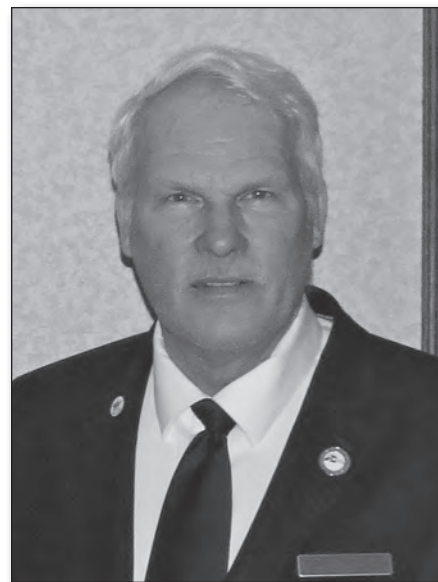

Our Junior Power Boat Regatta will once again be led by Bob Lang, with the assistance of Vice Chair Bill Stewart. The Junior Power has grown in the number of participants due, in part, to implementation of the on-the-water events. The juniors are now participating in their own chicane and timed lap competitions. Nothing beats the big smile of a young person driving his or her boat at Bay Week. Keep up the good work, you truly bring the spirit to the theme Family Baycation.

I wish good luck to all the competitors and wish you a memorable "Bay Week."

Thank you,

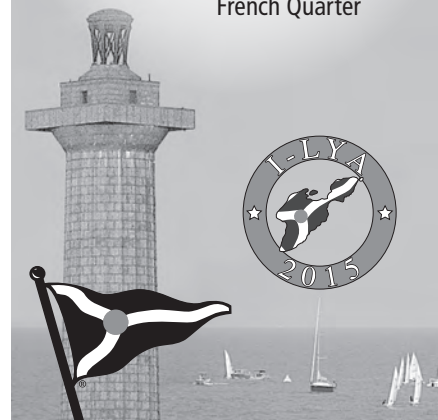

Duane D. Burgoyne, 2015 I-LYA Commodore

# Meet the Commodore

In order to know Commodore Burgoyne, you only need to look to his roots. Born at Indianapolis Methodist Hospital, just down the road from the famed Indianapolis Motor Speedway, he grew up around race cars and motorsports of all kinds. It could be said that Duane's "need for speed" and love of competition have been with him his whole life. As a young man, he spent much of his summer with his grandparents on the Portage River. This is where his love for the water grew. Throughout his youth, he was active in many sports and could be found hanging out at local race tracks, messing around with cars. His passion for competition remained with him in the coming years.

After his first experience racing on a friend's 30' sailboat, Duane realized that sailing offered a way to feed his love for competition and speed while avoiding the aches and pains that result from the sports of his youth. The following year, he bought a 22' sailboat. This led him to Detroit Beach Boat Club in 1985. As a new member, he met the Commodore... and then the *other* Commodore... two Commodores? He found this curious. His new friend Allen Ashley explained, the "other" Commodore was Byron Kosino, a DBBC member who was serving as Commodore of I-LYA that year. A few years later, Allen, too, sought the office of I-LYA Commodore and asked Duane to help. At the time, Duane couldn't foresee what that would lead to—Sail Fleet Captain, chairing the Brest Bay Cup, AYC Fleet Captain, and increasing involvements in Clubs, boating, and the sport of sailing.

In 1998, Commodore Burgoyne's life changed. He bought his new boat, *Flak-bait*, and started dating Lady Dar. With the larger, deeper draft boat, he changed Clubs; joining North Cape Yacht Club and racing there. His involvement in the racing programs at NCYC grew. He served as Yachting Activity Chair and Co-Chair for several years. During that time, NCYC's Junior Program grew and they started hosting national-level regattas at the Club. It was also during this time that Duane began to participate in I-LYA's Bay Week. Always a highlight of his summer season, he enjoyed how the regatta brings sailors from all over the region for camaraderie, racing, and fun. Bay Week was an inspiration to him as he sought to grow the sailing programs back home at North Cape. While he figured out the "sailing thing" quickly, it took him a little longer to realize that he had also found his soul mate, Dar. They were married in 2001 and Duane gained a crew member for life.

As Duane and Dar set off on their new life together, their involvement at NCYC grew even more, with Duane serving as Commodore in 2011. During his tenure, with the help of Lady Dar, North Cape had a banner year—hosting over 20 regattas, including 3 National and North American Championships. As a result of those efforts and the dedicated volunteers at North Cape, the Club was honored by US Sailing as the One-Design Club of the year for 2011. Duane also co-chaired the Race for Hope that year. Dar is a breast cancer survivor and the Burgoynes dedicated themselves to increase awareness and raised over \$20,000 for cancer foundations in the Toledo area. On Columbus Day in 2011, Duane formed a Sea Scout Ship at NCYC—Ship #1492. Through this program, many local youths have been brought into sailing and boating and are learning the same love of the water that Duane & Dar bring to all they do.

Over the past couple of years, Duane & Dar have enjoyed becoming more active in I-LYA and getting to know even more members and Clubs. He is honored to serve I-LYA as Commodore this year and hopes that everyone can share his love of the water and racing this season. It is, as it has been from his beginnings, that love that makes this Commodore tick!

## Commodore's Home Port

North Cape Yacht Club is a “working club” located on the shore of Western Lake Erie some eight miles north of the Ohio/Michigan border. Members reach the lake through a dredged channel shared with the adjacent Toledo Beach Marina. NCYC's membership is composed primarily of sailors. Members maintain the facilities, prepare dinners, staff regattas and run other entertainment functions.

NCYC regularly hosts national championship regattas for various sailing fleets. In 2011, the members of North Cape were honored by U.S Sailing with the One-Design Yacht Club of the Year Award recognizing the high quality of racing, spirit of volunteerism, and support of sailing by the club. The junior sailing program is very strong, with sailors qualifying at district and national levels almost every year.

The club is affiliated with three Great Lakes yachting associations, the Inter-Lake Yachting Association (I-LYA), Detroit Regional Yacht Racing Association (DRYA) and the Associated Yacht Clubs (AYC). The club extends reciprocal privileges to members of many yacht clubs in the area.

The founding of North Cape Yacht Club in 1962 evolved from the efforts of several members of the Toledo Yacht Club (TYC). The location of TYC up the Maumee River made a long trip for the sailors of the one-design Dragon fleet to the racing venue in the open waters of Lake Erie and Maumee Bay. In the late 1950s, led by Walter Swindeman, Richard Krauss, John Holton, James Bernard and John Turin, a group began searching for a location where the Dragon fleet could be moored closer to deep-water sailing. The site they eventually located was a match with the business plan of Virgil Gladieux, a Toledo businessman and entrepreneur. In 1961, Mr. Gladieux was planning to construct a marina on lakefront property near the mouth of South Otter Creek. Following a series of proposals and counterproposals, it became apparent that, if the group was represented by a more formal organization with financial resources, Mr. Gladieux would allocate space for it on the north side of the channel that would be dredged to connect his Toledo Beach Marina and lagoon to Lake Erie.

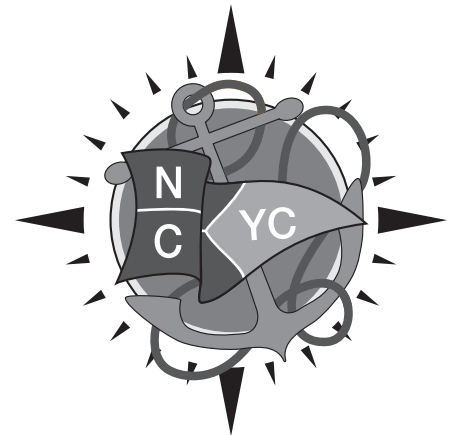

The board of Toledo Yacht Club declined to become involved in the project as a sailing station annex or possible future site for TYC itself, so the group sought to organize a new yacht club. The initial lease, dated December 14, 1961, was actually between Mr. & Mrs. Gladieux and five individuals: Orrin Keller, Phillip LeBoutillier Jr., James Bernard, Walter Swindeman and Richard Krauss, each of whom personally guaranteed one-fifth of the proposed club's \$12,500 share of the cost to dredge the channel and lagoon. On January 9, 1962, the North Cape Yacht Club was properly incorporated and the lease was assigned to it. The club's first commodore was founding member Walter Swindeman who was succeeded, after a 2-year term, by founding member Richard Krauss.

NCYC quickly grew from 14 original members to 216. With a majority of the labor provided by the members, the club constructed 75 docks, 15 dry storage spaces and a clubhouse with a bar. In 1971, the club purchased the previously leased site for \$125,000 with the proceeds of bonds sold to its members. Significant expansions of the clubhouse occurred in 1974 and 1984.

Total membership is now more than 400. Reflecting its founding heritage, the majority of members own sailboats. And many of the club's powerboats are operated by former sailors who love boating but wanted to abandon the rigors of hauling halyards and grinding winches. The small, one-design sailboats that represented the foundation of the club in 1962 have generally given way to larger cruising/racing sailboats.

Ron and Kaye Soka

## *Ron & Kaye Soka*

This award is the most coveted award that a Commodore gives each year. I looked at all the members that give of their time to make this organization a success. I reviewed many candidates and although many people are deserving of this honor, one couple always kept coming up. Not only have Ron and Kaye been participants of I-LYA Bay week for 45 years, they have also given their time and talents to the promotion of racing in Lake Erie by chairing the annual Mills Race for as many years as I can remember. Last year Ron served as the I-LYA Board of Trustees President and made great strides in improving our organization as he led his team to some ground breaking territories. Last year, Kaye was the first female to serve on the nominating committee—breaking down the barriers present for so many years. Ron and Kaye have been very active with the Senior sail committee the past few years. Through their tireless efforts promoting I-LYA at boat shows, yacht clubs, and as the backbone of the ever growing I-LYA News, their efforts have shown.

I knew that it may be difficult to get Ron & Kaye to stand and accept this much deserved recognition. So, at the Spring Meeting, we had some fun. I had everyone stand as a candidate for the award. As I listed accomplishments, they each sat down until only Ron & Kaye were left—the 2015 I-LYA Yachtsmen of the Year!

## *Sue Dubois*

Sue has been a big part of the I-LYA junior sailing program for many years. She has served on many committees to promote junior sailing at the high school level, at Grosse Ile Yacht Club, and the I-LYA Traveler series. Along with her husband Matt, they have been Chairs of the I-LYA Junior Bay Week. When Sue is at the Bay you can find her out on the water helping with management of the races. When she arrives back on shore, Sue has taken on the responsibility to do the scoring for the regatta. It is because of her unselfish dedication to I-LYA's junior program that she has been named the 2015 Junior Bay Week Commodore's Trophy recipient.

### *Sharon Kneisel*

It has been said if you're at I-LYA Power Boat week and you see a group of people having fun, you do not have to look far to find Sharon Kneisel. Whether it is on the water in a cardboard boat race or on land at the putt-putt course, Sharon will be leading the way to fun and participation. Sharon this year headed up her team from Bay View Yacht Club to another Participation Award for 2014. Sharon's work to promote boating activities does not stop at I-LYA Bay Week. You can find her at her club and many AYC events coaxing people to get involved. It is because of her never ending energy to make boating a fun sport both on and off the water that Sharon was named 2015 Power Boat Commodore's Trophy recipient

### *Deb Schaefer*

Deb has been the voice of multihull racing throughout the Great Lakes for many years. You can find her at most major regattas with her husband Jim Frederick. She has been instrumental in the promotion and growth of multihull racing.

Last year Deb approached the Senior Sail committee with the idea of holding a National Championship at I-LYA bay week for the Corsair multihulls. Because of her constant promotion and her ability to coordinate Corsair sailors from several countries and as far away as Florida, Deb was able to bring a national championship to Bay Week in 2014. When the competitors arrived on our shores Deb did not stop working with the team in making this regatta a fun time for all on water and on shore. It is for this dedication to this tremendous goal that Deb has been named the 2015 Senior Sail Commodore's Trophy recipient.

# Historically Speaking

By Tom Thanasiu, Jolly Roger Sailing Club

## 150 Years Ago (1865):

2015 is the 150<sup>th</sup> anniversary of the completion of the 2<sup>nd</sup> Green Island Lighthouse. The first lighthouse, built in 1854 caught fire and burned to the ground on a bitter New Year's Day in 1864. The lighthouse keeper, Col. Charles F. Drake and his family survived the fire and construction began on its replacement that summer. After a series of lighthouse keepers, the beacon was automated in 1926 and the final keeper, William L. Gordon, moved to the South Bass Island Lighthouse.

In 1939 the automated beacon was moved to a steel tower. In April of 1974 the lighthouse caught fire and now only the limestone walls remain. The automated beacon continues to warn boaters of the Green Island shoals.

Colonial Pavilion followed by powerboat races at 2:30 P.M. which consisted of two classes traveling 10 or 15 mile courses. The Yachtsmen's Cabaret Dinner ("Speechless Banquet") took place at the Hotel Commodore at 6:30 P.M. for \$1 per person. Ladies were invited to this informal gathering.

Sail yacht racing began Tuesday at 8:30 A.M. and expected 10 classes. The classes ranged from the Universal "R" Class with a \$30 prize to the Catboats with a \$15 prize. 8:00 P.M. marked the start of the parade of floats which kicked off the Sea Circus and Carnival—under the auspices of the Put-in-Bay Board of Trade and I-LYA. A circus in Perry Park, now known as DeRivera Park, followed the parade and everyone was urged to dress in fancy or grotesque costumes for the carnival after. The floats were furnished for free at the

headquarters for yacht crews or clubs to decorate.

The other sports offered on the water for the yachtsmen were obstacle catboat sailing, dinghy races (rowing & power), canoe, swimming, and diving events. There was also a ladies' catboat race with the prize an umbrella and coin case. The sports ashore were the men's & ladies' novelty race, 400 yd. relay (teams of 4), tug of war (teams of 10) and "La Surprise" (not a clue, but the prize was another umbrella and a gun metal purse). Along those lines there was a Best Behavior Prize (to the person behaving the best during the week) and a Special Valuable Prize (probably a wooden nickel.)

On Friday at 8 P.M. at the Hotel Crescent the Prize Distribution and Entertainment took place with the ladies invited. Since there were no entry fees, the prizes varied. For the sailors, cash prizes were given. The exceptions were 3<sup>rd</sup> place in "Y" class which was a 4-inch liquid compass from MRYC and 3<sup>rd</sup> place in "A" class which was a keg of fine wine from John Dorn, SYC.

The powerboat awards were split between days: on Tuesday & Thursday cash prizes of \$25 to \$35; on Monday & Wednesday solid gold or diamond-studded solid gold medals depending on the class. The parade and carnival prize for float and costume was \$5 in gold! The prizes for the other sports were as if they raided a Sears Catalog. From fountain pens to a box of cigars to

## I-LYA 125 years ago (1890)

George W. Gardner of Cleveland Yachting Club, founder of I-LYA, still reigned as commodore as he had done since 1885. The purpose of the association was to make racing and measurement rules at area clubs identical to permit interclub competition. In 1897, Gardner spearheaded the organization of a national group—the North American Yacht Racing Union—to make rules identical throughout the nation. The NAYRU is now known as the *United States Sailing Association* or *US Sailing*.

## I-LYA 100 years ago (1915):

Com. Harry C. Kendall, DYC

Commodore Harry C. Kendall of Detroit Yacht Club was commodore and I-LYA was made up of 25 clubs. The regatta began Sunday, July 18 with the finishes of the deep water feeder races from Detroit, Cleveland, and Toledo. Monday featured the Inter-Lake Baseball Championship at 10 A.M. on a diamond near the

shaving set and hat brush! An incredible job was done by the Prize Distribution Chairman, A.M. Gipson Commodore of Edison Boat Club (Detroit), seeing as it was a free regatta.

The 8" x 5" I-LYA program that was assembled by Program Committee Chairman Robt. E. Bell, DYC was an interesting source of information. The advertisements tell of an earlier time. (My favorites are *The Detroit Journal* "black and white and read all over" and centerfold Studebaker: 40 HP \$885 or 50 HP \$1050 and they seat 7.) And most importantly on each page at the top it is written "Please Patronize Our Advertisers!"

### 75 years ago (1940):

Com. Joseph W. Harbrecht, SYC

Commodore Joseph W. Harbrecht from Sandusky Yacht Club was at the helm of I-LYA in 1940. That year I-LYA boasted 37 clubs, 8723 members with 942 sailboats and 1424 powerboats. The first scheduled event in the official program was a mass at Mother of Sorrows Catholic Church at 5:50 A.M. on Sunday, August 4<sup>th</sup>.

The Detroit Deep Water race started at 5:30 P.M. and took the boats to the Pelee Passage, then around Kelleys Island then back around Ballast Island finishing at the red gas buoy north of Gibraltar Island.

The Wm. H. Hummel Trophies went to the first boat to finish and the boat with best corrected time. With a 70 mile night sail, I don't believe church was in their plans.

Once the deep water races finished, registration was held at PIBYC beginning at noon. At 6:00 P.M. there was an Organizations Supper at the Bay View Hotel followed by the Memorial Service at the Commodores Memorial Monument at 8 P.M.

There were 21 scheduled sailboat class starts near the red buoy on a 3 mile isosceles triangle that surrounded Rattlesnake Island for the faster large boats. On the same triangle, there were also two shorter courses, a 4.5 mile and a 2.25 mile. The perpetual trophies for the sailors were the Northrup Trophy for the "R" Class and the Commodore Chalmers Burn Memorial Trophy for the Snipe Class.

The powerboat regatta consisted of two predicted log competitions. On Monday, for the Kermath Trophy,

the yachtsmen competed twice going out at 10 A.M. and 3 P.M. This was the second time the contest was held at Put-in-Bay since its inception in 1928 at Detroit Yacht Club. The Alton H. Greeley Memorial Trophy for power cruisers 30 ft or more began at 10 A.M. on Tuesday. This race had a 55 mile course helmed by amateur yachtsmen to promote skill in the operation and navigation of the power cruisers. Held as a predicted log race, the owners of slower boats had the same chance to win as the faster cruisers in the fleet.

On shore there was a Mardi Gras and Street Dance with prizes for best costume on Monday at 8 P.M. Tuesday at 2:30 P.M. was the Inter-Lake Soft Ball Championship with a Bowling Tournament at the Colonial at 7:00 P.M. The day finished with a street parade with floats and flares at 9:00 P.M. The Wednesday evening event was a Barbecue and Wine Festival at the park bandstand with fireworks later. For the registered yachtsmen's ladies there were cat-boat races and a bridge lawn party at the Bay View Hotel.

The regatta closed with the announcement of winners and the distribution of prizes and flags. Each club was to appoint a custodian to collect all prizes won by his club for final distribution at his home club!

The 10" x 7" program featured a skipper in a hat, with a pipe in his left hand and his right hand grasping the wheel. Also in his right hand was a raised hand-painted cigarette (3D in 1940). The program has a diagram of the race course size and position between and around Rattlesnake Island and another of the starting line and box. Next to the deep water race information is a fold out copy of a chart of the Western half of Lake Erie with drawn courses and distances for all three. My favorite ads were the Chris Craft, Lyman, and the "Before You Die, Burn, Blow Away or Sink SEE MILT Gallup Insurance!"

### I-LYA 50 Years Ago (1965):

Com. William H. Miller, VYC

In the previous 25 years, the number of I-LYA clubs doubled to 76 and William H. Miller of Vermilion Yacht Club was commodore. Junior Race Week, chaired by Ralph C. Falconer, was held the first week in August in Rebels. The anticipated 15 crews were housed at the Hotel Rendezvous.

Deep water races immediately followed Juniors and

the combined Senior event kicked off with the power boat predicted log contestants paying a \$5 entry fee to compete for the Greeley Trophy. Other power events were bango-back and balloon contests. Sailing took place Monday, Tuesday, and Wednesday with the starting gun at 7:15 A.M. and 23 scheduled starts.

PIB Mayor James Poulos was the chairman of the shore courtesy committee. Activities during the week starting Monday included the commodore's reception, a picnic for contestants and a street dance on Delaware Ave from 9:00 P.M. to midnight. On Tuesday there was a parade to which all clubs, firms, and individuals were invited to enter with a 1<sup>st</sup> prize of a \$75 US bond followed by a live entertainment stage show. On Wednesday August 11<sup>th</sup>, awards were held at the PIBYC at 3:00 P.M.

The yearbook is a large 9" x 12" with a Chevrolet Impala super sport as the center fold featuring accessory items of AC and AM FM stereo radio and nothing about the engine's horse power!

***I-LYA 25 Years Ago (1990):***

**Com. David L. Shaffer, JRSC**

I-LYA continued to grow and David L. Shaffer, Jolly Roger Sailing Club, served as commodore of the 126 clubs. The junior regatta started on Sunday, July 29<sup>th</sup> and was chaired by Kelly McCarthy from Perrysburg Boat Club. Laura Dunn of Erie YC won the female sportsmanship award and Justin Corbett of CYC won both the laser fleet and individual male

sportsmanship. Laura Cameron and Molly Whaley from Leatherlips YC topped the 2-man fleet. Aaron Stange, Bob Foeller, and Nat Kolling of JRSC won the first of four consecutive wins in the thistle fleet.

Senior Sail ran Aug. 4-9 with deep water races finishing on Saturday and Sunday. Warning gun for racing

was at 7:20 A.M. with two starting areas East and West depending on the wind direction. The MORC overall winner was Sanford Burris's *Quicker* from MHYC and winner of the largest class was Heidi Backus Riddle's *J24 Ballanall*. The Interlake was the largest one design centerboard class and was won by Bob Bradley, JRSC. Sports ashore softball games were played Sunday and Monday with playoffs on Tuesday.

Powerboat Regatta immediately followed from Thurs., Aug 9<sup>th</sup> to Sunday, Aug 12<sup>th</sup>. Events included flying mile, chicane, docking, volleyball, golf, softball, inflatable boat races, fishing derby, and war canoe contests. The premier boat contest was the predicted log for the Greeley Trophy and the winner was Haynes Lee of BVYC on *Happy Ones*.

***I-LYA 10 Years Ago (2005):***

**Com. Heidi Backus Riddle, VYC**

Heidi Backus Riddle from Vermilion Boat Club, the 1985 Rolex Yachtswoman of the Year, became I-LYA's first female commodore and chose Doris and Dan van Heeckeren to chair the 50<sup>th</sup> junior regatta which started July 17 and had 174 sailors representing 24 clubs. Aubrey Nighswander PCYC and Ryan Lashaway NCYC received the individual sportsmanship awards.

The Powerboat Regatta ran from Thurs. July 28-Sun. July 31 and was chaired by Rob Wolas of Swan Boat Club. Winner of the Greeley Memorial Trophy (predicted log) was Rob Uebbing SSCC on *Hi-Ya* who also took home the Commodore's Trophy (best overall score in a series of 3 contests involving boat handling, seamanship, and navigation). Shore side, West beat East in softball. Senior Sail under chair Don Bartels of VBC ran from Saturday, July 30-Thurs., Aug 4.

# *A Message from the President of the Trustees*

Since becoming the President of the Trustees in December I have been looking at how to improve the way I-LYA conducts its business and the role the trustees have. Creating Standard Operating Procedures for the organization is very important as we go forward to insure that how we conduct our business, committees, ceremonies and who we are as an organization are not lost through the years. Members will have information on what is expected from them as they take positions in I-LYA. Having consistency in the way we conduct our business and run our organization will make us stronger in the future. The trustees are the base for that consistency. Working with the Rear Commodore, Vice Commodore and Commodore to provide support for their success as they go through the Bridge and become Commodore for their year. Though we may be like boats on different tacks, we are all striving to get to the same point.

Respectfully submitted,  
Bill Pribe

# About I-LYA

---

## INTER-LAKE YACHTING ASSOCIATION

**I-LYA's** basic purpose is the protection and promotion of the interests of boat owners and water sport fans in the enjoyment of their sport.

**I-LYA** is a watchdog for proposed legislation that may affect yachting and yachtsmen.

**I-LYA** serves as a clearinghouse for yachting information.

**I-LYA's** officers and committees are available to help its member clubs with boating related problems.

**I-LYA** is the US Sailing Regional Sailing Authority and Appeals Body for race protests in the area.

At the top level, **I-LYA** works hand and hand with US Sailing and class racing associations in developing fair and workable rules.

**I-LYA's** foundation, The Inter-Lake Yachtsmen's Fund was established to support training, education, and junior activities. The Yachtsmen's Fund is a qualified 501(c)3 corporation and all donations are tax deductible.

**I-LYA** is the leader in Junior Sailing in the Midwest. The annual Junior Regatta is one of the largest Junior Sailing Events in the United States and serves as a model for other clubs. The winners of "Junior Bay" receive scholarships from the Inter-Lake Yachtsmen's Fund.

**I-LYA** is also a leader in Junior Power boating in the area. The Junior Powerboat program which was developed in 2006, offers Leadership Training and navigational contests. The winners of this event are also awarded scholarships from the Inter-Lake Yachtsmen's Fund.

**I-LYA** consists of 147 member clubs and every member of each club is automatically a member of I-LYA, and is assured recognition among other clubs.

**I-LYA's** membership includes clubs from both the United States and Canada, making for strong international ties and competitions.

Member clubs are represented by delegates to **I-LYA** and meet twice annually. Spring and fall meetings are held in the vicinity of the current Commodore. Class advisory, cruise and powerboat committees meet prior to the delegate's meeting, giving open forum for class improvement and rules enlightenment. Delegates elect the Flag Officers and Trustees at the Fall Meeting.

**I-LYA** appoints delegates to US Sailing and Yacht Racing Union of the Great Lakes.

**I-LYA** is governed by a nine member Board of Trustees. Business is conducted through the office of the Executive Secretary.

**I-LYA** seeks corporate sponsorship to improve the services provided to its members and to control costs. Current sponsors include BoatU.S., Mount Gay Rum, Put-in-Bay Yacht Club, and Morningstar Marinas.

**I-LYA's** Annual Regatta is held at Put-in-Bay, on South Bass Island, in western Lake Erie—the site of the historic Battle of Lake Erie in the War of 1812. It draws more than 500 Sail and Power boats annually.

## Past Recipients Yachtsmen of the Year

1978 marked the beginning of a tradition that has been adopted by each administration since. Commodore Norm Winkel determined that recognition should be given to the many volunteers who freely donate their time, vacations, talents, expertise, and even boats and equipment to assure the continued success of yacht racing competition and the I-LYA organization. These special people have earned the honor of being "Yachtsman of the Year."

# Final Voyage

It is with a heavy heart that we mourn the passing of P/C John Bureau. Born in Toledo in 1932, he passed peacefully surrounded by his family, March 10, 2015, in Bonita Springs, FL. John was a graduate of Liberty Center High School. In 1953 he married his high school sweetheart, Marilyn Swartzlander. After service with the Marines and a career at Libby Owens Ford, he and his son, Mike, started and co-owned Bureau Concrete, Inc. and BJB Construction. John's curb work was well known for being the best in the Toledo area. After 30 years as a successful company, they closed the doors and retired.

John and his wife Marilyn were fixtures in the boating world. He was a Past Commodore of The National Rebel Association (1969), Perrysburg Boat Club (1970), Associated Yacht Clubs (1978), and the Inter-Lake Yachting Association (1984). He was also I-LYA's President of Trustees, Junior Sail Chair, Senior Sail Chair, and member and past treasurer of IOBG. John served on the Board at Perrysburg Boat Club for 30 years as Sec.-Treasurer. He earned recognition from USYRU as a Senior Race Officer. John & Marilyn were for many years seen aboard the race committee boats for the AYC Carson Cup, Mills Race, I-LYA and PBC regattas. They were best known as diligent workers in promoting sail and powerboat activities for all. As chairs of Junior Bay Week in 1982, John and Marilyn set a goal of combining the Sears, Bemis, and Smythe competitions to be sailed at Put-in-Bay. Previously, only Sears eliminations were held at the island. This goal was met in 1984 when as I-LYA Commodore, John charged his junior chairmen, Don and Alice Gregory, with bringing those 3 quarter-finals together at the Bay. Fittingly, in 1988, the I-LYA Yachtsman of the Year award was presented jointly to John and Marilyn Bureau.

John was a tough Marine who worked hard every day and inspired his fellow peers and coworkers to step it up and get good results. Truly he was a man's man: quick to help out, quick to share a joke and a beer, and fiercely loyal. BUT John's greatest gift is that he had a kind and loving heart, a warm smile, and a zest for life.

Losing Marilyn in 2006 after 53 years of marriage was very hard. Joan O'Connell (also widowed) helped John rekindle his love of sailboat racing aboard *Tyrannous*. The two enjoyed dancing until the wee hours of the morning and socializing at various yachting and BGSU sporting events. They were a lovely and fun couple to be around, as marked by their many friends.

Surviving are his children, Mike (Mary) Bureau of Perrysburg, Teresa Frick of Bowling Green, and Ronald (Darla) Bureau of Laurel, MT; grandchildren, John, Suzanne, Andrew, Amanda, Joshua, Anthony, and PFC Ryan J. Bureau; great-grandchildren, Ezra and Marilyn; sister, Kate Carpenter; special friend, Joan O'Connell. John was preceded in death by his loving wife, Marilyn; daughter, Peggy Ann; his parents; brothers, Harry, Donald, and Robert Bureau; sisters, Virginia Warner, Bonnie Zeigler, and Mary Jo Lindau.

This season we ask you to take a moment, grab a cold beer, and lift your glass up in memory of John Bureau. You know he's up there looking down at us and awaiting the day we arrive at the pearly white gates. And, for those who knew him well, we know he will have a cold Natural Light, a smile, and a funny story to share.

**1984 Commodore John Bureau**

# The Inter-Lake Yachtsmen's Fund

The Inter-Lake Yachtsmen's Fund, for which all private donations are tax-deductible, is an IRS-recognized 501(c)(3) charitable organization. US Bank holds the assets; however, they are administered by the nine trustees who are elected by the fund's members (its donors.)

Listed below are some of the grants the fund made last year. This ambitious program of support can only continue through your generosity. We urge you to become a member of the fund or renew your old membership. We will gladly recognize you in the I-LYA's yearbook and other publications. Simply complete and mail the form on the following page. It's worthwhile... it's tax deductible... and it's greatly appreciated!

Also consider these tax-deductible opportunities through donations to *The Yachtsmen's Fund*:

## ***Bequests in Memory of Friends and Loved Ones Property • Securities • Vessel Donations***

### ***Inter-Lake Yachtsmen's Fund Grants***

#### **Amateur Activities**

Provides support for I-LYA Clubs hosting the US Sailing Junior Championships (Sears, Bemis, Smythe Trophies); for US Sailing Junior Olympics held at a port on Lake Erie; support for Juniors of I-LYA clubs through the Challenge Team program; and entry fees, boat insurance and some travel funds for attending the US Sailing Jr. Championships noted.

Juniors: entry fees and insurance for Sears, Bemis, and Smythe.

#### **Scholarships**

Twenty-three scholarships to 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place finishers of the I-LYA Junior Race Week and Powerboat Junior Navigation Contest.

#### **I-LYA Junior Race Week**

Subsidize housing and coaching expense to enable all juniors to attend by keeping family expenses low.

#### **I-LYA Junior Power Regatta**

Provide support for major I-LYA Junior Power events.

### ***I-LYA Challenge Team***

The Yachtsmen's Fund has established the Challenge Team, which will provide partial funding to encourage juniors to take part in important events (regattas & clinics) in addition to I-LYA and US Sailing ladder events. Primarily intended to encourage those who have not yet reached their sailing potential, this program is open to I-LYA juniors between the ages of 13 and 19.

To qualify for funding the event or clinic must typically draw at least 20–25 entrants per class, and be of a level of competition found at the I-LYA Junior Bay Regatta.

The following are examples of the type of activity in which this program is intended to encourage participation:

- Orange Bowl
- Oyster Bay Clinic
- Buzzard's Bay
- C.O.R.K
- Nationals, Districts or Mid-Winters of the following classes: 420, Laser, Thistle, etc. Request forms are online at [i-lya.org](http://i-lya.org).

▲ = Counter Race for Series Awards

Please check the current calendar at [www.i-lya.org](http://www.i-lya.org).

The Junior Traveler Series is a summer-long series of weekly regattas hosted by I-LYA member clubs throughout our region. The intent of the Traveler Series is to offer increased opportunities to race close to home. Series awards will be presented to the top finishing skippers and crew in each qualifying fleet based on the best five regatta finishes at any of the qualifying events. There is also a Team Trophy awarded each year to the top finishing club.

### Eligibility

Sailors must be at least 7 years old and can participate in the Traveler Series up to and including the summer immediately following their senior year of high school. (Please note that age requirements for Junior Bay are different.) The following fleets are eligible for the series: Optimists, Laser Radials, Laser Full Rigs, C420s, and Thistles. Minimum participation levels for series scoring are defined in the Notice of Series available online under Junior Sailing at [I-LYA.org](http://I-LYA.org). Also there are the requirements for the Thistle Szambecki Award.

### Registration

Registration and scoring for the series and each qualifying regatta will utilize [noticeofrace.net](http://noticeofrace.net). Complete instructions are available on the Traveler Series page at [I-LYA.org](http://I-LYA.org). Please read carefully as changes specific to junior sailing have been made.

### State Youth Concussion Law Compliance

I-LYA requires all clubs and coaches to comply with the appropriate youth concussion laws in the state where they are racing. Both Ohio and Michigan have online concussion training requirements. Please plan early to be in compliance. Complete details on the Traveler Series pages at [I-LYA.org](http://I-LYA.org).

## AFTERGLOW 2015

... post-regatta events at Middle Bass Island

The members of Middle Bass Island Yacht Club invite all I-LYA SAIL and POWERBOAT Regatta participants to join us on Sunday August 2, 2015 and Sunday August 9, 2015 respectively. Unwind at MBI before heading home.

I-LYA participants will enjoy dockage for the night at MBIYC for reduced rates and JF Walleyes will offer specials/discounts especially for you.

So, don't hurry home. Spend the night at beautiful MBI.  
We look forward to having you!

## Share Their Love for the Water

Sara Booker and Audrey Sheehan, a mother and daughter team, proudly introduce their new book, *Quotes about Boats, Lakes, Seas, & the Shore*, the first book in a planned series of books by the duo. The book is based on their love of water and all it encompasses. Being from the Cleveland area, both Sara and Audrey grew up and live by the water, they have been capturing pictures from not only Lake Erie, but from their travels abroad. The book allows them to share their favorite photos with the reader and to add to the essence of the photo, they have included their favorite quotes and lyrics related to the water to emphasize the connection one may have with water. The mother and daughter pair share their love of water from an island girl perspective.

## Pricing and Availability

*Quotes about Boats, Lakes, Seas & the Shore* is available at Local Color gift shop located at The Keys, right next to Dairy Isle. The cost of the book is \$17.95 with a portion of the profits directly benefitting the Lake Erie Chapter of the Black Swamp Conservatory, a non-profit encouraging conservation and protection of natural and agricultural lands in the Lake Erie Islands.

## I-LYA Junior Power Regatta at Put-in-Bay

---

### Junior Power Contests

These Junior Regatta contests are designed to reinforce the safe boating practices and rules of the road learned in the classroom. The contests and seminars use a hands-on approach and provide the juniors with the confidence to operate motorized vessels. The vessels used at the regatta are inflatables donated by senior participants of the power regatta. For additional information about the Junior Power Program please visit the I-LYA web-site.

### General Knowledge and Seamanship

Friday's safe boating seminar provides each junior with a refresher course on safety requirements, rules of the road, understanding of buoys and their identifying characteristics, and much more. Juniors will be asked to demonstrate knot tying, line throwing, and how to properly secure a vessel. A written exam, testing each junior on his or her general knowledge of the above concludes this contest.

### Charting and Course Plotting

The safe boating seminar also covers charting and course plotting. Hands-on activities teach the juniors how to read charts, determine their position and plot a course. At the end of the seminar, each junior will be tested on their understanding of the above.

### Navigation Competition

This is a shore-based contest that will require juniors to pair up and take a short walk or bike ride around the Island. They will be asked to take bearings, make observations and determine their position as they make their way around the Island. Bikes will be provided if necessary.

### Weather Contest

Each junior will be asked to forecast the weather for a prescribed time and place. The forecast will include temperature, wind direction and velocity, barometric pressure, sky conditions, precipitation, and relative humidity. Prediction forms will be provided and must be submitted by a set deadline. A committee shall assemble at the prescribed place and time to observe and record the actual weather conditions and determine the winners of this contest.

### On-the-Water *(Four contests using inflatables)*

**"COURSE A" Boat Handling Contest** "Course A" will demonstrate the steering and boat handling capabilities of each junior. The junior, accompanied by an assigned adult, will run a 3-leg course in both a clockwise and counter-clockwise direction with the objective of making both runs in the same amount of time. Speed is NOT the objective.

**"COURSE B" Compass Reading and Bearings Contest** "Course B" will demonstrate a junior's ability to read a compass and take bearings. The goal is to steer as carefully as possible between the marks for each of three designated courses set by the committee. At the end of each leg the junior is to record the compass heading steered. An assigned adult will crew on each vessel.

**Chicane** This is a timed test of boat handling and low speed maneuvering. The junior will be timed and judged on his or her ability to successfully maneuver through a prescribed course at no-wake speed in both forward and reverse gears without creating a wake and without hitting the marks on the course.

**Docking** This contest evaluates the junior's boat handling and maneuvering skills as related to docking. The junior will be judged on his/her ability to properly maneuver, dock and secure his or her vessel within a predetermined dock space. Hitting the dock and/or high speed operations will result in loss of points.

### Social Competitions

In addition to the bragging rights earned by making a hole-in-one during Jr. Putt-Putt or Jr. East trouncing Jr. West (or vice-versa) in volleyball, Junior Power Regatta participants also enjoy the following contests:

#### Geo-Quest

Based on Geo-caching, Geo-Quest is a live treasure hunt utilizing compass and GPS skills. Junior teams will explore the island via adult-driven golf carts and locate hidden "treasures."

#### Cardboard Boat Race

Who *doesn't* love making stuff with duct tape? Juniors combine their engineering skills with construction and boating knowledge. Entrants must be 12–17, pre-assembly is allowed, each boat to be designed for 1 or 2 people. Awards given to place finishers and a "Spirit award" given to the team showing greatest Team Spirit and "The Titanic Award" to the boat that sinks in spectacular fashion.

#### Fishing Derby

The "Fishing Derby" is designed for all juniors participating in the regatta. Come one, come all and see who catches the largest, the most and the smallest fish. The committee will be available to bait your hooks and will supply the bait as well as snacks for the anglers. Bring your pole and your life jacket and arrive 15 minutes before start time so you will be ready to drop your hook. Prizes will be awarded immediately after the finish time. So don't be late and good luck!

### Awards

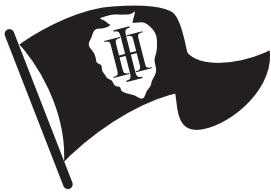

**Ribbons:** are given to each winner of the four On-the-Water contests, the Weather contest, and the land/shore based Navigation competition. 1<sup>st</sup>, 2<sup>d</sup> or 3<sup>d</sup> place ribbon awards are provided depending upon participation.

**Junior Skipper Award and Trophy:** is given to the individual having the highest total combined score for all On-the-Water contests and the Weather contest.

**Scholarships:** 1<sup>st</sup>, 2<sup>d</sup> & 3<sup>d</sup> place monetary scholarship awards are given to the eligible juniors with the highest overall score for all competitions.

1. Only those juniors who are members of a boat club affiliated with I-LYA will be eligible to receive scholarship awards.
2. Scholarships are based on final results from 2 days of competitions at the annual I-LYA Regatta.

# I-LYA Power Regatta at Put-in-Bay

## Power Contests

### Commodore's Trophy

Competition for the Commodore's Trophy is based upon a combination of seamanship, boat handling and overall knowledge of boating. Four events were selected by the committee, which are thought to provide all of these skills. To compete you must enter all four (4) of these contests. Entry forms are available at the Registrars desk and must be completed and on file in order to compete. A percentage has been given to each event to determine the overall winner of the Commodore's Trophy. A flag and pin will be presented to the winner and your name placed on the Commodore's Trophy which is kept in the Boaters' Museum at Put-in-Bay. The trophy is awarded at the I-LYA Fall Banquet each year. This trophy will be awarded to an individual competing in the various events. The trophy will NOT be awarded to a competing team. This is an individual award NOT a team award. Commodore's Trophy contests include: Predicted Log & Navigation (30%), Docking (25%), Chicane (25%) and Weather Forecasting (20%).

### Predicted Log

The Predicted Log is a boat handling skill contest. Knowledge of your boat's performance and navigational skills are a must. The predetermined course is designed around set "Control Points" (navigational aids, buoys, markers, landmarks) which must be passed or rounded, on either the port or starboard side (as indicated). Calculating your "Predicted Log" requires the participant to plot the course on his or her charts and to predict the time he or she will pass each control point in minutes and seconds. This year we are allowing the use of a GPS or Chart Plotter. Contestants may run at any chosen speed above 6 knots comfortable for the weather conditions, and make their predictions based on this speed. Participants should also know their compass deviation, because some points are too far away to be seen easily. The Predicted Log Committee will assign an impartial observer to accompany the run. Each contestant is ask to bring along at least one observer who will be assigned to another boat. A short training class will be held for the observers before the start of the contest. Each contestant must furnish two watches able to read in hours, minutes and seconds (preferably one digital and one stop watch).

### Greeley Trophy

Start	Buoy R "2" FLR PIB Harbor Entrance	Leave to Port
Control Pt. 1	Buoy R "2" FLR 4s	Leave to Starboard
Control Pt. 2	Buoy G "s" FLG 4s	Leave to Starboard
Control Pt. 3	Buoy G "1" FLG 4s	Leave to Port
Control Pt. 4	Buoy G "3" FLG 4s	Leave to Starboard
Run a course of 235M until Ballast Isl. Light disappears, then procede to:		
Finish	Buoy R "2" FLR 4s (W. of Kelleys Isl.)	Leave to Port

Committee Distance 10.2 Nm

Specific instructions will be provided in the contest packet. Each contestant must complete the entry form provided by the committee. This contest is NOT intended to be a team event. However, if a team wishes to compete in this event, only one (1) flag will be awarded (to the team captain). Only the team captain will be eligible to compete for the Commodore's Trophy.

### **Docking**

This is a contest of boat handling and the ability to maneuver your vessel dockside. This contest is not a contest of speed. However, your time is recorded and used for determination of final finish placement and tie breaking decisions. When your vessel is called to compete, maneuver your vessel dockside and set your dock lines. The committee will set marks forward and aft of your vessel. These marks are used to define the space you have to maneuver your vessel. The committee will give you the signal to start and you will leave the dock, go to harbor and make a complete 360 degree turn. Once your turn is complete you will return to the dock and maneuver your vessel to dockside within the marks previously set.

### **Chicane**

The object of the Chicane is to maneuver through the course with your engines in forward gear. Upon completion of the marked course make a 360 degree turn with your vessel. After completing the 360 degree turn, you must maneuver your vessel with engines in reverse back through the course returning to the start/finish line. You will be timed for the entire time it takes to run the complete course (both forward and reverse runs). You will be penalized for hitting a mark or making a wake.

### **Weather Forecasting**

The contest form shall be filled in completely and filed with the Weather Forecast Committee by the time and day posted on the entry form and in the Regatta schedule. Twenty-two (22) hours later, at 1500 hours (3:00 PM) or as otherwise noted on the entry form, a committee appointed for the purpose shall assemble at Put-in-Bay to observe and record the actual weather conditions at the time and place described on the entry form. These conditions shall then be compared to the contestants' predictions and penalty points assessed for all variations. The winner shall be the contestant receiving the least number of penalty points.

### **Flying Mile**

All boats will be timed electronically using a radar gun. Boats will NOT be required to run a full mile at their top speed. All boats will be timed within a 500 foot area designated by the committee. Two (2) or more participants are required to establish a class. No boat will be permitted to run in more than one class. Safety is our number one rule. Please operate your vessel in a safe manner. Remember, you are responsible for the safety of your vessel and all others on board.

### **Social Competitions**

Social competitions include the women's and men's East vs. West Volleyball and the now co-ed Softball Game. Volleyball takes place on the PIBYC grounds and the softball game, at the school. Because most of the participants play these games only once a year, the spectators usually get a good laugh from the weekend warriors but occasionally see some impressive athleticism. The rivalry is sometimes intense but always good-natured. A trophy is naturally awarded to the victors but bragging rights are the real "Gold Medal" that is sought. The cardboard boat races are also a source of "titanic" good fun.

### **General Information**

1. The SAFETY of all participants, crew, committee and audience is our number one rule. While participating in these contests, we ask all to observe navigation rules of the road, local laws and follow all safe boating practices. Please conduct yourself in an orderly and professional manner at all times and not put fellow participants, general public or the committee at risk or cause unnecessary nuisance. We want everyone to enjoy these contests whether on land or sea, please remember to BE SAFE.
2. These Contests and their rules have been prepared by the various contest committees and approved by the Powerboat Committee. From time to time, weather and scheduling conflicts may require changes or modifications to the schedule or contest rules. The various Committee chairpersons will make every effort to inform you of any last minute changes.
3. The success of the Regatta is directly related to participation in these contests and events. There is a first, second and third place flag given to the Clubs with the most participants in Regatta contests and events.
4. In addition to the Club Participation award, Clubs are eligible to receive an award for volunteerism. This is awarded to the Club having the most volunteers working the various contests, events and social functions. If you are a committee chairperson, it is very important to record the hours worked by your many volunteers in order that clubs are credited with all the hours earned during the Regatta.
5. Protests of judges' ruling can be filed with the Powerboat Committee. The Powerboat Committee will review the protest and make a final ruling.
6. Electronic copy of the official Regatta "Contest Rules Booklet" is available from the I-LYA website ([i-lya.org](http://i-lya.org)). Also, hard copies are available at the Registrar's desk.
7. Refer to the official Regatta schedule and information available at the registrar's desk for the specific place and time of each contest.
8. Entry forms for all contests are available at the Registrar's desk located at PIBYC.
