I-LYA 2022

About the Cover:

This year's cover is based on a photo taken in the fall of 2020 near Sandusky, Ohio on Lake Erie. The boat is the Commodore's 2003 C&C 121, OASIS. OASIS was built in Fairport Harbor, Ohio by Tartan Marine. While purchased primarily as a cruising boat, OASIS is a fast race boat with a PHRF rating of 60.

From the Commodore

It is truly an honor and privilege to serve as the 2022 commodore of the Inter-Lake Yachting Association. I-LYA and our region at large have a storied history in the development of both sailboat racing and yachting, with many of our organizational founders having a national impact on the sport. The Great Lakes, as an economic powerhouse and recreational treasure, certainly make our region one of the most enjoyable boating areas in the United States. I look forward to upholding the proud traditions of I-LYA as we continue to represent the member clubs and boaters in our region.

I-LYA as a Regional Sailing Association (RSA) for US Sailing represents the sport at the national level. We proudly have a great team who collectively serve on many national committees. We function as a watch dog at both the state and national level, working hard to protect the interests of our boating community through advocacy and by reviewing proposed legislation. Our most well-known activities are the annual regattas at Put-in-Bay. This year we are celebrating our 129th Consecutive Regatta!

Our annual regattas are chaired this year by a great group of volunteers. The first regatta, the I-LYA Junior Championships will take place July 17–21. Chaired by Kathy Allyn (MHYC) and a tremendous team, we are looking forward to another successful junior event. Following Juniors this year is the Powerboat Regatta, July 27–31, which is chaired by Tony Blank (BVYC), and is concurrent with the Junior Power Regatta chaired by P/C Bob Lang (WRYCC). The well-oiled machine that is our Power Regatta has a week filled with great on the water challenges and on shore sports and social events. Truly a “Baycation”—our Power Regatta provides for a fun filled week with friends. Rounding out our regattas is Sail Regatta, August 5–7. Deepwater feeder races start on Wednesday night August 3 from EWYC and from SSC & NCYC on August 4. The sail team of Bill Pribe, Doug Seib and Connie Miller have a great regatta planned with 3 racing courses and lots of shore parties. New this year is a Singlehanded Fleet, which will be starting from the PHRF course and distance sailing each day.

Our summer regattas at Put-in-Bay take countless volunteer hours to put together. A tremendous *Thank You* to everyone who volunteers, sponsors, and assists in making these great events a success!

I have enjoyed meeting many new people this year and am looking forward to seeing everyone at the “Bay” in 2022. Here’s to a great boating season!

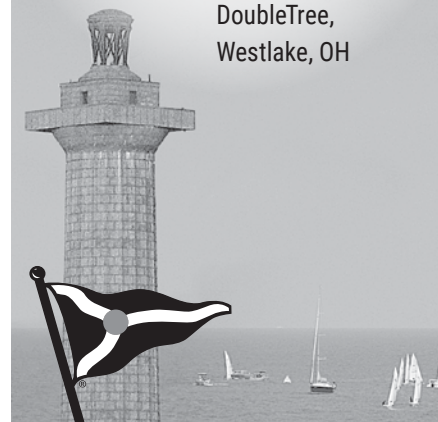

Fair Winds,
Commodore Mike Fishbaugh

Michael Fishbaugh

Meet the Commodore

The 2022 I-LYA Commodore, Mike Fishbaugh, is proud to call Huron, Ohio his home. Mike's love for the water started in his youth, where he enjoyed the summers at his grandparent's cottage on a small inland lake in Michigan. In his early 20's, Mike was introduced to sailing by one of his high school teachers, Suzanne Hartley, who took him sailing on her Cape Dory 26. It was soon after this introduction that Mike was actively racing on a Tartan Ten, *SKIM*, with Jim Johns and crew, and soon thereafter purchased his first racing sailboat, a Tartan Ten, *SIREN*.

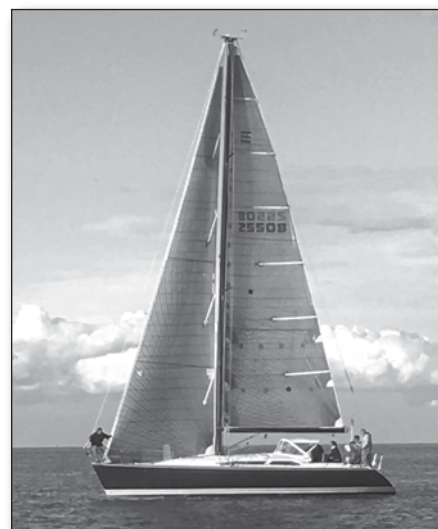

Mike quickly became involved with Sandusky Sailing Club, running for trustee and soon after, flag officer. Mike was commodore of SSC in 2014. Helping the Junior Sailing programs also quickly became a priority. First getting involved to help with web development for online registration, Mike soon found himself on the board of Sandusky Junior Sailors, Inc., and was soon voted president of the organization, a title that he proudly holds to this day. Sandusky Junior Sailors, Inc. offers learn to sail opportunities for kids and adults alike at Sandusky Sailing Club, along with also supporting the Sandusky Junior Race Team. Their programs, like so many other great programs within I-LYA, provide opportunities for members of our community to try sailing.

With Mike's involvement with SSC, he was encouraged to start attending I-LYA spring and fall meetings as a way to get more connected to the sailing community on Lake Erie. Attending with friends, Mike soon met Bob Sheppard, whose leadership would push him into getting involved with the I-LYA Sail Regatta. Serving as vice chair in 2011, Mike then went on to chair the sail regatta in 2012 & 2013, vice chair in 2014 and co-chair in 2015. Through the experience of chairing the regatta, and then serving for 6 years on the I-LYA board of trustees, Mike has greatly enjoyed the friendships he has made through I-LYA, and appreciates the value that a regional boating organization can provide.

Mike is proud to serve as the 2022 I-LYA commodore. The opportunity to attend so many great club events and commodore's balls, and support our region is certainly what makes I-LYA an outstanding regional organization.

Sandusky Sailing Club

The Aug. 4, 1932 birth of the Sandusky Sailing Club was the result of rebellion. The Roosevelt administration had just completed a WPA Project including the outer wall of Battery Park Marina and a sludge collection basin to the east for the water works plant. Threatened with an increase in dock fees at Sandusky's Battery Park Marina, a group of sailors organized a protest resulting in the formation of the Sandusky Sailing Club. The 44 charter members paid dues of 25¢ per year. A club constitution was drafted stating, "The object of the Club shall be the promotion and encouragement of sailing and seamanship and of a sportsmanlike attitude toward racing and competition. The club is organized to encourage small boat sailing and racing among those who may not be able to afford large annual dues and assessments."

With meager beginnings, the 44 members set out to form a club. They leased land from the city in a corner of Battery Park, consisting mainly of a large pile of rocks. The next year, they leveled the rock pile and constructed a small, but efficient, one-room clubhouse with volunteer labor and donated materials. That same year, a group of sailors began to discuss what could be done to promote a single one-design boat, common to all, in lieu of the several classes being raced. Unable to reach agreement, they hired Francis Sweisguth, designer of the Star, to draw up a design for a family boat, fast but with a simple rig, that would be both economical and easily home-built. The result was an 18' centerboard boat with a large cockpit and simple rig—the SC2 (Sandusky Sailing Club Class). Just a few years later, five of the new boats participated in the I-LYA Regatta. The club controlled the class until 1936, when a separate association was formed. Today, the boat is known as the "Interlake" and the sail insignia and SSC burgee are, for good reason, essentially identical. SSC has also had an impact in the growth of the Thistle class sailboat. First introduced at the 1945 I-LYA Regatta, the Thistle, a 17' open cockpit design, was notably faster than many other boats, including those much larger. In 1946, SSC was designated as Fleet #3 of the class with six boats on Sandusky Bay that year. By the '70s the fleet had grown to over 40.

In 1938, a galley and new club room were added and the original clubhouse became the "Commodores Room." That year also saw the formation of the Sandusky Junior Sailors—still an active program today.

sanduskysailingclub.com

Although some larger boats were sailing under the SSC burgee, organized offshore racing at SSC didn't begin until 1956 with the inauguration of what is now known as the Sandusky Islands Race.

In 1960, the city sought to redevelop Battery Park Marina, necessitating that SSC vacate the east corner of the property. Under the leadership of 1961 Commodore Jack Springer, the passion and commitment of SSC

sailors was exhibited. The club would vacate the marina by reversing the club entrance to face the sludge basin. In turn, the city allowed the club to develop the old basin, later designated by the city as the C. Webb Sadler Sailing Basin, for sailboats only. The seawall was opened to allow access to Sandusky Bay and the club entrance modified to face the new sailing basin. With a new marina, membership grew rapidly. Many families began to acquire larger racing/cruising boats and "out of towners" were attracted to the club where they could weekend on their boats. Soon thereafter, an offshore racing series began. With a greater variation in design and speed characteristics than in one-designs, a "handicap system" was needed to equalize the boats. In the '60s, first racing under the MORC rule, followed by IOR, eventually PHRF was developed and is now the primary rating system at SSC and on Lake Erie. In the '80s and '90s, Tartan Tens and J/24s also began to race at SSC.

Finally negotiating a long-term lease in 1978, a new clubhouse was built and the original building razed. The new clubhouse features a handsome brick fireplace constructed with stone salvaged from the original "Commodores Room." Thus, heritage and tradition lives on. In 1992, a large, sheltered patio was added.

In 2012 SSC hosted the US Optimist Dinghy Assn. National Championship, and in 2013 won US Sailing's St. Petersburg Yacht Club Trophy for exceptional race management of the 2013 Thistle Nationals. SSC continues to host regional and national events each year.

Today, opening to the waters of Sandusky Bay with easy access to the Lake Erie Islands, Sandusky Sailing Club affords its members exceptional facilities unmatched in North America. SSC maintains very active Learn to Sail and Junior Racing programs, racing series and cruising activities for all sizes and types of yachts. The Club is blessed with an outstanding and dedicated race committee and a willingness to regularly sponsor national and international sailing events.

Yachtsman of the Year

Congratulations, Com. Duane Burgoyne!
2022 I-LYA Yachtsman of the Year

Com. Duane Burgoyne, North Cape Yacht Club

Duane has been a permanent fixture in the sailing community in Western Lake Erie for over thirty years. He has been involved in racing programs, organizing regattas, and coordinating championship series and promoting our own Olympic champion, Anna Tunnicliffe. For the past 24 years he has sailed his boat *Flak-Bait*, named after a World War II airplane that resides in the Smithsonian that his father flew in World War II, with his wife and crew. After coordinating the AYC championships for so many years, he moved on to build North Cape Yacht Club's yachting activities program. During his involvement at NCYC he became Commodore in 2011 and helped NCYC earn the US Sailing Yacht Club of the Year award. In 2010 Duane and his wife Dar joined Bob Sheppard's I-LYA Senior Sail team where he brought his coordination knowledge to I-LYA's Senior Sail program. Duane became Commodore of I-LYA in 2015 and his involvement since then has never stopped. With a promise to 1990 I-LYA Commodore Dave Shaffer, he became a US Sailing certified race officer and spends many weekends throughout the Great Lakes and Florida performing these duties for clubs and regattas throughout the year. On the weekends you don't see Duane sailing or running a sailboat race you can find him enjoying his Porsche on mini racetracks in our area. In the past few years, Duane and his wife Dar have stepped up to become the principal race officers for our I-LYA Senior Sail Week. We would like to thank and congratulate Duane for his efforts and becoming 2022 I-LYA Yachtsman of the Year.

Yacht Racing Union of the Great Lakes Trophy

Connie Miller, Put-in-Bay Yacht Club

This year's Yacht Racing Union Trophy, awarded annually to a person who has gone above and beyond to ensure the success of the I-LYA Sail Regatta, goes to a very deserving Connie Miller from Put-in-Bay Yacht Club. Connie is no stranger to PIBYC or the inner workings of I-LYA. Her long-time involvement, including time spent supporting her parents, Commodores Reni and Kris Miller, prepared her for her work with the Sail Regatta. She has not only co-chaired the event and served as social director but has also acted as the liaison for I-LYA and Put-in-Bay Yacht Club for all four regattas. It is through her efforts that the yacht club is now home base for all regatta related events. She also took time from her busy Bay Week schedule to crew on a boat in the 2021 Sail Regatta. She and others like her are why our event is the oldest continuously run regatta in the United States. Her ongoing efforts made her an obvious choice for this most prestigious award.

Congratulations, Connie Miller!
2022 I-LYA Yacht Racing Union of the
Great Lakes Trophy winner

I-LYA Honorary Regatta Chairman

The I-LYA Honorary Regatta Chairman is awarded to an individual who has displayed his or her dedication over the years to I-LYA and our four regattas and who has consistently cooperated and helped with the goals of I-LYA and our affiliates on and off the Island.

Anne Auger

Anne Auger

Anne has a long heritage at Put-in-Bay. Her great-grandfather, C.R. Hildebrandt, built his summer home on the West Shore in 1910 and the family has spent summers on the island ever since. Anne learned to swim and sail through the Put-in-Bay Yacht Club's Swim and Sail Program and grew to love the island as deeply as the rest of her family. Although for Anne, even every summer of her life wasn't enough time at Put-in-Bay. So in 1988 Anne and her soon-to-be husband Greg Auger, decided to give year-round island living a try. Thirty-four years later, Anne and Greg have built a home on South Bass Island's East Point, raised and educated three boys (Gage, Wyatt, and Gunnar), and founded a company (Auger and Sons). In short, they've become part of the island. From her college days tending bar at the Round House to her current position as the Put-in-Bay Village Administrator, Anne has worked just about every critical job on the island. And she is a true friend to I-LYA and, in recent years, a critical part of a successful Bay Week. For many years, Anne has worked with I-LYA's Island Liaison Committee and the dock masters to ensure our participants have ample and safe dockage, both of which are critical parts of the success of the Bay Week Regattas.

Commodore Steve Goldberg and Lady Nancy*

Commodore's Awards

John Dalessandro, Ford Yacht Club

John has served as an I-LYA trustee for 11 of the past 12 years and as president of the trustees for 6 of those. His experience on the board along with that gained as commodore of Wyandotte Yacht Club and the Associated Yacht Clubs makes him an invaluable resource for our organization. His passion and dedication to I-LYA has provided us with a clear direction for the future while still upholding our long, ongoing traditions. John has also been available to help many commodores navigate their years leading I-LYA. Not only does John spend time guiding our organization, he also volunteers his efforts on regatta days to handle ongoing tasks such as dock master for the Sail Regatta. This is a sometimes-thankless task as boats move in and out every day. I-LYA thanks you for all your service to this organization.

Mike FitzGibbon, Cleveland Yachting Club

In 2021, Mike took on one of the most difficult tasks in our organization, chairing the I-LYA Junior Championship also known as Junior Bay Week. Due to the ongoing pandemic, Mike did not have the ability to study under a previous chairman to prepare himself for this huge commitment. Undaunted, he took his experience running junior programs at the Cleveland Yachting Club and used his tools, as he referred to them, to put on a successful regatta.

Mike's best tool was his telephone. He was able to tap into a vast amount of experience from former Junior Bay Week chairs. He learned from past events, added some new ideas and ran a hugely successful regatta. Our heartfelt congratulations and thanks go out to Mike and his team for all their efforts continuing the tradition of the I-LYA Junior Championships.

Bob Sheppard, Alum Creek Sailing Association

Bob has been a longtime supporter of sailing in the Great Lakes. During his many years of involvement, he has served as commodore of his club, sail chair, sponsorship chair, US Sailing representative, and more. In 2010, Commodore John D. Stewart saw that the I-LYA Sail Regatta needed to make some changes if it were to thrive and he selected Bob as chairman of his Sail Committee. Bob drew on his many relationships with the members from our organization and throughout the Great Lakes to put together a team to revitalize and restore the event back to its former prominence. In the first year of this new senior sail organization, he was able to increase participation by 300%. Under his leadership, he also was able to bring additional sponsors and notoriety to the event. Although Bob Sheppard now lives in Florida where he takes care of his father, evidence of his efforts and leadership live on in the ongoing success of our annual Sail Regatta. Thank you, Bob.

U.S. Sailing's Arthur B. Hanson Rescue Medal

David Branson, a Melges 24 sailor from Toledo, Ohio was awarded U.S. Sailing's Arthur B. Hanson Rescue Medal at the April 2^d Inter-Lake Yachting Association Spring meeting in Westlake, Ohio.

On July 30, 2021, the annual I-LYA Bay Week Regatta was underway at Put-in-Bay, South Bass Island, Ohio. Bay Week is a large regatta with multiple courses and fleets, including Melges 24s and the Formula Wave Catamaran National Championship.

Branson, skipper/owner of Melges 24 *Bullet*, and his crew were sailing out to the racecourse when their attention was called to a Formula Wave about 100 yards to their starboard. The skipper of that single-handed catamaran was slumped over his tiller and appeared to be in distress. Dave is a medical professional and sailed over to investigate. As they approached, they confirmed that the skipper was in medical distress.

Racing that morning had been postponed due to high winds, and at this time the wind was approximately 15 knots. The crew of *Bullet* quickly discussed the best course of action, and agreed that with his medical skills, Dave was the best person to provide assistance. They sailed alongside the catamaran which was sailing on its own downwind at about 7–8 knots. Dave jumped aboard. He performed an initial medical assessment of the victim and removed his lifejacket and moved him to the hard surface of a hull to be able to effectively perform CPR. Meanwhile, the crew on *Bullet* called for assistance both on the VHF radio and 911 on their cell phones.

A Race Committee boat responded to the distress call and came to tow the catamaran to shore. Dave had to steer the catamaran with his feet while continuing chest compressions as the boat was being towed. Rescue personnel met them ashore and performed a helicopter evacuation. Unfortunately, despite their combined efforts, the skipper of the catamaran did not survive.

In addition to Branson, the I-LYA recognized Dick Bliss of the Race Committee and the Regatta Chair Doug Seib for their direct action on the water and onshore with the rescue.

From left to right: Com. Steve Harris (holding Dick Bliss's plaque), Sail Regatta Chair Doug Seib, Nancy Zangerle representing US Sailing, David Branson, Hanson Award recipient, Com Duane Burgoyne.

Congratulations
I-LYA Commodore Mike Fishbaugh
and Lady Kara

Historically Speaking

By Tom Thanasiu, Jolly Roger Sailing Club

I-LYA 125 years ago (1897)

Com. S.O. Richardson Jr.

In 1897, I-LYA's 4th commodore, Solon O. Richardson Jr. of Toledo Yacht Club, was the perfect man for the job. After moving from Massachusetts to Toledo, Richardson honed his administrative skills as general manager, vice president, and later president of Libbey Glass Company in Toledo. Richardson learned to sail as a young man on Lake Quannapowitt, MA.

After moving to Toledo, he joined Toledo Yacht Club, eventually holding the office of commodore six times. He was also instrumental in the creation of the Mills Trophy Race.

With the squabbling over yacht ratings in the country, he was able to use his administrative and sailing experience to deftly represent the I-LYA in the creation of the North American Yacht Racing Union. At a meeting in New York's Fifth Avenue Hotel called by Commodore Richardson on May 1, 1897, 108 yacht clubs from the Pacific, Atlantic, and Gulf coasts, and the Great Lakes met to discuss the formation of the North American Yacht Racing Union (NAYRU), a national body for yachting that would adopt uniform racing and measurement rules. Richardson with his business skills practiced at Libbey and East Coast and upper-class contacts and with Ernest W. Radder of Cleveland YC represented I-LYA laying the groundwork NAYRU meeting. New York Yacht Club refused to send a delegate but did send an "observer." The Atlantic clubs didn't want to act too fast, and the Great Lakes yachtsmen didn't wish to be too pushy, so definite action was deferred until October 30, 1897. At the October meeting in New York, the North American Racing Union became a reality (with NYYC abstaining in the voting) and there came the promise of "a rule that will not promote the plank-on-edge cutter, the fin keel, or the flat beamy and dangerous centerboard, but tend to build up a fleet of yachts safe, comfortable, and speedy and at a cost within the reach of the average yachtsman. Boats that were able to run from port to port without endangering the lives on board," reported Radder at the fall I-LYA meeting in November 1897.

The Regatta was held at Put-in-Bay, July 5–9 the earliest up to that time. The Commodore's Ball was held at the Hotel Victory with the stipulation that no alcohol was to be served. The Men's Smoker was at the Beebe House. Richardson's flagship was the racing sloop *Puritana*.

Racing was under the Seawanhaka Rules adopted three years earlier (NAYRU was ratified in that October). *Venenna* of Chicago won the 52 ft. class, *Sultana* of Toledo the 42 ft. Class and *Shamrock* of Cleveland won the 37 ft. Class. Naphtha launches raced for the first time. I-LYA's yearbook was not published that year to save money and a pocket-sized program was substituted. Detroit Yacht Club became I-LYA's 10th member.

I-LYA 100 years ago (1922)

The 1922 commodore was Charles W. Kotcher of Detroit Yacht Club., president of the C.W. Kotcher Lumber Co. The vice commodore was John W. Koehrman of Toledo Yacht Club with Harry D. Freeman of Buckeye Lake Yacht Club as rear commodore. William F. Meier of Cleveland Yacht Club who later founded Edgewater Yacht Club was the powerboat measurer. The flagship was Gar Wood's 110' yacht *Frances*, loaned for the occasion. Commodore Kotcher's own boat was the *Betty-M*, holder of the world's record for express cruisers.

Com. Charles W. Kotcher

The regatta, I-LYA's 28th, was held at Put-in-Bay, July 17–21, 1922. All of the association's 27 member clubs were represented in the nine racing classes for sail yachts. It was the time of the fast, V-bottom runabout, the Hacker-Craft, Gar Wood and the custom-built jobs built by Christopher Smith, founder of Chris-Craft.

The attendance trophy was an expensive, bronze clock and barometer combination. Clubs vied for the trophy fiercely. Members shepherded passengers from the steamers *Put-in-Bay*, *Goodtime*, and *Greyhound* to the registrar's desk to sign up for their clubs. The winner was Cleveland Yacht Club.

There were 10 classes of powerboats racing, from hydros to large cruising yachts, plus one event for the "newfangled" outboard motors. The commodore's reception was

aboard the steamer *Arrow*. There were two concerts, the first over the newly discovered wonder: radio and the second by the Cleveland Yacht Club band in the flesh. Silent movies on boating followed both. Other entertainment included the ball at the Colonial Pavilion, a Monte Carlo party at the Hotel Crescent Pavilion, championship soft-ball games and swimming contests.

I-LYA 75 years ago (1947)

Com. Edgar W. Kiefer, PHYC

1947: at the helm was 62-year-old Commodore Edgar Weber "Cap" Kiefer, founder of the original Port Huron Yacht Club in 1923. He was the president of the Port Huron Paper Company and a leader in the community affairs. He was a yachtsman in the truest sense and held a master mariner license. He organized the Port Huron to Mackinac sailboat race in 1925 and sailed in the first three.²

Vice Commodore was Alexander Winton Jr. of Cleveland Yachting Club and Theodore Farnsworth of Bayview Yacht Club as Rear. The 54th regatta at Put-in-Bay, August 3–7 was attended by 220 yachts in 24 classes. There was much grumbling about the food and lodging which was unexpectedly pricey. Many left before the regatta was over saying four days was more than they could afford. Because of the lack of hotel facilities in 1947, the town hall was opened to the younger sailors with accommodations for over 200.

Afterwards, Sandusky, Toledo and Detroit bid for the Regatta in 1948 but the persuasive invitation from Commodore James Poulos won out for Put-in-Bay.

Commodore Kiefer had refigured the NAYRU handicap tables and found many errors. The Vanderbilt Rules of yacht racing were adopted for trial use that year. People tore their hair out trying to interpret them. The real trouble with the rules was their utter simplicity—folks just

couldn't believe it. Miller's Boat Livery added the *West Shore* to its ferry fleet. *Blitzen* and *Thisbe* were the Detroit Deepwater race winners. *Hornpipe* and *Cotton Blossom* took the Cleveland Deepwater honors. The Toledo winners were *Irma Ann V* and *Monika*.

It was a light air regatta. Commodore Stan Puddiford was chairman of the race committee. Fred Brehob, Jr. of Erie won the junior sailing crown. *Armida* won in the 8-meters, *I-Wanna* in the Yankee Class. There was a gala reception at Detroit Yacht Club to honor Past Commodore Harry Kendall.

I-LYA 50 years ago (1972)

Com. George L. Sackett, MHYC

At the helm of I-LYA was another winning sailor, Dr. George Leslie Sackett from Mentor Harbor Yacht Club. He joined MHYC in 1938, becoming Commodore in 1962. He sailed a Canadian-designed International-14, then a Thistle with his wife, Cora and son, George Jr. (I-LYA 1980) and James as crew. With his 36' Alden Coastwise Cruiser and Tartan 33, both named

Sesame, he sailed and won most of Lake Erie and Southern Ocean Racing Conference's important races. A radiologist by profession, he served in the US Army Medical Corps, active in the Pacific Theater of WW2 in the Philippines. After the war he helped set up the first American Hospital in Japan. He was past president of the Cleveland Academy of Medicine and was on the medical staff of Lake County Memorial Hospital and a member of the Cleveland Radiological Society.

The year started with the I-LYA Bowling Tournament January 19–30 at Hagerty Lanes in Toledo, Ohio with 42 teams. Bob Francis of ORYC was chairman. The top teams in 3 classes were "A" BLYC, "B" CCYC #5, "C" Lakeside Yacht Club #1. The star of the tournament was BLYC's Ed Williams, who had a 276 high game and a 712 series in Class "A."

On the weekend April 22–23, Peter Barrett lead the 1st Annual Jr. Sail Symposium with 104 young sailors. The first day was at Lakeland Community College with 4 hours of lectures covering aerodynamics, vectors, apparent wind and other theoretical and practical subjects, with a final session of racing rules. Afterwards was

² Port Huron Sports Hall of Fame

a social get-together, picnic supper, movies and games to fill the evening. Sunday morning sessions began at 6:30 A.M. at MHYC with sailboats rigged on trailers to study sail settings at various Points of Sail. Cold, wet weather prevented actual sailing competition on the water and the morning sessions were completed by lectures in the clubhouse. Credit for organizing and helping I-LYA host this event was 1971 Jr. Bay (Sears) Champions Bill and Pete Frissell, Blair Hamilton and Todd Sackett, all MHYC. Also aiding, the Blue Gavel Club, South Shore Lake Erie, who posted financial support and staffed both day's sessions.

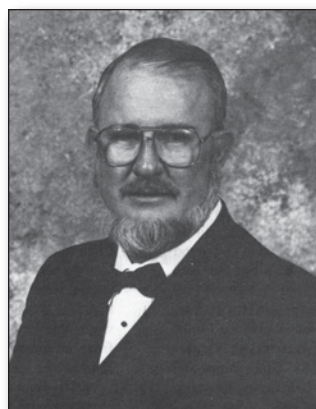

1972 was the beginning of the Lake Erie Offshore Racing Championship. Then it consisted of 7 challenging races, weighted in terms of length and difficulty, with certain alternates as indicated, 4 classes—champions of each classes high point accumulated. The overall highest total points for the series, regardless of class, earned Boat of the Year. The highest race percentage was the Lake Erie Race, July, 8,240 mi. (600 total points per class, 24 points per position). Next was the Mills Trophy Race, 75 mi. (300 tppc, 12 ppp) and I-LYA's Regatta, 45 mi. (3 races, 300 tppc, 12 ppp). Other races were Roberts Trophy Race, Lyman Trophy Race, and the Indigo Memorial Trophy Race. Over 100 boats sailed in some, if not all, of the races, representing clubs from Buffalo to North Cape, and some Detroit clubs as well. Participation and keen competition were the objectives of the series and the first year's results seemed to bode well for the future. The winner was *Cheetah II*, C. Richard Newpher, MHYC with 1512 points; 2^d *Stratagem III*, J.D. Harnett, MHYC with 1496 points.

I-LYA Regatta, August 5–9, began on Saturday with the Powerboat Predicted Log Contest. Jim Leisec of St. Clair Yacht Club winning the Greeley Trophy. Deepwater feeder races were from Cleveland, Vermilion, Toledo, Port Clinton and Sandusky. Sunday was the Detroit Deepwater and a tune-up race at PIBYC. A concert by the Lochaber Pipe Band of Lorain preceded the Memorial Service. The weekday racing results netted the Captain Louis G. Northrup Memorial Trophy Class R championship for Bill Gordon CYC; Lyndon Babcock Crescent Sloop Class Trophy went to James H. Powell, CSYC; Boston Thistle Trophy to

Neal Thurber, NCYC; K Cat Ghost Trophy to Joan Booker, PIBYC; and the Parsons Trophy (class with the greatest number of boats) to Art Barrie, JRSC.

Weekday on-shore activities were Flag Officer's Reception for all registered yachtsmen and crews and guests at Borman's Cottage, Commodore's Dinner at the Boathouse, Ladies Party at the home of Commodore Biedler on Peach Point and the Sailor's Beer Bust at the rear of PIBYC.

I-LYA 25 years ago (1997)

Com. Frederick B. Weiss, WYC

The commodore was Frederick Byers Weiss, Wildwood Yacht Club, a member since 1979 and worked many positions, twice as commodore. Fred was also active with Greater Cleveland Boating Association being WWYC's delegate from 1987–1997. From childhood, Fred had a love affair with the water and boats, owning three sail

and two power. Years of service to I-LYA started with the dock committee and continued into K-Cruise creator, chairman and director, editor and ad salesman for the *I-LYA yearbook*, and working the finish line at the regattas. No one is this busy without a lot of help and in 1993 Fred and his wife Nancy were I-LYA Couple of the Year. Fred was trustee three years then worked his way through the chairs to become commodore. He devoted much of his life to the education of others. Fred taught for seventeen years at McKim Technical institute, climbing to position of chief instructor. For 11 years (up to 1997) with Akron Public Schools in the career education department teaching junior and senior level Electronics at East High School. Besides teaching, he worked part-time TV repair at his business in Ravenna, Ohio. He was a broadcast engineer and part time DJ at WSLR Akron and a salesman at LaSalle Yacht Sales in Westlake. As if they were not busy enough, Nancy and Fred had seven children to raise.

The 1997 K-Cruise began with the rendezvous place of Bay Point Yacht Club Saturday, July 5 with the lake still sloppy from the 4th of July storm, but the 8 boats prevailed for lunch and a viewing of the postponed Cedar Point fireworks. Sunday was a good crossing of Lake Erie to Elba Mar Boat Club just inside the Detroit River on Grosse Ile followed by a barbecue rib roast. Monday

Ghost Race Trophy

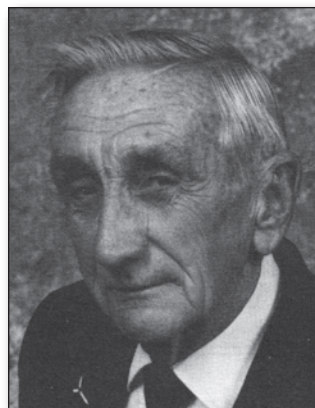

was up the Detroit River, through Lake St. Clair to the St. Clair River to Chancel Escarte and on to Wallaceburg, Ontario. Tuesday was heavy rain, but it didn't dampen the 19 boaters' spirits (or cocktail party and pizza bash). Wednesday was back to Lake St. Clair and down to Detroit Yacht Club for dinner and overnight. Thursday was a short ride across the river to Lakeview Marina in Windsor, Ontario for gambling. Friday returned to Lake Erie to Swan Boat Club and an invite to a cook-it-yourself steak and chicken cookout. Saturday morning was across the lake to Sandusky Bay/Harbor Bay Yacht Club in time to participate in the new flag pole dedication ceremony. Harbor Bay was I-LYA's newest member and each captain was presented with a bottle of Firemen's Champagne autographed in gold lettering by the wine master. The last evening was spent at Margaritaville for dinner and cocktails. Sunday was back to reality and home ports.

The 42^d I-LYA Jr. Race Week was chaired by Ed and Abby Skoch. 105 sailors, from 15 clubs, began Sunday July 20 with the normal check in, boat set up and inspection, meetings, Ice Breaker dinner at PIBYC and participants' photo at Perry's Memorial. The fleet was split into Championship and Commodore Series after 2 days of racing. The top Championship winners were in Thistles: Ryan Anstrom, Scott Bailey, and Kevin McLaughlin, (Pymatuning Yacht Club); JY-15s: Ian McCreery, Erin Shea (Hoover Yacht Club); and Lasers full rig: Kristen Zillmann (Edgewater Yacht Club).

The I-LYA 104th Sail Regatta with Bryan Huntley as Chairman, began Saturday August 2 with most of the deep water finishes—Detroit's finishing Sunday. The racing rates for Deepwaters were \$40 for all except \$25 Sandusky Steeplechase. The Regatta Series rates were:

One Design, Center Boards, Catamarans:	\$45
Up to and including 26.5 ft. LOA	\$115
Over 30 ft. to 35 ft. LOA	\$150
Over 35 ft. to 40 ft. LOA	\$170
Over 40 ft. LOA	\$189

The Powerboat Regatta was August 7–10. As the sailors were leaving the docks, the powerboats were already participating in their events: docking contest and chicane (maneuvering a short slalom forward, 360, then back to the start in reverse in the same time or close as forward), then coming to fill their empty spots. The chairman Bill Osenbaugh (ORYC) passed away that winter but Howard Jones (BVYC) and Jim Bridge (ORYC) stepped up to co-chair the Regatta. The winner of both Greeley Trophy and I-LYA predicted log events: Roger Viculus on *Lady Katherine*, Ford Yacht Club. But the overall award, Snodgrass Commodore's Trophy went to Dennis

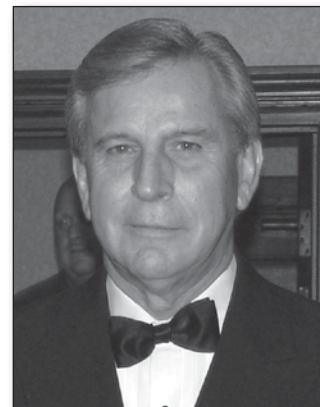

John Dent, Man of the Year

Mintus, Ashtabula YC. Jr. Powerboat Navigation Contest won by John Ashley, Detroit Beach BC.

For his years of service to I-LYA, John Dent was awarded 1997 Man of the Year. The Final Voyage for I-LYA was Virgil F. Berry, 1970, Forest City Yacht Club, Sept. 29, 1996 and James M. Snodgrass, 1986, Sandusky Sailing Club.

I-LYA 10 Years Ago (2012)

Our 2012 commodore was Mike Morton of Wyandotte Yacht Club with Kris Miller of Put-in-Bay Yacht Club and Steve Harris of Buckeye Lake Yacht Club as vice and rear, respectively. Com. John Onacila of Beaver Creek Boat Club was awarded the Yachtsman of the Year. The Commodore's Award went to two deserving individuals, Chris Amlin of Sun Parlour Boat Club and John Dalessandro of Wyandotte Yacht Club. Jay Onacila from All Ports Yacht Club led the Board of Trustees. There were 147 member clubs in 2012. Final Voyage for 2012 was Byron Kosine (1985).

Com. Mike Morton, WYC

The 2012 regattas were all held at Put-in-Bay. Junior Bay (July 15–20) was chaired by Edgewater Yacht Club's Connie Aguero and Mike Dills. John Salisbury, Repton Salisbury, & Christine Samanich of Cleveland Yachting Club, Mike Gemperline and Emily Schneider of Edgewater Yacht Club, and Alec Chicoine of Hoover Sailing Club were the big winners this year. Junior Power was led by Bob Lang, West River Yacht & Cruising Club with Morgan Krohn of Ford Yacht Club winning the Junior Navigation. Mike Fishbaugh, Sandusky Sailing Club, was Sail chairman. The regatta ran August 2–5. Jeff Mackay's *Wizard* from North Cape Yacht Club was awarded the PHRF Boat of the Year. Brian Hartwell's *Feisty* won the Mike Smith Trophy. Steve Hyder of Detroit Beach Boat Club ran the Power Regatta over July 19–24. Neither the Commodore's Trophy nor the Greeley Predicted Log were awarded this year.

Past Recipients Yachtsmen of the Year

1978 marked the beginning of a tradition that has been adopted by each administration since Commodore Norm Winkel determined that recognition should be given to the many volunteers who freely donate their time, vacations, talents, expertise, and even boats and equipment to ensure the continued success of yacht racing competition and the I-LYA organization. These special people have earned the honor of being "Yachtsman of the Year."

Final Voyage

**2011 Commodore
Frederick W. Schroeder III**
Oct. 8, 1947–Nov. 12, 2021

Frederick W. Schroeder III

Frederick (Fred) W. Schroeder III grew up in the Cleveland area where he graduated from Garfield Heights High School. He met his wife, Charlene on a blind date while a teen. Five years later in 1968, they married. They had two children and many grandchildren and great-grandchildren. Together, Fred and Char enjoyed 4-wheeling through the years. He loved boating and was also an avid hunter.

Fred worked for Ford Motor Company, which took him from Cleveland to Detroit, and eventually to his residence in Lambertville, MI. He retired from Maumee Stamping in 2007 with more than 37 years under his belt.

While employed by Ford, Fred was frequently invited to go fishing with the guys. This didn't always sit well with Charlene because she wanted in on the action too! So, with some encouragement from cousins, Fred and Char bought their first boat in 1983—a little 20' vessel named *Fan-ta-Sea*. From that point on, not only did they catch a whole lot of fish, but they caught the boating bug as well. It wasn't long before they became members of Cooley Canal Yacht Club, and before you could say, "There's a sucker born every minute," Fred found himself moving through the chairs to become 1993 CCYC commodore. Fred wore many hats for the boating community, including District 9 Blue Gavel President in 2001, I-LYA registrar 2002 to 2005, and I-LYA Trustee 2005 to 2008.

You know what they say: The two happiest days in a boater's life are the day they buy their boat and the day they sell their boat. Fred and Char sold their last boat in 2005. However, they both remained active in the boating community. In 2009 Fred moved through the chairs of I-LYA leadership and was thrilled and honored to be the 2011 I-LYA commodore.

Sadly, we lost Fred November 12, 2021 and then Charlene June 14, 2022. The boating community is grateful for both of their contributions to the betterment of the sport.

About I-LYA

INTER-LAKE YACHTING ASSOCIATION

I-LYA's basic purpose is the protection and promotion of the interests of boat owners and water sport fans in the enjoyment of their sport.

I-LYA is a watchdog for proposed legislation that may affect yachting and yachtsmen.

I-LYA serves as a clearinghouse for yachting information.

I-LYA's officers and committees are available to help its member clubs with boating related problems.

I-LYA is the US Sailing Regional Sailing Authority and Appeals Body for race protests in the area.

At the top level, **I-LYA** works hand in hand with US Sailing and class racing associations in developing fair and workable rules.

I-LYA's foundation, The Inter-Lake Yachtsmen's Fund was established to support training, education, and junior activities. The Yachtsmen's Fund is a qualified 501(c)3 corporation and all donations are tax deductible.

I-LYA is the leader in Junior Sailing in the Midwest. The annual Junior Regatta is one of the largest Junior Sailing Events in the United States and serves as a model for other clubs. The winners of "Junior Bay" receive scholarships from the Inter-Lake Yachtsmen's Fund.

I-LYA is also a leader in Junior Power boating in the area. The Junior Powerboat program which was developed in 2006, offers Leadership Training and navigational contests. The winners of this event are also awarded scholarships from the Inter-Lake Yachtsmen's Fund.

I-LYA consists of 140 member clubs and every member of each club is automatically a member of I-LYA, and is assured recognition among other clubs.

I-LYA's membership includes clubs from both the United States and Canada, making for strong international ties and competitions.

Member clubs are represented by delegates to **I-LYA** and meet twice annually. Spring and fall meetings are held in the vicinity of the current Commodore. Class advisory, cruise and powerboat committees meet prior to the delegate's meeting, giving open forum for class improvement and rules enlightenment. Delegates elect the Flag Officers and Trustees at the Fall Meeting.

I-LYA appoints delegates to US Sailing and Yacht Racing Union of the Great Lakes.

I-LYA is governed by a nine member Board of Trustees. Business is conducted through the office of the Executive Secretary.

I-LYA seeks corporate sponsorship to improve the services provided to its members and to control costs.

I-LYA's Annual Regatta is held at Put-in-Bay, on South Bass Island, in western Lake Erie—the site of the historic Battle of Lake Erie in the War of 1812. It draws more than 500 Sail and Power boats annually.

The Yachtsmen's Fund
433 North Broad St.
Lancaster, OH 43130

Celebrating the Past—Shaping the Future

The Yachtsmen's Fund, an IRS-recognized 501(c)3 charitable organization, believes that our young sailors and power boaters are the future of our sport. It is imperative that we do all we can to support their education, growth, development, and love of sailing and powerboating. In 2021, The Yachtsmen's Fund distributed \$30,000 in grants and scholarships. In 2022, we plan to do even more by promoting Training Grants to encourage instructor and race management certification, supporting Junior Bay Week and Junior Power, awarding scholarships to qualifying I-LYA junior sailors and powerboaters, and providing Championship and Challenge Team grants to junior sailors who travel and represent I-LYA.

We thank the Benefactors and Sponsors listed on this page who recently contributed over \$11,000 toward our Centennial Campaign in honor of our first 100 years. We also acknowledge the gifts of all who have given or will give as life members, annual contributors, or through memorial donations. Your support along with that of our Dollar-per-Member organizations makes a difference today, tomorrow, and far into the future.

7/23	I-LYA Opti Champs—Sandusky SC
▲8 7/30	Hoover SC (Finale & Awards)

▲# = Counter Race for Series Awards

The most up-to-date calendar is at www.i-lya.org.

The Junior Traveler Series is a summer-long series of weekly regattas hosted by I-LYA member clubs which offers an increased opportunity to race close to home. Series awards will be presented to the top finishing skippers and crew in each qualifying fleet based on the best five regatta finishes at any of the qualifying events. There is also a Team Trophy awarded each year to the top finishing club. Registration and scoring for the series and each qualifying regatta will utilize Regatta Toolbox.

Sailors must be at least 7 years old and can participate in the Traveler Series up to and including the summer immediately following their senior year of high school. The Notice of Series is available online on the Traveler Series page under Junior Sailing at I-LYA.org.

Formula Wave Nationals

The Formula Wave Nationals had a small turnout with many out-of-town-ers not able to travel due to continuing Covid fears. Five of the top 10 ranked racers were in attendance so the competition was still spirited.

Sadly, tragedy struck before the races began when one of the participants, Chris Johnston from Texas, suffered a heart attack while sailing out to the course. Despite the heroic efforts of another sailor, David Branson, Chris could not be revived. Before one of the races, the Waves gathered together for a moment of silence for Chris, to “Wave’ goodbye,” as shown in this photo taken by Tommy Thanasiu.

PHRF Boat of the Year

L to R: Craig Mueller, William Taylor, Will Taylor and Madeline Lark

Whistler

William Taylor Family
North Cape Yacht Club

Commodore Mike Fishbaugh was instrumental in reviving the I-LYA Lake Erie PHRF Championship in 2021. The winner of this series will receive the Blue Gavel Trophy and be named I-LYA PHRF Boat of the Year.

The 2021 Winner of the Blue Gavel Trophy, I-LYA PHRF Boat of the Year is *Whistler*, a J-105 sailed by the William Taylor Family with sons Will and Ethan Taylor sailing with their father out of North Cape Yacht Club. *Whistler* competed in races across Lake Erie from Ford Yacht Club in the west to Sandusky Sailing Club in the east and many places in between including the I-LYA Bayweek. As most of us that compete in sail boat races know, consistent crew along with good equipment is the key to a successful program. The crew on *Whistler* consists mostly of current or former collegiate sailors with many having roots in I-LYA Junior Bay Week. Rounding out the *Whistler* primary crew is Madeline Lark, Craig Mueller, John Gibson and Allysa Sherman. Congratulations to the William Taylor family and the crew of *Whistler*.

I-LYA Mid America Boating Skipper of the Year

David Branson, NCYC

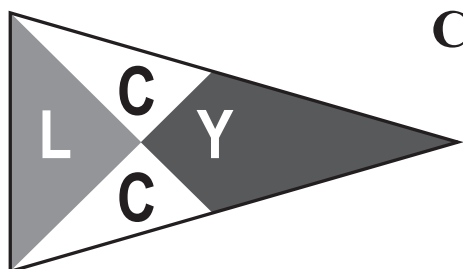

I-LYA
Mid America
Boating Skipper of the Year

David Branson, North Cape Yacht Club

Dave's sailing career started at a young age when his dad rigged up a gim-baling car seat so they could compete in Mills Race and bring Dave along. By the time Dave was eight, he was racing with his dad, steering the boat while his dad maneuvered the sails. It was Jolly Roger Sailing Club where he started building his skills. As a preteen, he would ride to the club on Thursday nights and sail Interlakes. Eventually, people noticed this young man from Point Place was a good sailor and he joined bigger boat crews and sailed in long distance races. At 14 he joined Commodore Burgoyne's boat *Flak-Bait*. It wasn't long before he was racing yachts such as Farr 40s and TP 52 in Mackinaw races.

He expanded his passion for boating, buying several kayaks and a racing catamaran. He joined Catamaran Racing Association of Michigan (CRAM) and helped promote races at his home club of North Cape Yacht Club. He recently bought a Melges 24 and named it after his other passion of competitive shooting by calling the boat *BULLET*. You can find Dave on the water every Wednesday night and most weekends racing to more victories.

Dave is also no stranger to helping people. He has made a career as a physician's assistant working at St. Vincent Hospital. Last year at the I-LYA Bay week Dave put his talents as a sailor and background as a medic to perform an on-the-water rescue for which he was awarded the US Sailing Arthur B. Hansen Rescue Award. Because of Dave's efforts, he was voted by the I-LYA Senior Sail committee as the Mid American Skipper of the Year.

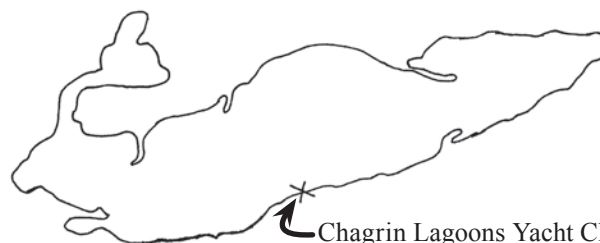

Congratulations
Commodore Mike Fishbaugh
& Lady Kara

I-LYA is monitoring the incidence of COVID-19 and will be following guidance from local health departments and the State of Ohio. Be aware that regatta events this year may be altered to accommodate the current restrictions.

Junior Power Contests

These Junior Regatta contests are designed to reinforce the safe boating practices and rules of the road learned in the classroom. The contests and seminars use a hands-on approach and provide the juniors with the confidence to operate motorized vessels. The vessels used at the regatta are inflatables donated by senior participants of the power regatta. For additional information about the Junior Power Program please visit the I-LYA web-site.

General Knowledge and Seamanship

Friday's safe boating seminar provides each junior with a refresher course on safety requirements, rules of the road, understanding of buoys and their identifying characteristics, hand held GPS and electronic chart instruction, and much more. Juniors will be asked to demonstrate knot tying, line throwing, and how to properly secure a vessel. A written exam, testing each junior on his or her general knowledge of the above concludes this contest.

Charting and Course Plotting

The safe boating seminar also covers charting and course plotting. Hands-on activities teach the juniors how to read charts, determine their position and plot a course. At the end of the seminar, each junior will be tested on their understanding of the above.

Navigation Competition

This is a shore-based contest that will require juniors to pair up and take a short walk or bike ride around the Island. They will be asked to take bearings, make observations and determine their position using hand held GPS as they make their way around the Island. Bikes will be provided if necessary.

Weather Contest

Each junior will be asked to forecast the weather for a prescribed time and place. The forecast will include temperature, wind direction and velocity, barometric pressure, sky conditions, precipitation, and relative humidity. Prediction forms will be provided and must be submitted by a set deadline. A committee shall assemble at the prescribed place and time to observe and record the actual weather conditions and determine the winners of this contest.

On-the-Water *(Four contests using inflatables)*

"COURSE A" Boat Handling Contest "Course A" will demonstrate the steering and boat handling capabilities of each junior. The junior, accompanied by an assigned adult, will run a 3-leg course in both a clockwise and counter-clockwise direction with the objective of making both runs in the same amount of time. Speed is NOT the objective.

"COURSE B" Compass Reading and Bearings Contest "Course B" will demonstrate a junior's ability to read a compass and take bearings and identify your position using hand held GPS. The goal is to steer as carefully as possible between the marks for each of three designated courses set by the committee. At the end of each leg the junior is to record the compass heading steered. An assigned adult will crew on each vessel.

Chicane This is a timed test of boat handling and low speed maneuvering. The junior will be timed and judged on his or her ability to successfully maneuver through a prescribed course at no-wake speed in 2 directions without creating a wake and without hitting the marks on the course.

Docking This contest evaluates the junior's boat handling and maneuvering skills as related to docking. The junior will be judged on his/her ability to properly maneuver, dock and secure his or her vessel within a predetermined dock space. Hitting the dock and/or high speed operations will result in loss of points.

Social Competitions

In addition to the bragging rights earned by making a hole-in-one during Jr. Putt-Putt or Jr. East trouncing Jr. West (or vice-versa) in volleyball, Junior Power Regatta participants also enjoy the following contests:

Geo-Quest

Based on Geo-caching, Geo-Quest is a live treasure hunt utilizing compass and GPS skills. Junior teams will explore the island via adult-driven golf carts and locate hidden "treasures."

Fishing Derby

The "Fishing Derby" is designed for all juniors participating in the regatta. Come one, come all and see who catches the largest, the most and the smallest fish. The committee will be available to bait your hooks and will supply the bait as well as snacks for the anglers. Bring your pole and your life jacket and arrive 15 minutes before start time so you will be ready to drop your hook. Prizes will be awarded immediately after the finish time. So don't be late and good luck!

Awards

Ribbons: are given to each winner of the four On-the-Water contests, the Weather contest, and the land/shore based Navigation competition. 1st, 2^d or 3^d place ribbon awards are provided depending upon participation.

Junior Skipper Award and Trophy: is given to the individual having the highest total combined score for all On-the-Water contests and the Weather contest.

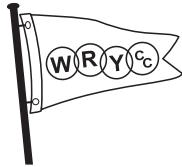

Scholarships: 1st, 2^d & 3^d place monetary scholarship awards are given to the eligible juniors with the highest overall score for all competitions.

1. Only those juniors who are members of a boat club affiliated with I-LYA will be eligible to receive scholarship awards.
2. Scholarships are based on final results from 2 days of competitions at the annual I-LYA Regatta.
 - General knowledge and seamanship
 - Charting and course plotting
 - Navigation competition
 - On-the-Water
 - "Course A" Boat Handling
 - "Course B" Compass Reading and Bearings
 - Chicane: boat handling and low speed operations
 - Docking contest: maneuvering and docking

Power Regatta Schedule

Tuesday, July 26, 2022

- 1600–1900 **PIBYC** Registration (*Skippers & Mates*)
 1800–2000 **PIBYC** Spaghetti Dinner
 1900–2000 **PIBYC** Powerboat Committee meeting

Wednesday, July 27, 2022

- 1000–1400 **Keys/OtW** Contests: Docking
 1100–1430 **PIBYC** Registration
 1100–1330 **On-the-Water** Contests: Chicane, & Flying Mile
 1200 Power Boat Regatta Begins—docking available
 1300–1500 **Perry's Cave** Junior Putt-Putt Golf (*all ages*)
 1500 **DeRivera Park** Commodore's Welcome & Flag Raising Ceremony*
 1530 **PIBYC** Commodore's Reception*
 1600–2000 **PIBYC** Beer Trailer Open
 1630–2000 **PIBYC** Dinner, Taco Bar (*Reservations Required*)
 1830 **PIBYC** Pub Crawl (*Eat early*)

Thursday, July 28, 2022

- 0830–1000 **"A" Dock** Commodore's Coffee
 0900–1030 **"A" Dock** Jr. Fishing Contest, "A" Dock (*all ages*)
 1000–1200 **Keys/OtW** Contests: Docking, Chicane, Flying Mile
 1100–1300 **DeRivera Park** Jr. Geo-Quest Competition (*all ages*) meet by I-LYA Trailer
 1100–1430 **On-the-Water** Predicted Log/Navigation Contest (*Skipper's meeting 0900 @ I-LYA Memorial*)
 1430 **PIBYC** Adult Inflatable Boat Races
 1600 **PIBYC** Men's & Ladies Volleyball (*15 years and older*)
 1600–2130 **PIBYC** Beer Trailer Open
 1700 **PIBYC** Weather Forecast Submission Deadline
 1700–1900 **PIBYC** Hot Dog Cookout
 1700–1930 **PIBYC** Corn Hole (*15 years and older*)
 1930–2130 **PIBYC** Junior Movies (*all ages*)
 1930–2130 **PIBYC** Mount Gay Rum Party

Friday, July 29, 2022

- 0900–1000 **Golf Course** Golf Tournament (*Registration & Start*)
 0900–1200 **PIBYC** Junior Powerboat Safe Boating Seminar (*ages 12–18*)
 1200–1330 **PIBYC** Ladies Luncheon (*Reservations at Registration*)
 1300–1400 **PIBYC Pavilion** Smoker
 1430–1630 **PIBYC** Kayak Races & Tug-a-War (*Junior & Senior*)
 1700–2000 **PIBYC** Beer Trailer Open
 1800–2000 **PIBYC** Steak/Chicken Roast (*Reservations Required*)
 2030 **Perry's Cave** Putt-Putt Golf (*age 18 and over*)

Saturday, July 30, 2022

- 0900 **Oak Point State Park** Junior Navigation and On-the-Water Contests (*ages 12–18*)
 1130–1430 **Ball Field** Softball Game (*15 years and older*)
 1500–1600 **PIBYC** IOBG Cocktail Party* (*Members & Officers*)
 1500–2100 **PIBYC** Beer Trailer Open
 1700 **PIBYC** Powerboat Awards Presentations
 1900–2100 **PIBYC** Titos/Karaoke @ the Bay Party

Sunday, July 31, 2022

- 1100 Powerboat Regatta ends! **Must clear C-Dock by 1200 / A-Dock by 1500 or pay for extended dockage**
 1100 **The Anchorage** Commodore's Brunch (*By Invitation Only*)
 1500 **PIBYC** Parade Assembly for Memorial Ceremony*
 1530 **DeRivera Park** Ceremony at I-LYA Memorial*

* **Denotes Summer Whites (Long Pants & Covers)**
 (*The basic Summer White uniform is white shirt, white long pants, white belt, white socks, white shoes, & white officer cap/cover*)

Schedule is subject to change.

Please check your regatta packets or online at www.i-lya.org.
 Follow us on Twitter or Facebook for the latest information.

I-LYA is monitoring the incidence of COVID-19 and will be following guidance from local health departments and the State of Ohio. Be aware that regatta events this year may be altered to accommodate the current restrictions.

Power Contests

Commodore's Trophy

Competition for the Commodore's Trophy is based upon a combination of seamanship, boat handling and overall knowledge of boating. Four events have been selected by the committee which provide all of these skills. To compete you must enter all four (4) contests. Entry forms are available at the Registrars desk and must be completed and on file to compete. A percentage has been given to each event to determine the overall winner of the Commodore's Trophy. A flag and pin will be presented to the winner and the winner's name will be placed on the Commodore's Trophy which is awarded at the I-LYA Fall Banquet each year. This trophy is an individual award and will be awarded to an *individual* competing in the various events NOT to a competing team. Commodore's Trophy contests include: Predicted Log & Navigation (30%), Docking (25%), Chicane (25%) and Weather Forecasting (20%).

Predicted Log

The Predicted Log is a boat handling contest. A contestant's knowledge of their boat's performance and good navigation skills are necessary. A predetermined course is designed around a set of *control points*; which include buoys, markers, and landmarks, which must be passed on the port or starboard side of the boat, as designated. A contestant's calculation of his/her *predicted log* requires the contestant to plot the designated course on his/her own chart and predict the elapsed time, in minutes and seconds, that he/she will pass each control point. Contestants must run the course at their chosen speed, higher than six knots; their prediction should be based on their chosen speed. The use of GPS is allowed when running the course. However the use of auto-pilot during the contest is strictly prohibited. Contestants should know their boat's compass deviation, as most control points are not visible from the start of a leg. The Predicted Log committee will assign an impartial observer to accompany the contestant during the run. Each contestant is asked to bring at least one observer, who will be assigned to another contestant's boat. A short training class will be held for observers before the start of the contest. Each contestant must furnish two watches able to read in hours, minutes and seconds.

2022 Greeley Trophy

Start Buoy R "2" FI R 4s, PIB Harbor Entrance Leave to Port
Steer a course of 250 degrees T for 2.60 NM (2.99 SM). At that point, give timepiece to the observer and proceed to:

Control Pt. 1 Buoy RN "2" (West of North Bass Island) Leave to Starboard

Control Pt. 2 Buoy R "6" FI R 4s, Bell Leave to Starboard

Control Pt. 3 Buoy RN "4" Leave to Port

Control Pt. 4 Buoy G "1" FI G 4s, Bell Leave to Starboard

Steer a course of 235 degrees M until Ballast Island Light disappears, then proceed to:

Finish Buoy R "2" FI R 4s, PIB Harbor Entrance Leave to Port

Committee Distance 17 NM

Specific instructions will be provided in the contest packet. Each contestant must complete the entry form provided by the committee. This contest is not intended to be a team event. However, if a team wishes to compete, and if eligible, only one flag will awarded to the team captain. Only the team captain will be eligible to compete for the Commodore's Trophy.

Docking

This is a contest of boat handling and the ability to maneuver your vessel dockside. This contest is not a contest of speed. However, your time is recorded and used for determination of final finish placement and tie breaking decisions. When your vessel is called to compete, maneuver your vessel dockside and set your dock lines. The committee will set marks forward and aft of your vessel. These marks are used to define the space you have to maneuver your vessel. The committee will give you the signal to start and you will leave the dock, go to harbor and make a complete 360 degree turn. Once your turn is complete you will return to the dock and maneuver your vessel to dockside within the marks previously set.

Chicane

The object of the Chicane is to maneuver through the course with your engines in forward gear. Upon completion of the marked course make a 360 degree turn with your vessel. After completing the 360 degree turn, you must maneuver your vessel with engines in reverse back through the course returning to the start/finish line. You will be timed for the entire time it takes to run the complete course (both forward and reverse runs). You will be penalized for hitting a mark or making a wake.

Weather Forecasting

The contest form shall be filled in completely and filed with the Weather Forecast Committee by the time and day posted on the entry form and in the Regatta schedule. Twenty-two (22) hours later, at 1500 hours (3:00 PM) or as otherwise noted on the entry form, a committee appointed for the purpose shall assemble at Put-in-Bay to observe and record the actual weather conditions at the time and place described on the entry form. These conditions shall then be compared to the contestants' predictions and penalty points assessed for all variations. The winner shall be the contestant receiving the least number of penalty points.

Flying Mile

All boats will be timed electronically using a radar gun. Boats will NOT be required to run a full mile at their top speed. All boats will be timed within a 500 foot area designated by the committee. Two (2) or more participants are required to establish a class. No boat will be permitted to run in more than one class. Safety is our number one rule. Please operate your vessel in a safe manner. Remember, you are responsible for the safety of your vessel and all others on board.

Social Competitions

Social competitions include the East vs. West Volleyball, the co-ed Softball Game, and senior Corn Hole. Volleyball takes place on the PIBYC grounds and the softball game, at the school. Because most of the participants play these games only once a year, the spectators usually get a good laugh from the weekend warriors but occasionally see some impressive athleticism. The rivalry is sometimes intense but always good-natured. A trophy is naturally awarded to the victors but bragging rights are the real "Gold Medal" that is sought.

General Information

1. The SAFETY of all participants, crew, committee and audience is our number one rule. While participating in these contests, we ask all to observe navigation rules of the road, local laws and follow all safe boating practices. Please conduct yourself in an orderly and professional manner at all times and not put fellow participants, general public or the committee at risk or cause unnecessary nuisance. We want everyone to enjoy these contests whether on land or sea, please remember to BE SAFE.
2. These Contests and their rules have been prepared by the various contest committees and approved by the Powerboat Committee. From time to time, weather and scheduling conflicts may require changes or modifications to the schedule or contest rules. The various Committee chairpersons will make every effort to inform you of any last minute changes.
3. The success of the Regatta is directly related to participation in these contests and events. There is a first, second and third place flag given to the Clubs with the most participants in Regatta contests and events.
4. In addition to the Club Participation award, Clubs are eligible to receive an award for volunteerism. This is awarded to the Club having the most volunteers working the various contests, events and social functions. If you are a committee chairperson, it is very important to record the hours worked by your many volunteers in order that clubs are credited with all the hours earned during the Regatta.
5. Protests of judges' ruling can be filed with the Powerboat Committee. The Powerboat Committee will review the protest and make a final ruling.
6. Electronic copy of the official Regatta "Contest Rules Booklet" is available from the I-LYA website (i-lya.org). Also, hard copies are available at the Registrar's desk.
7. Refer to the official Regatta schedule and information available at the registrar's desk for the specific place and time of each contest.
8. Entry forms for all contests are available at the Registrar's desk located at PIBYC.

2 ^d	Josh Kneisel	BVYC
3 ^d	Marty Mathews	PIBYC

The Club Participation Award is given to the club with the most participation points earned in the Power Regatta and Junior Power Regatta events. Power Regatta events include: Docking, Chicane, Predicted Log, Weather Forecasting, Flying Mile, Inflatable Boat Races, Cardboard Boat Races, Softball, Volleyball, Putt-Putt, and Golf. Junior Power Regatta events include: Cardboard Boat Races, Children's Games, Fishing Derby, Navigation Class, Navigation On-the-Water, Weather Forecasting, Volleyball and Putt-Putt.

One person participating in one event equals one participation point. The club earning the most participation points earns the 1st place Participation Flag. 2^d and 3^d place flags are also awarded.

Club Participation Award		
1 st	Bay View YC	139 points
2 ^d	Vermilion Power Boats YC	85 points
3 ^d	Harborview YC	49 points

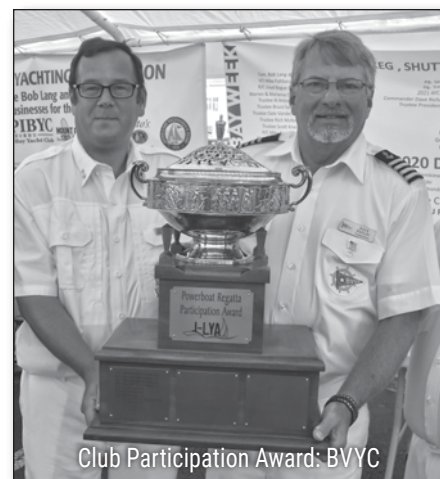

The Club Volunteer Award is given to the club having the most hours worked to support the events listed under the Participation Award and the Hot Dog Roast, Spaghetti Dinner, Steak Roast, Tippers Supper, Rum Party, Tito's Party, Shuttle Driving, Dock Security, Registrar, Announcement Trailer, Beer Trailer, Marks, Pub Crawl, and other functions, as appropriate. Committee chairmen are automatically given 10 hours. Committee chairmen shall record all the hours worked by their volunteers and submit to the designated Power Regatta chairman.

1st, 2^d and 3^d place flags are awarded.

Club Volunteer Award

I-LYA Mid America Boating Skipper of the Year

Lloyd Bogue, AYC

I-LYA
Mid America
Boating Skipper of the Year

Lloyd Bogue

Boating has been a lifelong experience for Lloyd starting at the young age of 3 years old as he watched his parents Virgil & Sally race their “flying wing” off Geneva-on-the-Lake. He saw the passion that they had for the sport and realized that this was a great life experience. As long as he can remember he has had a boat. Whether it was an 8' rowboat, a 12' jon boat or the sailfish that he and his brother raced near Riverside Yacht Club, one thing was for sure—he was always enjoying the water. Watching his parents learn about the sport through their involvement in the Power Squadron, the Coast Guard Auxiliary and of course RYC, only furthered his quest for more knowledge and adventures. His parents continued their influence on his boating experience as they taught him the joys of the sport. He has learned that giving back to a sport you love is essential and he has given considerable hard work and dedication to many boating organizations: Riverside Yacht Club, Ashtabula Power Squadron, Redbrook Boat Club, Ashtabula Yacht Club, Greater Cleveland Boating Association, International Order of the Blue Gavel, and now with I-LYA. He is a past I-LYA trustee and served as the 2021 Powerboat Regatta chairman. He currently serves as the 2022 vice commodore. His adventurous spirit continues as he and Lady Rhonda explore the Great Lakes on their 360 Silverton Express cruiser. They spend as much time as possible aboard the *Stress Relief* enjoying every minute of the summer sunshine. Their summer adventures start out at the central basin of Lake Erie and you may find them anywhere from the shores of Lake Ontario to the northern end of Lake Huron. Regardless, they will be on the water *somewhere*.

Past Winners of the Alton H. Greeley Memorial Trophy

Donated to I-LYA by Robert C. Greeley

Congratulations I-LYA Commodore Mike Fishbaugh & Lady Kara Smith

For 50 years WSSC has been promoting sailing and seamanship on Western Lake Erie. We welcome new members who love sailing or are interesting in becoming sailors.

2022 Commodore: John Kukla
Vice Commodore: Michael Ingrody
Rear Commodore: Anita Bersie-Chabalowski

www.westshoresailclub.org

From the Editor:

We would like to thank our sponsors, advertisers, clubs, and other individuals for their support. Without your continued generosity and support, we would not be able to produce this book. This book is a valuable resource to our members and our regatta participants and allows them to access important information throughout the year. The book also serves as an historical record of our members' enthusiasm and success.

Many thanks also go to our photographers for the photos that are reproduced in this year's book. They include Dave Alvarado, John Bedford, Al Chapman, Tina Myers, Connie Miller, Tom Thanasiu, and Teresa Vanderford.

We are grateful to the commodores and chairmen, past and present, who provided data for the pages, to Tom Thanasiu for his efforts in keeping I-LYA history alive, to Steve Harris for editing as well as compositing photo pages, to Jane O'Brien who lent her eagle-eyed proofing expertise to the project, and to Dar and Duane Burgoyne who took charge of and accomplished The Important Things at the last minute with unreasonable deadlines.

Looking forward to a successful and fun-filled season!
—2022 Yearbook Editor, Marilyn Paselsky

Boat Detailing, Maintenance and Storage

Our Services Include:

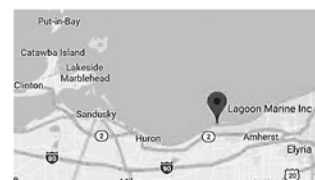

- Storage:
 - ✓ Heated indoor
 - ✓ Wrapped outdoor
- Detailing:
 - ✓ Wash, wax and buffing
 - ✓ Polishing, refinishing and protectant applications

Lake Erie is Ohio's Most Precious Resource

Lake Erie Foundation (LEF) is Lake Erie's advocate for economic sustainability, legal defense, education, outreach and innovative sustainable technology.

Help LEF protect Lake Erie against:

**Plastics &
Contaminants**

**Wind Farms in
Lake Erie**

**Harmful
Algal Blooms**

We can no longer take our greatest resource for granted.
Join us and support our mission to ensure Lake Erie is
accessible now and for future generations by scanning the
code or visiting us at **LakeErieFoundation.org**.
