I-LYA 2021

About the Cover:

Yearbook covers are always fun. Some covers have a lot of history behind them, others are tributes, many showcase our Sail and Power Regattas, some use marine artists, and others utilize great photos. This year's cover was prepared by Captain Bob's daughter Dawn Lang Shoemaker. The cover idea was to be an original painting by Captain Bob of his boat, *Transition*. As the print deadline approached and the cover painting was not yet completed, it was clear Bob would need to solicit help. He went to his incredibly talented and artistic daughter, Dawn, who took his idea and rather than paint, put her computer skills to work. The first draft included his 50-foot Hatteras named *Transition*. After some discussion, he and Dawn decided to also include his recently purchased center console, a 28-foot Pursuit named *Island Pursuit*. Both vessels are shown on the "Islands in Lake Erie" chart, the favorite cruising grounds for Bob and his family.

Table of Contents

Administration

- 8 2021 Flag Officers
- 8-9 2021 Committees

Flag Officers

- 3 From the Commodore
- 5 Meet the Commodore
- 7 Commodore's Home Port
- 14 Yachtsman of the Year
- 14 Commodore's Awards
- 15 Yacht Racing Union Trophy
- 64 From the Editor

Ladies Program

- 11 Receptions

Trustees

- 12 2021 Board of Trustees
- 13 Trustees & Appointments
- 15 Honorary Regatta Chairman

I-LYA History

- 17 Historically Speaking
- 21 Past Yachtsmen of the Year Recipients
- 23 About I-LYA
- 25 Past Commodores

The Inter-Lake Yachtsmen's Fund

- 27 Trustees/Purpose

From the Commodore

WOW! Here we are—2021—a new year! Let's hope we can finally get back to normal. The Inter-Lake Yachting Association is a family of clubs dedicated to bringing boaters together to compete and enjoy each other's camaraderie. Our regattas are among the best, if not the best, in the country. As you know, we had to cancel most of our traditional events last year. That was a heart breaker for all of us. We did, however, manage to put on a small, scaled back Sail Regatta that continued our long-standing tradition for having the longest running regatta in the country. Last year was I-LYA's 127th Regatta. This is something we should all be proud of.

Our regattas are the highlight of each year, a time for sailors and power-boaters to compete in sailing races and boating competitions. These events bring people together from all walks of life and all corners of our Great Lakes region. The friendships made during these regattas and the camaraderie of fellow boaters is the best thing ever. This year our Senior Sail Regatta will once again be chaired by Bill Pribe (NCYC), Doug Seib (PIBYC) and Connie Miller (PIBYC). Our Powerboat Regatta will be chaired by our rear commodore, Lloyd Bogue (AYC). The I-LYA Junior Championships, better known as Junior Bay, will be chaired by Mike FitzGibbon (CYC). Our Junior Powerboat Regatta will be chaired by Scott Kneisel (BVYC). There is a lot of work that goes on behind the scenes for these events to take place and this year is no exception. The committees have been meeting and planning for many months and we all hope to see you at Put-in-Bay for one or more of the regattas. So, if you have not already marked your calendar with the dates, please do so now (see sidebar). This will be a great year.

This journey as Commodore is an experience that I have looked forward to doing for some time now. I want to thank all of you that have supported me through this journey and a special thanks to my wife, Bobbi, of 54 years. Bobbi and I are looking forward to seeing all of you at the I-LYA Regattas and other social events throughout the year. I know that my success is dependent on all the volunteers who will make those events happen. It is truly an honor and privilege to serve as I-LYA Commodore in 2021. Hope to see you soon out on the water.

Love you guys,

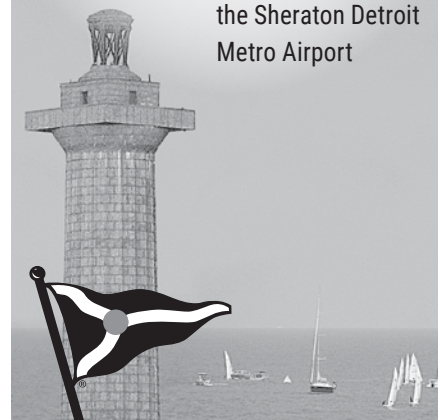

Bob Lang
2021 Commodore

Meet the Commodore

Our 2021 Commodore, “Captain Bob” Lang, as he is known to the boating community, has been a lifelong boater on the Great Lakes. He has been married to his high school sweetheart, Bobbi, for 54 years and as newlyweds they spent their first year of marriage aboard Bob’s parents’ boat, a 38’ Chris Craft. Bob and Bobbi have owned many boats over the years, both sail and power, and currently have a 50’ Hatteras Convertible named *Transition*. The name celebrates the sale of their business and segue to retirement. They plan to travel the lakes and visit I-LYA member clubs aboard *Transition* in 2021. Captain Bob first began boating as a youngster aboard his parents’ boats back in the 50s. Bob’s love of boats and boating led him to open a marine store in the late 60s that included boat repair and maintenance. When it came time to enter the military, Bob missed his opportunity to join the Navy and was drafted into the Army. In the early 70s, Bob became a member of the U.S. Power Squadron and took advantage of the many boating classes they offered. After achieving the grade of Senior Navigator, Bob spent several years as the Grosse Ile Power Squadron’s Educational Officer and enjoyed teaching the “Safe Boating Classes.” When Bob and Bobbi purchased a 61’ Hatteras in 1997, Bob decided that he should get his USCG captain’s license and did. Bob uses many of his boating experiences when teaching his classes.

Bob’s involvement with the I-LYA dates back to the early 80s, going to the Powerboat Regatta and participating in the boating competitions. In fact, Bob and Bobbi have attended almost every Power Regatta and Spring and Fall Meeting since 1981. Some of Bob’s achievements over the years include being the 1984 commodore of his home club, West River Yacht and Cruising Club (WRYCC) and serving as I-LYA trustee in 2012, 2013 and again in 2017. Bob’s love of the Powerboat Regatta got him involved in chairing many of the events including canoe races, inflatable races, and the cardboard boat races. In 2009, Commodore Ed Payne asked Bob to take over the Junior Powerboat Regatta. This program has come a long way in the past 11 years and Bob continues to develop new and interesting contests for junior powerboaters. Bob believes that the future of I-LYA lies with our youth and is committed to seeing the Junior Power Regatta grow and prosper. In 2010, he served as treasurer for the Powerboat Regatta and four years later was chairman of the event. Bob received the Mid America Boating Skipper of the Year award in 2013 and in 2016 was named I-LYA’s Yachtsman of the Year. Bob and Bobbi are both life members of the Yachtsmen’s Fund.

Before retiring, Bob was the owner of a steel fabrication shop and engineering company specializing in structures. He enjoyed many years in the industry, especially the military contracts with the US Navy. In 2019, Bob sold the business and now enjoys woodworking. When he is not out on the boat, you will find him in his woodshop, “The Old Garage,” working on a nautically themed project. The past 40 years of involvement in I-LYA have provided Bob with some great memories, but more importantly, he has made lasting friendships. His knowledge of boating, his experience, and his leadership will provide the necessary tools to uphold the goals and traditions of the I-LYA and continue to move it in a positive direction.

The Board & Members of WRYCC

West River Yacht and Cruising Club

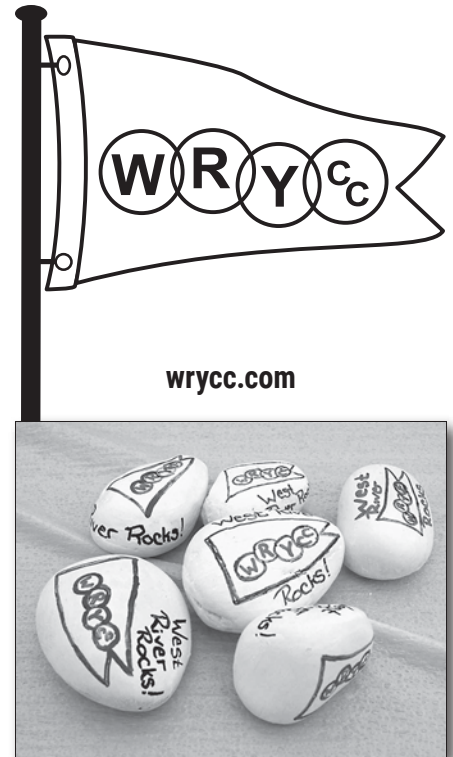

In 1965, West River Yacht and Cruising Club was formed as West River Yacht and Country Club on Grosse Ile. The organization operated a nine-hole golf course and marina facility built on the former Knudsen summer residence, located on West River Road across from Detroit Edison on the Trenton Channel.

In 1970, application to join the Inter-Lake Yachting Association (I-LYA) was made and West River received interim membership with full membership status finally granted in 1973. This was an exciting time for West River, and they immediately became involved in the powerboat activities within I-LYA. 1975 marked the first official Powerboat Regatta and West River's PC Raymond Sprow was instrumental in organizing the Detroit area clubs' participation at this inaugural event held at Presque Isle Harbor, Erie, Pennsylvania. West River's love for the Power Regatta remains strong today. The mid 70s, however, also brought disruption to the club when a disagreement between responsible parties resulted in the loss of their facility when Grosse Ile Township took over management of the property and opened Waters Edge Country Club.

WRYCC entered a period of struggle and challenge. Thankfully, several of our long-term members kept hopes high and expectations reasonable. Although no longer officially connected with the township property, WRYCC continued to function as a viable yacht club, holding monthly meetings at various locations in the downriver area. Our membership within I-LYA remained intact due in large part to the efforts of lifetime members Paul Migda, PC Bob Lang, PC Bob Campbell and PC Dick Kott, to mention a few. The name was changed to West River Yacht and Cruising Club to better reflect the club's central purpose.

In 2001, West River was presented with the opportunity of returning to its roots, and in 2002 Grosse Ile Township named WRYCC the official yacht club for the facility known as Water's Edge Municipal Marina. In 2003, West River was granted full membership into the Associated Yacht Clubs.

In 2020, West River officially designated Smokies on the Water (the restaurant at Water's Edge) our home. Over the years, West River has continued to demonstrate its resilience and ability to adapt to the ever-changing dynamics of our boating community. One constant, however, is that our members always enjoy the many social functions and boating activities planned each year and look forward to the annual I-LYA Regatta.

Yachtsman of the Year

Congratulations, Scott Kneisel!
2021 I-LYA Yachtsman of the Year

Scott Kneisel, Bay View Yacht Club

Scott first started his boating activities at two years of age when his father purchased the family's first boat. Boating here on the Great Lakes is and has been a family tradition for the Kneisels. Scott is a member of Bay View Yacht Club and served as their commodore in 1997. He first started coming to the Powerboat Regatta in 1994 and since that time has not only competed in the various competitions but has volunteered to chair adult putt-putt and the predicted log contest. He has taken a serious interest in our Junior Powerboat Program and you will find the Kneisel juniors, Josh and Erin, named as first place winners in many of the contests. Both Josh and Erin have now aged out of the Junior Powerboat Program, but Scott continues to volunteer his time and the family tender to allow other juniors to take part in the contests. Scott is BVYC's delegate to I-LYA and enthusiastically promotes the Powerboat Regatta to his club members and fellow boaters. He is in his second term as I-LYA trustee and continues to volunteer his time and energy toward the goals and future of I-LYA. Thank you, Scott, for all you do for the organization.

Commodore's Awards

Dawn Lang Shoemaker, West River Yacht and Cruising Club

Dawn is an amazingly enthusiastic volunteer. Ask her to do something and she jumps in both feet headfirst. Like I said, you want something done, ask Dawn. She has been my go-to person for making things happen at the Power Regatta. She tracks and records all the volunteer hours and participants and posts contest winners daily. She assists at the registration desk with both junior and adult activities and helps with Junior Power on-the-water activities as well. In addition to her involvement in I-LYA, she is a past commodore of WRYCC and is currently running the chairs for a third time. Dawn just cannot say no, at least not to her dad. Thank you for all you do, not only for me, but for the entire I-LYA organization. Love you.

Connie Miller, Put-in-Bay Yacht Club

Connie is another one of those dedicated volunteers that just can't say no to I-LYA. She has been actively engaged in the planning of the Sail Regatta for many years. Her involvement includes serving as sail social director and sail co-chair. She is always right there organizing the Sail Regatta meetings, taking notes and seeing to it that everyone has copies. She has served as administration treasurer and is currently in her second term as I-LYA trustee and was recently elected to serve as their vice president. When you ask a question about what happened last year or in some previous year, Connie will come right back with the answer and back-up documents, too. It is absolutely amazing how organized she is. Thank you, Connie, for all you do for I-LYA.

I-LYA Honorary Regatta Chairman

The I-LYA Honorary Regatta Chairman is awarded to an individual who has displayed his or her dedication over the years to I-LYA and our four regattas and who has consistently cooperated and helped with the goals of I-LYA and our affiliates on and off the Island.

Billy and Liam Market

Billy Market

One of the most recognizable faces on Put-in-Bay, Billy Market is the guy most I-LYA members probably know if they travel aboard the Miller Ferry. As one of the owners of the boat line, Billy oversees day to day ferry operations. One might see him collecting tickets, sorting freight, or any of the duties it takes to make a ferry system a “go.” A fifth generation islander, Billy grew up on Put-in-Bay and holds a unique degree from The Ohio State University—a B.S. degree in “Ferry Transportation” fashioned around his business goals and passion for the Lake Erie Islands. Billy was trained for his role as ferry captain and manager under the watchful eye of his dad, Bill Market III.

Billy recognizes the importance of the history of I-LYA at Put-in-Bay as well as the economic benefits our organization brings to the island. An island supporter and team player in every way, Billy also lends his time to the Put-in-Bay School Board, helps maintain the Put-in-Bay softball field, and he heads the much anticipated Ullr Fest (aka the Bring on the Ice! party).

Billy lives on Put-in-Bay with his wife, Allie, and son, Liam. He has two daughters, Caiti and Leah, and recently expanded into the new role of “Grumpa”—grandpa of Benjamin Bolyard.

Yacht Racing Union of the Great Lakes Trophy

Bill Pribe, North Cape Yacht Club

The Yacht Racing Union of the Great Lakes is a precursor to the present-day body of US Sailing. This trophy is awarded each year to a person who has gone above and beyond to ensure the success of the I-LYA Sail Regatta. Bill Pribe has been the Sail Regatta chair for the past several years, leading a team of volunteers and running a regatta that we can all be proud of. In addition to serving as regatta chair for I-LYA, Bill is also the sail fleet captain for Associated Yacht Clubs, organizing sail races around the western end of Lake Erie and is actively involved with racing at his home club, North Cape Yacht Club. Bill is not only an accomplished sailor, but a serious competitor when it comes to sailing. He is the go-to guy if you want to know what’s going on in the sailing community.

Thank you, Bill, for all your hard work and dedication to sailing in I-LYA.

Congratulations, Bill Pribe!
2021 I-LYA Yacht Racing Union of the
Great Lakes Trophy winner

***Congratulations to the 2021 I-LYA
Commodore Bob Lang & Lady Bobbi***

Historically Speaking

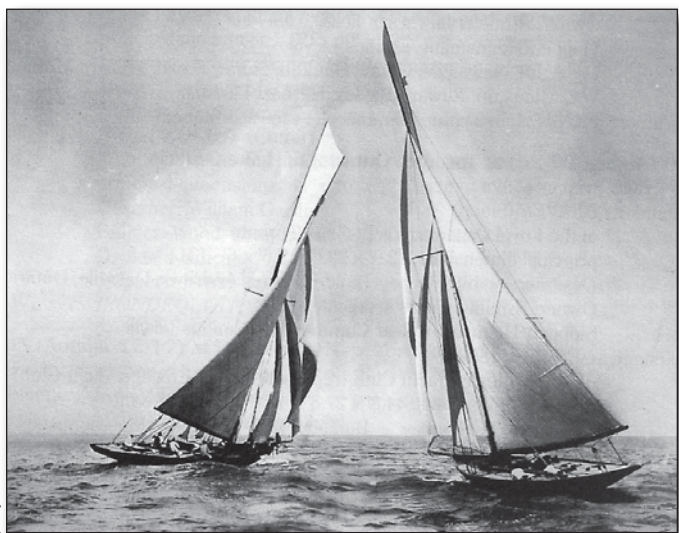

By Tom Thanasiu, Jolly Roger Sailing Club

I-LYA 125 Years Ago (1896)

The Canada's Cup

1896 was the year of the first Canada's Cup race. *Vencedor* of Chicago and *Canada* of Toronto were due to battle for the sterling compotier donated by Commodore S.O. Richardson of Toledo for the week after the I-LYA regatta. The contest attracted large fleets of yachts from Lakes Michigan and Ontario. The Canadians won most of the prizes, which were cash in those days.

The yacht *Canada* (left) crosses tacks with *Vencedor* in the 1896 Canada's Cup. *Canada* won the race.

Canadian-born George H. Worthington learned to sail in Toronto Bay. He moved to the United States at the age of 17. He wore many hats: wholesale grocer, railroad contractor, sandstone quarrier, industrialist, banker and world renowned stamp collector with a reputation of accomplishing anything he set his mind to. He became commodore of Cleveland Yachting club in 1895 and held that position until 1914, overseeing construction of the new CYC clubhouse that his predecessor Commodore Gardner began. Worthington became commodore of I-LYA at the age of 46, a position he would hold three more times (1905, 1908 & 1913). Vice commdore was C.J. Lichtenburg of Detroit Yacht Club, Rear commodore was

Henry Tracy of Toledo Yacht Club. This year's regatta was held at Put-in-Bay August 18–21. Worthington's flagship was the steel schooner yacht *Priscilla*, built originally for the America's Cup defense.

Classes competing in the sailing events were the 50, 46, 40, 35, 30 and 25-footers. There was one scheduled event for naphta launches and the squadron sail for the steam yachts. The Canadian schooner, *Zelma*, in the 46-foot class, won the free-for-all for the Hotel Victory Cup.

The regatta produced a great boom in yachting, especially at Toledo, Cleveland and Sandusky. George F. Anderson of Sandusky went to Toronto and purchased the fast cutter *Eva*. Captain Herman Krause of Cleveland Yachting Club built the famed sloop *Vinco*. There was much grumbling about the lack of uniform racing and measurement rules. I-LYA set the groundwork for a meeting in New York to organize the North American Yacht Racing Union. East coast yachtsmen resisted the movement.

I-LYA 100 Years Ago (1921)

In 1921 F.W. Roberts, 1915 PC of Cleveland Yachting Club, was our commodore. Roberts was the president of Cleveland's F.W. Roberts and Co. (est 1881), an office supply company selling everthing an office could need from furniture to pen to paper. The vice commodore was George H. Wood of Monroe Yacht Club with E.H. Scott of Erie Yacht Club as rear commodore. There were daily power boat races at the regatta held at Put-in-Bay, July 10–17, run under the International Power Boat Union rules. The regatta flagship was Roberts' 50' auxiliary wooden sailing ketch *Petrel*, built in 1906 in Detroit by J.H. House. Sailing classes included A, J, Taft Cup, Cats, Club Cats, R, Star, and yawl. The Taft Cup was donated to the Toledo Yacht Club by President Taft for the new (and only at the time) 1-design class, 22' K Cats. The yachtsmen's dinner was held at Hotel Crescent and the commodore's reception at Hotel Commodore. PIBYC Com. A.G. Smith's Oak Point lawn accommodated the ladies' bridge party. There were shore sports, dinghy races, ball games and prohibition.

The squadron sail was on Thursday as was the formal yachtsmen's ball at the

President Taft Cup Trophy

Colonial Pavilion. Admission was \$1 per couple. Prizes were distributed on Friday at Hotel Crescent. It was the year when the marconi rig began to replace the gaff for racing sail yachts. The Yacht Racing Union of the Great Lakes rules called for remeasurement of all boats that switched to the new rig. Prizes were cash and cups.

1946 Com. Lester R. Mylander

I-LYA 75 Years Ago (1946)

Doctor of Osteopathy, WWI veteran in the overseas US Medical Service, and founder of the Sandusky Memorial Hospital (1933), Lester R. Mylander of Sandusky Yacht Club was our 1946 commodore. Edgar W. Kiefer of Port Huron Yacht Club was vice commodore and Alexander Winton Jr.,

of Cleveland Yachting Club, rear commodore. It was the first post-war year. Fuel rationing was ended and the first new postwar boats were being delivered.

Among new classes of sailing craft were the Great Lakes-21s—later renamed the International-21s—the Thistles and the Yankees. The spring and fall meetings were held at Sandusky Yacht Club. Regatta dates were August 11–15 at Put-in-Bay.

Fred Temple's *Thisbe* and Ed Wunsch's *Shamrock* tied for first place in the 8-meter Class. Don Asher's *Roamer* from CYC won in the Star Class, Charles A. Buysee's *Last Straw* of DYC in the cruising class, Jack Briner's *Host* from Bayview Yacht Club in the C Class and L. Carnegie of DBC in CKs. Commodore Alexander Winton Jr. made a clean sweep with *Puffin* in the R Class, winning the final race in a four-way photo finish.

Squalls and heavy weather at the regatta's start kept many contestants away. Still there were 179 entries from I-LYA's 54 member clubs. The regatta was almost cut short by the grumbling of the sailors about the poor food and accommodations at high prices at the Bay. There

was growing sentiment to shift the regatta to Sandusky Bay. The commodore's ball, shelved for the duration, was revived and held at the Colonial.

I-LYA 50 Years Ago (1971)

The 1971 commodore was Arthur N. O'Hara of Vermilion Boat Club (PC 1965). Commodore O'Hara worked for the Thew Shovel Co. in purchasing. He worked his way up the I-LYA ladder by chairing multiple committees such as Entertainment, Junior Trophies, and Patrol Facility. He may have been the first to organize an I-LYA vacation with an 8-day/7-night stay in Acapulco that fall.

The Junior Championship chair was Cal Canfield IV from VBC. Bill Frissell (skipper) and Blair Hamilton, Tod Sackett and Peter Frissell (crew) of Mentor Harbor Yacht Club beat 19 other Thistles, winning and qualifying to compete in the Sears Cup finals. The Sail Regatta, August 8–11, was noted for its one-of-a-kind series for cruising, multi-hull and centerboard classes. It attracted 200 sail yachts with 124 in the cruising classes.

Bob Bairas of Edgewater Yacht Club sailed *Odyssey* to a clean sweep in MORC-A as did Dan Barnard of Chagrin Lagoons Yacht Club with *Ponytail* in MORC-C. Jack Ruelbach of Northeast Yacht Club trounced the Wayfare Fleet. Bob McGee of VBC swept the Ensign series with *Kelley*. Art Shomer's *Pop-N-Jack* of CYC was the R Class champ. It was one of I-LYA's finest regattas with William P. Connelly of Grosse Pointe Yacht Club running the races.

At year's end, Dr. George L. Sackett, Sr., of Mentor Harbor Yachting Club was elected to succeed Commodore O'Hara as I-LYA's 72^d commodore.

I-LYA 25 Years Ago (1996)

At the helm of I-LYA in 1996 was Michael Ashbrook Smith who was born in Cincinnati, Ohio but spent his summers at the family cottage on Catawba Island. His time was spent boating in the area waters in a variety of boats, including a sailing outrigger canoe, a small power runabout and a sailing pram made of lumber from the family business in Findlay, Ohio. A Rebel was purchased to be sailed at "the Bay." After high school, Mike worked in the steel business and graduated from the University of Cincinnati in 1965. He eventually became a private search analyst and owned his own business. Mike owned many boats over the years but the flagship at the Bay was a 32 foot powerboat *MIJO*. When sailing he usually crewed on his dock partner's 35 Express, *TIME*. The most recent I-LYA PHRF Trophy, the Mike Smith Trophy, is a mounted ship's clock. Over the years, Mike held membership in a number of clubs, sailing with Port Clinton Yacht Club first then Huron Yacht Club in the mid 70s eventually becoming

Mike Smith Trophy

Sandusky Yacht Club, was elected to I-LYA rear commodore and resigned his trustee position.

I-LYA's 1996 K Cruise out started at Fairport Harbor Yacht Club on July 6th with 11 boats and a cookout put on by Chuck and Marilyn Fullmer. The next day took them to Ashtabula Yacht Club for an overnight and then continued to Erie Yacht Club for a two-day layover. The skies were clear but there was a strong North wind and rough seas. Departure was delayed several hours in hope that the wind would die down. Six boats left at 11 A.M. and the second group departed at 2:00 P.M. for Port Bruce, Ontario to dock at North Erie Yacht Club. The last port of call was Kanagio Yacht Club in Port Stanley, Ontario. With a still strong north wind, the ride was fairly smooth as they stayed close to the lee Canadian shoreline.

In Port Stanley, the cruisers took the train to St. Thomas about 30 miles north inland Friday morning of July 12th. When the eleven o'clock bridge opened on Saturday and once outside the protection of the Canadian shoreline, they encountered scattered showers and high seas. The K Cruise armada rode these waves for four hours and it wasn't until they saw the Cleveland skyline that the lake started to settle down and it was there that they said their goodbyes and went to their home ports.

The 41st I-LYA Jr. Race Week with Arne and Marge Hanson, JRSC, as chairpersons for the regatta started with 102 participants from 13 clubs. Sunday July 21 was busy and included registration, inspection and launch, check-in at the Islander Hotel, race clinic sponsored by US Sailing, ice breaker dinner, team photos at the monument and finally, lights out. The ice breaker for the adults was held at the Tigges' home. Racing was Monday morning through Thursday afternoon on Thistles, Flying Juniors and full rig lasers in 2 classes: the Championship Series and the Commodore Series. The top winners in Thistle were Vermilion Boat Club's Matt Moehe, Dave Lopez and Sarah Potter; Flying Juniors Ian McCurry and Erin Shea (HYC); Lasers Kristin Zillman (EYC). Ray Greene Trophy/individual sportsman went to Cleveland Yachting Club's Patrick Poehman and the Art O'Hara Trophy/individual sportswoman went to Rachel Arth of the Put-in-Bay Yacht Club.

their I-LYA delegate. Mike was busy in 1991. He was I-LYA Powerboat chair, I-LYA trustee, president IOBG District 7 and Henry Webber's I-LYA fleet captain working all 3 regattas. In 1994 Mike joined

Saturday morning the 23^d was the finish of the Cleveland Deepwater with Toledo, Sandusky and Port Clinton races finishing in the evening. Sunday afternoon the Detroit Deepwater boats finished.

I-LYA Regatta races were Monday, July 25th through Wednesday with Don Bartels, LYC and Brian Huntley, SSC co-chairing. 21 classes raced with the following top winners: PHRF class overall, winner of the Mike Smith trophy, Scott Boettner, FYC; MORC Championship trophy, *Splashdance*, Lazlo Goda, NCYC. The Multihull Class was part of the US Sailing Alter Cup Semifinal Championship with James Diamond on *Cheap Date II* winning.

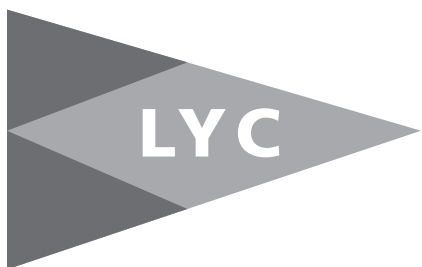

There was a break in the action until the Jr. and Senior Powerboat Regattas started on Thursday, August 8 and ran through the 10th with the docks needing to be cleared by Sunday the 11th. Rich McKee of Westlake Yacht Club chaired. Total boats registered was 182 with the greatest participation from South Shore Cruising Club. The Greeley Predicted Log Trophy went to Dennis Mintus, AYC. The Snodgrass Committee's trophy for overall went to Roger Viculus, FYC, who also won the I-LYA predicted log contest. GCBA beat AYC in Softball and the Junior Navigation contest went to Greg Sattler, WWCC.

I-LYA 10 Years Ago (2011)

Our 2011 Commodore was Fred Schroeder of Cooley Canal Yacht Club. Rounding out the chairs were Mike Morton of Wyandotte Yacht Club and Kris Miller of Put-in-Bay Yacht Club as vice and rear, respectively. Bob Sheppard of Alum Creek Sailing Association was awarded the Yachtsman of the Year and John Hopper won the Commodore's Award. Steve Harris from Buckeye Lake Yacht Club led the Board of Trustees. There were 147 member clubs in 2011. Sadly, I-LYA lost two past commodores, Norm Winkel (1978) and Rolf Tinge (1993).

The 2011 regattas were all held at Put-in-Bay. Junior Bay (July 17–21) was chaired by a North Cape Yacht Club team of Jeff & Marilyn Mackay and Mark & Karen Keesey. Jack Hunger, John Salisbury, & Repton Salisbury of Cleveland Yachting Club, Mike Gemperline and Emily Schneider of Edgewater Yacht Club, and Stu Fisher of Hoover Sailing Club were the big winners this year. Junior Power was led by Bob Lang, West River Yacht & Cruising Club with Jakob Shoemaker of WRYCC winning the Junior Navigation. Bob Sheppard, ACSA, was Sail chairman. The regatta ran July 27–31. Brian Hartwell's *Feisty* from Grosse Ile Yacht Club snagged the PHRF Boat of the Year. 2011 Vice Commodore Mike Morton ran the Power Regatta over August 1–7. Bill Stewart of St. Clair Yacht Club won the Commodore's Trophy.

Past Recipients *Yachtsmen of the Year*

1978 marked the beginning of a tradition that has been adopted by each administration since. Commodore Norm Winkel determined that recognition should be given to the many volunteers who freely donate their time, vacations, talents, expertise, and even boats and equipment to ensure the continued success of yacht racing competition and the I-LYA organization. These special people have earned the honor of being "Yachtsman of the Year."

About I-LYA

INTER-LAKE YACHTING ASSOCIATION

I-LYA's basic purpose is the protection and promotion of the interests of boat owners and water sport fans in the enjoyment of their sport.

I-LYA is a watchdog for proposed legislation that may affect yachting and yachtsmen.

I-LYA serves as a clearinghouse for yachting information.

I-LYA's officers and committees are available to help its member clubs with boating related problems.

I-LYA is the US Sailing Regional Sailing Authority and Appeals Body for race protests in the area.

At the top level, **I-LYA** works hand in hand with US Sailing and class racing associations in developing fair and workable rules.

I-LYA's foundation, The Inter-Lake Yachtsmen's Fund was established to support training, education, and junior activities. The Yachtsmen's Fund is a qualified 501(c)3 corporation and all donations are tax deductible.

I-LYA is the leader in Junior Sailing in the Midwest. The annual Junior Regatta is one of the largest Junior Sailing Events in the United States and serves as a model for other clubs. The winners of "Junior Bay" receive scholarships from the Inter-Lake Yachtsmen's Fund.

I-LYA is also a leader in Junior Power boating in the area. The Junior Powerboat program which was developed in 2006, offers Leadership Training and navigational contests. The winners of this event are also awarded scholarships from the Inter-Lake Yachtsmen's Fund.

I-LYA consists of 140 member clubs and every member of each club is automatically a member of I-LYA, and is assured recognition among other clubs.

I-LYA's membership includes clubs from both the United States and Canada, making for strong international ties and competitions.

Member clubs are represented by delegates to **I-LYA** and meet twice annually. Spring and fall meetings are held in the vicinity of the current Commodore. Class advisory, cruise and powerboat committees meet prior to the delegate's meeting, giving open forum for class improvement and rules enlightenment. Delegates elect the Flag Officers and Trustees at the Fall Meeting.

I-LYA appoints delegates to US Sailing and Yacht Racing Union of the Great Lakes.

I-LYA is governed by a nine member Board of Trustees. Business is conducted through the office of the Executive Secretary.

I-LYA seeks corporate sponsorship to improve the services provided to its members and to control costs.

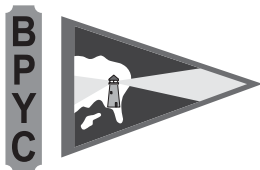

I-LYA's Annual Regatta is held at Put-in-Bay, on South Bass Island, in western Lake Erie—the site of the historic Battle of Lake Erie in the War of 1812. It draws more than 500 Sail and Power boats annually.

The Yachtsmen's Fund
433 North Broad St.
Lancaster, OH 43130

Celebrating the Past—Shaping the Future

The Yachtsmen's Fund, an IRS-recognized 501(c)3 charitable organization, believes that our young sailors and power boaters are the future of our sport. It is imperative that we do all we can to support their education, growth, development, and love of sailing and powerboating. In 2020, in response to the pandemic, the Fund created Health & Safety Grants to help clubs and programs meet the requirements needed to remain open and active. In 2021, we are expanding Training Grants to encourage instructor and race management certification, supporting Junior Bay Week and Junior Power, awarding scholarships to qualifying I-LYA junior sailors and powerboaters, and providing Championship and Challenge Team grants to junior sailors who travel and represent I-LYA.

We thank the Benefactors and Sponsors listed on this page who recently contributed over \$11,000 toward our Centennial Campaign in honor of our first 100 years. We also acknowledge the gifts of all who have given or will give as life members, annual contributors, or through memorial donations. Your support along with that of our Dollar-per-Member organizations makes a difference today, tomorrow, and far into the future.

7/25	I-LYA Opti Champs—Sandusky SC
▲8 7/31	Cowan Lake YC
▲9 8/7	Erie YC (Finale & Awards)

▲# = Counter Race for Series Awards

The most up-to-date calendar is at www.i-lya.org.

The Junior Traveler Series is a summer-long series of weekly regattas hosted by I-LYA member clubs which offers an increased opportunity to race close to home. Series awards will be presented to the top finishing skippers and crew in each qualifying fleet based on the best five regatta finishes at any of the qualifying events. There is also a Team Trophy awarded each year to the top finishing club. Registration and scoring for the series and each qualifying regatta will utilize Regatta Toolbox.

Sailors must be at least 7 years old and can participate in the Traveler Series up to and including the summer immediately following their senior year of high school. The Notice of Series is available online on the Traveler Series page under Junior Sailing at I-LYA.org.

There are no race results as all 2020 TS regattas were cancelled. I-LYA is monitoring the incidence of COVID-19 and will be following guidance from local health departments and the State of Ohio. Be aware that regatta events this year may be altered or cancelled to accommodate current restrictions.

Junior Power Contests

These Junior Regatta contests are designed to reinforce the safe boating practices and rules of the road learned in the classroom. The contests and seminars use a hands-on approach and provide the juniors with the confidence to operate motorized vessels. The vessels used at the regatta are inflatables donated by senior participants of the power regatta. For additional information about the Junior Power Program please visit the I-LYA web-site.

General Knowledge and Seamanship

Friday's safe boating seminar provides each junior with a refresher course on safety requirements, rules of the road, understanding of buoys and their identifying characteristics, hand held GPS and electronic chart instruction, and much more. Juniors will be asked to demonstrate knot tying, line throwing, and how to properly secure a vessel. A written exam, testing each junior on his or her general knowledge of the above concludes this contest.

Charting and Course Plotting

The safe boating seminar also covers charting and course plotting. Hands-on activities teach the juniors how to read charts, determine their position and plot a course. At the end of the seminar, each junior will be tested on their understanding of the above.

Navigation Competition

This is a shore-based contest that will require juniors to pair up and take a short walk or bike ride around the Island. They will be asked to take bearings, make observations and determine their position using hand held GPS as they make their way around the Island. Bikes will be provided if necessary.

Weather Contest

Each junior will be asked to forecast the weather for a prescribed time and place. The forecast will include temperature, wind direction and velocity, barometric pressure, sky conditions, precipitation, and relative humidity. Prediction forms will be provided and must be submitted by a set deadline. A committee shall assemble at the prescribed place and time to observe and record the actual weather conditions and determine the winners of this contest.

On-the-Water *(Four contests using inflatables)*

"COURSE A" Boat Handling Contest "Course A" will demonstrate the steering and boat handling capabilities of each junior. The junior, accompanied by an assigned adult, will run a 3-leg course in both a clockwise and counter-clockwise direction with the objective of making both runs in the same amount of time. Speed is NOT the objective.

"COURSE B" Compass Reading and Bearings Contest "Course B" will demonstrate a junior's ability to read a compass and take bearings and identify your position using hand held GPS. The goal is to steer as carefully as possible between the marks for each of three designated courses set by the committee. At the end of each leg the junior is to record the compass heading steered. An assigned adult will crew on each vessel.

Chicane This is a timed test of boat handling and low speed maneuvering. The junior will be timed and judged on his or her ability to successfully maneuver through a prescribed course at no-wake speed in 2 directions without creating a wake and without hitting the marks on the course.

Docking This contest evaluates the junior's boat handling and maneuvering skills as related to docking. The junior will be judged on his/her ability to properly maneuver, dock and secure his or her vessel within a predetermined dock space. Hitting the dock and/or high speed operations will result in loss of points.

Social Competitions

In addition to the bragging rights earned by making a hole-in-one during Jr. Putt-Putt or Jr. East trouncing Jr. West (or vice-versa) in volleyball, Junior Power Regatta participants also enjoy the following contests:

Geo-Quest

Based on Geo-caching, Geo-Quest is a live treasure hunt utilizing compass and GPS skills. Junior teams will explore the island via adult-driven golf carts and locate hidden "treasures."

Fishing Derby

The "Fishing Derby" is designed for all juniors participating in the regatta. Come one, come all and see who catches the largest, the most and the smallest fish. The committee will be available to bait your hooks and will supply the bait as well as snacks for the anglers. Bring your pole and your life jacket and arrive 15 minutes before start time so you will be ready to drop your hook. Prizes will be awarded immediately after the finish time. So don't be late and good luck!

Awards

Ribbons: are given to each winner of the four On-the-Water contests, the Weather contest, and the land/shore based Navigation competition. 1st, 2^d or 3^d place ribbon awards are provided depending upon participation.

Junior Skipper Award and Trophy: is given to the individual having the highest total combined score for all On-the-Water contests and the Weather contest.

Scholarships: 1st, 2^d & 3^d place monetary scholarship awards are given to the eligible juniors with the highest overall score for all competitions.

1. Only those juniors who are members of a boat club affiliated with I-LYA will be eligible to receive scholarship awards.
2. Scholarships are based on final results from 2 days of competitions at the annual I-LYA Regatta.
 - General knowledge and seamanship
 - Charting and course plotting
 - Navigation competition
 - On-the-Water
 - "Course A" Boat Handling
 - "Course B" Compass Reading and Bearings
 - Chicane: boat handling and low speed operations
 - Docking contest: maneuvering and docking

Commodore's Trophy

Predicted Log

2021 Greeley Trophy

Start	Buoy R "2" Fl R 4s, PIB Harbor Entrance	Leave to Port
Steer a course at 250 degrees T for 2.60 NM (2.99 SM). At that point, give timepiece to the observer and proceed to:		
Control Pt. 1	Buoy G "1" Fl G 4s, Scott Point Shoal	Leave to Port
Control Pt. 2	Buoy Y Can "D," Erie Proving Grounds	Leave to Port
Finish	Buoy R "2" Fl R 4s, PIB Harbor Entrance	Leave to Starboard

Specific instructions will be provided in the contest packet. Each contestant must complete the entry form provided by the committee. This contest is not intended to be a team event. However, if a team wishes to compete, and if eligible, only one flag will awarded to the team captain. Only the team captain will be eligible to compete for the Commodore's Trophy.

Docking

This is a contest of boat handling and the ability to maneuver your vessel dockside. This contest is not a contest of speed. However, your time is recorded and used for determination of final finish placement and tie breaking decisions. When your vessel is called to compete, maneuver your vessel dockside and set your dock lines. The committee will set marks forward and aft of your vessel. These marks are used to define the space you have to maneuver your vessel. The committee will give you the signal to start and you will leave the dock, go to harbor and make a complete 360 degree turn. Once your turn is complete you will return to the dock and maneuver your vessel to dockside within the marks previously set.

Chicane

The object of the Chicane is to maneuver through the course with your engines in forward gear. Upon completion of the marked course make a 360 degree turn with your vessel. After completing the 360 degree turn, you must maneuver your vessel with engines in reverse back through the course returning to the start/finish line. You will be timed for the entire time it takes to run the complete course (both forward and reverse runs). You will be penalized for hitting a mark or making a wake.

Weather Forecasting

The contest form shall be filled in completely and filed with the Weather Forecast Committee by the time and day posted on the entry form and in the Regatta schedule. Twenty-two (22) hours later, at 1500 hours (3:00 PM) or as otherwise noted on the entry form, a committee appointed for the purpose shall assemble at Put-in-Bay to observe and record the actual weather conditions at the time and place described on the entry form. These conditions shall then be compared to the contestants' predictions and penalty points assessed for all variations. The winner shall be the contestant receiving the least number of penalty points.

Flying Mile

All boats will be timed electronically using a radar gun. Boats will NOT be required to run a full mile at their top speed. All boats will be timed within a 500 foot area designated by the committee. Two (2) or more participants are required to establish a class. No boat will be permitted to run in more than one class. Safety is our number one rule. Please operate your vessel in a safe manner. Remember, you are responsible for the safety of your vessel and all others on board.

Social Competitions

Social competitions include the East vs. West Volleyball, the co-ed Softball Game, and senior Corn Hole. Volleyball takes place on the PIBYC grounds and the softball game, at the school. Because most of the participants play these games only once a year, the spectators usually get a good laugh from the weekend warriors but occasionally see some impressive athleticism. The rivalry is sometimes intense but always good-natured. A trophy is naturally awarded to the victors but bragging rights are the real "Gold Medal" that is sought.

General Information

1. The SAFETY of all participants, crew, committee and audience is our number one rule. While participating in these contests, we ask all to observe navigation rules of the road, local laws and follow all safe boating practices. Please conduct yourself in an orderly and professional manner at all times and not put fellow participants, general public or the committee at risk or cause unnecessary nuisance. We want everyone to enjoy these contests whether on land or sea, please remember to BE SAFE.
2. These Contests and their rules have been prepared by the various contest committees and approved by the Powerboat Committee. From time to time, weather and scheduling conflicts may require changes or modifications to the schedule or contest rules. The various Committee chairpersons will make every effort to inform you of any last minute changes.
3. The success of the Regatta is directly related to participation in these contests and events. There is a first, second and third place flag given to the Clubs with the most participants in Regatta contests and events.
4. In addition to the Club Participation award, Clubs are eligible to receive an award for volunteerism. This is awarded to the Club having the most volunteers working the various contests, events and social functions. If you are a committee chairperson, it is very important to record the hours worked by your many volunteers in order that clubs are credited with all the hours earned during the Regatta.
5. Protests of judges' ruling can be filed with the Powerboat Committee. The Powerboat Committee will review the protest and make a final ruling.
6. Electronic copy of the official Regatta "Contest Rules Booklet" is available from the I-LYA website (i-lya.org). Also, hard copies are available at the Registrar's desk.
7. Refer to the official Regatta schedule and information available at the registrar's desk for the specific place and time of each contest.
8. Entry forms for all contests are available at the Registrar's desk located at PIBYC.

PREMIUM
PRODUCTS MADE FROM
TUNG OIL

AMERICAN MADE
FAMILY OWNED

WATERLOX

SINCE 1910

Protecting and enhancing wood surfaces since 1910.

Waterlox is the only Tung Oil recommended for use when finishing working surfaces and is an excellent choice for teak, exotic or hand-scraped woods. Our Tung Oil-Based formulations are hand made in Cleveland, Ohio using only the best ingredients along with our original family formulas. And we couldn't imagine a better job. Because to us, there is nothing more rewarding than preserving the authenticity and inherent beauty of wood.

ORIGINAL Formula

For all interior wood surface projects including floors, countertops and furniture.

MARINE Formula

For all exterior wood surface projects including boats, exterior doors and furniture.

TRUETONE Formula

For all interior wood surface projects where a matte finish with color is desired.

Premium Tung Oil finishes since 1910. www.waterlox.com

And more!

www.glccclub.com

The GLCC founded in 1934 as the single best source of cruising information about all of the five Great Lakes.

From the Editor:

This year's book is a bit skinnier than previous editions due to the unfortunate, but necessary, need to cancel most of the 2020 events. Kudos to your 2020 Commodores and Sail chairs who managed to cobble together a much smaller, but still mighty, Sail Regatta and keep the uninterrupted count going. The book is published long before the regattas are held and so, often, the information regarding schedules and committee chairs are still tentative as the book is printed. This year as the book goes to the printer, people are still scheduling their COVID-19 vaccine appointments and deciding on their own personal comfort level regarding whether they wish to head back out into the germ world so there may be more TBDs and TBAs than so-called "normal" years lurking in the schedules and committee lists. I-LYA volunteers aren't tolerant of vacuums. Be assured that someone will step up and fill those holes.

We would like to thank our sponsors, advertisers, clubs, and other individuals for their support. Without your continued generosity and support, we would not be able to produce this book. This book is a valuable resource to our members and our regatta participants and allows them to access important information throughout the year. The book also serves as an historical record of our members' enthusiasm and success.

Many thanks also go to our photographers for the photos that are reproduced in this year's book. They include John Bedford, Connie Miller, Cindy Johnson-Mintus, Tom Thanasiu, and Pam Myers.

We are grateful to the commodores and chairmen, past and present, who provided data for the pages, to Tom Thanasiu for his efforts in keeping I-LYA history alive, to Steve Harris for editing as well as compositing photo pages, and to Jane O'Brien who lent her eagle-eyed proofing expertise to the project.

Looking forward to a successful and fun-filled season!

Congratulations to Commodore Robert D. Lang and Lady Bobbi

Lake Erie is Ohio's Most Precious Resource

But the offshore wind turbine project known as Icebreaker is threatening to alter Lake Erie forever.

Visually Disruptive

A potential 1,500 wind turbine field would take up 75 square miles of space

Environmentally Damaging

The lasting impact on fish and migratory birds may forever change nature's balance

Financially Excessive

This project includes excessive construction and long-term costs to consumers

We're not against harnessing the power of wind energy, we're just against wind turbines being built in our great lake.

Learn more about Icebreaker and how to help at LakeErieFoundation.org
