# I-LYA 2018

## About the Cover:

The 2018 cover is a combination of the flag commemorating I-LYA's 125<sup>th</sup> Regatta and a photograph taken during the 1926 I-LYA Regatta.

The 125<sup>th</sup> I-LYA Regatta flag came about due to an idea expressed by Put-in-Bay Chamber of Commerce businesses and the tenacity of Bryan Huntley. Designed by 2014 Commodore Steve Harris, this flag will fly on 35 light poles in DeRivera Park during the summer of 2018. Thanks to the over fifty 125<sup>th</sup> I-LYA Regatta Flag sponsors for their support!

The photograph was taken by photographer O. G. Herbster of Put-in-Bay during the 1926 I-LYA Regatta. The photo was made available by 1999 Monroe Boat Club Past Commodore Charles "Chuck" Wood II. His great-grandfather, G. Harley Wood, a Past Commodore of Monroe Yacht Club, competed in the Class "G" Cruisers, Power class of the Regatta, winning first place in his class. His boat, *FRANCES*, is the forward-most one of the two boats docked on the extreme right edge of the photo.

## From the Commodore

It is an honor and a privilege for Lady Kathy and myself to serve as Commodore and Lady of the Inter-Lake Yachting Association in 2018. As a sailor from a young age, I was well aware of the important role that Regional Sailing Authorities play in U.S. and Canadian sailing. One of the things that make the I-LYA truly unique is the inclusion of an active Power Boat Regatta from the beginning. That blend of boating adds to the energy and vibrancy of the I-LYA and helps to make it the great organization that it is.

This year we celebrate the 125<sup>th</sup> running of the I-LYA Annual Regatta! Over the years, due to the number of participants, we have split the regatta into four parts. This year will be the 125<sup>th</sup> Sail Regatta, the 63<sup>d</sup> standalone Junior Sail Regatta, the 44<sup>th</sup> standalone Power Regatta and the 33<sup>d</sup> Junior Power Regatta. We will be celebrating the 125<sup>th</sup> Regatta throughout the year in many ways,

including unique 125<sup>th</sup> Regatta flags flying in DeRivera Park, a formal Opening Ceremony at the I-LYA Memorial for the Sail Regatta, and by "dressing ship" and flying flags at the Sail and Power Regattas.

One of the jewels of the I-LYA is the Inter-Lake Yachtsmen's Fund. By contributed funds to support both the Junior Sail and the Junior Power Regattas, the Yachtsmen's Fund helps to make these events affordable to allow greater participation. Please consider joining as a Life Member of the Yachtsmen's Fund and urge your club to become a Dollar-Per-Member club!

The Inter-Lake Yachting Association's ability to continue these great boating events only continues through the outstanding contributions of time and effort of our volunteers. It is truly a team effort and I thank all of you for your continued support!

I would also like to thank the members of Monroe Boat Club for their support over the past several years. Without that support, this would have been much more difficult.

And, of course, I want to thank my wife, Lady Kathy, for her support and encouragement as we have "run the chairs" of the I-LYA.

Lady Kathy and I have made many new friends on this journey and look forward to meeting many more in the future. My best wishes for a safe and successful boating season with fair winds and following seas in 2018!

# Meet the Commodore

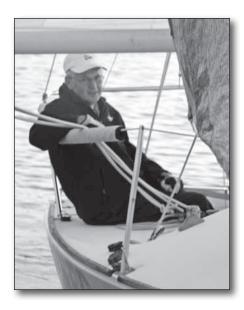

Mike Powers, of Monroe, Michigan, is the Inter-Lake Yachting Association's 125<sup>th</sup> Commodore. His homeport is Monroe Boat Club, located at Bolles Harbor, Michigan. He previously served the I-LYA as Trustee in 2015 and as Powerboat Regatta Chair in 2016. Mike was honored by being named Mid-America Boating's Skipper of the Year in 2016.

Mike started in small sailboats with his father at Kiser Lake Sailing Club, north of Dayton, Ohio. He continued sailboat racing while attending the U.S. Coast Guard Academy, sailing a variety of boats ranging from 12-foot cat rigged dinghies to a 73-foot offshore racing ketch. Mike also sailed on the USCGC Eagle, a 295-foot barque, while at the Academy.

During his career with the U.S. Coast Guard, Mike served on three icebreakers on the Great Lakes, including the USCGC Mackinaw, Cheboygan, MI; the USCGC Mobile Bay, Sturgeon Bay, WI; and as Commanding Officer of USCGC Neah Bay, Cleveland, OH. His last shipboard tour was on USCGC Polar Sea, Seattle, WA. While aboard Polar Sea in 1994, the ship became the first United States surface ship to reach the North Pole and, in company with the CCGS Louis S. St. Laurent, they were the first surface ships to cross the Arctic Ocean. Mike worked in communications, information systems, and electronics support while ashore. He retired in 1998.

Following his Coast Guard career, Mike was an Electronics Engineering Technology instructor and Dean with ITT Technical Institute and an Assistant Professor and Electrical Engineering Technology Department Chair at Michigan Technological University, Houghton, MI. He retired from teaching in 2013.

Mike and his wife, Kathy, arrived in the Monroe area in December of 2006 and joined the Monroe Boat Club in January of 2008. He has served MBC as Power Fleet Captain, Financial Secretary, Rear Commodore, Vice Commodore, and Commodore in 2014. Mike and Kathy can often be found either sailing aboard their J/24, *Mariner*, or cruising around western Lake Erie aboard their boat, *Voyageur*.

The Monroe Boat Club (MBC) traces its roots to the formation of an independent boat club in 1868. The club brought fame to Monroe by finishing first place at the world-famous Henley Royal Regatta in Henley-on-Thames, England in 1878. Out of this club emerged the Monroe Yacht Club in 1902. In 1905 the Club first sponsored its now-famous annual muskrat dinner. Between 1905 and 1935 the Monroe Yacht Club grew to a membership of 500, and became a popular social spot and center of yachting activities on Western Lake Erie. The years between 1936 and 1945 were difficult economic times. There was a reduced interest in yachting and club activity.

Monroe Boat Club

The Club was revitalized by a merger of the Monroe Yacht Club and the Bolles Harbor Boat Club on Nov. 8, 1945. In 1948, club members volunteered their labor and used donated lumber from an old barn to build the docks and the clubhouse (1949).

During the '50s and '60s the club continued to expand. MBC Regattas were attended by 5000+ people. A grain-thrashing steam engine boiler was used to cook 600 dozen ears of corn and corn-on-the-cob was a special feature for many years. Over 90 sailboats in 13 classes raced during the annual regattas. 1966 saw the first Race for the Sisters which continues to this day.

The '60s and '70s included numerous improvements and expansions of buildings, grounds, and docks. The harbor was declared Bolles Harbor of Refuge with required dredging and seawall repair by the Waterways Commission. The banquet room was constructed for parties, dining, dancing, and rentals.

In 1972 the International Order of the Blue Gavel granted a charter to MBC. By the 1980s the Satin Gavel had become an integral part of Monroe Boat Club. To this day, many of MBC's Commodores and Auxiliary Presidents have held leadership roles in these international groups. The '80s and '90s saw growth, expansion of buildings, docks, and major renovation of the seawall.

MBC's famous Thursday Burger Nights are now in their fifteenth year. Our local community involvement has developed over time and now includes an annual Environmental Career Day for 7th graders from Monroe Middle School.

Monroe Boat Club recently purchased the property adjacent to the club, including two garages, two cottages, and additional dock and parking space. In 2017 the MBC Association (MBC-A) was formed as a non-profit corporation affiliated with Monroe Boat Club and approved as a 501(c)(3). Their purpose is "providing educational, social and recreational opportunities associated with fostering the development of a sustainable boating and clean water harbor community and providing programs and projects that build environmental and conservation stewardship in youth and adults."

The Monroe Boat Club stands on the shoulders of over 70 years of Monroe Boat Club history. With an active and involved membership and the good will shared, the club will certainly live up to and even surpass the vision our founding members had.

Monroe Boat Club

Monroe Boat Club was founded for the promotion, protection, and encouragement of boating for pleasure and sport with good fellowship among its members.

## Lady Kay Drake

The Inter-Lake Yachting Association is a great organization because of the many volunteers that step forward to help with our regattas and events. This year's choice for Yachtsman of the Year has been volunteering time to support I-LYA for many years. Among her many accomplishments in support of the I-LYA, she served as the 1981 Commodore's Lady and has lately been on the finish line recording time for the Deepwater and Steeplechase races. 2018 will be her 50<sup>th</sup> year involved with the Junior Sailing Regatta! As a result of her passion, commitment, and dedication to the Inter-Lake Yachting Association, it is fitting that this year's Yachtsman of the Year be awarded to Lady Kay Drake.

Congratulations, Lady Kay Drake! 2018 I-LYA Yachtsman of the Year

It is my honor to present the I-LYA Commodore's Award to the 2018 Head Fleet Captain, Bruce Sattler. Twice a Past Commodore of South Shore Cruising Club, Bruce served the I-LYA on the Power Boat Regatta Committee from 2012 through 2015 and was the Power Boat Chair in 2015, earning the 2015 Mid-America Boating Skipper of the Year Award. He is currently the Vice Commander of the Greater Cleveland Boating Association and serves on I-LYA Board of Trustees. Bruce has been a Fleet Captain supporting the last three Commodores and stepped forward to serve as Head Fleet Captain in 2018. For these achievements, Bruce has been awarded the Commodore's Award for 2018.

## Monroe Boat Club

Monroe Boat Club has been my home club since arriving in the area over a decade ago. The support I have received from the club, especially as I have taken this journey with I-LYA, has been exemplary. MBC supported my fundraising efforts through Thursday Burger Nights and events held at the club and by attending events held at other places. I have received contributions and assistance from each part of the club, from the General Membership to the Auxiliary, both Sail and Power Fleets, and from the MBC Chapters of the International Order of the Blue Gavel and the International Satin Gavel. For the support, friendship and dedication to the Inter-Lake Yachting Association, the Monroe Boat Club has been awarded the Commodore's Award for 2018.

# I-LYA Honorary Regatta Chairman

The I-LYA Honorary Regatta Chairman is awarded to an individual who has displayed his or her dedication over the years to I-LYA and our four regattas and who has consistently cooperated and helped with the goals of I-LYA and our affiliates on and off the Island.

Eugene "Tipper" Niese

## Eugene "Tipper" Niese

Tipper Niese is posthumously recognized as the 2018 I-LYA Regatta Chairman. Tipper and his family moved to Put-in-Bay in 1975 when he took over the Island General Store. In 1979 he bought the Colonial which was destroyed by a devastating fire in 1988. Tipper and his family bounced back from the disaster rebuilding what is now home of the Beer Barrel Saloon and Tippers Restaurant. Tipper became involved with the I-LYA in the 1980s while hosting the Junior Sailing Banquet at the Beer Barrel Saloon. He would close the establishment on a Thursday night for several hours to allow the competitors time for celebration and awards after a week of sailing. He soon was involved with all the I-LYA Regattas and became a strong supporter of the Senior Sail and Powerboat events. When I-LYA members purchased supplies from the Island General Store, meals in Tipper's Restaurant, or sought refuge at the bar in Tipper's Lounge, Tipper was always listening, providing suggestions, giving directions, and supporting I-LYA. Tipper's involvement led to many enhancements in our programs. If you wanted to know what Tip thought about I-LYA, you could look at the roof of the Beer Barrel Saloon where you would see the I-LYA Burgee proudly flying in the breeze.

Tipper Niese and the Niese Family are truly friends and supporters of I-LYA.

Lloyd Bogue, President of District 7, IOBG and all of the District Officers and Chapters salute 2018 I-LYA Commodore Mike Powers

## I-LYA 125 Years Ago (1893)

The strength of I-LYA usually runs hand-in-hand with the economy of the USA. For the most part, early I-LYA and yachting in general was a Millionaires' Club. The average man was working to survive, not play on "some boat." If you pay attention to the last names of early members, it is a list of society's upper crust and wannabes trying to break through. The Panic of 1893 included the bankruptcy of railroads, bank runs and an economic crisis which took both rich and poor down with it. The 1<sup>st</sup> I-LYA was also a casualty and the 1893 regatta was canceled. Through the efforts of George W. Gardner-who founded Cleveland Yachting Club and who had served as I-LYA Commodore since 1885—I LYA was formally reorganized on March 19, 1894. With 9 clubs and an active and dedicated board of directors, an I-LYA regatta has been held every year since.

## I-LYA 100 Years Ago (1918)

William R. Huntington of Sandusky Yacht Club was commodore of I-LYA's 23 clubs during 1918. He had previously held the post in 1901 and 1912. R. George Marsh of Grosse Point Yacht Club was vice commodore and Fred W. Wakefield of Vermilion Boat Club was rear commodore. W. J. Billingslea of Maumee River Yacht Club was secretary-treasurer.

The regatta started on Sunday,

July 14<sup>th</sup> with registration at the headquarters located on Fox's Dock, PIB. The flagship was Huntington's yacht *Thelma* which had served as Dr. Lee DeForest's radio transmitting vessel during 1907 when the world's first radio broadcast of a sporting event was made covering the I-LYA regatta at Put-in-Bay. It's interesting to note that, for the broadcast, *Thelma's* name was changed to *Electra*.

In addition to the traditional sail and power boat races, there were Naval Reserve maneuvers, Victory Hotel Band concerts, a hydroplane event, baseball, swimming and diving contests. An informal banquet and cabaret were held at the Hotel Crescent for \$1.50 a plate. Admission to the Ball was \$1 for the yachtsmen and free for escorted ladies. It was held in the Hotel Victory Ball Room and included the hotel's orchestra. On the last day, awards were presented at the Colonial and included trophies and cash prizes of \$25-\$75 for Power and \$15-\$40 for Sail. Due to the then ongoing war with Germany, the winners were encouraged to invest their prize money into War Saving Stamps. Third place for the sailors was a wristwatch presented by Commodore Huntington. The "other sports program," comprised of swimming, diving, dingey [sic], cat boat races and baseball, were awarded in cups, medals (gold/silver/bronze), cuff links, silver vanity boxes, and cameo bar pins—the latter 3 donated by The Merrill-Broer Co., Toledo, Ohio.

## I-LYA 75 Years Ago (1943)

At the helm of I-LYA and its 46 clubs in 1943 was Cleveland insurance man Commodore "Before you die, burn, blow away or sink... See MILT!" Milton Gallup, N. Cleveland Yachting Club. I-LYA 1915 Commodore Harry Kendall of Detroit Yacht Club was secretary-treasurer and the future 1951 I-LYA Commodore Stanley W. Puddiford of Crescent Sail

Yacht Club was chairman of the sail race committee.

Sports ashore included ball games, badminton, volley ball, and bowling at the Colonial. While the men raced, the ladies enjoyed bingo and tea. Sea Scouts were on hand to help with the regatta due to the number of men serving in the military in WWII. The Commodore's reception was held aboard the *P/F Mystic Isle.* A star was

added to a plaque on the Commodore's Memorial Monument with the passing of 1928 Commodore E. H. Reed, Toledo Yacht Club, on March 10.

## I-LYA 50 Years Ago (1968)

Delegates from I-LYA's 95 member clubs met at Catawba Cliffs Beach Club on Dec. 18, 1967 to elect the new officers for 1968. Commodore Frank B. Stallings of Sandusky Yacht Club became a second term Commodore having served as Commodore Shephard's replacement the year before with his passing on July 9, 3 weeks before the 67<sup>th</sup> regatta.

The 13<sup>th</sup> Junior Race Week started Monday, July 29 and ran through Friday, August 2 with 20 Thistles competing for the quarterfinal for the Sears Cup and the Inter-Lake Yachtsmen's Fund Trophy and Award. The winners were David Daye (skipper), Mike Meany, Pam Spitz, and David Lonsdale (crew) from Edgewater Yacht Club. The Junior Race Chairman was Dean Palmer from Lake County Yacht Club.

The 75<sup>th</sup> sail regatta continued from August 3–8 with Wm. "Scotty" Robertson, Mentor Harbor Yacht Club, as Sail Chairman. Brisk winds prevailed for the 176 sailboats competing. Severe squalls delayed the final race start for two hours before the wind dropped and the race was slow.

Top winners for 1968 were:

- Parsons Memorial Trophy, the class with greatest number of boats competing: MORC, Dean Balcirak, BYC, *Sea Fever 2*
- "R", Jere Sullivan, CYC, Ardette
- Cal 20, Tim Lezotte DYC, Tension
- Dragon, Bernie Swinderman, NCYC, Appleknocker
- Crescent, Don Kriner, BYC, Moxie
- Ensign, Bob McGee, VYC, 742
- Shark Catamaran, Rick White, SSC, Cutty Shark
- K Cat, Frank Miller, PIBYC, Catspaw
- Lyman Cat, Joan Kempf, PIBYC, Koolcat
- Art Hatch, BVYC, won the Greeley Trophy for Predicted Log in power.

For entertainment, there was a commodore's reception, Yachtsmen's Ball, and ladies' tea at the Colonial Pavilion. The Flag Officers Reception was held at the historical island house, *Stonehenge*, and awards were held at PIBYC. According to the Chronology in the 1985 *I-LYA Yearbook*, the Cycle-Swim-Sail Guzzler's Trophy Race proved exciting!

## I-LYA 25 Years Ago (1993)

Com. Rolf R. Tinge, PYC

Rolf R. Tinge of Point Yacht Club was Commodore of I-LYA's 128 clubs. Vice Commodore Harold Christenson of Sandusky Sailing Club and Rear Commodore Clay Mock of Mentor Harbor Yachting Club filled out the bridge.

The 38<sup>th</sup> Junior Race Week was July 25–30 with Kris & Reni Miller as chairpersons and 97 sail-

ors from 18 clubs participating. Three teams went on to the semifinals: Smythe—Justin Corbett, CYC; Bemis— James Lipp & Michael Kaim, MHYC (finished 8<sup>th</sup> in the finals); Sears— Aaron Strange, Nat Kolling, & Bob Foeller, JRSC. The Jolly Roger team placed 1<sup>st</sup> in the semifinals and went on to place 2<sup>d</sup> in the finals in Texas after a close sail-off.

I-LYA's annual K-Cruise boating trip had 8 boats (power and sail) traveling together. The boats rendezvoused at Sandusky's Battery Park Marina on July 16. The cruise included stops at Bay View Yacht Club, Ottawa River Yacht Club, Swan Boat Club, Wyandotte Yacht Club, Detroit Yacht Club, Wallaceburg, Lasalle Mariners Yacht Club and Leamington. "Holding Tank Punch," an AYC regatta at Ottawa River Yacht Club, lunch at Tony Packo's, a tour of the *Pride of Baltimore II*, and an extra day at WYC due to one boat having mechanical issues were some of the events of note.

K-Cruisers at WYC

The 100<sup>th</sup> sail regatta was held July 31–Aug. 4. 228 sailboats, participating in 5 Deepwater races, filled the 31 classes for weekday racing. The registration fees ranged from \$110–\$265 depending on the class. This year was the 40-year milestone for the Crescent sailboat at the regatta. Top winners were:

- Parsons Memorial Trophy (winner largest class) T-10 Wesley Pignolet, MHYC, *Rouge Hog*
- Lonz Trophy (club with most 1<sup>st</sup>, 2<sup>d</sup> and 3<sup>d</sup> place finishes), CYC

Legend

- Blue Gavel Trophy (Boat of the Year): IOR—Don Bartels, LYC, *Legend*; PHRF—Jim Sampson, SYC, *Bullet*
- McDermott Memorial Trophy (winner largest class 1-design centerboard) JY15, Mike Didyk, GIYC
- W. Wade Rapprich Memorial Trophy (MORC overall winner) Jim Norris, GIYC, *Na Na Li*

With the return to the Bay fresh from the K-Cruise

of I-LYA Yachtsman Couple of the Year and Powerboat Regatta Chairman Fred and Nancy Weiss, the regatta kicked off Thursday August 5. Docking and chicane contests were first up as the 253 registered boats arrived at Put-in-Bay. Other on-the-water events were the flying mile, compass navigation, inflatable boat race, war canoe race, canoe tug of war, and predicted log. On-shore events were weather forecasting, fishing derby off the dock, and Junior Powerboat education and activities. The winners of the major events were:

- Club Participation Award: South Shore Cruising Club
- Commodore's Trophy: John Thompson, TYC, Dawler
- Greeley Trophy: Roger Viculis, FYC, Lady Katherine
- Canoe Tug of War: East
- Junior Navigation Contest: Corey Johnson (14), ORYC

## I-LYA 10 Years Ago (2008)

R: ANYONESENERISTEREETEREETEREETEREETER

I-LYA welcomed several large sponsors in 2008—the 115<sup>th</sup> I-LYA Regatta—including Progressive Insurance and the General Motors Corporation. John "Jack" Attkisson of Put-in-Bay Yacht Club was at the helm as Commodore with Ed Payne of Ford Yacht Club and John D. Stewart of West River Yacht & Cruising Club as Vice and Rear Commodores, respectively. The Commodore's pin, reflecting both the Commodore's roots at his home Club of PIBYC and the long-standing relationship between I-LYA and the island, was struck as the outline of South Bass Island with both Perry's Monument and the I-LYA burgee displayed. The 2008 I-LYA Man of the Year was Kris Miller of PIBYC. Kris, a longtime regatta volunteer and P/C of PIBYC, would go on to serve as I-LYA Commodore five years later in 2013. Maxton "Clark"

Davies, also a P/C of PIBYC and a dedicated "behind the scenes" volunteer for the I-LYA regattas for many years, received the Commodore's Award.

Junior Bay Week was chaired by Phil & Sue Moehle of Vermilion Boat Club and hosted 139 junior sailors representing 19 I-LYA Clubs. Andy Gunkler of North Cape Yacht Club, along with crew Nick Gilmore and Sydney Rush, won the triplehanded championship, Scott Frissell and Molly Harris of Mentor Harbor Yachting Club took home top honors in the doublehanded series, and Tim Zacher of Vermilion Boat Club won the singlehanded series for the second year in a row.

Al Chapman of South Shore Cruising Club led the Power Regatta, July 30–Aug. 3. Ron Uebbing of South Shore Cruising Club aboard *HI-YA* won the Greeley Trophy. Rich Vail of Ottawa River Yacht Club took home the Commodore's Trophy. West River Yacht & Cruising Club was very active in the regatta in 2008, winning both the Club Participation and Club Volunteerism Trophies. Sean Allen of West River Yacht & Cruising Club won the Junior Navigation contest.

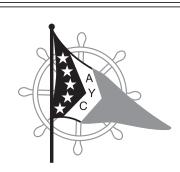

Three-time Junior Bay Week chairs, Ed & Abbie Skoch of Put-in-Bay Yacht Club chaired the Sail Regatta which ran from August 2–7. Com. John Bureau was the Principal Race Officer for the PHRF and JAM classes with Kris Miller serving as PRO for the one-design fleets. Matt Dubois of Grosse Ile Yacht Club and the crew of *Racer X* took home top honors winning both the Commodore Mike Smith Trophy as the overall winner of the PHRF classes and the Blue Gavel Trophy as PHRF Boat of the Year. The Millennium Trophy, for the overall winner in the Jib-and-Main class, went to Brenda Woodruff of Ford Yacht Club and her crew aboard *Dragon Lady*.

2008 was also a sad year for I-LYA in that we lost two Past Commodores along with two other very dedicated gentlemen who had served I-LYA with distinction for many years. Commodores Frank Olech (1992) and William Heider (1998), along with long time Trustee and Board President John Thompson and long time Race Committee volunteer Paul Pheiffer all sailed their final voyage in 2008.

## Past Recipients Yachtsmen of the Year

1978 marked the beginning of a tradition that has been adopted by each administration since. Commodore Norm Winkel determined that recognition should be given to the many volunteers who freely donate their time, vacations, talents, expertise, and even boats and equipment to assure the continued success of yacht racing competition and the I-LYA organization. These special people have earned the honor of being "Yachtsman of the Year."

# About I-LYA

# **INTER-LAKE YACHTING ASSOCIATION**

- **I-LYA'S** basic purpose is the protection and promotion of the interests of boat owners and water sport fans in the enjoyment of their sport.
- **I-LYA** is a watchdog for proposed legislation that may affect yachting and yachtsmen.
- I-LYA serves as a clearinghouse for yachting information.
- **I-LYA'S** officers and committees are available to help its member clubs with boating related problems.
- **I-LYA** is the US Sailing Regional Sailing Authority and Appeals Body for race protests in the area.
- At the top level, **I-LYA** works hand in hand with US Sailing and class racing associations in developing fair and workable rules.
- **I-LYA'S** foundation, The Inter-Lake Yachtsmen's Fund was established to support training, education, and junior activities. The Yachtsmen's Fund is a qualified 501(c)3 corporation and all donations are tax deductible.
- **I-LYA** is the leader in Junior Sailing in the Midwest. The annual Junior Regatta is one of the largest Junior Sailing Events in the United States and serves as a model for other clubs. The winners of "Junior Bay" receive scholarships from the Inter-Lake Yachtsmen's Fund.
- **I-LYA** is also a leader in Junior Power boating in the area. The Junior Powerboat program which was developed in 2006, offers Leadership Training and navigational contests. The winners of this event are also awarded scholarships from the Inter-Lake Yachtsmen's Fund.

- **I-LYA** consists of 143 member clubs and every member of each club is automatically a member of I-LYA, and is assured recognition among other clubs.
- **I-LYA'S** membership includes clubs from both the United States and Canada, making for strong international ties and competitions.
- Member clubs are represented by delegates to **FLYA** and meet twice annually. Spring and fall meetings are held in the vicinity of the current Commodore. Class advisory, cruise and powerboat committees meet prior to the delegate's meeting, giving open forum for class improvement and rules enlightenment. Delegates elect the Flag Officers and Trustees at the Fall Meeting.
- **I-LYA** appoints delegates to US Sailing and Yacht Racing Union of the Great Lakes.
- **I-LYA** is governed by a nine member Board of Trustees. Business is conducted through the office of the Executive Secretary.
- **I-LYA** seeks corporate sponsorship to improve the services provided to its members and to control costs. Current sponsors include BoatU.S., Tito's Vodka, Put-in-Bay Yacht Club, Mount Gay Rum, and the Boardwalk Family of Restaurants.
- **I-LYA'S** Annual Regatta is held at Put-in-Bay, on South Bass Island, in western Lake Erie—the site of the historic Battle of Lake Erie in the War of 1812. It draws more than 500 Sail and Power boats annually.

## **Celebrating 100 Years**

"Let's all build for the future in appreciation of the good times and good sport we have had and will have together." 1917 Board of Governors

The Interlake Yachtsmen's Fund was incorporated on October 10, 1919. The initial goal of the organization was to generally build support and enthusiasm for the I-LYA and "to make the Association income sufficient to hold a good regatta each year and Every Year." Changes by the IRS in the 1980s eventually led to The Yachtsmen's Fund as we know it today. In 1986, the IRS qualifying letter renewed the charitable status of the Fund as a 501(c)3 organization whose mission is to raise money to be used for education and activities which would enhance the knowledge, safety, and enjoyment of sailing and power boating, primarily for youth. At this point, I-LYA took over the monetary relations with each Commodore's administration and the Yachtsmen's Fund began its transformation from an annual getting/spending group to an endowed charitable organization.

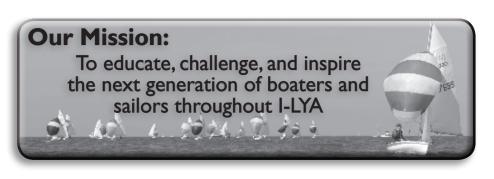

The Yachtsmen's Fund raises money and puts it to use by supporting activities for both sail and power, primarily for juniors, but also for individuals of all ages. These monies provide for education and coaching on and off the water, as well as for scholarships for those who excel at the I-LYA Junior Regattas. Championship Grants support youth who qualify to represent I-LYA at the National Championships and Challenge Team Grants encourage travel to regattas outside of the I-LYA region.

The Fund encourages and welcomes annual giving, life memberships, memorial donations and gifts in honor of special occasions. Our Dollarper-Member Club Program is essential to funding our annual activities and, going forward, we hope to have even more clubs pledging \$1 for each of their members.

The Yachtsmen's Fund is comprised of nine knowledgeable and dedicated trustees who oversee an invested endowment currently managed by Financial Engines and Charles Schwab. These investments ensure that we can meet scholarship obligations and fund our annual activities now and into the future.

Your support of the Fund and its endeavors is greatly appreciated. Please consider a centennial donation to help keep our fund vibrant and healthy for the next 100 years! Special anniversary plans will be announced in the fall.

Commodore Stacie Whitacre ◊ Vice Commodore Jim Chapple ◊ Rear Commodore Greg Tilton General Manager Brian Sullivan ◊ Dockmaster Kraig Kirby

Visit VBC...the "place to be" on the south shore of Lake Erie!!! Enjoy fine food, inside & outside bars, pool, live music and transient dockage. Vermilion boasts restaurants, shopping, putt putt and a family-friendly atmosphere all within walking distance. VBC was the proud host of the 2016 Tartan 10 Nationals.

VBC's outstanding restaurant service includes fine dining on Tuesday, Wednesday and Friday nights in our upstairs dining room overlooking the Vermilion River. The pool is open and a casual lunch menu is available daily (excluding Mondays) from Memorial Day weekend through mid-September.

## Congratulations I-LYA Commodore Mike Powers!!!

<u>Past I-LYA Commodores from VBC</u>: A.F. Wakefield (1931), Calbert Canfield (1958), Arthur O'Hara (1971), Henry Webber (1991), Heidi Backus Riddle (2005).

Before traveling, visit our web site for directions by land and sea as well as Club activities that are available during your stay.

The Junior Traveler Series is a summer-long series of weekly regattas hosted by I-LYA member clubs which offers an increased opportunity to race close to home. Series awards will be presented to the top finishing skippers and crew in each qualifying fleet based on the best five regatta finishes at any of the qualifying events. There is also a Team Trophy awarded each year to the top finishing club. Registration and scoring for the series and each qualifying regatta will utilize <u>noticeofrace.net</u>.

Sailors must be at least 7 years old and can participate in the Traveler Series up to and including the summer immediately following their senior year of high school. The Notice of Series is available online on the Traveler Series page under Junior Sailing at <u>I-LYA.org</u>.

# 2017 Chubb U.S. Junior Championships

The 2017 Chubb US Junior Championships were held in Tom's River, New Jersey from August 8–11. Nine I-LYA sailors competed in all three fleets after sweeping the Area E Championships held at Hoover Sailing Club in July. Three young men from Hoover Sailing Club and Cowan Lake Sailing Association, Ryan Squires, Luke Schumann, and Bryn Irvine, joined forces to compete for the Sears Cup which was held in Flying Scots. This year's single-handed sailors vying for the Smythe Trophy were Henrik Rolander from Cowan Lake Sailing Association and Joey Lark from North Cape Yacht Club. Qualifying in the C420 fleet and competing for the Bemis Trophy were Cameron Turner and Chase Stevenson from Chautauqua Lake Yacht Club and Ian Reimel and Meghan Dieball from Grosse Ile Yacht Club. All nine junior sailors took advantage of Championship Grants from the Yachtsmen's Fund to help with expenses.

At Tom's River, the sailors participated in a one-day pre-regatta clinic with expert coaching by US Sailing national coaches, including Kevin Burnham, 2004 Olympic gold medalist in the men's 470 class, and twotime US Olympian Amanda Clark. This informative clinic was followed by three days of close racing on Barnegat Bay. In the eleven boat Sears competi-

tion, the Area E team of Squires, Schumann and Irvine finished seventh. Area E's Henrik Rolander and Joey Lark finished 12<sup>th</sup> and 18<sup>th</sup>, respectively, in the 20 boat Laser Radial fleet. Competition for the Bemis Trophy was sailed in brand new 420 dinghies supplied by Zim Sailing. The Turner/Stevenson team finished 13<sup>th</sup> overall. In their thank you to the Yachtsmen's Fund, the Grosse Ile team of Reimel and Dieball acknowledged the tough competition and stated: "We gained a lot of valuable knowledge about sailing at this level challenging us to work harder and to learn even more."

Junior sailors from all 11 areas of US Sailing compete for limited spots at the Chubb Insurance sponsored U.S. Junior Championship. Competition to qualify is especially fierce in Area E as 101 sailors from Ohio, Michigan, New York, Pennsylvania, and Ontario attended

the Area E Championship Regatta at Hoover Sailing Club, July 6–8, 2017. Challenging conditions all three days tested the competitors. 26 C420s, 22 Laser Radials and 8 Thistles made ours the largest combined qualifier in the country.

I-LYA is well represented on the US Sailing Junior Championship Committee with Jamie Jones from Hoover Sailing Club serving as the Area E representative and Dr. Matt Dubois from Grosse Ile Yacht Club serving as chairman. Because of their commitment and the relationship with US Sailing fostered by all who host Junior Olympics, Regional Symposiums, training programs, etc., I-LYA clubs are hosting three US Sailing Championships in 2018. North Cape Yacht Club will host the 2018 Chubb U.S. Junior Championship in August. Mentor Harbor Yachting Club hosts the U.S. Junior Women's Doublehanded Championship for the Ida Lewis Trophy in July and one of our newest members, The Foundry, in Cleveland is hosting the U.S. Team Racing Championship for the George R. Hinman Trophy in September.

Thank you to all the volunteers who make these events happen.

Pictured (L-R) are Ian Reimel (GIYC), Joseph Lark (NCYC), Luke Schumann (CLSA/HSC), Meghan Dieball (GIYC), Henry Rolander (CLSA), Bryn Irvine (CLSA), and Ryan Squires (HSC). Missing from the photo are the C420 team from Chautauqua, Cameron Turner and Chase Stevenson.

Pictured (R-L) are Skipper Ryan Squires (HSC), Luke Schumann (HSC/CLSA) and Bryn Irvine (CLSA) (here sailing a Thistle) who represented the I-LYA in the Flying Scot at the 2017 Chubb Junior National Sailing Championship. Ryan previously attended Chubb Nationals in 2015 and 2016 as a single-handed sailor.

# Junior Power Contests

These Junior Regatta contests are designed to reinforce the safe boating practices and rules of the road learned in the classroom. The contests and seminars use a hands-on approach and provide the juniors with the confidence to operate motorized vessels. The vessels used at the regatta are inflatables donated by senior participants of the power regatta. For additional information about the Junior Power Program please visit the I-LYA web-site.

#### **General Knowledge and Seamanship**

Friday's safe boating seminar provides each junior with a refresher course on safety requirements, rules of the road, understanding of buoys and their identifying characteristics, hand held GPS and electronic chart instruction, and much more. Juniors will be asked to demonstrate knot tying, line throwing, and how to properly secure a vessel. A written exam, testing each junior on his or her general knowledge of the above concludes this contest.

#### **Charting and Course Plotting**

The safe boating seminar also covers charting and course plotting. Hands-on activities teach the juniors how to read charts, determine their position and plot a course. At the end of the seminar, each junior will be tested on their understanding of the above.

#### **Navigation Competition**

This is a shore-based contest that will require juniors to pair up and take a short walk or bike ride around the Island. They will be asked to take bearings, make observations and determine their position using hand held GPS as they make their way around the Island. Bikes will be provided if necessary.

#### Weather Contest

Each junior will be asked to forecast the weather for a prescribed time and place. The forecast will include temperature, wind direction and velocity, barometric pressure, sky conditions, precipitation, and relative humidity. Prediction forms will be provided and must be submitted by a set deadline. A committee shall assemble at the prescribed place and time to observe and record the actual weather conditions and determine the winners of this contest.

#### **On-the-Water** (Four contests using inflatables)

**"COURSE A" Boat Handling Contest** "Course A" will demonstrate the steering and boat handling capabilities of each junior. The junior, accompanied by an assigned adult, will run a 3-leg course in both a clockwise and counter-clockwise direction with the objective of making both runs in the same amount of time. Speed is NOT the objective.

**"COURSE B" Compass Reading and Bearings Contest** "Course B" will demonstrate a junior's ability to read a compass and take bearings and identify your position using hand held GPS. The goal is to steer as carefully as possible between the marks for each of three designated courses set by the committee. At the end of each leg the junior is to record the compass heading steered. An assigned adult will crew on each vessel.

**Chicane** This is a timed test of boat handling and low speed maneuvering. The junior will be timed and judged on his or her ability to successfully maneuver through a prescribed course at no-wake speed in 2 directions without creating a wake and without hitting the marks on the course.

**Docking** This contest evaluates the junior's boat handling and maneuvering skills as related to docking. The junior will be judged on his/her ability to properly maneuver, dock and secure his or her vessel within a predetermined dock space. Hitting the dock and/or high speed operations will result in loss of points.

## Social Competitions

In addition to the bragging rights earned by making a hole-in-one during Jr. Putt-Putt or Jr. East trouncing Jr. West (or vice-versa) in volleyball, Junior Power Regatta participants also enjoy the following contests:

#### **Geo-Quest**

Based on Geo-caching, Geo-Quest is a live treasure hunt utilizing compass and GPS skills. Junior teams will explore the island via adult-driven golf carts and locate hidden "treasures."

#### **Cardboard Boat Race**

Who *doesn't* love making stuff with duct tape? Juniors combine their engineering skills with construction and boating knowlege. Entrants must be 12–17, pre-assembly is allowed, each boat to be designed for 1 or 2 people. Awards given to place finishers and a "Spirit award" given to the team showing greatest Team Spirit and "The Titanic Award" to the boat that sinks in spectacular fashion. Bring your own cardboard and tape. NO materials will be provided by the committee.

#### **Fishing Derby**

The "Fishing Derby" is designed for all juniors participating in the regatta. Come one, come all and see who catches the largest, the most and the smallest fish. The committee will be available to bait your hooks and will supply the bait as well as snacks for the anglers. Bring your pole and your life jacket and arrive 15 minutes before start time so you will be ready to drop your hook. Prizes will be awarded immediately after the finish time. So don't be late and good luck!

# Awards

**Ribbons:** are given to each winner of the four On-the-Water contests, the Weather contest, and the land/shore based Navigation competition.  $1^{st}$ ,  $2^{d}$  or  $3^{d}$  place ribbon awards are provided depending upon participation.

**Junior Skipper Award and Trophy:** is given to the individual having the highest total combined score for all On-the-Water contests and the Weather contest.

**Scholarships:** 1<sup>st</sup>, 2<sup>d</sup> & 3<sup>d</sup> place monetary scholarship awards are given to the eligible juniors with the highest overall score for all competitions.

- 1. Only those juniors who are members of a boat club affiliated with I-LYA will be eligible to receive scholarship awards.
- 2. Scholarships are based on final results from 2 days of competitions at the annual I-LYA Regatta.
  - General knowledge and seamanship
  - Charting and course plotting
  - Navigation competition
  - On-the-Water

# Power Contests

#### Commodore's Trophy

Competition for the Commodore's Trophy is based upon a combination of seamanship, boat handling and overall knowledge of boating. Four events were selected by the committee, which are thought to provide all of these skills. To compete you must enter all four (4) of these contests. Entry forms are available at the Registrars desk and must be completed and on file in order to compete. A percentage has been given to each event to determine the overall winner of the Commodore's Trophy. A flag and pin will be presented to the winner and your name placed on the Commodore's Trophy which is kept in the Boaters' Museum at Put-in-Bay. The trophy is awarded at the I-LYA Fall Banquet each year. This trophy will be awarded to an individual competing in the various events. The trophy will NOT be awarded to a competing team. This is an individual award NOT a team award. Commodore's Trophy contests include: Predicted Log & Navigation (30%), Docking (25%), Chicane (25%) and Weather Forecasting (20%).

#### **Predicted Log**

The Predicted Log is a boat handling contest. A contestant's knowledge of their boat's performance and good navigation skills are necessary. A predetermined course is designed around a set of Control Points; which include buoys, markers, and landmarks, which must passed on the port or starboard side of the boat, as designated. A contestant's calculation of his/her Predicted Log requires the contestant to plot the designated course on his/her own chart and predict the elapsed time, in minutes and seconds, that he/she will pass each control point. Contestants must run the course at their chosen speed, higher than six knots; their prediction should be based on their chosen speed. The use of GPS is allowed when running the course. Contestants should know their boat's compass deviation, as most control points are not visible from the start of a leg. The Predicted Log committee will assign an impartial observer to accompany the contestant during the run. Each contestant is asked to bring at least one observer, who will be assigned to another contestant's boat. A short training class will held for observers before the start of the contest. Each contestant must furnish two watches able to read in hours, minutes and seconds. Greeley Trophy

Specific instructions will be provided in the contest packet. Each contestant must complete the entry form provided by the committee. This contest is not intended to be a team event. However, if a team wishes to compete, and if eligible, only one flag will awarded, to the team captain. Only the team captain will be eligible to compete for the Commodore's Trophy.

#### Docking

This is a contest of boat handling and the ability to maneuver your vessel dockside. This contest is not a contest of speed. However, your time is recorded and used for determination of final finish placement and tie breaking decisions. When your vessel is called to compete, maneuver your vessel dockside and set your dock lines. The committee will set marks forward and aft of your vessel. These marks are used to define the space you have to maneuver your vessel. The committee will give you the signal to start and you will leave the dock, go to harbor and make a complete 360 degree turn. Once your turn is complete you will return to the dock and maneuver your vessel to dockside within the marks previously set.

#### Chicane

The object of the Chicane is to maneuver through the course with your engines in forward gear. Upon completion of the marked course make a 360 degree turn with your vessel. After completing the 360 degree turn, you must maneuver your vessel with engines in reverse back through the course returning to the start/finish line. You will be timed for the entire time it takes to run the complete course (both forward and reverse runs). You will be penalized for hitting a mark or making a wake.

#### Weather Forecasting

The contest form shall be filled in completely and filed with the Weather Forecast Committee by the time and day posted on the entry form and in the Regatta schedule. Twenty-two (22) hours later, at 1500 hours (3:00 PM) or as otherwise noted on the entry form, a committee appointed for the purpose shall assemble at Put-in-Bay to observe and record the actual weather conditions at the time and place described on the entry form. These conditions shall then be compared to the contestants' predictions and penalty points assessed for all variations. The winner shall be the contestant receiving the least number of penalty points.

#### **Flying Mile**

All boats will be timed electronically using a radar gun. Boats will NOT be required to run a full mile at their top speed. All boats will be timed within a 500 foot area designated by the committee. Two (2) or more participants are required to establish a class. No boat will be permitted to run in more than one class. Safety is our number one rule. Please operate your vessel in a safe manner. Remember, you are responsible for the safety of your vessel and all others on board.

# Social Competitions

R: ANY CONTRACTOR OF A CONTRAC

Social competitions include the East vs. West Volleyball, the co-ed Softball Game, and senior Corn Hole. Volleyball takes place on the PIBYC grounds and the softball game, at the school. Because most of the participants play these games only once a year, the spectators usually get a good laugh from the week-end warriors but occasionally see some impressive athleticism. The rivalry is sometimes intense but always good-natured. A trophy is naturally awarded to the victors but bragging rights are the real "Gold Medal" that is sought. The cardboard boat races are also a source of "titanic" good fun.

# **General Information**

- 1. The SAFETY of all participants, crew, committee and audience is our number one rule. While participating in these contests, we ask all to observe navigation rules of the road, local laws and follow all safe boating practices. Please conduct yourself in an orderly and professional manner at all times and not put fellow participants, general public or the committee at risk or cause unnecessary nuisance. We want everyone to enjoy these contests whether on land or sea, please remember to BE SAFE.
- 2. These Contests and their rules have been prepared by the various contest committees and approved by the Powerboat Committee. From time to time, weather and scheduling conflicts may require changes or modifications to the schedule or contest rules. The various Committee chairpersons will make every effort to inform you of any last minute changes.
- 3. The success of the Regatta is directly related to participation in these contests and events. There is a first, second and third place flag given to the Clubs with the most participants in Regatta contests and events.
- 4. In addition to the Club Participation award, Clubs are eligible to receive an award for volunteerism. This is awarded to the Club having the most volunteers working the various contests, events and social functions. If you are a committee chairperson, it is very important to record the hours worked by your many volunteers in order that clubs are credited with all the hours earned during the Regatta.
- 5. Protests of judges' ruling can be filed with the Powerboat Committee. The Powerboat Committee will review the protest and make a final ruling.
- 6. Electronic copy of the official Regatta "Contest Rules Booklet" is available from the I-LYA website (<u>i-lya.org</u>). Also, hard copies are available at the Registrar's desk.
- 7. Refer to the official Regatta schedule and information available at the registrar's deck for the specific place and time of each contest.
- 8. Entry forms for all contests are available at the Registrar's desk located at PIBYC.

# From the Editor:

We would like to thank our advertisers, clubs, individuals placing ads and sponsors. Without your continued generosity and support, we would not be able to produce this book. Along with much pertinent information for our participants at this year's regattas, the contents allow our member access to the finest services through fellow members and beyond.

Many thanks also go to our numerous photographers for all the photos that are incorporated in this year's book! They include John Bedford, Al Buescher, Al Chapman, Connie Miller, Alana Packo, Nate Parsons, Donna Pribe and Ryanne Shoemaker.

Thanks also goes to Commodore Steve Harris, who created the

flag commemorating the 125<sup>th</sup> Regatta as well as assisting with the yearbook, Tom Thanasiu for the excellent Historically Speaking section, and Jane O'Brien for lending us her expert proof reading! I also want to thank Marilyn Paselsky for the many hours putting all this together and for being so patient with me!

Finally, I would like to thank Monroe Boat Club Past Commodore Chuck Wood for granting use of his great-grandfather's photo from the 1926 I-LYA Regatta for the cover.

We wish you fair winds and smooth seas in 2018! 2018 Yearbook Editor, Mike Powers
