About the Cover:

The 2016 cover is taken from a painting by Canadian artist Nancy A. Bauer. The painting is a representation of the "I-LYA Labour Day 2014 Event" held at Leamington Marina in Ontario, Canada. Nancy is a Sun Parlour Boat Club member and attended the event with the many other boating enthusiasts from our I-LYA members of our two neighbouring countries. She was impressed by the many aspects represented that weekend, that is, sail and power boats, vessels large and small—American and Canadian. She felt compelled to paint this scene of the boats as the sun set over the harbour, hoping to capture these elements that made the weekend such a success.

"It is an honour for Sun Parlour Boat Club that Chris Amlin, a Canadian, is the 2016 I-LYA Commodore and a huge honour for me to have a painting of mine on the cover of the prestigious Annual Yearbook" said the Artist when interviewed. Nancy went on to say, "I am delighted by this opportunity and proud beyond words. Many of my family are Americans and having American relatives is not an uncommon feature in the people in my life. I plan to mail a copy to all my cousins in the south."

I-LYA is an international organization dedicated to the enjoyment of recreational boating—both power and sail. The painting was chosen as a tribute to all the things that I-LYA has grown to be. It is hoped that the members enjoy the cover as much as the Artist enjoyed painting it.

From the Commodore

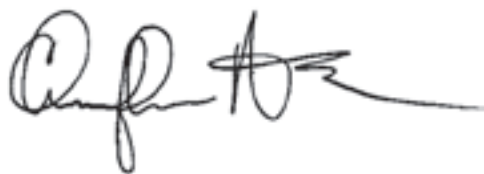

This year we celebrate the 123rd Annual Sail Regatta, the 41st Power Boat Regatta, the 61st Junior Sail Regatta and I-LYA's 131st birthday! This is an exciting year for Lady Sharon and me as well as the rest of Team 2016. Every year, the Commodore wants to leave the organization just a little better than the last and we are no exception to that rule. Team 2016 has been working hard all through the winter to find ways to deliver an improved program regardless of sail or power and I believe that our folks have done just that.

I am amazed at just how many people it takes to prepare and deliver the events that I-LYA will host this year. The time, dedication, energy and effort that it takes to prepare and plan our meetings and regattas is huge, and without the support of our volunteers that sit on the various committees, this simply could not be done. I would like to extend a special note of thanks to Senior Power Chair and Rear Commodore Mike Powers, Senior Sail Chair Jim Miller, Junior Power Chair Bob Lang, and Junior Sail Chair Dave Chapman for heading up our regattas for 2016. There is very little doubt that these events will be successful as a result of their efforts and that of their volunteers.

Another incredibly important group are the businesses that support I-LYA in terms of sponsorship, advertising and in-kind contributions. As you read through the 2016 yearbook, please take note of the goods and services these folks provide and if at all possible, utilize their companies. Without them, our regattas would be neither financially viable nor affordable. For the 2016 season, The Yachtsmen's Fund has again stepped up to support our Junior Sail and Junior Power programs. The dollar-per-member contributions that the Power and Sail Clubs make to the Yachtsmen's Fund allow it to continue to offer the level of financial support that the Junior programs need to survive. If your Club wishes to become a dollar-per-member contributor, please contact any of the Fund trustees. Contact information can be found within the 2016 yearbook. To all those folks that support the Inter-Lake Yachting Association... Thank you !

In closing, I would be remiss if I didn't recognize the Village of Put-in-Bay, Put-in-Bay Yacht Club and the Put-in-Bay Chamber of Commerce. Together, they truly are the best example of partnership between local business, local government, private groups and associations such as ours. The spirit of co-operation has been stellar this year and with their continued support, the future of our Regattas at the Bay looks bright. By combining our needs, we deliver a destination for families both young and old, activities and competitions for our on-the-water community, and more importantly a learning center for our junior athletes where sportsmanship, camaraderie, education, and safe boat handling are at the forefront. It is an honor to represent Inter-Lake Yachting Association in 2016 and Lady Sharon and I commit to doing all in our power to ensure that the I-LYA legacy continues for years to come.

Sincerely,

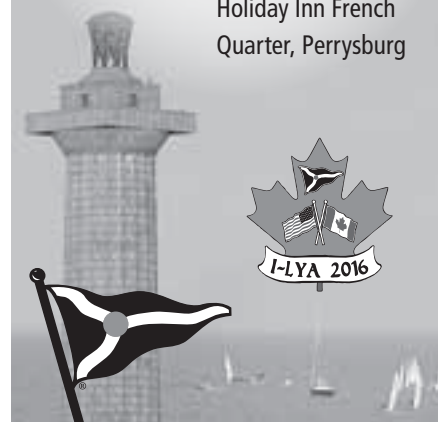

2016 I-LYA Commodore
Chris Amlin

Meet the Commodore

Our 2016 Commodore Chris Amlin was born in St. Thomas, Ontario, Canada. His family moved from there to Vancouver Island, British Columbia where his father, Bill, worked in the lumber mill. Eventually the family moved back to Amherstburg, Ontario where Chris attended grade school and later, General Amherst High School. He attended St. Clair College in Windsor, Ontario; Georgian College at the Owen Sound Campus for Ontario Land Surveying; and Ryerson University for engineering. After working in surveying, construction, and owning his own business, Chris is currently working as a Senior Project Director out of Vancouver, British Columbia for the Leducor Group. His job requires him to travel extensively and, at times, he seems to spend more time in airports and in the air than anywhere else !

Chris has a daughter, Alysha (Dave), from his previous marriage and she and her husband are expecting their first child. Sharon has a son, Jason (Emily), from her first marriage. Jason and Emily are proud parents of a son, Preston Michael French, who was born on October 17, 2015, making Chris and Sharon first-time grandparents. Chris and Sharon are also very fond of their two dogs Angel and Molly.

Chris' early years of boating involved a 16' fishing boat, a 28' Rinker, a 34' Wellcraft, and finally, the 420 Sea Ray, called *Insta Gator III, The Finale!* It has been suggested that *Insta Gator III, The Finale??* might be *more* appropriate but Sharon is standing firm to this boat definitely being *The Finale*. Chris is also the proud owner of a 21' centre console, *Knot-A-Gator*, and Sharon captains the 18' Four Winns, *Baby Gator*. Travels with the boats have brought this couple to Manitoulin Island, Mackinac Island, Georgian Bay, Lake Huron, Lake St. Clair, Lake Erie and all of the rivers in between, many times.

Besides boating, Chris has dabbled in the music industry playing electric and acoustic guitars in local bands and is passionate about fishing. Chris may have more rods and lures than Sharon has shoes! Sharon retired from her City of Windsor municipal government position in February 2012. Her main hobby has been photography with many hours spent in editing images, toying with her DSLR and she has recently taken up wood carving. In 2008 she was Sun Parlour Boat Club's Regalia Officer before going thru the flags until she became Commodore in 2011.

Chris served as Rear Commodore of Sun Parlour Boat Club in both 2003 and 2012; Vice Commodore in 2004 and 2013 and Commodore in 2005. He has been a Trustee for I-LYA and is the Chairperson of the I-LYA Memorial Restoration Committee which gave him the opportunity to meet a lot of new and generous people. Their first time at an I-LYA regatta was in 2005 where they won flags for the Docking Contest and Flying Mile. At the encouragement of Commodore Henry Webber, Chris considered going through the chairs of I-LYA, however, his actual journey through I-LYA began in 2011 as a Fleet Captain for Commodore Fred Schroeder with a repeat for Commodores Mike Morton and Kris Miller. In 2014 he was elected as Rear Commodore and during August of the same year he held the position of Power Boat Regatta Chair. He was also named Mid-America Boating Skipper of the Year for 2014. During Junior Bay Week 2015, *Knot A Gator* was the photography boat for Nate Parsons as he captured images of the Juniors competing on their courses.

Chris continues to live and breathe I-LYA and hopes to carry on the yearly tradition of participating in Bay Days.

Lady Sharon, Dave, Alysha, and Commodore Chris

Sun Parlour Boat Club

Sun Parlour Boat Club was organized in the late 1960s by a small group of local folks with a common interest in racing single-driver flat-bottomed boats known as Seafleas. Despite the fact that the Club has active charter members today, the exact date of the Club's beginning is still uncertain. The earliest recorded meeting of the SPBC membership took place in March of 1968.

One of the first events organized was an outboard racing event held in September of 1969. These races continued through 1973 and were governed by and under, the auspices of the Canadian Boating Federation. The affiliation with CBF allowed winning drivers to accumulate points for annual championships throughout Ontario and Quebec. The races were held on the Detroit River, on the South side of Peche Island, and the Club used Anchor-In Harbour as its unofficial home port. Over the next few years, membership continued to grow and the overall enthusiasm for racing began to decrease. The Club's mandate was changed to focus on the social aspects of boating. These social functions soon involved other area boat clubs on both sides of the border and SPBC became widely known. Over the years the membership expanded and diversified and was largely a travelling Club hosting events throughout Lakes Erie, St. Clair, and Huron. With activities drawing larger crowds, the Club moved to a more permanent home port at Park Haven Marina with the encouragement of our 1985/1986 Commodore and marina operator Bob Walker. In 2009 SPBC purchased a prefabricated building and moved it to our current home at Holiday Harbour Marina in LaSalle, Ontario. The hard work and dedication of many members went into making this building a true clubhouse.

The International Order of the Blue Gavel was the first organization to recognize Sun Parlour Boat Club and in 1995, the Club was accepted as a full member of the Inter-Lake Yachting Association. In 2002 it was accepted into the Associated Yacht Clubs and is the only Canadian club to be a member of AYC as of today.

SPBC proudly supports our 2016 I-LYA Commodore, Chris Amlin and Lady Sharon and we wish them all the best in 2016.

Yachtsman of the Year

Commodore Amlin presents the Yachtsman of the Year award to Bob Lang

Bob Lang

It is with the greatest of pleasure that the 2016 “Yachtsman of the Year Award” is presented to Bob Lang from the West River Yacht and Cruising Club. Bob has been an active Bay Week and I-LYA participant for many years and has championed the development of our Jr. Power Boat Program. As chairman for the Junior Power Boat Regatta, Bob exemplifies the traditions and mission statement of I-LYA through the education, promotion of safe boat handling and sportsmanship with our power boating youth. Year after year, under the watchful eye of Bob, the junior program continues to grow. In addition to working with the juniors, Bob also chairs many of the Power Regatta on-the-water events and has a unique way of drawing the crowd in, bringing smiles and laughter to those both young and old. As a result of Bob’s passion, commitment and dedication to the Inter-Lake Yachting Association, he has been named “Yachtsman of the Year.”

Commodore’s Award

Com. John (Jack) Attkisson

It is an honour to present the I-LYA Commodore’s Award to 2008 I-LYA Commodore Jack Attkisson. Since serving as our Commodore in 2008, Jack has remained incredibly active. He has been a fleet captain for various commodores, hauled equipment and materials back and forth from boat shows, and has volunteered his time and energy on many other I-LYA projects. Commodore Jack has been an invaluable friend to Lady Sharon and me. He cooked at two of our major fundraisers, opened his home to us for a place to stay and has also stepped up to be a fleet captain for me in 2016. We sincerely appreciate the love and support he has shown to Lady Sharon and me as well as to I-LYA... Congratulations Jack!!!

Commodore Amlin presents the Commodore’s Award to Com. John (Jack) Attkisson

Commodore's Award

Dawn Schaumburger

This year it was an honor to present the I-LYA Commodore's award to the 2016 I-LYA Registrar Dawn Schaumburger. Dawn accepted the role of Registrar in 2015 and remained committed through 2016 even while serving as the 2016 Commodore of Wyandotte Yacht Club. That's dedication! But that wasn't enough, she is also the 2016 AYC Vice Commodore's Lady. During the time that Dawn has been registrar, she has been busy finding better and innovative ways to conduct our business. This includes on-line registration, assisting the Power Boat Committee with budgets and planning and helping us stay organized at the Spring and Fall meetings. It's clear that Dawn has a love for boating in all its forms be it power or sail, seniors or juniors. Inter-Lake Yachting Association is very fortunate to have people with the level of commitment that Dawn brings to the table. Lady Sharon and I thank you so very much for your continued support, friendship and congratulate you on a job well done.

Commodore Amlin presents the Commodore's Award to WYC Commodore Dawn Schaumburger

Commodore's Award

Detroit Beach Boat Club

As the 2016 Commodore, I have the pleasure to recognize a few people who have shown great support, not only to Lady Sharon and me, but to the entire Inter-Lake Yachting Association. Without their effort, determination, and commitment to yachting, both power and sail, I am sure that my years from rear commodore to commodore would not have been as much fun nor as successful. We present the Commodore's Award to a large group of people who have become a part of our extended family. Detroit Beach Boat Club has supported Lady Sharon and me all through our journey with I-LYA and we are eternally grateful for their support, friendship and dedication to Inter-Lake Yachting Association. Thank you Commodore Scott Sander and the entire DBBC family for all you have done!!

I-LYA Honorary Regatta Chairman

The I-LYA Honorary Regatta Chairman is awarded to an individual who has displayed his or her dedication over the years to I-LYA and our four regattas and who has consistently cooperated and helped with the goals of I-LYA and our affiliates on and off the Island.

Mack McCann

Mack McCann

Bernard “Mack” McCann and Put-in-Bay are often words spoken in the same sentence. Growing up on the island, he was a boater since childhood with a special love for Interlakes and Lymans. As he began his career of rebuilding downtown Put-in-Bay in the late '50s and early '60s, he became more involved with the business of the Island and with it, became more involved as a mediator between the island businesses and the administration of I-LYA. Mack appreciates the role I-LYA plays on the Island and the long standing history and traditions that come with it. He has been not only a supporter of I-LYA, but one of our very first sponsors helping launch our first media campaign in the late '90s. Mack continues to support I-LYA and is currently serving as mayor of Put-in-Bay.

Mack remembers...

“When I was younger I loved to sail and was fortunate enough to have won at least one blue flag. It was most difficult running a business and trying to sail at the same time. Bay Week was financially the best week of the season for Island business people. It seemed as though I was always refereeing issues between I-LYA & the Island. I promised things to keep the Juniors on the island that I wasn't sure I could deliver. Another exciting day was when the Fire Chief closed the Marina and Commodore Winkel had smoke coming out his ears.”

**Congratulations to
Commodore Chris & Lady Sharon**

I-LYA COMMODORES FROM
BUCKEYE LAKE YACHT CLUB

Edgar T. Wolfe	Frank H. Miller	Gustav Schell	Steve Harris
1937	1964	1975	2014

Historically Speaking

By Tom Thanasiu, Jolly Roger Sailing Club

I-LYA 125 Years Ago (1891):

The first commodore, George W. Gardner, was in his sixth year at the helm of I-LYA, but presided over the fifth sailing regatta at Put-in-Bay as there was no regatta in 1888 due to a disagreement between Toledo Yacht Club and Ohio Yacht Club.

I-LYA 100 Years Ago (1916):

Emil G. Schmidt from Sandusky Yacht Club was Commodore, with F.W. Roberts from Cleveland Yacht Club as Vice and C. Lee Abell from Buffalo Yacht Club as Rear. The Bridge did not necessarily move up the chain of command as now.

In 1916, there were twenty-four clubs in I-LYA and the regatta took place at Put-in-Bay from Sunday, July 16th to Friday, July 21st. This was the first year for races for both the Star Class and outboard motorboats.

The Evinrude Cup was awarded to the winner of the latter. The First Annual Mitt-Fest for the Warm Mitt Society of the Great Lakes was held in connection with the Inter-Lake Regatta. The purpose of the Warm Mitt Society was to promote good spirit in yachting and its members pledged themselves to do everything possible to boost the welfare of I-LYA. The officers had interesting titles: Big Mitt, Right Mitt, Left Mitt and Mitt Fund Keeper (you will notice a pattern.) The Warm Mitt Society was not the only group determined to support I-LYA. Fortunately, the second idea gained traction.

In 1916, the need for a fund to help take the financial stress off the shoulders of the commodore was discussed at the I-LYA Fall Meeting held at Sandusky's Sloane House. Three years later, in 1919, the Yachtsmen's Fund was officially formed to provide and maintain support for the activities of I-LYA. Later, in 1985, the Yachtsmen's Fund was reorganized with an emphasis on training, education, and support of the sport of yachting and its related interests and requirements. The mission it remains committed to today.

There was no entry fee for the regatta in 1916. However, the Yachtsman's Cabaret Dinner (Speechless Banquet) was \$1.00 a plate and the annual ball cost \$1.00 per yachtsman, while ladies with escorts were free. Tied in with the Sail & Power Regatta was the Great Lakes Outdoor Swimming Championship put on by the Central Association of Amateur Athletic Union of the U.S. Entry fee was a quarter.

The grand prize in the regatta was a keeper trophy won by a Milwaukee yachtsman in the Powerboat Class T (unlimited 40 ft and under) for Hydroplanes. The Inter-Lake \$1000 Trophy was an exquisite wrought silver hydroplane held aloft by silver cherubs on an ebony base. I'm still a little confused by the Best Behavior Prizes and the Grand Nut Contest. Past yearbooks do not reveal what was awarded but do mention that nothing will be overlooked and to save all funny stunts for the Bay!

I-LYA 75 Years Ago (1941):

The Bridge for I-LYA was J.J. Urschel from Toledo Yacht Club, Howard A. Finch from Crescent Sail Yacht Club and Leonard A. Stack from Lorain Yacht Club and Vermilion Yacht Club. The regatta took place at Put-in-Bay beginning Sunday, August 10th through the 14th, with deepwater races on the 9th. The Lightning Fleet made its first appearance with a large turnout to add to the other twenty one classes in two divisions (A & B). Some other one design sailboats were K-Cats, Lyman Cats, Sea Gulls, Comets, Nippers, National One Design, Interlakes, Snipes, and Stars. The only power contests were navigation for the DYC Kermath Trophy and the I-LYA Greeley Trophy—both for Predicted Log.

The International Commodores Association had a luncheon at the Bay View Hotel on Monday. The young men from the Sea Scouts were camping on the Island to volunteer and be of service, ever mindful of their motto: "Be Prepared" and "Do a Good Turn Daily." Also on the island were the Civilian Air Reserves demonstrating stunt flying at the airport and Henry Ford's celebrated band performing Tuesday for a concert.

The cover of the official I-LYA program for the 48th regatta featured a W. Wilson painting of three sailboats racing. Included inside were the histories of the thirty nine I-LYA clubs (many of which are no longer in I-LYA or in existence.) Also included was the "Ships of The Seven Seas," a series of twelve pictures of nautical paintings of ships and their histories sponsored by the Provident Mutual Insurance Co. An aviation page was added giving basic chart information on the Put-in-Bay airport and

the safe flight plans and distances from Detroit, Cleveland, and Erie. These were flight plans that went over the least amount of open water on Lake Erie in case of problems. Chris Craft had a one page ad featuring the 1942 17' run-about & the 24' cruiser. Grosse Point Yacht Club had a greeting ad with an aerial picture of their clubhouse and marina.

I-LYA 50 Years Ago (1966):

Com. Robert C. Dodsworth, EYC

In the previous twenty-five years, the number of I-LYA clubs doubled to seventy-eight. Commodore Robert C. Dodsworth from Erie Yacht Club presided over the 73rd Regatta. John Backus from Vermilion chaired the eleventh Junior Race Week with racing running from Wednesday, August 3 through Friday, August 5. These races were the quarter finals of the

Sears Trophy and Flying Scots were used. Junior entry fee was \$50 from the club for the team of four (3person boat plus one alternate crew) and then an additional \$25 from each team member. Sailors were housed at the Rendezvous Hotel and breakfast and lunch were at PIBYC. The evening meal was paid for and arranged by each club's mandatory chaperone.

The regatta started off on the afternoon of August 7th with the predicted log contest for power boats with an entry fee of \$10. Dockage included: "Approximately 36 docks and tie-off spaces... \$.10c a ft." On Monday morning, the warning gun for sailors was fired at 6:55 A.M. and the first start was set for 7:15 A.M. for cruising classes. The entry fees to race ranged from \$3 for the small centerboard boats on a 4.5 mile course, \$4 for the bigger boats on a 9 mile course, up to \$5 for the three cruising classes on a 12 mile course. For the first time since 1938, the Yachtsmen's Ball was held at the "Colonial Pavilion" which was newly restored by Allen Neff.

I-LYA 25 Years Ago (1991):

The commodore of I-LYA in 1991 was Judge Henry T. Webber from Vermilion Yacht Club. At this time there were 130 clubs in I-LYA. Alfred Gebhardt from Lake County and PIBYC was the 1991 I-LYA Man of the Year. The 36th junior regatta with 101 sailors participating began on Sunday, July 28th with Kim Disbrow of Vermilion Yacht Club as chairwoman. Following Junior Sail the 98th I-LYA Sail Regatta began with the finish of the Cleveland deepwater races and the beginning of registration on Saturday, August 3rd. The numbers for all boats in the five deep water races totaled 276. (Cleveland-97, Toledo-36, Detroit-43, Sandusky-94, and Port Clinton-6.) The entry fee for I-LYA racing was \$115 for early registration and \$190 after July 12 for all fleets with first come dockage (USYRU members \$25 off); one design centerboard and catamaran classes (\$35) and Lasers (\$30) (USYRU members \$5 off.) In the IOR class, *Avalanche* won overall at the regatta but in the LEORC series *Legend* and *Nutcracker* tied for Boat of the Year and are both listed on the I-LYA Blue Gavel Trophy. Winner of the W. Rapprich Trophy (overall MORC) was John Zangerle, CYC, on *Short Cut*. Darryl Dobras on *Jalepeño* in the PHRF-A fleet won the Parsons Memorial Trophy (largest class at I-LYA.)

On Thursday, Aug. 8 at 11:00 A.M. the sailboats had to be clear of the downtown docks to make way for the beginning of the Power Boat Regatta with Mike Smith as chairman. The powerboat contests consisted of the flying mile, docking, chicane, compass navigation and predicted log. Other contests were a fishing derby, weather forecasting, volleyball, softball, and inflatable raft and canoe races. Two hundred and forty-one boats representing thirty-two different clubs were in attendance with the greatest number from Point Yacht Club. Dennis Mintus on *Derelect Too* from Ashtabula Yacht Club won both the Alton Greeley Memorial Trophy (predicted log) and the Commodore's Trophy (skipper with the best overall score in boat handling, seamanship, and navigation.)

Commodore Webber's yearbook cover emphasized the unity between sailors and power boaters in I-LYA. Created by Cleveland artist Jack Loney, the cover features a large anchor in the center and junior Thistles and FJs racing with Perry's Monument in the background on the top half and a Put-in-Bay harbor scene with sailboats

and powerboats anchored together with the commodore's 31' Uniflite Sedan *Play Pen* at the bottom. The yearbook chairs were Nancy and Fred Weiss. Pizza Hut and Elyria Savings & Trust were the main sponsors.

I-LYA 10 Years Ago (2006):

Commodore John Onacila of both Beaver Creek Boat Club and South Shore Cruising Club was at the helm of I-LYA's 145 clubs and its 113th consecutive regatta. On Sunday, July 16th one hundred and seventy-four I-LYA junior sailors representing twenty-one clubs arrived at Put-in-Bay for the 51st Junior Regatta chaired by Steve Harris from Buckeye Lake Yacht Club. After one and a half days of racing, the fleets were split and the Championship Series (the US Sailing quarter-finals for the Sears, Bemis, and Smythe trophies) were sailed in Thistles, C420s, and Lasers. Juniors competing in the Commodore Series sailed in Thistles, Flying Juniors, Lasers, and Radials.

2006 was a family affair as the commodore's son, Jay Onacila, served as his power regatta chairman. On Wednesday, July 26 the I-LYA Powerboat Regatta contests began before the downtown docks were even open to them. It was a busy regatta and a lot was squeezed into four days as they had to be off the docks at 11:00 A.M. Sunday. The winner of the Commodore's Trophy was Ron Uebbing on *Hi-Ya* from South Shore Cruising Club. There were two predicted log contests and both went to Bill Stewart on *Tuition Free* from St. Clair Yacht Club.

I-LYA Sail with Don Bartels of Vermilion Boat Club and Ed Skoch of PIBYC as co-chairmen began with the finish of the early Saturday morning Cleveland deepwater races. Their arrival and the Saturday afternoon deepwater finishers from Port Clinton, Sandusky, and Toledo overlapped with the Powerboat Regatta. The I-LYA sail racing started Monday morning, July 31st with four classes: Handicap (PHRF & JAM), One Design Keelboat & Multihulls, Casual Cruising, and One Design Centerboard & Small Catamarans.

The yearbook editor was Jay Onacila with John Dent and Barb Shaffer helping. The cover was another Jack Loney painting featuring the commodore's pin depicting the inspiration for the second I-LYA burgee (adopted in 1899 and still in use today). The pin, which featured the I-LYA burgee with the Perry's Monument in the centered red circle and the Detroit River, Toledo, and Cleveland lighthouses on each of the three corners at the end of the white stripes, reminds us that Put-in-Bay is a centralized spot where we all gather for our regattas. Under the burgee is a quiet anchorage scene with sailboats and one powerboat named *Margie*. West Marine was the "Title Sponsor" in 2006 and the Yachtsman of the Year went to Com. William Heider Sr. and Lady Jan from Commodore Perry Yacht Club.

About I-LYA

INTER-LAKE YACHTING ASSOCIATION

I-LYA's basic purpose is the protection and promotion of the interests of boat owners and water sport fans in the enjoyment of their sport.

I-LYA is a watchdog for proposed legislation that may affect yachting and yachtsmen.

I-LYA serves as a clearinghouse for yachting information.

I-LYA's officers and committees are available to help its member clubs with boating related problems.

I-LYA is the US Sailing Regional Sailing Authority and Appeals Body for race protests in the area.

At the top level, **I-LYA** works hand in hand with US Sailing and class racing associations in developing fair and workable rules.

I-LYA's foundation, The Inter-Lake Yachtsmen's Fund was established to support training, education, and junior activities. The Yachtsmen's Fund is a qualified 501(c)3 corporation and all donations are tax deductible.

I-LYA is the leader in Junior Sailing in the Midwest. The annual Junior Regatta is one of the largest Junior Sailing Events in the United States and serves as a model for other clubs. The winners of "Junior Bay" receive scholarships from the Inter-Lake Yachtsmen's Fund.

I-LYA is also a leader in Junior Power boating in the area. The Junior Powerboat program which was developed in 2006, offers Leadership Training and navigational contests. The winners of this event are also awarded scholarships from the Inter-Lake Yachtsmen's Fund.

I-LYA consists of 144 member clubs and every member of each club is automatically a member of I-LYA, and is assured recognition among other clubs.

I-LYA's membership includes clubs from both the United States and Canada, making for strong international ties and competitions.

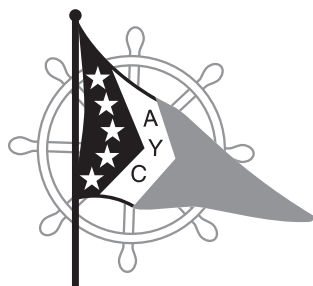

Member clubs are represented by delegates to **I-LYA** and meet twice annually. Spring and fall meetings are held in the vicinity of the current Commodore. Class advisory, cruise and powerboat committees meet prior to the delegate's meeting, giving open forum for class improvement and rules enlightenment. Delegates elect the Flag Officers and Trustees at the Fall Meeting.

I-LYA appoints delegates to US Sailing and Yacht Racing Union of the Great Lakes.

I-LYA is governed by a nine member Board of Trustees. Business is conducted through the office of the Executive Secretary.

I-LYA seeks corporate sponsorship to improve the services provided to its members and to control costs. Current sponsors include BoatU.S., Put-in-Bay Yacht Club, and the Boardwalk Family of Restaurants.

I-LYA's Annual Regatta is held at Put-in-Bay, on South Bass Island, in western Lake Erie—the site of the historic Battle of Lake Erie in the War of 1812. It draws more than 500 Sail and Power boats annually.

Past Recipients Yachtsmen of the Year

1978 marked the beginning of a tradition that has been adopted by each administration since. Commodore Norm Winkel determined that recognition should be given to the many volunteers who freely donate their time, vacations, talents, expertise, and even boats and equipment to assure the continued success of yacht racing competition and the I-LYA organization. These special people have earned the honor of being "Yachtsman of the Year."

Final Voyage

Don L. Emery

As commodore in 1982, Don Emery named Helen Davis as his “I-LYA Woman of the Year” in “honor of her tireless work on behalf of I-LYA.” Ten years later, Don and Mary were awarded “Yachtsmen of the Year,” recognizing their contributions to the organization. Don met his future wife, Mary, on a blind date. Thus began the “Greyhound Romance,” with Don busing from Cleveland to East Liverpool for over a year. In a desperate move to lure Mary into permanent partnership, Don named his first vessel after her... *Mary Gee*. Apparently, it worked; Mary and Don were married in 1957, a marriage of almost 58 years. In June of 1969 their daughter Della Louise was born. Being a summer baby, she was practically raised afloat. Don has three grandchildren: Yasmeene, Leena, and Khalid.

Don’s passion with boating started at the age of 14 and continued for 67 years. His work for Edgewater, I-LYA, and the greater boating community is both vast and amazing. He and Mary joined Edgewater Yacht Club in 1958 and also became members of PIBYC in 1966. Don was commodore of Edgewater in 1973 and 1974 when the club was rebuilding after Hurricane Agnes and served as their delegate to I-LYA and as chief sail racing officer for over 30 years. He was a member of the US Power Squadron and was the first to teach a sailing course for them. Later, as a member of the US Coast Guard Auxiliary, he served as a past flotilla commander and education officer and he and Mary taught many boating courses. His contributions noted in the 1982 yearbook, apply both to Edgewater and I-LYA: “From expertly predicting the wind to building a race program, Don Emery has always given the best in whatever he has done... Don has been a valued source of information and advice to the Officers and Trustees at Edgewater. In all Don’s endeavors there has been success not merely for himself but to the groups and people with whom he has worked.” In I-LYA, Don served many years as registrar for both Sail and Power, as race officer for Junior and Senior Sail, and as a certified judge. Clearly, Commodore Emery immersed himself in all aspects of yachting; still, he was particularly proud to be the I-LYA Commodore in 1982. In his own words from his Commodore’s Message, “The opportunity to serve as your Commodore is truly a ‘dream come true’ for me.”

Don’s interest in old wood vessels and photography was just as complete and thorough as anything else he took on. He has owned many boats over the years, with the most recent being a 1969, 26 ft. Lyman and a 1951, 17 ft. Chris Craft Special Runabout. Over the years he has taken thousands of pictures and shared them on his website. He has also had numerous pictures published in national magazines. His pride in his vessels as well as pictures was obvious. Don was also a member of Lyman Boat Owners Association, North Coast Ohio Antique & Classic Boat Society, and the Western Reserve Theater Organ Society. Besides boating and photography, he also enjoyed bicycle riding and playing piano, organ, violin, and clarinet.

Despite being visually impaired since birth, Don was a true inspiration to everyone he came in contact with and he never let anything stand in his way. While Don is no longer here to set our lines, he lives on in the strong, vibrant race program he helped build at Edgewater and in I-LYA. So, every time we start a race or someone tacks a Don Emery photo above their workbench, Don is still inspiring and guiding us. Thank you Don and Mary Emery for sharing so many years with I-LYA... our gift in return is to cherish Don’s memory and try to replicate his infectious enthusiasm as best we can.

“This is *Mary Gee V*, Whiskey, Zulu, Sierra 2-0-2-5, signing off.”

1982 Commodore Don L. Emery
February 25, 1934–June 20, 2015

Final Voyage

John Onacila, Jr.

On January 27, 2016 the boating community lost a good friend and great advocate. Born on September 24, 1944 to John Onacila Sr. and Rose Onacila, John had a brother Robert and two sisters, Carol and Marilyn. John grew up in the Westpark neighborhood of Cleveland and, raised Catholic, attended St. Vincent de Paul grade school and graduated from St. Edward High School in 1962. He met his first wife Karen and was married to her for almost 50 years until her passing in 2014.

John became an apprentice electrician shortly after high school. He was employed for 38 years working on construction projects most notably Cleveland Indians ballpark and Cleveland Browns stadium. He retired in 2002 and was a loyal member of IBEW Local 38 for fifty years.

From his youth fishing off the banks of the Rocky River to the old pier at Euclid Beach, John had always been drawn to the water. His first boat was a 1971 Revel Craft that was given to him by his father-in-law, Oscar Johnson. Oscar, who was Commodore of Nugent's Canal Yacht Club in 1974, introduced John to the boating lifestyle. After his sons Jay and Karl were out of school, they all went in together on their second boat, a 1989 23' Four Winns Sundowner. John also had a 30' Sea Ray Weekender and his last boat was a 1989 Wellcraft St. Tropez, which his son Jay now owns.

One of John's proudest moments was being commodore of Beaver Creek Boat Club. He served as their commodore three times in 1993, 1994, and 2011. In 2001, he also became commander of the Greater Cleveland Boating Association. He was a safe boating instructor for the Vermilion Power Squadron and a member of South Shore Cruising Club. He became very active in I-LYA in the early 90s attending his first Powerboat Regatta and becoming BCBC's delegate. He quickly moved up the chairs becoming Powerboat Chairman for the Y2K Regatta. Afterwards, he was elected to the I-LYA Board of Trustees and proudly became I-LYA Commodore in 2006.

John served the boating community as an advocate protecting the rights for all boaters not only in Ohio but across the United States. He was active in political action for National Boating Federation, I-LYA, Greater Cleveland Boating Association, and Boating Association of Ohio. He was appointed to the Ohio Waterway Safety Council by Governor Ted Strickland and served there for 8 years. His other hobbies were home improvement, hunting, and sport shooting.

Much of John's success can be attributed to his passion for boating. Also, I think he would say he couldn't have done it without his family's support. He was a great husband, father, and grandfather. He is survived by his two sons, Jay (Pam Madden) and Karl (Jennifer), grandsons Jeremy and Keith, and second wife, JoAnn. He will truly be missed by all of his family and friends.

2006 Commodore John Onacila

Sept. 24, 1944–Jan. 27, 2016

The Inter-Lake Yachtsmen's Fund

The Inter-Lake Yachtsmen's Fund, for which all private donations are tax-deductible, is an IRS-recognized 501(c)(3) charitable organization. US Bank holds the assets; however, they are administered by the nine trustees who are elected by the Fund's members (its donors.)

Listed below are some of the grants the Fund made last year. This ambitious program of support can only continue through your generosity. We urge you to become a member of the Fund or renew your old membership. We will gladly recognize you in the I-LYA's yearbook and other publications. Simply complete and mail the form on the following page. It's worthwhile... it's tax deductible... and it's greatly appreciated!

Also consider these tax-deductible opportunities through donations to *The Yachtsmen's Fund*:

Bequests in Memory of Friends and Loved Ones
Property • Securities • Vessel Donations

Inter-Lake Yachtsmen's Fund Grants

Amateur Activities

Provides support for I-LYA Clubs hosting the US Sailing Junior Championships (Sears, Bemis, Smythe Trophies); for US Sailing Junior Olympics held at a port on Lake Erie; support for Juniors of I-LYA clubs through the Challenge Team program; and partial reimbursement for expenses for any I-LYA junior sailor qualifying for the US Sailing Junior National Championships.

Scholarships

Twenty-three scholarships to 1st, 2nd, and 3rd place finishers of the I-LYA Junior Race Week and Powerboat Junior Navigation Contest.

I-LYA Junior Race Week

Subsidize housing and coaching expense to enable all juniors to attend by keeping family expenses low.

I-LYA Junior Power Regatta

Provide support for major I-LYA Junior Power events.

I-LYA Challenge Team

The Yachtsmen's Fund has established the Challenge Team, which will provide partial funding to encourage juniors to take part in important events (regattas & clinics) in addition to I-LYA and US Sailing ladder events. Primarily intended to encourage those who have not yet reached their sailing potential, this program is open to I-LYA juniors between the ages of 13 and 19.

To qualify for funding the event or clinic must typically draw at least 20–25 entrants per class, and be of a level of competition found at the I-LYA Junior Bay Regatta.

The following are examples of the type of activity in which this program is intended to encourage participation:

- Orange Bowl
- Oyster Bay Clinic
- Buzzard's Bay
- C.O.R.K.
- Nationals, Districts or Mid-Winters of the following classes: 420, Laser, Thistle, etc. Request forms are online at **i-lya.org**.

Please Use Your Imagination and Go Race !!!

7/17–21	I-LYA Jr. Bay Week at PIB
▲ 7/30	Cleveland YC
▲ 8/6	Erie YC
▲ 8/13	Berlin YC (awards)

Please check the current calendar at www.i-lya.org.

▲ = Counter Race for Series Awards

The Junior Traveler Series is a summer-long series of weekly regattas hosted by I-LYA member clubs which offers an increased opportunity to race close to home. Series awards will be presented to the top finishing skippers and crew in each qualifying fleet based on the best five regatta finishes at any of the qualifying events. There is also a Team Trophy awarded each year to the top finishing club. Registration and scoring for the series and each qualifying regatta will utilize noticeofrace.net.

Sailors must be at least 7 years old and can participate in the Traveler Series up to and including the summer immediately following their senior year of high school. The Notice of Series is available online on the Traveler Series page under Junior Sailing at I-LYA.org.

2015 Chubb Junior National Sailing Championships

I-LYA's top sailors travelled to Hoover Sailing Club in June and Sodus Bay, NY in mid-July for Area E Qualifiers in the hopes of earning a spot at US Sailing's 2015 Chubb U.S. Junior Sailing Championships for the Sears Cup and the Bemis and Smythe Trophies. They were successful. All qualifying sailors were from I-LYA clubs and all who qualified made the trip to Wianno Yacht Club in Massachusetts in August.

Edgewater Yacht Club's Ian Moran and crew Abie Griggs arrived early at Sodus Bay to practice. They realized that a solid start to the regatta was important since only the top two boats of the 40 plus registered would advance. Four first place finishes on day one and no wind and no races on Sunday gave them the win with Alyson Turner and Jessica Lietz of Chautauqua finishing second. In the 27 boat laser radial fleet, I-LYA sailors took the top seven places with Ryan Squires (5 first place finishes) and Scott Trask, both of Hoover Sailing Club, finishing first and second. Qualifiers for the Sears Cup this year were held in Thistles at Hoover Sailing Club. Competition in the seven boat fleet was very tight with the team from Pymatuning edging out Bobby Sessions, Jack Harris, and Cameron Douglas. Pymatuning sailors Ryan Milani and Connor and Tessa Ludwick invited Berlin Yacht Club sailor Casey Ruppen to join them at the championships as a four man crew was needed to sail the Wianno Seniors.

According to Scott Trask, Nantucket Sound sailing did not disappoint: "All the kids had a blast sailing on the ocean with great waves and wind. There was always a nice sea breeze that kicked in during the afternoon that would leave all sailors hiking for their lives." Current, of course, was something new to most as was the switch to the fully battened Byte CIs for the single-handed boat and the gaff-rigged, fixed keel Wianno Seniors for quadruple-handed. Competitors for the Bemis Trophy raced in C420s and both I-LYA teams finished top ten out of twenty with Chautauqua sailors Alyson Turner and Jessica Lietz finishing 7th and Ian Moran and Abie Griggs finishing 9th. Credit to Wianno Yacht Club, US Sailing, and Championship Chair Matt Dubois for putting on a well-run regatta.

Special thanks to the Yachtsman's Fund for providing financial support to the I-LYA sailors who qualified to represent Area E at the Chubb Nationals. The sailors also appreciate the support of their families and clubs who made it possible for them to travel and compete and are thankful for the "good competition at our local I-LYA regattas." The 2016 Chubb Nationals will take place at Mission Bay Yacht Club in San Diego this August with Area E Qualifiers at North Cape Yacht Club July 9-12. 2016 is shaping up to be another summer filled with quality competition.

Good things happen when two former top opti sailors join forces. Ian Moran and Abie Griggs dominated the C420 class in 2015: First at Junior Bay, Traveler Series, and Area E Qualifiers and 9th overall at both the Chubb Nationals and the C420 North Americans.

Hoover Sailing Club continues to produce top single-handed sailors. Ryan Squires, holding the cup, finished first at Junior Bay, Area E Qualifiers, and in the Traveler Series. Scott Trask was second at Qualifiers and third at Junior Bay.

The Pymatuning Thistle, sailed by Ryan Milani and Connor and Tessa Ludwick, rounds first at Area E Qualifiers held at Hoover last June. They went on to win the event and teamed up with Casey Ruppen to compete for the Sears Cup in Osterville, MA.

PHRF Boat of the Year

Flat Stanley

Trey Sheehan/Terry McSweeney
PIBYC/EWYC

Team Flat Stanley is a race team in several different classes. The Melges 32 partnership of longtime friends Terry McSweeney and Trey Sheehan and their families started in 2007. The idea for the name *Flat Stanley* came about as a result of the kids doing the cartoon geography lesson *The Flat Stanley Project* popular in grade school curriculums across the country.

The boat spends its time traveling on a trailer from city to city across the country. *Flat Stanley* fit the family sailing program that the boat would eventually become as the kids grew along with the program. Each year for I-LYA Bayweek we load the boat up with our kids and their friends from the junior programs around Lake Erie and the kids decide which adults accompany them on the Tartan Ten or the Melges 32.

We are thrilled to come back each year and compete with and against our friends from throughout the Great Lakes.

Terry and Trey

From the Editor:

We would like to thank all of our suppliers, Clubs and individuals for placing ads in our 2016 yearbook. Without your generosity and support we would not be able to produce this book which contains information that is important to our I-LYA participants. This year marks the 131st birthday of Inter-Lake Yachting Association as well our 123rd Annual Sail, our 41st Power Boat, and our 61st Junior Sail Regattas. A huge debt of gratitude goes out to all the Regatta Chairmen in assisting with the preparation of the 2015 score summaries, event winners and past committee volunteers. The task is made much easier and without you it couldn't have been done.

In preparing the Yearbook I would also like to thank Sharon Amlin, Allen Ashley, John Bedford, Deb Schaefer, Bob Lang, and Nate Parsons for all the photos that have been incorporated into this year's volume. In addition, I would like to extend a heartfelt thanks to Nancy Bauer for the artwork for the front cover and for her artistic rendition of the Commodore's home club, Sun Parlour Boat Club. We couldn't be happier that we are able to showcase your talents this year!

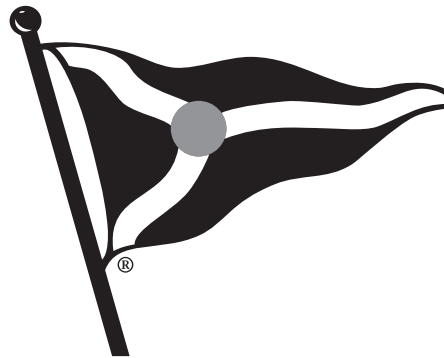

We wish you blue skies and calm seas in 2016.
2016 Yearbook Editor, Chris Amlin

AFTERGLOW 2016

... post-regatta events at Middle Bass Island

The members of Middle Bass Island Yacht Club invite all I-LYA SAIL and POWERBOAT Regatta participants to join us on Sunday August 7, 2016 and Sunday August 14, 2016 respectively. Unwind at MBI before heading home.

I-LYA participants will enjoy dockage for the night at MBIYC for reduced rates and JF Walleyes will offer specials/discounts especially for you.

So, don't hurry home. Spend the night at beautiful MBI.
We look forward to having you!

1700 PIBYC Junior Powerboat Awards Presentations

Schedule is subject to change.

Please check your regatta packets or online at www.i-lya.org. Follow us on Twitter or Facebook for the latest information.

Junior Power Contests

These Junior Regatta contests are designed to reinforce the safe boating practices and rules of the road learned in the classroom. The contests and seminars use a hands-on approach and provide the juniors with the confidence to operate motorized vessels. The vessels used at the regatta are inflatables donated by senior participants of the power regatta. For additional information about the Junior Power Program please visit the I-LYA web-site.

General Knowledge and Seamanship

Friday's safe boating seminar provides each junior with a refresher course on safety requirements, rules of the road, understanding of buoys and their identifying characteristics, and much more. Juniors will be asked to demonstrate knot tying, line throwing, and how to properly secure a vessel. A written exam, testing each junior on his or her general knowledge of the above concludes this contest.

Charting and Course Plotting

The safe boating seminar also covers charting and course plotting. Hands-on activities teach the juniors how to read charts, determine their position and plot a course. At the end of the seminar, each junior will be tested on their understanding of the above.

Navigation Competition

This is a shore-based contest that will require juniors to pair up and take a short walk or bike ride around the Island. They will be asked to take bearings, make observations and determine their position as they make their way around the Island. Bikes will be provided if necessary.

Weather Contest

Each junior will be asked to forecast the weather for a prescribed time and place. The forecast will include temperature, wind direction and velocity, barometric pressure, sky conditions, precipitation, and relative humidity. Prediction forms will be provided and must be submitted by a set deadline. A committee shall assemble at the prescribed place and time to observe and record the actual weather conditions and determine the winners of this contest.

On-the-Water *(Four contests using inflatables)*

"COURSE A" Boat Handling Contest "Course A" will demonstrate the steering and boat handling capabilities of each junior. The junior, accompanied by an assigned adult, will run a 3-leg course in both a clockwise and counter-clockwise direction with the objective of making both runs in the same amount of time. Speed is NOT the objective.

"COURSE B" Compass Reading and Bearings Contest "Course B" will demonstrate a junior's ability to read a compass and take bearings. The goal is to steer as carefully as possible between the marks for each of three designated courses set by the committee. At the end of each leg the junior is to record the compass heading steered. An assigned adult will crew on each vessel.

Chicane This is a timed test of boat handling and low speed maneuvering. The junior will be timed and judged on his or her ability to successfully maneuver through a prescribed course at no-wake speed in both forward and reverse gears without creating a wake and without hitting the marks on the course.

Docking This contest evaluates the junior's boat handling and maneuvering skills as related to docking. The junior will be judged on his/her ability to properly maneuver, dock and secure his or her vessel within a predetermined dock space. Hitting the dock and/or high speed operations will result in loss of points.

Social Competitions

In addition to the bragging rights earned by making a hole-in-one during Jr. Putt-Putt or Jr. East trouncing Jr. West (or vice-versa) in volleyball, Junior Power Regatta participants also enjoy the following contests:

Geo-Quest

Based on Geo-caching, Geo-Quest is a live treasure hunt utilizing compass and GPS skills. Junior teams will explore the island via adult-driven golf carts and locate hidden "treasures."

Cardboard Boat Race

Who *doesn't* love making stuff with duct tape? Juniors combine their engineering skills with construction and boating knowledge. Entrants must be 12–17, pre-assembly is allowed, each boat to be designed for 1 or 2 people. Awards given to place finishers and a "Spirit award" given to the team showing greatest Team Spirit and "The Titanic Award" to the boat that sinks in spectacular fashion.

Fishing Derby

The "Fishing Derby" is designed for all juniors participating in the regatta. Come one, come all and see who catches the largest, the most and the smallest fish. The committee will be available to bait your hooks and will supply the bait as well as snacks for the anglers. Bring your pole and your life jacket and arrive 15 minutes before start time so you will be ready to drop your hook. Prizes will be awarded immediately after the finish time. So don't be late and good luck!

Awards

Ribbons: are given to each winner of the four On-the-Water contests, the Weather contest, and the land/shore based Navigation competition. 1st, 2^d or 3^d place ribbon awards are provided depending upon participation.

Junior Skipper Award and Trophy: is given to the individual having the highest total combined score for all On-the-Water contests and the Weather contest.

Scholarships: 1st, 2^d & 3^d place monetary scholarship awards are given to the eligible juniors with the highest overall score for all competitions.

1. Only those juniors who are members of a boat club affiliated with I-LYA will be eligible to receive scholarship awards.
2. Scholarships are based on final results from 2 days of competitions at the annual I-LYA Regatta.
 - General knowledge and seamanship
 - Charting and course plotting
 - Navigation competition
 - On-the-Water
 - "Course A" Boat Handling
 - "Course B" Compass Reading and Bearings
 - Chicane: boat handling and low speed operations
 - Docking contest: maneuvering and docking

Power Contests

Commodore's Trophy

Competition for the Commodore's Trophy is based upon a combination of seamanship, boat handling and overall knowledge of boating. Four events were selected by the committee, which are thought to provide all of these skills. To compete you must enter all four (4) of these contests. Entry forms are available at the Registrars desk and must be completed and on file in order to compete. A percentage has been given to each event to determine the overall winner of the Commodore's Trophy. A flag and pin will be presented to the winner and your name placed on the Commodore's Trophy which is kept in the Boaters' Museum at Put-in-Bay. The trophy is awarded at the I-LYA Fall Banquet each year. This trophy will be awarded to an individual competing in the various events. The trophy will NOT be awarded to a competing team. This is an individual award NOT a team award. Commodore's Trophy contests include: Predicted Log & Navigation (30%), Docking (25%), Chicane (25%) and Weather Forecasting (20%).

Predicted Log

The Predicted Log is a boat handling skill contest. Knowledge of your boat's performance and navigational skills are a must. The predetermined course is designed around set "Control Points" (navigational aids, buoys, markers, landmarks) which must be passed or rounded, on either the port or starboard side (as indicated). Calculating your "Predicted Log" requires the participant to plot the course on his or her charts and to predict the time he or she will pass each control point in minutes and seconds. This year we are allowing the use of a GPS or Chart Plotter. Contestants may run at any chosen speed above 6 knots comfortable for the weather conditions, and make their predictions based on this speed. Participants should also know their compass deviation, because some points are too far away to be seen easily. The Predicted Log Committee will assign an impartial observer to accompany the run. Each contestant is ask to bring along at least one observer who will be assigned to another boat. A short training class will be held for the observers before the start of the contest. Each contestant must furnish two watches able to read in hours, minutes and seconds (preferably one digital and one stop watch).

Greeley Trophy

Start	Buoy R "2" Fl R, P-I-B Harbor Entrance	Leave to Port
Run a course of 071M until Ballast Island Light is visible, then proceed to:		
Control Pt. 1	Buoy G "1" Fl G 4s	Leave to Port
Control Pt. 2	Buoy R "4"	Leave to Starboard
Control Pt. 3	Buoy R "6" Fl R 4 sec Bell	Leave to Port
Control Pt. 4	Buoy RN "2" (east of NBI)	Leave to Starboard
Finish	Buoy R "2" Fl R, PIB Harbor Entrance	Leave to Port

Committee Distance 12.2 Nm

Specific instructions will be provided in the contest packet. Each contestant must complete the entry form provided by the committee. This contest is NOT intended to be a team event. However, if a team wishes to compete in this event, only one (1) flag will be awarded (to the team captain). Only the team captain will be eligible to compete for the Commodore's Trophy.

Docking

This is a contest of boat handling and the ability to maneuver your vessel dockside. This contest is not a contest of speed. However, your time is recorded and used for determination of final finish placement and tie breaking decisions. When your vessel is called to compete, maneuver your vessel dockside and set your dock lines. The committee will set marks forward and aft of your vessel. These marks are used to define the space you have to maneuver your vessel. The committee will give you the signal to start and you will leave the dock, go to harbor and make a complete 360 degree turn. Once your turn is complete you will return to the dock and maneuver your vessel to dockside within the marks previously set.

Chicane

The object of the Chicane is to maneuver through the course with your engines in forward gear. Upon completion of the marked course make a 360 degree turn with your vessel. After completing the 360 degree turn, you must maneuver your vessel with engines in reverse back through the course returning to the start/finish line. You will be timed for the entire time it takes to run the complete course (both forward and reverse runs). You will be penalized for hitting a mark or making a wake.

Weather Forecasting

The contest form shall be filled in completely and filed with the Weather Forecast Committee by the time and day posted on the entry form and in the Regatta schedule. Twenty-two (22) hours later, at 1500 hours (3:00 PM) or as otherwise noted on the entry form, a committee appointed for the purpose shall assemble at Put-in-Bay to observe and record the actual weather conditions at the time and place described on the entry form. These conditions shall then be compared to the contestants' predictions and penalty points assessed for all variations. The winner shall be the contestant receiving the least number of penalty points.

Flying Mile

All boats will be timed electronically using a radar gun. Boats will NOT be required to run a full mile at their top speed. All boats will be timed within a 500 foot area designated by the committee. Two (2) or more participants are required to establish a class. No boat will be permitted to run in more than one class. Safety is our number one rule. Please operate your vessel in a safe manner. Remember, you are responsible for the safety of your vessel and all others on board.

Social Competitions

Social competitions include the women's and men's East vs. West Volleyball and the now co-ed Softball Game. Volleyball takes place on the PIBYC grounds and the softball game, at the school. Because most of the participants play these games only once a year, the spectators usually get a good laugh from the weekend warriors but occasionally see some impressive athleticism. The rivalry is sometimes intense but always good-natured. A trophy is naturally awarded to the victors but bragging rights are the real "Gold Medal" that is sought. The cardboard boat races are also a source of "titanic" good fun.

General Information

1. The SAFETY of all participants, crew, committee and audience is our number one rule. While participating in these contests, we ask all to observe navigation rules of the road, local laws and follow all safe boating practices. Please conduct yourself in an orderly and professional manner at all times and not put fellow participants, general public or the committee at risk or cause unnecessary nuisance. We want everyone to enjoy these contests whether on land or sea, please remember to BE SAFE.
2. These Contests and their rules have been prepared by the various contest committees and approved by the Powerboat Committee. From time to time, weather and scheduling conflicts may require changes or modifications to the schedule or contest rules. The various Committee chairpersons will make every effort to inform you of any last minute changes.
3. The success of the Regatta is directly related to participation in these contests and events. There is a first, second and third place flag given to the Clubs with the most participants in Regatta contests and events.
4. In addition to the Club Participation award, Clubs are eligible to receive an award for volunteerism. This is awarded to the Club having the most volunteers working the various contests, events and social functions. If you are a committee chairperson, it is very important to record the hours worked by your many volunteers in order that clubs are credited with all the hours earned during the Regatta.
5. Protests of judges' ruling can be filed with the Powerboat Committee. The Powerboat Committee will review the protest and make a final ruling.
6. Electronic copy of the official Regatta "Contest Rules Booklet" is available from the I-LYA website (i-lya.org). Also, hard copies are available at the Registrar's desk.
7. Refer to the official Regatta schedule and information available at the registrar's desk for the specific place and time of each contest.
8. Entry forms for all contests are available at the Registrar's desk located at PIBYC.

I-LYA Mid America Boating Skipper of the Year

Bruce Sattler, SSCC

I-LYA
Mid America
Boating Skipper of the Year

Bruce Sattler

As the son of a US Army Air Corps Officer, Bruce's boating experience was limited and owning a boat was nothing more than a dream. But his dream of boat ownership lived on and at the age of 18, out on his own, that dream became a reality. The first few boats that Bruce had were small wooden vessels and he soon came to understand that while he was a good mechanic, carpentry was not his strong point. So it was with great excitement in 1980 that Bruce purchased his first fiberglass hardtop. He ran a 1971 18' IMP with a staggering 165 HP outboard around the lakes like a proud papa. Later, he began to consider that maybe that was a little too much horse power to run around with, considering he now had two young children on board and a wife looking for the brake pedal. This was when boating safety became a focal point for Bruce and one that he continues to promote today. By 2000, Bruce and his wife Pam, had owned some 17 boats. Currently the Sattlers can be seen cruising around in their beautiful 34' Sea Ray.

Having the boat and a family that enjoyed the sport, it was only natural that he would join a local club. Being a member of South Shore Cruising Club introduced Bruce to the Greater Cleveland Boating Association and the Inter-Lake Yachting Association. It didn't take long for Bruce to see how great it was to be a member of an organized boat club with activities and trips his whole family would enjoy. During his career in boating, Bruce ran the chairs at SSCC and became commodore in 2008 and again in 2010. Bruce currently serves as an elected trustee of I-LYA until 2017 and was as an active member of the Power Boat Committee prior to becoming our 2015 I-LYA Power Boat Chairman.

Past Winners of the Alton H. Greeley Memorial Trophy

Donated to I-LYA by Robert C. Greeley

YOUR COMPLETE PIPELINE SUPPLIER

vermeercanada.com | (800) 809-5066

TO SUPPORT A GROWING POPULATION, OIL AND GAS NEED TO BE DELIVERED IN A COST-EFFECTIVE, SAFE AND ENVIRONMENTALLY RESPONSIBLE MANNER. As contractors entrusted with this work you require reliable and productive equipment to help get the job done efficiently and effectively – from right-of-way clearing through pipeline installation.

You deserve an equipment partner who understands the stresses and risks inherent to the pipeline frontier, while offering the expertise and support necessary to keep you running – an ally like Vermeer.

Middle Bass Island welcomes you!

A perfect family vacation destination or a getaway with family or friends.

At Catawba Point, take the Miller Ferry for a relaxing ride to Middle Bass Island. Bring your bicycles or rent them at the Ohio State Park Marina or from J.F. Walleye's and enjoy the great outdoors. Relax in the beautiful wading pool at J.F. Walleye's Bar/Restaurant, a family get together during the day and enjoy the nightclub atmosphere in the evening. Stay with us at Middle Bass Inn or a beautiful condo on Lake Erie through J.F. Walleye's/ St. Hazards. The Ohio State Park provides rustic camp sites. Our General Store offers grocery, MBI clothing items and souvenirs. The Tiki Boutique Gift Shop offers unique treasures, gift items, and apparel for the entire family. Visit St. Hazards' swimming pool, tiki bar, gift shop, restaurant, camping and cabin rentals. Take the Middle Bass Ferry/ Sonny-S for a 10 minute ferry ride to Put-in-Bay and enjoy the sites, return to Middle Bass to relax and unwind.
