I-LYA 2023

About the Cover:

This year's cover represents the regional scope of our international organization and an acknowledgement of the importance of our member clubs. We continue to look after boaters' interests by promoting sportsmanship, education, & training for the amateur yachtsman. My thanks to Mike Aultman of Aulternative Graphics for his help in designing the cover.

OUR COMMODORE'S FAVORITE SPOT

From the Commodore

What an honor and a privilege it is to serve as your commodore for 2023. This is the 130th year of our annual regattas at the Bay. This will be the Junior Sail's 67th regatta and our Powerboat's 48th and Junior Power's 37th. These regattas are the highlight of our year. A time for all of us, whether sail or power, to come together and not only enjoy each other's company but to compete on the water in various activities. All in the spirit of friendly competition & camaraderie. Oh what fun these events are for all of us, old or young or just young at heart!

What makes these events so special is because of all of you that help out and put together these events to make it a success year after year. We couldn't do it without each of you and your clubs' participation. Thank you for your service to our organization.

No Commodore can accomplish these events without a lot of help from his home club or from the clubs that step up year after year: Detroit Beach Boat Club, Bay View Yacht Club, Ford Yacht Club, Catawba West Harbor Yacht Club, South Shore Cruising Club, Harbor View Yacht Club, North Cape Yacht Club, just to mention a few. Also to our affiliate organizations: Associated Yacht Clubs, The Greater Cleveland Boating Association and our three districts of the International Order of the Blue Gavel. Each help in making our time on the Bay a very special occasion. What can I say about our host club Put-in-Bay Yacht Club, opening their club for all of us to enjoy during our time on the bay? We can't thank them enough for allowing us to use their home since 1886.

When you attend these fun regattas take some time to thank those who have worked so hard to put together these events for you: our Jr. Sail co-chairs, Alec Chabalowski & Linda Sprenger; our power boat committee headed by Rich McKee, along with Kevin Stone, Chris Aune & Nate Edmunds; our sail committee headed by Bill Pribe & Doug Seib; our Jr. Power boat committee headed by Commodore Bob Lang. Also thanks to our fleet captains who work behind the scenes getting everything ready for us to enjoy our day's activities. We hope you enjoy these fantastic regattas and hope you form lifelong friendships and lasting memories of this year's trip to the bay.

Finally I would like to thank my home club, Ashtabula Yacht Club, for all of their support from our members and officers and especially our Commodore Pat Steadman who has always had my back for whatever I needed.

Meet the Commodore

Lloyd Virgil Bogue is the 130th Commodore of the Inter-Lake Yachting Association. He was born in Ashtabula, Ohio in June of 1951. Thanks to his parents, Virgil & Sally, he found his love for the water at a very young age spending lots of beach time at Geneva-on-the-Lake. His first boating experience was riding on his dad's flying wing. He was hooked! One of his parents' early boats was a 36' Richardson which they docked on the Ashtabula River in the 1950s. Those were rough times for the area. Vandals broke into the boat one night and chopped all the brass off her. She didn't sink but the boat was done. His dad borrowed his grandfather's dump truck, pulled the boat to shore and finished the job of smashing her to bits. In 1958 the family purchased a 15' Lyman Runabout from Sutherland Marine. Lloyd learned to water ski and surfboard behind her during many family trips to Chautauqua Lake.

1960 brought a new 19' fiberglass cabin cruiser with twin 35 hp Evinrudes. No more painting or varnishing—just a little light waxing. The first family adventure was a trip down the Erie Barge Canal to New York City. With three kids on board—one of them only 6 weeks old—it was quite an experience. Going down the Hudson River, seeing the Statue of Liberty and the mothballed "Naval Ships" made a 9-year-old Lloyd's eyes light up! In the fall of 1963 a group of Ashtabula boaters, including Lloyd's parents, formed Riverside Yacht Club across from the now defunct Great Lakes Engineering shipyard. New club, new boat, new horizons! 1964 brought a 28' Owens and Lloyd's first trip to Put-in-Bay. At this point, many activities were pulling Lloyd in all directions—school, scouting, sports, working on his uncle's and grandfather's farm, not to mention summer jobs at Geneva-on-the-Lake and meeting "all those girls" from Pittsburgh, PA. There was less time for boating, scuba diving, water skiing, etc. Adult life loomed. With the completion of high school, then college, a marriage with two young kids, the formulation of a commercial construction company and community involvement, Lloyd was busy and away from the water until he bought a new 17' Crestliner with 115 hp Merc. He enjoyed teaching his kids to waterski and sharing his love of the water with the next generation. When his kids headed off to college, Lloyd and his 21' Sea Ray Sundancer joined RedBrook Boat Club. A trip up the Detroit River to Crystal Bay introduced him to Elba Mar Boat Club. It wasn't long before he joined that club, too, becoming an active member. By 1999 he was commodore of RedBrook Boat Club—and again in 2000 and 2001—with many club improvements during his tenure.

RBC is the "best kept secret" on the lake, but it cannot accommodate larger boats. Ashtabula Yacht Club was a better fit for Lloyd's new 27' Sea Ray Sundancer. By the 2006 season, things were changing in his home life. Sad times, but life improved. He was fortunate to meet a girl who loves people and loves to "go" as much as he does. Lloyd eventually became AYC's commodore in 2010 and 2011. Summer adventures continued with trips to Kingston, Buffalo, Toronto, Hamilton, and the 1000 Islands. These days you can find him relaxing on the back deck of *Stress Relief*, his 360 Silverton Express Cruiser. Since his days as commodore of AYC he hasn't stood still. He was commander of the Greater Cleveland Boating Association as well as president and district director of District 7 of the IOBG. Serving as a trustee for I-LYA and chairing the power boat committee taught him many things about our organization. Lady Rhonda & Lloyd are honored to serve as your commodore and lady for the 2023 season. They look forward to visiting our fantastic clubs and meeting our members around the region and know that they will have a year to remember!

Ashtabula Yacht Club

An organizational meeting was held on March 11, 1924 to discuss the possibility of forming a new club to encourage the sport of yachting, promote the science of seamanship and navigation and to provide and maintain a suitable anchorage for the recreation of its members. Ned Richards, R.J. Sheldon, & Alden Hopkins were appointed to form a by-laws committee and develop an application for a charter to be filed with the state of Ohio. The hunt for a suitable location was the next order of business. The Ashtabula Realty Company found a 6-acre location 3 miles west of the Ashtabula Harbor on the banks of the Redbrook stream. In 1926 the American Construction Company was hired to build the necessary pier walls at the channel entrance. The members found out in a hurry that sand drifting into the channel would necessitate constant dredging to keep the channel open for the larger boats. Boating continued at this tranquil location but, like most clubs, was hit hard by the great depression. The early war years saw few changes at the club but by the end of the war, there was increased interest in boating and especially in cruising. A joint meeting was held with the Ashtabula Chamber of Commerce and the City of Ashtabula to find a site more suitable and which would accommodate larger boats. The Pennsylvania Railroad had an underutilized iron ore dock facility that had become too small for the larger ore ships in use at that time. A lease was obtained with them for the property and by 1946 Ashtabula Yacht Club had a new home on the Ashtabula River.

The club continued to grow and held its first Rendezvous in 1947. It was the social event of the area with fellow boaters attending from the Grand River, Conneaut and Port Stanley, Canada. Club burgees were exchanged between the clubs. In 1948 the club acquired an old Coast Guard Barracks just down-river from the club which they used for social events. The old 6-acre location on the Redbrook stream was sold to Redbrook Boat Club in 1952 and they have continued to be our sister club and a fellow I-LYA member. The old barracks structure was moved to its current location in 1961 with the addition of a galley and the screened-in porch in 1968. This structure serves to this day.

As boating grew so did the club. Fencing and a playground were added in the 70s along with the purchase of additional property from the Pennsylvania Railroad. This allowed AYC to grow in membership. The early 90s saw the addition of restroom and shower facilities and "Raoul's" was constructed along with a pavilion. The 2000s brought upgrades to utilities, docks and our bulk heading. A new haul-out basin was constructed along with a 25-ton hoist to allow for easy haul & launch. The club has maintained its pristine environment and enjoys the fabulous tree-lined docks where our members can drive right up to their boat and enjoy Mother Nature. AYC provides wonderful dockage for power and sail alike. They are the best kept secret on the "River of Many Fish."

Yachtsman of the Year

Congratulations, Com. Arne Hansen!
2023 I-LYA Yachtsman of the Year

Com. Arne Hansen, Jolly Roger Sailing Club

This year's recipient is long overdue and has been a staunch supporter of I-LYA for many years. Arne has served in many capacities over the decades of his and his wife's involvement. A life member of the Yachtsman Fund and a gentleman who stands out with a quiet demeanor but is a shining example to others in all that he has done. A gentleman that has not only served I-LYA but has also served his club and Associated Yacht Clubs as their commodore in 1989 & 1993 respectively. He is a member in proud standing with his home club, the Jolly Roger Sailing Club. He has served on our audit committee, the commodore's brunch committee, and was the 1996 Jr. Bay chairman along with his wife Marge. Arne was our Commodore in 2000 and has held three rounds of Trusteeship, 1996–1998, 2015–2017 and 2019–2021. We are grateful for his service and wish to thank him for his dedication by awarding him the Yachtsman of the Year award. Thanks Arne, for all you do!

Yacht Racing Union of the Great Lakes Trophy

Eric "EO" Osborne, Edgewater Yacht Club

The Yacht Racing Union Trophy is awarded annually to a person who has gone above and beyond to ensure the success of the I-LYA Sail Regatta. He is a relative new comer, but is no stranger to the sail community. He and his wife Julie have spent long nights manning the Deepwater finish line. Eric has served as a fleet captain numerous times and as the head sail fleet captain for the past two years. A hard working individual who strives to serve with distinction. He is also currently serving on our board of trustees as an active board member. You might find him and his wife on their sailboat *Caroline* at Edgewater Yacht Club or other ports. We are grateful to Eric for all he does for I-LYA.

Congratulations, Eric Osborne!

I-LYA Honorary Regatta Chairman

The I-LYA Honorary Regatta Chairman is awarded to an individual who has displayed his or her dedication over the years to I-LYA and our four regattas and who has consistently cooperated and helped with the goals of I-LYA and our affiliates on and off the Island.

Com. Alfred Gebhardt, LYC/PIBYC

Commodore Alfred Gebhardt

This year's Honorary Regatta Chairman, Al Gebhardt, is perhaps best known for his unique sense of humor. While laughing at his jokes, it is easy to forget that he has a long history with both I-LYA and Put-in-Bay. His dedication and devotion to I-LYA which dates to the mid 1960s cannot be understated. After joining Lake County Yacht Club in 1966, he served as their commodore in 1971. He joined Put-in-Bay Yacht Club in 1976 which was also the year he first served as Shore Courtesy chairman. Al went on to chair Shore Courtesy for 43 of the last 47 years, taking a break only during the run up to his year as I-LYA commodore in 1983. He also coordinated the memorial service and arranged for the bagpipers that add so much to that solemn event. In 1978, under Commodore Norm Winkel, Al headed a fundraising campaign among yachtsmen to purchase an EKG monitor and defibrillator for the Put-in-Bay EMS. The colorful I-LYA courtesy booth used during the regattas was also his idea and, he even worked to help establish the first powerboat regatta which was held in Erie, PA. Al and his lovely wife Hildegard were fixtures at the bay for many years and she is sorely missed by all of us. As we celebrate the 40th anniversary of Al's I-LYA commodore year, please thank our very own "Mr. Shore Courtesy" for his service to our organization.

This is a photo of the "colorful I-LYA courtesy booth" which was restored by Al Gebhardt in 1976. In Al's words, it was an "old broken down booth! It was even missing the roof!" Al made 5-6 trips to the Bay to work on it. He and Hildegard painted it with a patriotic theme of red and white vertical stripes and blue roof with white stars. 1976 was also the year Al found bagpipers, through Com. Art O'Hara, and brought them to play. This was the birth of what has become 47 years of the parade around DeRivera Park to the Commodores' Memorial.

Historically Speaking

By Tom Thanasiu, Jolly Roger Sailing Club

I-LYA 125 years ago (1898)

1898 Com. Alex I. McLeod, NYC

Alex I. McLeod Jr., a 46-year-old Commodore from Detroit Yacht Club, brought life experience and connections to I-LYA. Born in Providence R.I., he moved to Mount Clemens at the age of 5 when his father's shipyard went under. After high school graduation McLeod Jr. began the first of many occupations. He crewed for a year on the *Reindeer* and *Captain Bamford* before

returning to land and starting a 2-year job as a cub reporter at the *Detroit Advertiser and Tribune* newspaper. McLeod then moved to the government sector becoming the youngest Clerk of Records Court at the age of 21. He held that job for 4 years until he became superintendent of Wood Chemical Factory in Bangor and Flint, MI. At 24 he married Frances A. Millington from New York with whom he had one daughter, Frances Janet. He moved the family to Cincinnati to invest and clerk on a Ohio River steamboat that went bankrupt two years later. His investment gone, he returned to Detroit to work at the *Detroit Evening News* as a city hall reporter where he later became City Editor. An opportunity to be on the water came with an investment in the new 296' bulk freighter *John Owen*. After a year he jumped ship again and cashed out for a good profit. The Mayor of Detroit, Hazen S. Pingree, needed an advisor to help guide him through the pitfalls of Detroit politics. With McLeod's experience from Clerk of Records Court and the newspapers, a one-year agreement became five, until Pingree won Governor of Michigan in 1897. McLeod was County Treasurer for 4 years bringing a good wage when he was elected to be the 5th I-LYA Commodore on Feb. 12, 1898, with V/C Henry Tracy, TYC and R/C George Bliss, EYC.

Funds were tight in 1898, I-LYA had \$34.17 in its bank account and the Commodore pulled from his own pockets so that his term would be an exciting year. This was the first year advertising was sold in the yearbook to raise funds. In the July 25–29 regatta at Put-in-Bay, the race committee cut down the number of classes to help with expenses although they were able to come up with \$406.50 for cash prizes.

Thursday's races were postponed for lack of wind but Mother Nature made up for it on Friday with one of the

worst squalls in yacht racing history at Put-in-Bay. 22' *Mabel* of Toledo capsized and 27' *Wrinkle* of Sandusky was driven ashore on Middle Bass Island. Regatta major winners were *Surprise* of Detroit (52' class), *Alice Enright* of Toledo (42' class), *Vinco* of Cleveland (27' class), *Puritan* of Toledo (37' class) in a free-for-all for the Victory Cup, and *Vivian* of Toledo in the Half-raters. This was also the first year barring professional helmsman on yachts 42 feet and less. For the first time at a major regatta, a powerboat Naphtha Launch Race was held with *Otsiketa* of Detroit winning.

Commodore McLeod's Steam Yacht *Louise* was the Flagship of the fleet. The Spanish American War had taken many yachtsmen to the battle but the 1898 regatta proved successful and prosperous. \$58.57 was turned over to 1899 Commodore Bliss in Detroit's Russell House February 11.

I-LYA 100 years ago (1923)

Leading I-LYA in 1923 was 42-year-old Sidney Frohman of Sandusky Yacht Club. A self-made man, Frohman was president of corrugated paper company Hindle & Dauch Paper. He started out as an office boy for Sandusky Milan and Norwalk Electric Railway—working his way to motor-man and then freight agent. At 23 he joined Sandusky Foundry and Machine Company as a salesman selling SFMCo products to the paper mills. At 29 he continued down the paper path to become treasurer for Hindle & Dauch until its GM died tragically in a car accident. He filled the GM position from 1918 to 1951. He was married in 1905 to Elnora Dauch until she died in 1926. Together they had two children Mary and Sid Jr.

1923 Com. Sidney Frohman, SYC

The July 15–22 regatta was at Put-in-Bay with V/C A.A. Schantz, Detroit YC; R/C Harry Bisgood, Buffalo Canoe Club; Fleet Captain Harry Parsons, Cleveland YC; and Sec./Treas. Lee Keller, Sandusky YC as Flag Officers. The first day was the finish of long-distance sail races from Bob-Lo (Detroit), Rocky River (Cleveland) and Toledo—races that would eventually become today's Deepwater feeder races. In addition, there was a long distance powerboat race to the island from downtown Cleveland. Day two featured a morning baseball game followed by an open house on Commodore Frohman's sleek flagship motoryacht *Navajo III*. Shore games were the

Historically Speaking

afternoon's activities including a sack race, cracker eating contest, and tug of war for the men; flapper and chicken, spoon and bean, and hobble races for the women. Afterwards was the Yachtsmen's Dinner at the Hotel Crescent at 6:30.

Tuesday morning featured sailboat racing with powerboat races in the afternoon followed by the Commodore's Reception on the Streamer *Chippewa* with dancing. Wednesday started the same, but entertainment was the mid-afternoon Ladies Lawn Party at the Bay View Hotel, an evening concert performed by the Sandusky Yacht Club Band at 7 and a Mardi Gras Party at 9 with prizes for costumes.

Powerboat racing filled Thursday morning giving the sailors time to prepare for the Squadron Sail in the afternoon. At 12:30 there was the Inter-Lake Swimming Championship with men's and women's freestyle competitions at 50 and 100 yards, men's 200 yd. breaststroke and freestyle, and a 100 yd. backstroke for the women. A 10 ft. high diving board was used for co-ed "fancy diving." At 4:00 P.M. "Novelty Races" featured ladies' and commodores' Cat boat races, ladies' powerboat race and a dinghy race. The Yachtsmen's Ball was at 9:00 at the Colonial Pavilion. Entry fee for yachtsmen were a \$1 each, ladies free with a escort, and dancing until 1 A.M.

The last day of the regatta, sailing classes raced and results were tabulated from the racing of 10 classes of powerboats and 9 classes of sailboats. "Prize distribution" was at the Hotel Crescent pavilion. Each class had a cup trophy, and a wide variety of other prizes were provided by the merchants in the Inter-Lake circuit. Some of the "other prizes" included fire extinguishers, a cane/umbrella set, cans of varnish or paint, a clock, a barometer, silver cups, platters, bowls, baskets, trays and vases, and a stetson hat. The Commodore Sidney Frohman Trophy was a 30 in. Italian marble statue presented to the yacht club with the greatest number of power and sail boats registered in the regatta (dinghies, canoes, and row boats excepted). There was no entry fee and the Race Committee took the word of the boat owner's home club measurer.

Commodore Sidney Frohman Trophy

I-LYA 75 years ago (1948)

Alexander Winton Jr., of Cleveland YC, whose father had held the office in 1911 and 1917, served as 1948 Commodore. Theodore B. Farnsworth of Detroit was V/C and Charles F. Stewart of Mentor Harbor YC was the R/C. Harry C. Kendall of Detroit YC served as Sec./Treas. Walter X. Brennan headed the Aviation Committee. I-LYA had 56 member clubs

representing 15,000 members owning 5,000 boats.

The Commodore's Dinner was held at the Bayview Hotel and the reception at PIBYC. Regatta dates were Aug. 8-12 with Deepwater Races to the Bay from Detroit, Rocky River and Toledo preceding. Twenty-six sailing classes turned out including the 8-Meters, 6-Meters, Rs, Cruising A and B, Yankees, Luders-16s, Stars, Lightnings, and Thistles. Entry fees were \$1-\$3. The spectator boat, *Avon*, capable of carrying 75 passengers, took race viewers out from 8:30 A.M. to noon for no charge.

Highlight of the entertainment was a moonlight ride aboard the *Mystic Isle*. Rocky River Deepwater race winners were J. Arthur Shomer's *Pop-N-Jack* from Cleveland YC in the Rs and the Busch Brothers *Hornpipe* from Edgewater YC in the cruising class. The Detroit race was won by Perce Darnell's double-ended 8-Meter, *Pintail*, and Charles Busse's *Last Straw*, a Fishers Islander. Dick Miller of CYC won the I-LYA Star Class crown. The breeze throughout the regatta was excellent. In the final race, the cruising class completed its 14-mile course while the race committee was still firing starting guns for some of the smaller classes.

As the last boat cleared the courses, a vicious blow swept across the lake but everyone reached the harbor safely. W. Lawrence James of CYC was a clean sweeper in the ketch class with *Bagatelle*. Dick Bostwick's *Falcon II* won in Cruising-A. Carter Sales of Bayview Yacht Club wrapped up the Luders-16 honors with *Sea Sails III*. Clyde Gischel of Portage Lakes Yacht Club was the Snipe class champ.

I-LYA 50 years ago (1973)

1948 Com. Alexander Winton Jr.

1948 Com. Alexander Winton Jr.

George E. McCord was the second Portage Lakes YC member to be elected commodore of I-LYA. The first was Daniel K. MacBride in 1956. Flag officers were: V/C William Robertson of PIBYC; R/C Gustav Schell, BLYC; Fleet Captain Thomas Gollehan of Toledo Sailing Club; Fleet Lieutenant John M. Pickens of Maumee River YC; Fleet

Surgeon Dr. G. Kenneth Parke, PLYC; Fleet Chaplain Rev. W. Howard Graham, Indian Hill BC; Sec./Treas. James A. Burkhardt, Port Clinton YC.

This year the Junior Sail Regatta at Put-in-Bay—led by George Sackett Jr., MHYC, as chairman—was run in a new form, an elimination series on Mon. and Tues. July 30 & 31. On Wednesday and Thursday, the top 5 crews from the elimination met in a round robin series to determine the championship and the other crews raced in the Commodore Series. Winning the Championship Series again: BLYC, with Matt Fisher (skipper), Jeff Metzger, Judy Metzger, and Dave Reynolds.

Sail regatta dates were August 4–8 at Put-in-Bay, all blessed with ideal sailing weather. The cruising sail yacht races, with 166 entries, seemed to be outgrowing the one-designs. Competition was hot and there were only three clean sweeps—David Hamister's *Susurrus* from CYC in Tartan-27s, William Greenspen's #1125 in Lightnings and Don Irvine from Cowan Lake Sailing Club in Snipes.

Entertainment highlights of the regatta were a Sunday afternoon parade of yachts and fleet review followed by a band concert in the park. Monday brought the flag officers' reception on Borman's lawn before the Yachtsmen's Dinner at Chick Linker's Boat House Restaurant. The Tuesday Ladies' Party was hosted at Mr. and Mrs. Allen Neff's home, the Anchorage. The Sailors' Beer Bust followed at PIBYC.

It was during 1973 that I-LYA, at the urging of Rolf Krotseng of Edgewater YC, set up a special Olympic Classes regatta called the "Spirit of '76" in preparation for the 1976 Olympic Games. Held at Sandusky Sailing Club, it attracted 253 entries in 12 classes as Lake Erie's flood waters, that had prevailed during the previous week, receded. The 470 Class drew 90 starters representing every state in the Union.

Bernard Swindeman's *Ranger-337*, *Appleknocker*, from North Cape YC became I-LYA's "Boat of the Year" as high scorer in the Lake Erie Offshore Racing Championship. It was the second running of LEORC. The first winner was C. Richard Newpher's C&C-41, *Cheetah II*, from Mentor Harbor YC. At the fall meeting the biggest worry seemed to be the impending fuel shortage for powerboats resulting in skyrocketing fuel prices.

I-LYA 25 years ago (1998)

Commodore Bill Heider was head of I-LYA. Born in Erie, PA, Commodore Heider's boating began on Presque Bay. His grandparents lived in a boathouse at the end of Walnut Street and had a covered well attached that always had a boat. As he grew older, he built a small sailboat for the backyard bay. Later with his father they built a 15' Chris Craft kit boat for fishing on Lake Erie. After Bill and his

wife Jan were married with children (Janet, Bill Jr., and Edward) the couple bought a 16' with an outboard eventually working their way up to the 31' Silverton, *Dreamboat*, which they used during the regattas.

Professionally, after graduation from Erie Technical High School, Com. Heider worked in a print shop for two years until serving in the navy during the Korean

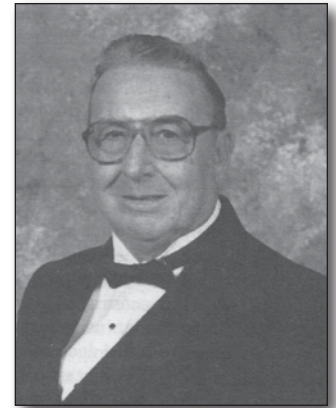

War. He served two years of active duty in the Navy as a radio operator before returning from Korea in 1953. He got a job with Times Publishing as an apprentice printer and worked his way through the ranks to production manager, a position he held for 22 years until his retirement in 1995.

In 1973 Heider got together with other area boaters and formed Commodore Perry Yacht Club. He served as chairman of the Board of Directors, treasurer, secretary and served as commodore twice. CPYC was admitted into I-LYA in 1978 with Bill as delegate. Heider was active in I-LYA, serving on many committees for both sail and power. He was powerboat chairman in 1989 and served 2 terms as I-LYA Trustee, 1986–1988 and 1992–1994, until being elected I-LYA's Rear Commodore in 1996.

The 42^d Junior Race Week started Sunday, July 19 and ran through July 23 with Friday, July 24 check out. Co-Chairs Jack Bierley & Sandy Lawrence, both Erie YC, leading the 15 clubs and 115 kids. The top sailors in the Championship Series were Sears (Thistle) Greg Guttma, Kurk Lintern and Oliver Glass, MHYC, Bemis (VJ-15) Lee Sackett and Lindsay Bartel, MHYC and Smythe (Lasers/Full rig) David Rathbun, Vermilion BC.

Senior Sail started Saturday, August 1 with the finish of the Deepwater feeder races at Put-in-Bay. John Greiner, NCYC, was chairman of the sail regatta this year. The Commodore's Memorial Service was Sunday at 4:00 P.M. After Monday's races, the Officer's Reception and the Deepwater awards were held at the Crew's Nest pavilion at 6 P.M. Sail Awards were Wednesday at PIBYC. The top sailboat at the regatta was *Wizard*, owned and raced by Jeff & Marilyn Mackay, NCYC. They won I-LYA's Blue Gavel/PHRF over-all/Boat of the Year as well as the 75th Toledo Yacht Club Mills Race Trophy.

On Thursday, August 6, the flip flop from Sailing to Powerboat Regatta took place at noon when the sailboats had to be off the docks to make room for the incoming

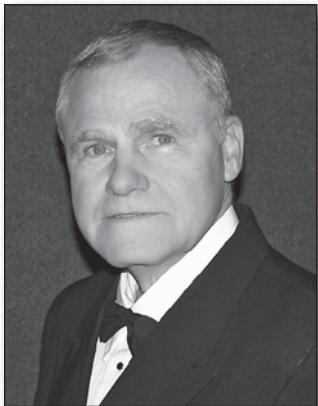

1998 Com. Bill Heider, CPYC

Historically Speaking

powerboats. Power Chair was Bob Hope, HBYC. The major awards were won by Tom Bernardi, SSCC, for the Greeley Trophy (predicted log) and Snodgrass Trophy (predicted log, docking, chicane, weather forecasting). I-LYA II (a second contest in predicted log) went to Bill Scheeff. Junior navigation was won by Stephanie Wynne, SSCC. Mens volleyball & softball went to GCBA/East, Women's volleyball to AYC/West, and the Participation Award to South Shore Cruising Club. Sunday the 8th the Regatta ended with the clearing of the docks at noon. 1998 Man of the Year was Richard "Moose" Avery of Swan Boat Club

The 10th anniversary of the K-Cruise was designed to be memorable. "The Big Loop" or the "Great Lakes Loop" begins at the cruiser's home port. The route runs through Lake Ontario via the Welland Canal, through Trent Severn Waterway's 45 locks, exiting at Port Severn in Georgian Bay. 1200 miles in under 3 weeks. This was done by Fred & Nancy Weiss on Frank & Doris Olech's 36' Uniflight *Kan-Do II*. It began Friday, June 26 at Port Stanley's Kanagio YC. Highlights included Canadian Independence Day fireworks, running out of gas and being towed into Tobermory to fix a stuck gas gauge, a backfiring engine and subsequent ignition repairs in Bayfield, and a welcome return to Bay Point YC on July 19 with typical choppy Lake Erie weather.

I-LYA 10 Years Ago (2013)

2013 Com. Kris Miller, PIBYC

Kris Miller from Put-in-Bay YC was at the helm of I-LYA's 147 clubs in 2013. Being the second oldest of nine children, leadership abilities began at a young age. At the age of 5 he and his family moved to North Olmsted, OH. Kris's love of water began on family vacations at Conneaut Lake on the OH/PA line and at Lake of the Ozarks, Missouri. Water-skiing became a pas-

sion and he was fortunate to have friends who had boats. Those same friends introduced Kris to boating on a new level with trips through the Welland Canal, Port Huron and Sarnia and always a stop at Put-in-Bay.

Kris graduated from North Olmsted High School and went to Ball State and Kent State where he left school to marry Reni in 1965. They have 3 children, Connie, David and Deborah. He went to night school eventually earning his bachelor's and EMBA at Baldwin Wallace College. He worked in purchasing and materials management and then

as a planner with IDS Financial Services/American Express splitting his time between Bay Village and the Put-in-Bay family cottage, "The Second Last Thing."

Kris and Reni joined PIBYC in 1973 and purchased an Interlake, *Miller High Life*. In 1990, his PIBYC Commodore year, they began their powerboat experience together when good friends were sent to Europe for work and loaned them their 25' boat, *Mutual Funs*. It was a sad day when the friends returned wanting their boat back, so Kris bought his first powerboat, a 26' Wellcraft, inevitably moving up to a 30' Sea-Ray which they appropriately named *Inevitable*.

Kris's I-LYA adventure started when Connie and David were participating in Jr. Bay Week. He helped out on the committee boat for Jr. and Sr. Sail and chaired Jr. Race Week with Reni in 1993. 1995 was the beginning of his four I-LYA Trustee terms, (1995–2000, 2007–2010), then he was elected as Rear Commodore in 2011, "inevitably" becoming Commodore in 2013. Along the way, he became a Principle Race Officer (PRO) and held that position with the one-design centerboard fleet from 1996–2012. Through the years he has served on auditing, nominating, code of regulations, publications and regatta support committees. In 2008 he was I-LYA Yachtsman of the Year. During his Commodore years he and Reni made it a point to visit all of the I-LYA clubs.

The 58th Junior Sail Regatta was Sunday, July 21 through-Friday, the 26th. Chairs were Matt and Tracey Davis, BLYC. They were in charge of 149 kids from 16 clubs. The top sailors were Sears (Thistle), Will Harders, Nathan Harris and Darby Lansdowne of CYC; Bemis (420), Colin Mackay and AJ Rush of NCYC; and Smythe (Laser), Colin Guttridge of BLYC.

Senior Sail started July 31, with Deepwater Feeder Races, then regatta racing started Friday through Sunday morning. Bob Shepherd chaired with Mike Fishbaugh as Vice. Top finishers were: Com. Mike Smith/PHRF Overall and Blue Gavel Boat of the Year: *Hall Pass*, Mike Riedy of Sandusky SC; Millennium Trophy: *Orange Crate*, Jim Davis of NCYC; McDermott Trophy: 909, Tom Marriott of JRSC; and the Parsons Trophy/Largest One-Design Class Winner Hobie Wave/HCA: *Boat*, Jim Glanden of Hobie Fleet 54.

Junior and Senior Power Regattas started Tuesday, August 6 with the spaghetti dinner at PIBYC. Chairman for both Regattas was Bob Lang, WRYCC and the top junior, Jeff Miller of PIBYC. WRYCC won both Participation and Volunteer Awards. The winner of the Greeley Trophy was Gary Coles on *Sophisticated Lady*, EMBC.

The Yachtsman of the Year went posthumously to Howard Pinkley, for his over 50 years of service to I-LYA and other organizations. His daughter Wendy, accepted the award for Howard. Also passing between regattas was 1975 I-LYA Com. Gustav Schell and 1990 I-LYA Com. David L. Shaffer.

Past Recipients

Yachtsmen of the Year

1978 marked the beginning of a tradition that has been adopted by each administration since Commodore Norm Winkel determined that recognition should be given to the many volunteers who freely donate their time, vacations, talents, expertise, and even boats and equipment to ensure the continued success of yacht racing competition and the I-LYA organization. These special people have earned the honor of being “Yachtsman of the Year.”

Final Voyage

Michael A. Smith

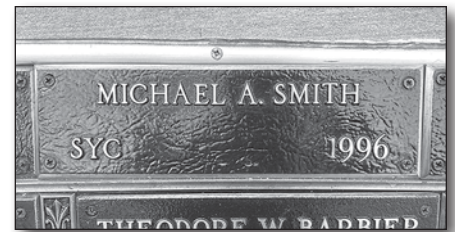

Michael Ashbrook Smith was born in Cincinnati, Ohio in February of 1943. He spent many of his early years at his family's summer cottage on Catawba Island where he played with his cousins on his uncle's canoe which had outriggers, a sail, and a motor. When more boats were needed, runabouts and sailing prams were built at the family-owned lumber company in Findlay, Ohio. After high school, Mike worked a short time in the steel business and graduated from the University of Cincinnati in 1965. He was a recruiter and owned his own private search analyst business in Willoughby, Ohio.

Over the years, Mike was involved at several area yacht clubs. In the mid-seventies, he joined Huron Yacht Club and became its I-LYA delegate. He served as commodore of All Ports Yacht Club and Huron Yacht Club in 1987 and 1993, respectively, and was also an active member of Sandusky Yacht Club. He served as president of IOBG District 7 in 1991, as an I-LYA fleet captain, powerboat chair, and as an I-LYA trustee. The Commodore Mike Smith Trophy for PHRF Class Overall is still awarded to this day. Mike's flagship at the Bay was his beloved 32' powerboat, the *MIJO*. You could also find him crewing on his dock partner's 35' Express *TIME* whenever he had an opportunity. Mike served as I-LYA's 103^d commodore in 1996 with his lovely wife Jody at his side. They recently celebrated their 50th wedding anniversary and were enjoying their retirement in Cookeville, Tennessee. Mike will be sadly missed by all of us!

About I-LYA

INTER-LAKE YACHTING ASSOCIATION

I-LYA's basic purpose is the protection and promotion of the interests of boat owners and water sport fans in the enjoyment of their sport.

I-LYA is a watchdog for proposed legislation that may affect yachting and yachtsmen.

I-LYA serves as a clearinghouse for yachting information.

I-LYA's officers and committees are available to help its member clubs with boating related problems.

I-LYA is the US Sailing Regional Sailing Authority and Appeals Body for race protests in the area.

At the top level, **I-LYA** works hand in hand with US Sailing and class racing associations in developing fair and workable rules.

I-LYA's foundation, The Inter-Lake Yachtsmen's Fund was established to support training, education, and junior activities. The Yachtsmen's Fund is a qualified 501(c)3 corporation and all donations are tax deductible.

I-LYA is the leader in Junior Sailing in the Midwest. The annual Junior Regatta is one of the largest Junior Sailing Events in the United States and serves as a model for other clubs. The winners of "Junior Bay" receive scholarships from the Inter-Lake Yachtsmen's Fund.

I-LYA is also a leader in Junior Power boating in the area. The Junior Powerboat program which was developed in 2006, offers Leadership Training and navigational contests. The winners of this event are also awarded scholarships from the Inter-Lake Yachtsmen's Fund.

I-LYA consists of 135 member clubs and every member of each club is automatically a member of I-LYA, and is assured recognition among other clubs.

I-LYA's membership includes clubs from both the United States and Canada, making for strong international ties and competitions.

Member clubs are represented by delegates to **I-LYA** and meet twice annually. Spring and fall meetings are held in the vicinity of the current Commodore. Class advisory, cruise and powerboat committees meet prior to the delegate's meeting, giving open forum for class improvement and rules enlightenment. Delegates elect the Flag Officers and Trustees at the Fall Meeting.

I-LYA appoints delegates to US Sailing and Yacht Racing Union of the Great Lakes.

I-LYA is governed by a nine member Board of Trustees. Business is conducted through the office of the Executive Secretary.

I-LYA seeks corporate sponsorship to improve the services provided to its members and to control costs.

I-LYA's Annual Regatta is held at Put-in-Bay, on South Bass Island, in western Lake Erie—the site of the historic Battle of Lake Erie in the War of 1812. It draws more than 500 Sail and Power boats annually.

Celebrating the Past—Shaping the Future

The Yachtsmen's Fund, an IRS-recognized 501(c)3 charitable organization, believes that our young sailors and power boaters are the future of our sport. It is imperative that we do all we can to support their education, growth, development, and love of sailing and powerboating. In 2022, The Yachtsmen's Fund distributed over \$26,000 in grants and scholarships. Going forward, we plan to do even more by promoting Training Grants to encourage instructor and race management certification, supporting Junior Bay Week and Junior Power, awarding scholarships to qualifying I-LYA junior sailors and powerboaters, and providing Championship and Junior Travel Grants to junior sailors who travel and represent I-LYA.

We thank the Benefactors and Sponsors listed on this page who recently contributed over \$11,000 toward our Centennial Campaign in honor of our first 100 years. We also acknowledge the gifts of all who have given or will give as life members, annual contributors, or through memorial donations. Your support along with that of our Dollar-per-Member organizations makes a difference today, tomorrow, and far into the future.

8/10-13	CHUBB Jr Champs, Roger Williams Univ., RI

▲# = Counter Race for Series Awards

The most up-to-date calendar is at www.i-lya.org.

The Junior Traveler Series is a summer-long series of weekly regattas hosted by I-LYA member clubs which offers an increased opportunity to race close to home. Series awards will be presented to the top finishing skippers and crew in each qualifying fleet based on the best five regatta finishes at any of the qualifying events. There is also a Team Trophy awarded each year to the top finishing club. Registration and scoring for the series and each qualifying regatta will utilize Regatta Toolbox.

Sailors must be at least 7 years old and can participate in the Traveler Series up to and including the summer immediately following their senior year of high school. The Notice of Series is available online on the Traveler Series page under Junior Sailing at I-LYA.org.

2022 U.S. National Championship

The Chubb U.S. Junior Championship, US Sailing's National Championship for junior sailors aged 13–18, was held at Macatawa Bay Yacht Club in Macatawa, MI, August 9–12, 2022. Sailors representing each of the 11 areas across the country came to MBYC for this annual 3-day event. Racers competed in the single-handed ILCA 6 fleet (Smythe Trophy), the double-handed Club 420 fleet (Bemis Trophy), and the triple-handed VX One fleet (Sears Cup).

I-LYA junior sailors qualified to participate in the single and double-handed events after strong finishes at the Area E Championships hosted by Sandusky Sailing Club. The triple-handed sailors competed in Thistles at Vermilion Boat Club. All 9 sailors were approved for Inter-Lake Yachtsmen's Fund Championship Grants to help offset registration, travel, and any required charter expenses.

Racing conditions on Lake Michigan gave sailors varied conditions to demonstrate their skills. The first race day saw moderate winds around 10 kts with light choppy seas, and the second race day brought winds of 15–20 kts with large waves. The third and final race day started with no wind but built to about 5 kts and a lot of current, resulting in one race sailed for each fleet.

Emma Friedauer (HSC) and Mallory Dietsch (NCYC) competed against 20 other sailors for the Smythe Trophy in the Laser Radial fleet. In a field dominated by young men, these sailors persevered. According to Emma, "The Chubb Championship was overall such a fun event. I got to make friends from all over the country and became even closer with everyone from Area E." Mallory was awarded the Faye Bennett sportsmanship trophy. This perpetual trophy is awarded to the single-handed sailor who exhibits the highest tradition of fairness during the regatta.

Our two 420 teams were Jacob and Rider Myers from PIBYC and Buck Rathbun and Reese Levinson from CYC. These four sailors also race together for Rocky River High School during the fall and spring seasons and their time on the water certainly contributed to their success.

Edgewater Yacht Club members Daniel Van Heeckeren, Kellie Keane and Annika Vanderhorst were our VX One racers. They finished 6th in the eleven-boat fleet and were awarded the Sears Cup Shipshape Award for the respect and care they showed while chartering an MBYC boat. "We were honored to win the shipshape award at the 2022 Sears Trophy finals," said Kellie Keane. "The regatta as a whole was so much fun, and we were thrilled that we could show our gratitude towards the regatta organizers, and the people that loaned their boats, by keeping the boats as neat and orderly as possible."

There are lots of changes coming in 2023 with the Smythe and Bemis trophies moving to Youth Championships which is now an open event and Area E qualifying two teams to compete for the Sears Cup. The Yachtsmen's Fund will adjust its grant giving to make sure that we continue to support these young sailors who travel to represent I-LYA and Area E on the national stage. Good luck to all and thank you to the parents, coaches, race managers, etc. who contribute to our vibrant I-LYA junior racing tradition.

Sears Cup Shipshape Award—hats off to Edgewater Yacht Club sailors Daniel van Heeckeren, Kellie Keane, and Annika Vanderhorst.

Mallory Dietsch of North Cape Yacht Club holding the Faye Bennett sportsmanship award

(L-R) Jacob and Rider Myers, Buck Rathbun, Emma Friedauer, Mallory Dietsch, Reese Levinson, Kellie Keane, Daniel van Heeckeren, and Annika Vanderhorst.

Fall Line
Chip Schaffner
Edgewater Yacht Club

Congratulations to *Fall Line* and crew, the 2022 Winner of the Blue Gavel Trophy/I-LYA PHRF Boat of the Year. *Fall Line*, a J-105, is owned by Chip & Kellie Schaffner and sails out of Edgewater Yacht Club. *Fall Line* competed in a host of regattas with wins at Cleveland Race Week, Princess Pat Regatta, Lakeside Regatta/Ruhlman Cup, Cleveland Deep Water, I-LYA Bay Week, George O'Connell Fall Bay, Snow Flurries and podium finishes at Mills & the Sandusky Islands Race. This is a team effort and primary crew for those regattas were Chip Bodie, Chad Schaffner, Louie Palmer, Ryan Bennett, Jeff O'Connell, Adrienne Felger, Emery Eiber and a slew of other talented local sailors throughout the season. We also do our best to sail with as many I-LYA Jr. Sailors in all events. This season had its excitement, the boat was taken out with a lightning strike on the Deepwater, then a collision the week after Bay Week during a Wednesday night race. A big thank you goes out to Lease Shock from Sandusky Sailing Club, who was gracious enough to loan himself and his J-105 *Southbound (Avatar)* for the balance of the season. Because of his generosity, the *Fall Line* team was able to get back on the water, tune in his boat and finish up a successful 2022 season.

Mid-America Boating
Skipper of the Year

The I-LYA Sail Committee is pleased to announce the 2022 Mid-American Boating Sail Skipper of the Year is Mr. Russell Krock. Russ was nominated in recognition of his efforts to bring the single-handed fleet to the I-LYA Sail Regatta. A member of the Sandusky Sailing Club and the Alum Creek Sailing Association, Russ was hailed by those in attendance for his support of other sailors and his enthusiasm for the sport.

Russ is an avid sailor. He sails his Wavelength 24 at Alum Creek Sailing Association on Wednesday nights with his crew from Columbus, Ohio. On weekends he travels to Sandusky Sail Club and sails his Shock 35, *Shock & All*. The Shock 35 is used to race in many multi-crewed regattas. His accomplishments in racing have brought him respect from sailors in the Western Lake Erie region.

One of his biggest accomplishments is his dedication and efforts for the Great Lakes Single-Handed Society. He has for many years been one of the most accomplished sailors in this difficult style of yacht racing. This past year he participated in several single-handed races including the most prestigious on Lake Erie, the Lake Erie Challenge. This single-handed race starts at North Cape Yacht Club in Monroe Michigan travels to Buffalo, New York and then heads back to Erie Yacht Club in Erie, Pennsylvania to finish. These single-handed sailors cover more than 300 miles and sail in conditions ranging from no wind to raging storms by themselves for several days. Finishing this race is an accomplishment that only a select few complete.

On behalf of the thousands of sailors from the 143 I-LYA member yacht clubs, we congratulate Russ on this prestigious award.

*Proud to be a part of the I-LYA
 Regatta and to support
 Commodore Lloyd Bogue
 & Lady Rhonda*

Past I-LYA/SSC Commodores:
 Earl Seitz, '52
 Norm Winkel, '78
 James Snodgrass, '86

I-LYA Junior Power Regatta at Put-in-Bay

Junior Power Contests

These Junior Regatta contests are designed to reinforce the safe boating practices and rules of the road learned in the classroom. The contests and seminars use a hands-on approach and provide the juniors with the confidence to operate motorized vessels. The vessels used at the regatta are inflatables donated by senior participants of the power regatta. For additional information about the Junior Power Program please visit the I-LYA web-site.

General Knowledge and Seamanship

Friday's safe boating seminar provides each junior with a refresher course on safety requirements, rules of the road, understanding of buoys and their identifying characteristics, hand held GPS and electronic chart instruction, and much more. Juniors will be asked to demonstrate knot tying, line throwing, and how to properly secure a vessel. A written exam, testing each junior on his or her general knowledge of the above concludes this contest.

Charting and Course Plotting

The safe boating seminar also covers charting and course plotting. Hands-on activities teach the juniors how to read charts, determine their position and plot a course. At the end of the seminar, each junior will be tested on their understanding of the above.

Navigation Competition

This is a shore-based contest that will require juniors to pair up and take a short walk or bike ride around the Island. They will be asked to take bearings, make observations and determine their position using hand held GPS as they make their way around the Island. Bikes will be provided if necessary.

Weather Contest

Each junior will be asked to forecast the weather for a prescribed time and place. The forecast will include temperature, wind direction and velocity, barometric pressure, sky conditions, precipitation, and relative humidity. Prediction forms will be provided and must be submitted by a set deadline. A committee shall assemble at the prescribed place and time to observe and record the actual weather conditions and determine the winners of this contest.

On-the-Water *(Four contests using inflatables)*

"COURSE A" Boat Handling Contest "Course A" will demonstrate the steering and boat handling capabilities of each junior. The junior, accompanied by an assigned adult, will run a 3-leg course in both a clockwise and counter-clockwise direction with the objective of making both runs in the same amount of time. Speed is NOT the objective.

"COURSE B" Compass Reading and Bearings Contest "Course B" will demonstrate a junior's ability to read a compass and take bearings and identify your position using hand held GPS. The goal is to steer as carefully as possible between the marks for each of three designated courses set by the committee. At the end of each leg the junior is to record the compass heading steered. An assigned adult will crew on each vessel.

Chicane This is a timed test of boat handling and low speed maneuvering. The junior will be timed and judged on his or her ability to successfully maneuver through a prescribed course at no-wake speed in 2 directions without creating a wake and without hitting the marks on the course.

Docking This contest evaluates the junior's boat handling and maneuvering skills as related to docking. The junior will be judged on his/her ability to properly maneuver, dock and secure his or her vessel within a predetermined dock space. Hitting the dock and/or high speed operations will result in loss of points.

Social Competitions

In addition to the bragging rights earned by making a hole-in-one during Jr. Putt-Putt or Jr. East trouncing Jr. West (or vice-versa) in volleyball, Junior Power Regatta participants also enjoy the following contests:

Geo-Quest

Based on Geo-caching, Geo-Quest is a live treasure hunt utilizing compass and GPS skills. Junior teams will explore the island via adult-driven golf carts and locate hidden "treasures."

Fishing Derby

The "Fishing Derby" is designed for all juniors participating in the regatta. Come one, come all and see who catches the largest, the most and the smallest fish. The committee will be available to bait your hooks and will supply the bait as well as snacks for the anglers. Bring your pole and your life jacket and arrive 15 minutes before start time so you will be ready to drop your hook. Prizes will be awarded immediately after the finish time. So don't be late and good luck!

Awards

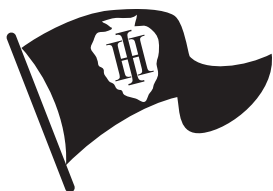

Ribbons: are given to each winner of the four On-the-Water contests, the Weather contest, and the land/shore based Navigation competition. 1st, 2^d or 3^d place ribbon awards are provided depending upon participation.

Junior Skipper Award and Trophy: is given to the individual having the highest total combined score for all On-the-Water contests and the Weather contest.

Scholarships: 1st, 2^d & 3^d place monetary scholarship awards are given to the eligible juniors with the highest overall score for all competitions.

1. Only those juniors who are members of a boat club affiliated with I-LYA will be eligible to receive scholarship awards.
2. Scholarships are based on final results from 2 days of competitions at the annual I-LYA Regatta.
 - General knowledge and seamanship
 - Charting and course plotting
 - Navigation competition
 - On-the-Water
 - "Course A" Boat Handling
 - "Course B" Compass Reading and Bearings
 - Chicane: boat handling and low speed operations
 - Docking contest: maneuvering and docking

I-LYA Power Regatta at Put-in-Bay

Power Contests

Commodore's Trophy

Competition for the Commodore's Trophy is based upon a combination of seamanship, boat handling and overall knowledge of boating. Four events have been selected by the committee which provide all of these skills. To compete you must enter all four (4) contests. Entry forms are available at the Registrars desk and must be completed and on file to compete. A percentage has been given to each event to determine the overall winner of the Commodore's Trophy. A flag and pin will be presented to the winner and the winner's name will be placed on the Commodore's Trophy which is awarded at the I-LYA Fall Banquet each year. This trophy is an individual award and will be awarded to an *individual* competing in the various events NOT to a competing team. Commodore's Trophy contests include: Predicted Log & Navigation (30%), Docking (25%), Chicane (25%) and Weather Forecasting (20%).

Predicted Log

The Predicted Log is a boat handling contest. A contestant's knowledge of their boat's performance and good navigation skills are necessary. A predetermined course is designed around a set of *control points*; which include buoys, markers, and landmarks, which must be passed on the port or starboard side of the boat, as designated. A contestant's calculation of his/her *predicted log* requires the contestant to plot the designated course on his/her own chart and predict the elapsed time, in minutes and seconds, that he/she will pass each control point. Contestants must run the course at their chosen speed, higher than six knots; their prediction should be based on their chosen speed. The use of GPS is allowed when running the course. **However the use of auto-pilot during the contest is strictly prohibited.** Contestants should know their boat's compass deviation, as most control points are not visible from the start of a leg. The Predicted Log committee will assign an impartial observer to accompany the contestant during the run. Each contestant is asked to bring at least one observer, who will be assigned to another contestant's boat. A short training class will be held for observers before the start of the contest. Each contestant must furnish two watches able to read in hours, minutes and seconds.

2023 Greeley Trophy

- | | | |
|----------------------|--|--------------------|
| Start | Buoy R "2" FI R 4s, PIB Harbor Entrance | Leave to Port |
| | Steer a course of 250 degrees T for 2.60 NM (2.99 SM). At that point, give timepiece to observer and proceed to: | |
| Control Pt. 1 | Buoy G "1" FI G 4s (West of Catawba Isl.) | Leave to Port |
| Control Pt. 2 | Buoy Y Can "E" (Erie Proving Grounds) | Leave to Port |
| Control Pt. 3 | Buoy RN "2" (West of North Bass Island) | Leave to Port |
| Finish | Buoy R "2" FI R 4s, PIB Harbor Entrance | Leave to Starboard |
- Committee Distance 20.778 NM

Specific instructions will be provided in the contest packet. Each contestant must complete the entry form provided by the committee. This contest is not intended to be a team event. However, if a team wishes to compete, and if eligible, only one flag will awarded, to the team captain. Only the team captain will be eligible to compete for the Commodore's Trophy.

Docking

This is a contest of boat handling and the ability to maneuver your vessel dockside. This contest is not a contest of speed. However, your time is recorded and used for determination of final finish placement and tie breaking decisions. When your vessel is called to compete, maneuver your vessel dockside and set your dock lines. The committee will set marks forward and aft of your vessel. These marks are used to define the space you have to maneuver your vessel. The committee will give you the signal to start and you will leave the dock, go to harbor and make a complete 360 degree turn. Once your turn is complete you will return to the dock and maneuver your vessel to dockside within the marks previously set.

Chicane

The object of the Chicane is to maneuver through the course with your engines in forward gear. Upon completion of the marked course make a 360 degree turn with your vessel. After completing the 360 degree turn, you must maneuver your vessel with engines in reverse back through the course returning to the start/finish line. You will be timed for the entire time it takes to run the complete course (both forward and reverse runs). You will be penalized for hitting a mark or making a wake.

Weather Forecasting

The contest form shall be filled in completely and filed with the Weather Forecast Committee by the time and day posted on the entry form and in the Regatta schedule. Twenty-two (22) hours later, at 1500 hours (3:00 PM) or as otherwise noted on the entry form, a committee appointed for the purpose shall assemble at Put-in-Bay to observe and record the actual weather conditions at the time and place described on the entry form. These conditions shall then be compared to the contestants' predictions and penalty points assessed for all variations. The winner shall be the contestant receiving the least number of penalty points.

Flying Mile

All boats will be timed electronically using a radar gun. Boats will NOT be required to run a full mile at their top speed. All boats will be timed within a 500 foot area designated by the committee. Two (2) or more participants are required to establish a class. No boat will be permitted to run in more than one class. Safety is our number one rule. Please operate your vessel in a safe manner. Remember, you are responsible for the safety of your vessel and all others on board.

Social Competitions

Social competitions include the East vs. West Volleyball, the co-ed Softball Game, and senior Corn Hole. Volleyball takes place on the PIBYC grounds and the softball game, at the school. Because most of the participants play these games only once a year, the spectators usually get a good laugh from the weekend warriors but occasionally see some impressive athleticism. The rivalry is sometimes intense but always good-natured. A trophy is naturally awarded to the victors but bragging rights are the real "Gold Medal" that is sought.

General Information

1. The SAFETY of all participants, crew, committee and audience is our number one rule. While participating in these contests, we ask all to observe navigation rules of the road, local laws and follow all safe boating practices. Please conduct yourself in an orderly and professional manner at all times and not put fellow participants, general public or the committee at risk or cause unnecessary nuisance. We want everyone to enjoy these contests whether on land or sea, please remember to BE SAFE.
2. These Contests and their rules have been prepared by the various contest committees and approved by the Powerboat Committee. From time to time, weather and scheduling conflicts may require changes or modifications to the schedule or contest rules. The various Committee chairpersons will make every effort to inform you of any last minute changes.
3. The success of the Regatta is directly related to participation in these contests and events. There is a first, second and third place flag given to the Clubs with the most participants in Regatta contests and events.
4. In addition to the Club Participation award, Clubs are eligible to receive an award for volunteerism. This is awarded to the Club having the most volunteers working the various contests, events and social functions. If you are a committee chairperson, it is very important to record the hours worked by your many volunteers in order that clubs are credited with all the hours earned during the Regatta.
5. Protests of judges' ruling can be filed with the Powerboat Committee. The Powerboat Committee will review the protest and make a final ruling.
6. Electronic copy of the official Regatta "Contest Rules Booklet" is available from the I-LYA website (i-lya.org). Also, hard copies are available at the Registrar's desk.
7. Refer to the official Regatta schedule and information available at the registrar's desk for the specific place and time of each contest.
8. Entry forms for all contests are available at the Registrar's desk located at PIBYC.

The Club Participation Award is given to the club with the most participation points earned in the Power Regatta and Junior Power Regatta events. Power Regatta events include: Docking, Chicane, Flying Mile, Predicted Log, Weather Forecasting, Inflatable Boat Races, Kayak, Softball, Volleyball, Putt-Putt, and Golf. Junior Power Regatta events include: Children's Games, Fishing Derby, Kayak, Navigation Class, Navigation On-the-Water, Weather Forecasting, Volleyball and Putt-Putt. One person participating in one event equals one participation point with the exception of Docking, Chicane, and Flying Mile which are worth 2 points each and Predicted Log which is worth 3 points. The club earning the most participation points earns the 1st place Participation Flag. 2^d and 3^d place flags are also awarded.

Club Participation Award

1 st	Bay View Yacht Club	132 points
2 ^d	Monroe Boat Club	29 points
3 ^d	Ford Yacht Club	28 points
3 ^d	River View Yacht Club	28 points

The Club Volunteer Award is given to the club having the most hours worked to support the events listed under the Participation Award and the Hot Dog Roast, Spaghetti Dinner, Steak Roast, Tippers Supper, Rum Party, Tito's Party, Shuttle Driving, Dock Security, Registrar, Announcement Trailer, Beer Trailer, Marks, Pub Crawl, and other functions, as appropriate. Committee chairmen are automatically given 10 hours. Committee chairmen shall record all the hours worked by their volunteers and submit to the designated Power Regatta chairman. 1st, 2^d and 3^d place flags are awarded.

Club Volunteer Award

1 st	Bay View Yacht Club	175.0 hr
2 ^d	Detroit Beach Boat Club	146.0 hr
3 ^d	West River Yacht & CC	143.0 hr

The Commodore's Trophy is presented to the individual displaying superior skills in four events: Predicted Log, Docking, Chicane, and Weather Prediction.

Commodore's Trophy

I-LYA Mid America Boating Skipper of the Year

Tony Blank, BVYC

I-LYA
Mid America
Boating Skipper of the Year

Tony Blank, Bay View Yacht Club

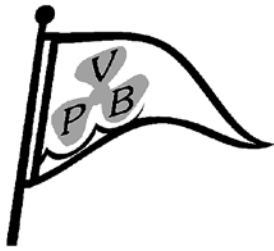

Born and raised in Temperance, MI, Tony has been a lifelong boater. His boating experience began in the womb as his first boat ride was a mere few days before he was born. Tony joined Bay View Yacht Club in 2012 where he began getting more involved in the organization. He served as Rear Commodore of BVYC in 2015, Vice Commodore in 2016 and Commodore in 2017. To this date, Tony is the youngest commodore in Bay View Yacht Club's History. As a Past Commodore, Tony continues to serve Bay View Yacht Club in a variety of different capacities, now as Bar Manager and Chairman of the Board of Trustees. He has served the Inter-Lake Yachting Association as Power Boat Treasurer in 2019, Fleet Captain and Recording Secretary in 2020, Power Boat Vice Chairman in 2021 and Power Boat Chairman in 2022. When not supporting Bay View Yacht Club, Tony can be found cruising Lake Erie frequenting Maumee Bay State Park, Kelleys Island, Middle Bass, Put-in Bay and Vermilion.

**GO
BLUE !**

Last summer, the Sail Committee ran a photo contest for anyone participating in either Deepwater or Sail Regatta events. This entry, taken by Paula Anderson, was chosen because it represents our newest and very popular single-handed fleet as well as highlighting I-LYA's role as an international sailing body.

In this image, *Ratso*, a Cayenne 40, is skippered by 80-year-old Dave Evans during last summer's regatta. Dave has been racing solo for many years including Solo Trans-Erie, Solo Trans-Atlantic, and 40+ solo Mackinaw races. He's a member of the Great Lakes Singlehanded Society and hails from LaSalle Mariners Yacht Club, LaSalle, Ontario, Canada.

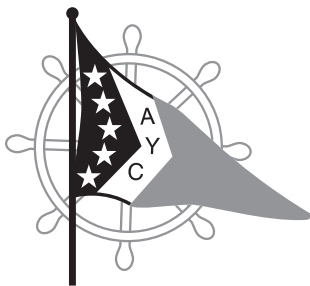

From the Editor:

We would like to thank our sponsors, advertisers, clubs, and other individuals for their support. Without your continued generosity and support, we would not be able to produce this book. This book is a valuable resource to our members and our regatta participants and allows them to access important information throughout the year. The book also serves as an historical record of our members' enthusiasm and success.

Many thanks also go to our photographers for the images that are reproduced in this year's book. They include John Bedford, Lloyd Bogue, Robert Keim/Fontevero Photography, Connie Miller, and Donna Pribe. You'll also find some of the images submitted through the Sail Committee's photo contest mixed into the pages from Ann Anderson, Paula Anderson, Molly Gregory, Michelle Hartman, James Pompei, and Deb Schaefer. Look for the ★.

We are grateful to the commodores and chairmen, past and present, who provided data for the pages, to Tom Thanasiu for his efforts in keeping I-LYA history alive, and to Jane O'Brien who lent her eagle-eyed proofing expertise to the project. Special thanks go to Com. Bogue and Larry Inguagiato who put extra effort and hours into reaching out to advertisers, new and old, and bringing in the advertising that pays for the printing of this book.

Looking forward to a successful and fun-filled season!
 —2023 Yearbook Editor, Marilyn Paselsky

Providing the highest level of member enjoyment since 1928!

Middle Bass Island Yacht Club

The members of Middle Bass Island Yacht Club invite our I-LYA affiliated friends to visit us in 2023 and enjoy the dock and clubhouse facilities. Join us on the deck for the best view on the island!

Congratulations to Commodore Lloyd Bogue

Mark Bogden — Commodore
Karen Schmidt — Vice Commodore
Mike Nagode — Rear Commodore
Norm Kuesel — Treasurer
Michelle Fiegelist — Secretary

Lake Erie is Ohio's Most Precious Resource

Lake Erie Foundation (LEF) is Lake Erie's advocate for economic sustainability, legal defense, education, outreach and innovative sustainable technology.

Help LEF protect Lake Erie against:

Plastics & Contaminants

Wind Farms in Lake Erie

Harmful Algal Blooms

We can no longer take our greatest resource for granted. Join us and support our mission to ensure Lake Erie is accessible now and for future generations by scanning the code or visiting us at LakeErieFoundation.org.
