MIDDLE BASS ISLAND YACHT CLUB

The members of “Middle Bass Island Yacht Club” invite our I-LYA affiliated friends to visit us in 2025 and enjoy our dock and clubhouse facilities.

Congratulations to Commodore Scott Kniesel

Best wishes for a successful 140th Anniversary year in 2025!

Mike Nagode – Commodore
Charlene Galovich – Vice Commodore
Greg Green – Rear Commodore
Michelle Fiegelist – Secretary
Norm Kuesel – Treasurer

Please join us on our clubhouse deck for the best view on the island!

- Guest docks w/electric & water - \$2.10/ft.
- Clubhouse & deck with kitchen facilities
- Clean restrooms & showers
- Grilling pavilion with gas grills & griddles
- Free usage of our club bikes & kayaks
- Numerous fun summer events!
- Food & drink establishments close by
- Complimentary transportation to your island destination

From the Commodore

I am very proud to serve as your commodore in 2025 as we celebrate our 140th anniversary. Thank you for the opportunity to lead and represent you.

The regattas that we host annually are the result of the teamwork of our member volunteers. Every member who attends the regattas shares some amount of responsibility for their success. Thank you to the regatta chairs! **Junior Sail**, Shawnette Becker and Tim Wilford; **Powerboat**, Chris Aune and his team of Nate Edmunds, John Brock, and Joy Moon; **Junior Powerboat**, Commodore Bob Lang; and **Senior Sail**, Bill Pribe and his team of Doug Seib and Connie Miller. Behind the scenes at each regatta, Head Fleet Captain Kevin Stone and his team perform the heavy lifting. Each of these leaders has a network of volunteers who attend to every detail to provide a premier experience for all of us. The regattas provide us with the venue to enjoy friendly competition, catch up with old friends and create new ones.

Our support network includes our affiliated organizations: Greater Cleveland Boating Association, Associated Yacht Clubs and International Order of the Blue Gavel Districts 7, 9 and 25. Your meetings, yearbooks and receptions help provide a networking and communication forum. Thank you for your continued support.

To those who may not have heard, the Yacht Racing Union of the Great Lakes has been revived. In addition, I-LYA has delegates to the United States Sailing Association, the National Boating Federation and the Ohio Marine Trades Association (formerly Boating Association of Ohio). I-LYA advocates for boaters' interests at the state and federal levels. The names of the delegates to these organizations are listed inside this yearbook.

I hereby extend my appreciation to Put-in-Bay Yacht Club. Annually, you extend your welcome to our regatta participants with your generosity and hospitality.

Thank you to the members and officers of my home club, Bay View Yacht Club, for your exceptional support during this journey! It is a privilege to be the first I-LYA commodore from our club. BVYC was organized in 1905 and celebrates its 120th anniversary this year. Please, read within the club's rich history, written by our club historian, John Thompson.

Lady Sharon and I have met and continue to meet so many wonderful people during this journey. Our boating experiences are not just about our love of the water; they are about our relationships, camaraderie and memories. I look forward to seeing you at the regattas and offer you all the best for a safe boating season in 2025!

Home club of I-LYA Commodore Scott Kneisel & Lady Sharon

Meet the Commodore

Commodore Kneisel was born and raised in Toledo, Ohio where he graduated from Woodward High School in 1979. In November of that year, he enlisted in the U.S. Navy. After attending several Navy schools, he became a Gas Turbine Systems Technician. He served his sea duty tour on the *USS Nicholson*, DD 982 and the *USS John Hancock*, DD 981, both homeported in Charleston, SC. Following his sea duty tour, he served his shore duty as an instructor and curriculum developer at Service School Command Great Lakes, IL. He separated from the Navy in August of 1990.

Following his separation from the Navy he attended the University of Toledo, where he graduated in 1993 with a BS in Industrial Engineering. He then started a career with La-Z-Boy Incorporated where he held various engineering and management roles, retiring in 2019. Scott met Sharon Wlodarski in 1990, at his brother's wedding. They married in 1996 and later had two children, Josh and Erin. Scott and Sharon reside in Toledo, in the community of Point Place.

His involvement with boating began at the age of two years, when his father took him on a small sailboat on the Ottawa River, in Point Place, OH. His father went on to own several boats over the years having docked at Toledo Beach Marina, Chet's Marina in Point Place and finally Bay View Yacht Club. Scott had been to Put-in-Bay and other western Lake Erie ports throughout his youth. Scott, with his brother Kevin, co-owned his first boat, a 14-foot runabout during his high school years. Through his teen years, Scott boated to Woodtick and nearby islands to camp and experience several adolescent rites of passage. During this period, on one calm August night, Scott, Kevin and friends ventured to the Toledo Harbor light, where they tied up and climbed up on the base of the lighthouse and had a thorough look around. Upon departure, they untied the boat before starting the engine and were adrift for a couple hours before the engine finally started. They returned safely to their dock on the Ottawa River; however, Scott was very late arriving home and was grounded for two weeks.

Scott didn't own another boat until 1994 when he and Sharon made their first joint purchase, a 1980 Carver Voyager which they named *Sharin'*, as they were sharing the payments, fun, work, etc. They experienced many great trips on this boat, which they owned until 2010. The replacement for *Sharin'* is their 1997 Sea Ray 370 Sundancer, named *Sharin's Relief*, which they still own and on which they have been as far north as Mackinac, as far east as Erie, PA, and many ports in between.

Scott joined Bay View Yacht Club in 1988, where his father was commodore in 1985. He became involved in the club first serving as Recording Secretary, followed by Rear Commodore, Vice Commodore and then Commodore in 1997. He was the club's first second-generation commodore. He later served multiple years as Recording Secretary, chairman of the Board of Trustees and Financial Secretary since 2021. Sharon grew up at Ottawa River Yacht Club, where her father was commodore in 1975. Josh and Erin are also members of BVYC.

His interest in I-LYA began when he and Sharon attended their first Powerboat Regatta in 1994 on the *Sharin'*. He became the I-LYA delegate for BVYC in 2011 and has served in that role continually to the present. He served on the nominating committee in 2015, and two terms on the trustees from 2017–2022. He served as the Junior Powerboat Chair in 2021 for Commodore Lang. He was awarded the Yachtsman of the year award in 2021. He was Rear Commodore in 2023, Vice Commodore in 2024 and Commodore in 2025. Scott and Sharon look forward to continuing to lead and represent I-LYA throughout 2025.

The Past Commodores of Bay View Yacht Club

*Congratulate Commodore
Scott Kneisel &
Lady Sharon*

Bay View Yacht Club

2025 brings two remarkable feats to the story of Bay View Yacht Club. First, the club is home for the first time to an I-LYA Commodore, Scott Kneisel. And second, the club celebrates its incredible 120th anniversary as an institution. We are happy for the achievements gained through perseverance and thankful for the work, forethought, and care of those who came before us.

The organization began in the spring of 1905 under the name Toledo Power Boat Club as six gentlemen signed articles of incorporation. These founders were committed to mastering the temperamental and intricate nature of early marine engines. For two seasons the club utilized the anchorage at Toledo's city boat-house at Riverside Park on the Maumee River. Then in the late summer of 1907, they secured a lease from the city of Toledo on land at Bay View Park, a beautiful, protected harbor overlooking Maumee Bay and western Lake Erie.

Long before a clubhouse was considered, the team set to work constructing a marine railway for the haul out and shoring of the fleet—a clear sign the focus of the fledgling club was on the care of members' boats and the sport itself over social entertainment. Today, this is often cited as the first railway of its kind on the Great Lakes. Eventually, plans were drawn and the clubhouse framework erected by November of 1911. The focus on powerboats and early engine design, coupled with the impossibility of matching similar boats in a competitive class, meant there was no way to host or appear in any of the local regattas. Therefore, the Toledo Power Boat Club's annual August rendezvous would be titled a "Homecoming," a tradition still seen today.

In 1915, I-LYA was led by Com. Harry Kendall of Detroit and TPBC rejoiced in their 10th anniversary. Kendall accepted the club's bid for admittance into I-LYA. The two organizations have been closely linked ever since. The Prohibition Era brought scandal to the TPBC name and the resultant loss of over 100 members. Part of rebuilding and rebranding included the name change to Bay View Yacht Club, which the club officially adopted in May of 1923. This new generation, continuing the spirit of self-reliance, purchased a small dredge to maintain its own harbor, taking over duties from the city. Long-time giant of BVYC leadership, W.G. Alexander, rose to the rank of VC of I-LYA in 1924. Sadly, the 84-year-old Civil War Veteran would pass in October of the same year and BVYC would have to wait another century to see its leadership step to the head of I-LYA.

By the start of World War II, the harbor boasted 60 vessels and a long finger dock expanded accommodations to 100 boats. The postwar years saw the railroad retired and a new travel lift installed. The most recent of two expansions to the clubhouse was completed in 1963, bringing the house to its current size and layout. Additional physical growth in the form of porches and pavilions brought Bay View's summer social experience to the top tier of Great Lakes facilities.

Today, the club still exhibits the same self-reliant and well-rounded membership, balancing the joy of summer with the hard work and determination that only love for the club can endow. The 21st century has seen the spirit of independence bloom with the 2011 purchase of the club grounds from the city of Toledo, ending a 104-year lease. Development continues as the first phase is already complete in converting the entire harbor over to a state-of-the-art system of floating docks. The robust history of this organization contains rich stories we hope to share with all boaters. Please join us as we celebrate our commodore, fleet, and 120th anniversary.

Original Clubhouse with Builders—Feb. 1914

The original main dock was completed in 1941. Pictured here just after WWII, it would be replaced in the mid-1950s

♦ Elected by the Delegates

Yachtsman of the Year

Congratulations, Bill Pribe!
2025 I-LYA Yachtsman of the Year

The Yachtsman of the Year award is presented annually to a volunteer who generously donates their time, skills, equipment, and boats to support the success of yacht racing and the I-LYA organization.

Bill Pribe has been involved with I-LYA since 1986, regularly attending the spring and fall meetings as well as the Sail Regattas. He has represented Jolly Roger Sailing Club as the I-LYA delegate and is currently the delegate for North Cape Yacht Club. Over the years, he has completed four three-year terms as an I-LYA trustee, with his first term running from 2013 to 2015, during which he served as President of the Trustees in 2015. His additional terms were from 2016 to 2018, 2020 to 2022, and he is currently in his final year of his second consecutive three-year term, which ends in 2025.

Beyond his trustee duties, Bill has been a member of the Sail committee since 2009 and has served as the Sail Regatta Chairman from 2018 to 2025, marking his eighth consecutive year in this role. Additionally, he has participated in various committees at both JRSC and NCYC and served as Commodore of NCYC in 2010.

I-LYA thanks you, Bill, for your continued service to I-LYA.

Yacht Racing Union of the Great Lakes Trophy

Com. Duane Burgoyne, NCYC

The Yacht Racing Union of the Great Lakes Trophy, a prestigious award steeped in history, is presented annually to the person who has gone above and beyond to ensure the success of the I-LYA Sail Regatta.

Duane Burgoyne began sailing in the mid-1980s and has raced in the Chicago to Mackinac and Port Huron to Mackinac races on various boats from 33 ft. to 68 ft. He has many happy and tragic tales to tell from his experiences in these races, often claiming they would be his last, only to eagerly prepare for the next one each winter.

As a Mills Master, Duane has completed over 25 Mills Trophy Races and was the inaugural winner of the C & C Trophy. He has participated in the Trans Erie Races ten times and is a long-term participant in the I-LYA Sail Regatta, where he has served as Principal Race Officer (PRO) for the past eight years.

Duane also supports the Junior Bay Regatta by sponsoring the Burgoyne Award for Determination, given to a junior sailor who perseveres during the event. He has, on occasion, ventured on the dark side by attending the Power Boat regatta.

After consulting with I-LYA Commodore Dave Shaffer about giving back to the sport, Duane committed to pursuing Race Management, which he has successfully done.

When not sailing, he can be found running races on the Great Lakes and inland lakes, guiding the fleet with his radio in hand. The water is his happy place, and being with his sailing family brings him joy.

Thank you, Duane, for your dedicated service to I-LYA.

Congratulations, Com. Duane Burgoyne!
2025 I-LYA Yacht Racing Union of the
Great Lakes Trophy winner

I-LYA Honorary Regatta Chairman

The I-LYA Honorary Regatta Chairman is awarded to an individual who has displayed their dedication over the years to I-LYA and our four regattas and who has consistently cooperated and helped with the goals of I-LYA and our affiliates on and off the Island.

Melinda McCann Meyers

Melinda McCann Meyers

Melinda McCann Myers is a lifelong Islander. The youngest daughter of Mack and Maryann McCann, sister to Mary and Michael. Melinda attended Put-in-Bay School, graduating in 1984 in a class of 10. Melinda is very active in the island community, from Girl Scouts to serving on the Village Council. She has long served on the vestry of St. Paul's Episcopal Church and has devoted many hours to the Put-in-Bay community in preserving history, beauty, and enhancing the lives of many who have come to know her generosity.

Her love of the island is reflected in her businesses, The Crew's Nest and Put-in-Bay Winery. You can find Melinda on any given day working and serving up island hospitality. Melinda's greatest joy is her family. She is the proud mom of Ally, Zoly, and Erin, all of whom have enjoyed growing up on the island. Melinda is an animal lover too; her newest addition to the family is Birdie, a lovable yellow Labrador. She is happiest spending time with her three grandchildren, who are spending the summer on Put-in-Bay.

Melinda and her family have supported I-LYA in many ways. Recently, Melinda is credited for allowing I-LYA to proudly display many of our historic trophies in the back building of the Winery. Next time you are at the PIB Winery, visit the trophy museum and then stay for a cold liquid refreshment.

Commodore's Award

Dawn Schaumburger, FYC

It is both an honor and a bittersweet moment to recognize and celebrate the incredible contributions of Dawn Schaumburger.

For a decade, Dawn has served as the steadfast and dedicated registrar for the Inter-Lake Yachting Association's Powerboat Regatta, as well as our Spring and Fall meetings. Her tireless efforts, attention to detail, and warm, welcoming presence have been cornerstones of these events. She ensured that everything ran smoothly and that each of us felt at home within this organization.

Dawn's inspiring hard work has left behind a legacy that will not be forgotten. The Inter-Lake Yachting Association expresses deep gratitude for her service and the countless hours she dedicated to making I-LYA events a success. While we will miss her, we are thrilled for her as she embarks on a new chapter in sunny Florida. We hope it is filled with relaxation, joy, and exciting new adventures.

On behalf of the Inter-Lake Yachting Association, we thank Dawn for her dedication, heart, and unwavering commitment to this organization.

Congratulations, Dawn Schaumburger!

Historically Speaking

By Tom Thanasiu, Jolly Roger Sailing Club

I-LYA 125 Years Ago (1900)

1900 Com. George F. Anderson, SYC

I-LYA's Commodore was George Frederick Anderson, son of George J. Anderson. Born in Sandusky, Ohio in 1860. He attended Kenyon College at Gambier, Ohio, graduating with a B.A. in 1882. Anderson returned to Sandusky, finding employment at the Third National Bank. Following his father's death, Anderson took over the senior Anderson's brokerage and real estate firm. In 1891, Anderson married Mary Kingsbury West. Intelligent and exceptionally talented in the field of music, George Anderson enjoyed a wide range of interests including stamp collecting, sailing, reading, and composing. A superior musician, Anderson frequently played the cello in local musical groups. He formed the Sandusky Philharmonic Orchestra in 1908, acting as its conductor. A successful composer, Anderson wrote and published instrumental, vocal, and piano arrangements. His work was performed nationally by numerous professional groups. For many years, Anderson served as the choir director and organist of the Grace Church in Sandusky. A passionate sailor, Anderson purchased the *Eva*, a thirty-two foot yacht, which he successfully sailed in the most difficult of the Great Lakes races. He was instrumental in revitalizing the association, increasing the number of and participation in annual Lake Erie racing. Anderson also actively supported the Sandusky Yacht Club and became part-owner of the Davis Boat Works. Anderson died in 1937, leaving behind his wife and a daughter, Marjorie Anderson.

The annual meeting was held at the Reed House, Erie, PA, Dec. 2, 1899. Only five visiting delegates being present. The treasurer's report was a bright spot, showing a balance of \$192.17 for the new administration. This was due partly because Put-in-Bay in those days gave \$235 to support the Association.

Commodore Anderson called his organization meeting at Sandusky on Feb. 10, 1900. At this meeting, the first official order for a squadron sail as a fixture at the annual regatta was issued. It was decided not to give up the girth rule as suggested by the Yacht Racing Union of North

America. Put-in-Bay was selected for the annual regatta, and July 23-27 named as the dates.

The racing in the annual regatta began Tuesday, July 24, for all sailing classes over the 12-mile triangular course. *Viking* won in the 40-foot class, beating *Josephine* and *Juanita* of Toledo. *Eva* scored an easy win in the 35-foot class, while *Dominique* beat *Tattoo*, owned by C.B. Lockwood of Sandusky, in the 30-foot class. This was *Tattoo's* maiden year and marked the beginning of her long and honorable career in the I-LYA. *Wrinkle*, of Sandusky, won in the 25-foot class while *Myth* took first among the 20-footers. In all, there were sixteen starters. *Eva*, as usual, made the best time over the course, 2:18:32.

The free-for-all Victory Cup was a corking good race between *Eva*, *Juanita*, and *Tattoo*, beating Joe Taylor and Kid Wilds by one minute, corrected time. *Tattoo* was thirteen seconds behind *Juanita*. *Wrinkle* was fourth and *Sultana*, back again after two year's absence and now owned by "Rube" Moore of Detroit, was fifth, having made the fastest time over the Course. *City of the Straits* and *Viking* also ran.

The windward and leeward race on Friday brought out 21 boats. *Sultana* beat *City of the Straits* and *Enright* in the 45-foot class. *Viking* beat *Juanita* in the 40-foot class, making the fastest time of the day. *Eva* took all the money in the 35-foot class as the judges never considered a second in that class. *Tattoo* won in the 30-foot class with *Cricket*, of Detroit, second, and *Dominique* third. *Wrinkle* repeated her victory in the 25-foot class, distancing *Gracie* and *Privateer*, her Toledo competitors. The 20-foot class race went to *Alice*, owned by J.E. Soules, of the Up-River YC, while *Myth*, also of Toledo, gave *Nadja* a bad beating in the 16-foot class. *Dearest* won the powerboat race.

John L. Dexter was in charge of the entertainment at the 1900 meet and was, according to his own report and "in spite of his natural modesty," an unqualified success. Besides the squadron sail on Thursday, a chowder party at Wehrle's was a prime attraction. The racing cutter *Eva* was Commodore Anderson's flagship in 1900.

Tattoo

I-LYA 100 Years Ago (1925)

1925 Com. Thomas A. DeVilbiss,
TYC

Our 1925 leader was Thomas A. DeVilbiss from Toledo Yacht Club. He was born July 29, 1878, in Hoagland, IN. His father was a doctor and inventor of medical instruments—most influential was the adjustable atomizer. In 1900 Thomas partnered with his father in Toledo and in 1905 incorporated the DeVilbiss Manufacturing Co., making surgical instruments and spray guns for painting

cars and furniture. Thomas perfected the spray gun and held many patents. Other than boating, He was active in Toledo's civic and philanthropic institutions, Chamber of Commerce, Board of Education, Rotary Club, Boy Scouts, YMCA, Museum of Art, and the Masonic Temple.

The Regatta was July 13–18 with E.E. Noble and Hugh Gunnison as Vice and Rear Commodores, respectively. The Long Distance Races for Boblo Island (DRYA), Rocky River (CYC), Maumee Bay (TYC) and Power Boat, Cleveland arriving at Put-in-Bay on Sunday. Once on the island, the yachtsmen were to register at PIBYC for their identification badge that entitled them to prizes if they attended the Yachtsmen's Ball.

Monday began with a Race Committee meeting at PIBYC at 9:30 A.M., followed by a baseball game at 10:00. 2:00–4:00 was an open house aboard the Commodore's Flagship *Priscilla*. Shore games included a sack race, cracker eating contest, and tug-of-war (men) and hobble, spoon & bean, and flapper & chicken races (women). At 6:30 P.M. was the Yachtsmen's Dinner at the Hotel Crescent with the ladies invited at \$2.00 per person with a limit of 150 people.

Sailing races started 8:30 Tuesday morning and Powerboat races at 1:50 in the afternoon. The USCG's *USS Morrill* with William Williams in command, patrolling both race courses. That evening at 9:00 was the Mardi Gras Parade that assembled opposite the Town Hall, followed by the Grand Carnival at the Colonial at 10.

Wednesday included the Ladies Lawn Party at the Bay View Hotel at 2, and a Commodore's Reception aboard the Steamer *Chippewa* for a moonlight cruise with dancing and entertainment at 8:30.

Thursday morning the Powerboats raced at 8:50 and Model Yacht Races started at 9 A.M., with sailing and power boat models. The model racers were supplied with

a rowboat or dinghy so as to accompany their vessel. A Swimming Championship was presented at 12:30 but a demonstration, put on by the Detroit Chapter American Red Cross Life Saving Corps, was later in the afternoon. Safety methods and entertainment were presented in diving, canoe handling (two over-dressed women capsize and two properly dressed boys rescue them, right the canoe, and paddle without paddles), life saving (non-swimmer man-in-clothes falls off dock with girl rescue, demonstrating swimmers carry, and a team showing different holds, breaks, and tired-swimmer carries. Strokes (a water ballet with different swim strokes), resuscitation—free lessons using the Schaefer Method, and Land First Aid (demonstrated by the Michigan State Telephone Company's Prize Team). Other afternoon events included a Squadron Sail, Novelty Sail Races, and Ladies and Commodore's Cat Boat Races. The Yachtsmen's Ball (9:00 P.M.–1 A.M.) was at the Colonial Pavilion (\$2/couple), but extra ladies with an escort were free for dancing.

Sailors were back racing Friday morning at 8:30, and the Awards and Distribution of Prizes were 8 P.M. at the Hotel Crescent Pavilion. The Regatta concluded with a cruise-out to Port Clinton Yacht Club on Saturday the 18th.

I-LYA 75 Years Ago (1950)

1950 Com. Charles F. Stewart,
MHYC

Charles F. Stewart was the first I-LYA Com. from Mentor Harbor YC, with Stanley Puddiford as Vice (CSYC) and Earl Seitz (SYC) Rear. Unfortunately, Charles Stewart is a common name, and many others are included in the search engines. Your Historian could find nothing concrete at the time of this writing. He is now just a name on a plaque—don't take history for granted!

The regatta at Put-in-Bay, August 12–17, attracted 190 sail yachts and a tremendous fleet of powerboats from I-LYA's 59 member clubs. Although Com. Stewart was a sailor, owning the Bounty Class sloop *Duchess* and a 21-foot international-21 sloop (in which he later drowned when he encountered a vicious Nor'wester during a race off MHYC); the emphasis at the regatta was on powerboat racing. Predicted log contests were run from Cleveland, Detroit, Sandusky, and Toledo in conjunction with the Deepwater sailing races.

Commodore Stewart's *Duchess* won in the Cruising-B class, Toots Gmeiner's NY-32, *Apache*, from Bayview YC took Cruising-A, Russ Jack's *Elf* from Cleveland Yachting Club prevailed in Cruising-C. Detroit's Wes Wiedrich was the Lightning Class champ. C. Richard Newpher of Mentor Harbor cleaned up in the I-21s, George Thomas of CYC swept the Star Class in his first big-time victory.

I-LYA 50 Years Ago (1975)

1975 Com. Gustav Schell, BLYC

Gustav Schell, BLYC, was Commodore of I-LYA. At the age of eight, Gus started his lifelong work in the theatrical industry cleaning paint brushes for Schell Scenic Studio, the company his father founded. An "All Ohio Athlete" in football (quarterback) and a baseball player, he was also Class President of Central High School's 1931 graduating class in Columbus, OH.

Following high school, he worked in the family business. He joined the Stagehands' Union IATSE Local #12 in Columbus in 1939 and received the 50-Year Life Member service award in 1989. While his career was in the theatre industry, he loved celebrating his German heritage by singing with The Columbus Maennerchor men's chorus, receiving emeritus status. His love for music and song also included being part of the SPEBSQSA Barbershop Chapter, the "Singing Buckeyes." Gus encouraged good sportsmanship in young central Ohio athletes and served on boards and supported numerous youth athletic organizations. He was a veteran life-member of Charity Newsies and served on the James and Livingston corner team. He was a Member of Whitehall-Bexley of Rotary International and obtained a "Paul Harris Fellow" in Rotary. In 1941, he joined Buckeye Lake Yacht Club and became Commodore in 1951. At Buckeye Lake, he received the Heber Yachtsman Merit Trophy, based upon seamanship, sportsmanship, and character. He was an active member in the Columbus Sail and Power Squadron and received his 50-year Merit Award in 2008 along with Governing Board Emeritus status. His love of boating, both power and sail, allowed him to sail and serve his country as a member of the local flotilla of the United States Coast Guard Auxiliary and the Navy League of the United States.

The I-LYA spring and fall meetings were held at the Marriott Inn in Columbus, Ohio. The association adopted the Performance Handicap Fleet (PHRF) handicapping rule for cruising sailing yachts as an alternative to the IOR rule. The United States Yacht Racing Union (USYRU) made Lynn A. Stedman Jr. of Bayview Yacht Club its President, the first time a Great Lakes yachtsman was so honored. Over May 30-June 1, I-LYA sponsored the "Spirit of '76" Olympic Training Regatta at Sandusky Bay, hosted by SSC with Rolf Krotseng as the General Chairman. These races were to provide competition in the Olympic Games format, making a concerted effort to produce racing teams for the 1976 Olympics at Kingston, Ontario, Canada.

The first stand-alone Powerboat Regatta took place this year in Erie, PA July 6-13. In the past, powerboat events had been part of Sail Week. Unfortunately, it was not very successful. Clearly, a work in progress.

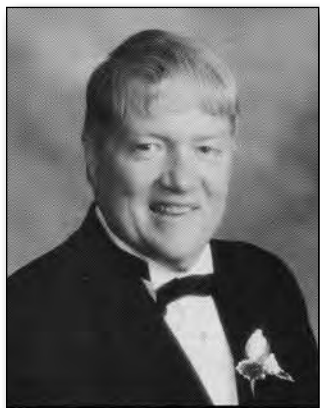

The Junior Race Week was Sunday, July 27-Thursday, July 31, with George and Marty Fisher, BLYC, as Chairpersons. It was run as the previous year, elimination series Monday and Tuesday. Wednesday and Thursday, the top 5 teams racing Thistles in a "round robin" series for the championship. The remaining crews competed in a 5-race series for the "Commodore's Series" championship. The Regatta winners were Will Petersilge (skipper), Charles Koontz, and Lonny Moyer, BLYC.

The very successful 82^d Sail Regatta, bringing 27 classes, started Saturday, August 2, with the finish of Deepwater Races from CYC and MHYC. The Sail Committee were Don Emery, EYC (Center Board), John Jamieson, EBC (Auxiliary MORC and Racing Classes) and Norm Winkel, SSC (Deepwater) this year. The afternoon was the finishing of the Deepwater races from Toledo, Sandusky, Port Clinton, and Vermilion. The Predicted Log Contest for the Greeley Trophy was held at Put-in-Bay instead of Erie, PA, with the Powerboat Regatta. Martin Wiener, PIBYC, was the winner. Sunday was the Detroit Deepwater finish. The memorial service, at the Commodore's Memorial in DeRivera Park, was at 5 p.m., followed by the Blue Gavel Cocktail Party at the Crew's Nest at 6:30.

Monday sailboat racing began at 7:50 with the warning gun for 3 courses: A (15.5 NM, B (11 NM) around the Islands), and C (centerboards). The last few years, the sailors had been increasingly rowdy on the island and needed positive activities if I-LYA was to be invited back. Softball games were the solution with Commodore Art Kreger, CCYC, as Chairman and Umpire. It was very successful, with teams and games played until dusk. Other sports ashore were Volleyball and Tug-a-War. The Flag

Officer's Reception was held at the rear of the Crew's Nest on Monday, 4:30–5:30, and the Commodore's Dinner at the Boathouse 6:30 on Tuesday, followed by The Norm Novak Orchestra with dancing in the streets.

I-LYA 25 Years Ago (2000)

2000 Com. Arne Hansen, JRSC

estate, notary public, lab technician with Toledo Edison and Johns-Manville Fiberglass in Waterville, Ohio. He met his wife Marge in 1968 and married on February 7, 1970. They have one daughter, Tiffany. They joined JRSC in July of 1978, sailing a 21 ft. Islander for 6 years before moving up to a new 27 ft Catalina, *Amazon Lady*.

Arne was JRSC Commodore in 1989 and Associated Yacht Clubs Commodore in 1993. Marge and Arne became active in I-LYA while in office with JRSC by attending meetings held at the Bond Court Hotel in Cleveland during Com. Al Kukral's year in 1987, and helping Jolly Roger PC Dave Shaffer move through the I-LYA chairs. Arne started as assistant dock master. In 1996, he and Marge were Jr. Bay Chairs, and Arne was elected to the I-LYA Board of Trustees. In 1998, Arne started his ascension through the chairs to be Commodore in 2000.

The 45th I-LYA Junior Race Week started Sunday, July 16, with Dee and Jay Hawkins from Edgewater YC as Chairpersons, with 19 clubs and 144 kids attending. Monday and Tuesday were the qualifying days for the split in the fleet, defining the Championship and the Commodore Series. Top Championship winners were Thistle: Lee Sackett, Michael Grocke, and Drew Hamilton, MHYC; Flying Jr.: David Parker (winner of that year's Ray Greene Trophy) and Christopher Barrett, EYC; and Full-Rig Laser and Art O'Hara Trophy for Individual Sportswomen, future Olympic Sailing Gold Winner Anna Tunnicliffe, NCYC. During the regatta, a State of Ohio Historical Marker was dedicated on the shore near the Jet Express Dock commemorating the first ship-to-shore

radio broadcast that happened July 18, 1907, to send race results of the I-LYA Regatta races to Monroe, MI, from the I-LYA flagship *Electra*.

Chairman Don Bartels, VBC, led the 107th I-LYA Sail Regatta. It began Saturday, July 29, with the finish of the Cleveland Deepwater fleet in the morning and Sandusky Steeplechase in the afternoon. Sunday, the Deepwater Races from Toledo, Port Clinton, Sandusky, and Detroit finished at Put-in-Bay. Monday through Wednesday, races started at 7:20 A.M., with East (Ballast Island) and West (PIB) race courses. The Captain Morgan Rum Party was at the Crew's Nest on Monday at 6 P.M.

Lady Marge Hansen's Lawn Party took place at Judie and Bob Bahney's house on the tip of Peach Point on South Bass Island, Tuesday, August 1st, for the Sail Ladies and Saturday, August 5th, for the Powerboat Ladies.

During the final race of the Regatta, seven boats of the 74-boat fleet were still racing or had just finished when a micro cell struck with 70 knot wind in a 15-minute storm that sank 3 Crescents and a Lindenburg 22. *Alcoholics Allofus*, a Columbia 26 owned by Scott Giles, was forced to round up, colliding with the capsized Lindenburg *Jazzy*. With 3 crew in the water, they rescued 2 while battling the storm. They hailed and directed a passing powerboat to rescue the 3^d from *Jazzy* while Scott and crew rescued another 3 sailors from the Crescent, *Nuts*. On November 18, 2000, Scott Giles and crew were awarded US Sail's USSA Arthur B. Hanson Rescue Medal (Safety at Sea).

When the Sail Fleet was leaving the docks at 11 A.M., the powerboats were arriving at Put-in-Bay to do the Chicane and Docking Contests at 11:30 before they tucked into their docks. The Power Regatta began at noon and ran through Sunday, August 6 at 11 A.M. John Onacila, Beaver Creek BC was Chairman. At this time, the Jr. Powerboat part of the Regatta was blended into the regular Powerboat schedule.

The I-LYA 2000 Man of the Year was Com. Harold Christianson, SSC. A sad note for 2000 was the passing of Harold's wife, Elizabeth "Betsy" J. (Neilson) Christianson, on August 31, 2000.

On September 2, North Cape YC hosted the Richardson Trophy competition series using Hobie 33s. Cliff Vaughn and his crew from *Holy Toledo* prevailed over entries from Lake Superior and Lake Michigan to win as the Lake Erie entry. The trophy was presented at the Winter Meeting in Toledo's MCO Hotel.

The 2000 K-Cruise began with the customary kick-off party at Wildwook Yacht Club. Current cruisers, past cruisers, and even Com. Al Kukral, for whom the cruise is named, attended. Five boats started the 12-day cruise

with the ultimate destination of the Royal Canadian YC in Toronto. Ports along the way included Erie, Dunkirk, Port Colburne, Dalhousie, and Ashtabula. Erie YC, Dunkirk YC, RCYC, and Ashtabula YC played host to the participants: *Lady Slots-a-Lot*, Fred & Nancy Weiss; *High Roller*, Barb & Dick Jambor; *Buster III*, Steve & Joan Lewis; *Bee-Gee*, Milt & Marsha Summers; and *Misbehavin'*, Dennis & Carol Lang. The challenge for the week seemed to be the weather and dealing with the Welland Canal, both ways. The various crews proved capable in dealing with line-handling and orders from the captains! An interesting account of the day-to-day activities, written by 11-year-old Nicole Brown, can be found in the Jan./Feb. 2001 issue of *Mid-America Boating*.

I-LYA 10 Years Ago (2015)

2015 Com. Duane Burgoyne,
NCYC

In 2015, Com. Duane Burgoyne led I-LYA's 144 Clubs. Born in 1954 in Indianapolis Methodist Hospital, just a short distance from the Speedway, Duane was born with the need for speed and racing. Duane's green flag started there for a few laps before moving to Streetsboro, Ohio, in the 8th grade to continue his education. After school, it was sports, mostly football, that he continued until 1980. His spare time was spent hanging out at local race tracks, messing with cars, and spending summer vacation with his grandparents on the Portage River, where his love of water grew. After high school, he went to United Electronic Institute in Akron, Ohio, where he studied electronics and played football, graduating in 1976. He joined a company called Alan Bradley, which was at the forefront of the factory automation industry and was transferred to Detroit to build a line at the Cadillac plant and a career as an Animation Engineer. During his time with Alan Bradley, he was invited to go racing with a colleague on his 30 ft. sailboat, and after that, he was hooked. He realized that sailing fed his love of competition, but was less damaging than semi-pro football. The following year, Duane bought a 22 ft. sailboat, leading him to join Detroit Beach BC in 1985 and getting active with the guidance of Commodores Ashley and Kosino. In 1998, he bought a C & C sailboat, *Flak-Bait*—named after the bomber his dad flew in the war. A larger boat with

greater draft meant a need for deeper water and a different club. North Cape YC fit the bill. At this time, he started dating Dar, and she joined *Flak-Bait's* race crew, and they married in 2001. Now a member of NCYC, more opportunities for sailing activities were available, and Duane stepped up. He served as Yachting Activity Co-chair and Chair for several years and got involved with their junior program. He became Commodore of North Cape in 2011. With the help of Lady Dar and other dedicated members, put on 20 regattas—including 3 National and North American Championships and Race for Hope, raising \$20,000 for cancer foundations in the Toledo area. That year North Cape was awarded the US Sailing, One Design Club of the Year. Duane also formed a Sea Scout Ship at NCYC for the local youth of the area. With years of dedication and work, perhaps this was the reason Com. Burgoyne was blessed with perfect weather for the "Blue Moon Regatta"—named after the Blue Moon on July 31st.

The 60th I-LYA Junior Regatta was Sunday, July 19–Friday, July 24, with Jane & Tim O'Brien from PIBYC as Chairpersons of the 15 clubs, 143 sailors, and 1 Jr. Powerboater, Josh Kneisel. Josh had been participating in the Jr. Powerboat Regatta, and the idea came to introduce Junior powerboaters to the unique Jr. Sail program and camaraderie. Josh piloted the race-course judge around the courses. The idea was a success, but has not been repeated.

Long-time Auxiliary volunteer at PIBYC, Laureen Mooney, received the Matt & Tracy Davis Family "Thanks For Caring" Award, and a brand new award, the Commodore Burgoyne Award for Determination, went to Oliver Krajewski, BLYC.

I-LYA Sail Regatta began with the Cleveland Deepwater Race on Wednesday, July 29, with Bob Shepherd, ACSA, SSC & Mike Fishbaugh, SSC as Co-chairs. Awards and closing were Sunday, August 2, at PIBYC.

I-LYA Jr. Powerboat Regatta Chairman was Bob Lang, and it started Tuesday, August 4th, and ended Saturday, August 8th, after the awards. Top winners were: Skipper's Award Trophy to Erin Kneisel, BLYC, and the \$300 Scholarship Award to Morgan Krohn, FYC.

The Powerboat Regattas ran concurrently with the Jr. Power but ended on Sunday after the 3:30 P.M. Memorial Ceremony at the Commodore's Memorial. Boats needed to be off the docks by Sunday, 11 a.m., or a day rate was added to the dockage.

The Yachtsman of the Year Award were a couple—Kaye & Ron Soka. On a sad note was the passing of I-LYA 1984 Com. John Bureau in March and I-LYA 1982 Com. Don L. Emery in June.

Commodore Rod Hill & Lady Janet*

Past Recipients Yachtsman of the Year

1978 marked the beginning of a tradition that has been adopted by each administration since Commodore Norm Winkel determined that recognition should be given to the many volunteers who freely donate their time, vacations, talents, expertise, and even boats and equipment to ensure the continued success of yacht racing competition and the I-LYA organization. These special people have earned the honor of being "Yachtsman of the Year."

About I-LYA

INTER-LAKE YACHTING ASSOCIATION

I-LYA's basic purpose is the protection and promotion of the interests of boat owners and water sport fans in the enjoyment of their sport.

I-LYA is a watchdog for proposed legislation that may affect yachting and yachtsmen.

I-LYA serves as a clearinghouse for yachting information.

I-LYA's officers and committees are available to help its member clubs with boating related problems.

I-LYA is the US Sailing Regional Sailing Authority and Appeals Body for race protests in the area.

At the top level, **I-LYA** works hand in hand with US Sailing and class racing associations in developing fair and workable rules.

I-LYA's foundation, The Inter-Lake Yachtsmen's Fund was established to support training, education, and junior activities. The Yachtsmen's Fund is a qualified 501(c)3 corporation and all donations are tax deductible.

I-LYA is the leader in Junior Sailing in the Midwest. The annual Junior Regatta is one of the largest Junior Sailing Events in the United States and serves as a model for other clubs. The winners of "Junior Bay" receive scholarships from the Inter-Lake Yachtsmen's Fund.

I-LYA is also a leader in Junior Power boating in the area. The Junior Powerboat program offers Leadership Training and navigational contests. The winners of this event are also awarded scholarships from the Inter-Lake Yachtsmen's Fund.

I-LYA consists of 135 member clubs and every member of each club is automatically a member of I-LYA, and is assured recognition among other clubs.

I-LYA's membership includes clubs from both the United States and Canada, making for strong international ties and competitions.

Member clubs are represented by delegates to **I-LYA** and meet twice annually. Spring and fall meetings are held in the vicinity of the current Commodore. Class advisory, cruise and powerboat committees meet prior to the delegate's meeting, giving open forum for class improvement and rules enlightenment. Delegates elect the Flag Officers and Trustees at the Fall Meeting.

I-LYA appoints delegates to the Ohio Marine Trades Association, National Boating Federation, US Sailing and Yacht Racing Union of the Great Lakes.

I-LYA is governed by a nine member Board of Trustees. Business is conducted through the office of the Executive Secretary.

I-LYA seeks corporate sponsorship to improve the services provided to its members and to control costs.

I-LYA's Annual Regatta is held at Put-in-Bay, Ohio on South Bass Island, in western Lake Erie—the site of the historic Battle of Lake Erie in the War of 1812. It draws hundreds of Sail and Power boats annually.

The Yachtsmen's Fund

PO Box 723

Put-in-Bay, OH 43456

Celebrating the Past—Shaping the Future

The Yachtsmen's Fund, an IRS-recognized 501(c)3 charitable organization, believes that our young sailors and power boaters are the future of our sport. It is imperative that we do all we can to support their education, growth, development, and love of sailing and powerboating.

2024 was another good year for the Yachtsmen's Fund. We were again able to support several, worthy events and activities to further our mission to **Educate, Challenge, and Inspire** the next generation of sailors and boaters in our region. Thanks to a sound investment policy, we enjoyed growth of the Fund which will enable us to continue our mission well into the future. Thank you to all our generous sponsors, benefactors, and donors for your contribution towards this effort.

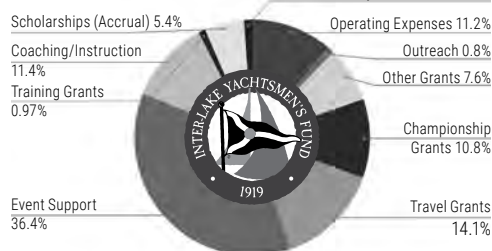

We look forward to expanding our support in the coming year and hope that you will join us in this mission. Thanks to your generous support of the Inter-Lake Yachtsmen's Fund, we are able to continue many worthy boating events in our area and perpetuate the boating activities we all love.

2024 Highlights

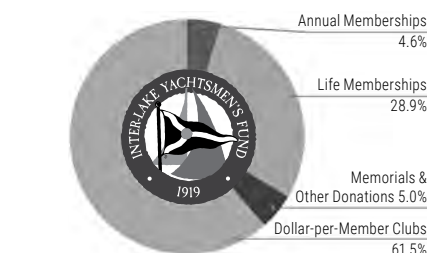

- \$3,000 in Scholarships Awarded
- Over \$10,000 in Travel and Championship Grants!
- \$18,000 of support to the I-LYA Junior Sailing Championships and Junior Powerboat Training Program
- Nearly \$1,000 in direct event support for Junior Power Regatta equipment for VHF Training, thanks in great part to the recently established Wyandotte Grant.
- \$4,500 in Other Grants to high-level Events hosted in our Region and to Amateur Sailors representing us around the country.

Going forward, we plan to do even more by promoting Training Grants to encourage instructor and race management certification, supporting Junior Bay Week and Junior Power, awarding scholarships to qualifying I-LYA junior sailors and powerboaters, and providing Championship and Junior Travel Grants to junior sailors who travel and represent I-LYA.

2024 Expenditures

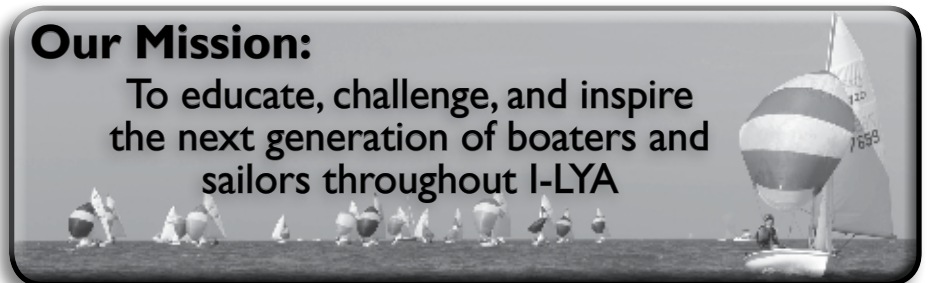

2024 Donation Revenue by Source

Our Mission:

To educate, challenge, and inspire the next generation of boaters and sailors throughout I-LYA

8/1-3	I-LYA Bay Week, Put-in-Bay YC
8/3	Thistle Nationals Jr. Day, Sandusky Sail Club

▲# = Counter Race for Series Awards

The most up-to-date calendar is at www.i-lya.org.

The Junior Traveler Series is a summer-long series of weekly regattas hosted by I-LYA member clubs which offers an increased opportunity to race close to home. Series awards will be presented to the top finishing skippers and crew in each qualifying fleet based on the best five regatta finishes at any of the qualifying events. There is also a Team Trophy awarded each year to the top finishing club. Registration and scoring for the series and each qualifying regatta will utilize ClubSpot.

Sailors must be at least 7 years old and can participate in the Traveler Series up to and including the summer immediately following their senior year of high school. The Notice of Series is available online on the Traveler Series page under Junior Sailing at I-LYA.org.

2024 U.S. Chubb Triplehanded Championship

The Chubb U.S. Youth Triplehanded Championship for the Sears Cup is US Sailing's National Championship for three-person, youth teams and serves as a pathway into keelboat racing. First sailed in 1921, the Sears Cup is US Sailing's oldest national championship trophy and the original youth sailing national championship. The regatta is typically held in early August, with the Area Qualifier regattas taking place earlier in the year.

The type of boat used for the National Championship and the Area Qualifier regattas varies based on the availability of boats at the host clubs each year. Generally, the boats are three-person (occasionally four) one-design classes, typically a keelboat (VX One, RS21, J-22, etc.) or a large centerboard boat (Lightning, Thistle, Flying Scot, etc.). The 2024 Sears Cup was sailed in J22s with crews of four people at San Diego Yacht Club in San Diego, CA.

Teams qualify for the U.S. Youth Triplehanded Championship via their Area's Qualifier. Each of the eleven areas recognized by US Sailing holds a qualifier regatta to determine the two teams that will represent their region at the National Championship. I-LYA is Area E and our qualifier was sailed July 1, 2024 at Hoover Sailing Club in Thistles.

In 2023 the Smythe Trophy and Bemis Trophy were rededicated to be a part of the U.S. Youth Championship regatta, and the Sears Cup event was renamed the Chubb U.S. Youth Triplehanded Championship.

The I-LYA sent two Central Ohio teams from Hoover Sailing Club. Besides some great sailing, our teams learned and experienced a few new things: No one plays the game of Spoons like the I-LYA squad; When sailing against other great sailors, you pay attention to what they do and bring those tricks back home; Sailing alongside seals and sea lions is a new experience; Floating docks on the ocean, also new; Sailing near a naval base is incredibly cool; Making new friends from teams around the country is well worth the experience; Salty water doesn't change the rules or lessen the importance of sunscreen.

(L-R) HSC's team: Vincent Ireland, Alex McBride, Jacob Hartong, Charlotte Langolf, Finn Mahoney, Ben Spengeman, Brinn Faulkner, and Hadley Langolf

Team Hoover Sailing Club sailing a J22 at San Diego Yacht Club in San Diego, CA.

Congratulations to the
2025 I-LYA Commodore Scott Kneisel

Trey Sheehan, EWYC/PIBYC

I-LYA
Sailor of the Year

Trey Sheehan, Edgewater Yacht Club & Put-in-Bay Yacht Club

The Sailor of the Year Award is presented to someone who is both a fierce competitor and a fierce advocate for the sport of sailing. The 2024 honoree, Trey Sheehan, is definitely *both*.

He competed on his Transpac 52 in the SORC Sailors' Choice Race, the SORC St. Pete to Lauderdale Race, and most recently the SORC Fort Lauderdale to Key West long-distance race. He finished second in the 636-mile Newport Bermuda Race, one of the most prestigious distance races in the world.

Back home in the Midwest, he competes in the TP 52, his Tartan 10, and his Melges 32 in various regattas including the 100th Mills Race, the 330-mile race from Chicago Yacht Club to Mackinaw, and the Super Mac from Bayview Yacht Club to Mackinaw.

Trey has been a part of I-LYA for years, not only as a competitor, but as fierce advocate for the competitiveness of Midwest sailing. He is an avid supporter of Junior Sailing and the Yachtsmen's Fund. The father of two daughters and a son, Trey annually makes a "big boat" available for the juniors to sail at regatta—with a little supervision—helping to engage the next generation of competitors. He has chaperoned and helped sponsor junior sailors at regional and national competitions and is there to make sure that I-LYA is truly a family sailing program.

Congratulations, Trey!

WYNDHAM GARDEN WESTLAKE Welcomes:

Inter-Lake Yachting Association

Our facilities & amenities will ensure that your group's stay is as relaxing as it is rewarding. We can accommodate most any size group with any agenda and make planning a breeze. Plus, you'll receive great deals on rooms when you book in blocks!

Junior Power Contests

These Junior Regatta contests are designed to reinforce the safe boating practices and rules of the road learned in the classroom. The contests and seminars use a hands-on approach and provide the juniors with the confidence to operate motorized vessels. The vessels used at the regatta are inflatables donated by senior participants of the power regatta. For additional information about the Junior Power Program please visit the I-LYA website.

General Knowledge and Seamanship

Friday's safe boating seminar provides each junior with a refresher course on safety requirements, rules of the road, understanding of buoys and their identifying characteristics, hand held GPS and electronic chart instruction, and much more. Juniors will be asked to demonstrate knot tying, line throwing, and how to properly secure a vessel. A written exam, testing each junior on their general knowledge of the above concludes this contest.

Charting and Course Plotting

The safe boating seminar also covers charting and course plotting. Hands-on activities teach the juniors how to read charts, determine their position and plot a course. At the end of the seminar, each junior will be tested on their understanding of the above.

Navigation Competition

This is a shore-based contest that will require juniors to pair up and take a short walk or bike ride around the Island. They will be asked to take bearings, make observations and determine their position using hand held GPS as they make their way around the Island. Bikes will be provided if necessary.

Weather Contest

Each junior will be asked to forecast the weather for a prescribed time and place. The forecast will include temperature, wind direction and velocity, barometric pressure, sky conditions, precipitation, and relative humidity. Prediction forms will be provided and must be submitted by a set deadline. A committee shall assemble at the prescribed place and time to observe and record the actual weather conditions and determine the winners of this contest.

On-the-Water *(Four contests using inflatables)*

"COURSE A" Boat Handling Contest "Course A" will demonstrate the steering and boat handling capabilities of each junior. The junior, accompanied by an assigned adult, will run a 3-leg course in both a clockwise and counter-clockwise direction with the objective of making both runs in the same amount of time. Speed is NOT the objective.

"COURSE B" Compass Reading and Bearings Contest "Course B" will demonstrate a junior's ability to read a compass and take bearings and identify your position using hand held GPS. The goal is to steer as carefully as possible between the marks for each of three designated courses set by the committee. At the end of each leg the junior is to record the compass heading steered. An assigned adult will crew on each vessel.

Chicane This is a timed test of boat handling and low speed maneuvering. The junior will be timed and judged on their ability to successfully maneuver through a prescribed course at no-wake speed in 2 directions without creating a wake and without hitting the marks on the course.

Docking This contest evaluates the junior's boat handling and maneuvering skills as related to docking. The junior will be judged on their ability to properly maneuver, dock and secure his or her vessel within a predetermined dock space. Hitting the dock and/or high speed operations will result in loss of points.

Social Competitions

In addition to the bragging rights earned by making a hole-in-one during Jr. Putt-Putt or Jr. East trouncing Jr. West (or vice-versa) in volleyball, Junior Power Regatta participants also enjoy the following contests:

Geo-Quest

Based on Geo-caching, Geo-Quest is a live treasure hunt utilizing compass and GPS skills. Junior teams will explore the island via adult-driven golf carts and locate hidden "treasures."

Fishing Derby

The "Fishing Derby" is designed for all juniors participating in the regatta. Come one, come all and see who catches the largest, the most and the smallest fish. The committee will be available to bait your hooks and will supply the bait as well as snacks for the anglers. Bring your pole and your life jacket and arrive 15 minutes before start time so you will be ready to drop your hook. Prizes will be awarded immediately after the finish time. So don't be late and good luck!

Awards

Ribbons: are given to each winner of the four On-the-Water contests, the Weather contest, and the land/shore based Navigation competition. 1st, 2^d or 3^d place ribbon awards are provided depending upon participation.

Junior Skipper Award and Trophy: is given to the individual having the highest total combined score for all On-the-Water contests and the Weather contest.

Scholarships: 1st, 2^d & 3^d place monetary scholarship awards are given to the eligible juniors with the highest overall score for all competitions.

1. Only those juniors who are members of a boat club affiliated with I-LYA will be eligible to receive scholarship awards.
2. Scholarships are based on final results from 2 days of competitions at the annual I-LYA Regatta.
 - General knowledge and seamanship
 - Charting and course plotting
 - Navigation competition
 - On-the-Water
 - "Course A" Boat Handling
 - "Course B" Compass Reading and Bearings
 - Chicane: boat handling and low speed operations
 - Docking contest: maneuvering and docking

I-LYA Power Regatta at Put-in-Bay

**Refer to the Rules Booklet for
complete contest rules**

Power Contests

Commodore's Trophy

Competition for the Commodore's Trophy is based upon a combination of seamanship, boat handling and overall knowledge of boating. Four events have been selected by the committee which provide all of these skills. To compete you must enter all four (4) contests. Entry forms are available at the Registrars desk and must be completed and on file to compete. A percentage has been given to each event to determine the overall winner of the Commodore's Trophy. A flag and pin will be presented to the winner and the winner's name will be placed on the Commodore's Trophy which is awarded at the I-LYA Fall Banquet each year. This trophy is an individual award and will be awarded to an *individual* competing in the various events NOT to a competing team. Commodore's Trophy contests include: Predicted Log & Navigation (30%), Docking (25%), Chicane (25%) and Weather Forecasting (20%).

Predicted Log

The Predicted Log is a boat handling/navigation contest. A common course is provided to all captains around a set of control points; which include buoys, markers and landmarks. Each competitor will plot the course on their chart/GPS/chart plotter, determine the best speed to run the course for their boat (above 6 knots) and predict the time needed to run each leg in minutes/seconds.

The captain will be limited to their charted course and the relationship of their engine RPM to vessel speed over ground. The observer will share clock time with the captain from the course start to Control point 1. This will allow the captain to adjust their engine RPM as needed to match their cruising speed used when making their course time predictions.

Each captain is asked to bring at least one observer, who will be assigned to another contestant's boat. The observer will need a time piece or stop watch app on their phone to record time for each leg of the course. Prior to the event we will hold a captain/observer meeting to go over rules, tips and tricks.

Rules and Restrictions:

1. The observer can share time with the captain from Start to Control Pt. 1
2. The use of auto-pilot during the contest is strictly prohibited.
3. No cruise control.
4. The captain cannot see vessel speed in any way.
5. The captain cannot see time. (on a watch or on their GPS/plotter)

Each captain must complete the entry form provided by the committee. Note, only one flag will be awarded per winning vessel. Only the captain will be eligible to compete for the Commodore's Trophy.

2025 Greeley Trophy Course

Start: Buoy G "1"—Pass on **starboard** side

Control Pt. 1: N. Bass Shoal Buoy R "2", W of N. Bass—Pass on **starboard** side

Control Pt. 2: Clam Catch Isl., Just N of Green Island—Pass on **starboard** side

Control Pt. 3: Buoy R "2" Fl R 4s, just N of Gibraltar—Pass on **starboard** side

Finish: Buoy R "2" Fl R 4s, just N of Gibraltar—Pass on **port** side

Committee Distance 11.7 Miles

**Winner of the Snodgrass/
Commodore's Trophy 2024**

2024 Chuck Brock, FYC

**Winner of the
Greeley Memorial Trophy 2024**

2024 Chuck Brock, FYC

Docking

This is a contest of boat handling and the ability to maneuver your vessel dockside. This contest is not a contest of speed. However, your time is recorded and used for determination of final finish placement and tie breaking decisions. When your vessel is called to compete, maneuver your vessel dockside and set your dock lines. The committee will set marks forward and aft of your vessel. These marks are used to define the space you have to maneuver your vessel. The committee will give you the signal to start and you will leave the dock, go to harbor in reverse seaward of the I-LYA buoy and make a complete 360 degree turn. Once your turn is complete you will return to the dock and maneuver your vessel to dockside within the marks previously set.

Chicane

This is a contest of skill and dexterity designed to test your ability to maneuver at slow speed in tight, confined situations. Participating vessels are allowed one captain and one crewman. (Participation points: 2X each.) Captains maneuver through the course twice: once in forward gear and again in reverse. The goal is to match your forward and reverse times. Points are deducted for excessive wake, hitting a buoy, excessive speed, or unsafe operation of your vessel. The vessel with the smallest difference between the Forward and Reverse times wins. In the case of a tie, the vessel with the fewest penalty points takes the victory.

Weather Forecasting

The contest form shall be filled in completely and filed with the Weather Forecast Committee by the time and day posted on the entry form and in the Regatta schedule. Twenty-two (22) hours later, at 1500 hours (3:00 PM) or as otherwise noted on the entry form, a committee appointed for the purpose shall assemble at Put-in-Bay to observe and record the actual weather conditions at the time and place described on the entry form. These conditions shall then be compared to the contestants' predictions and penalty points assessed for all variations. The winner shall be the contestant receiving the least number of penalty points.

Flying Mile

All boats will be timed electronically using a radar gun. Boats will NOT be required to run a full mile at their top speed. All boats will be timed within a 500 foot area designated by the committee. Two (2) or more participants are required to establish a class. No boat will be permitted to run in more than one class. Safety is our number one rule. Please operate your vessel in a safe manner. Remember, you are responsible for the safety of your vessel and all others on board.

Social Competitions

Social competitions include the East vs. West Volleyball, the co-ed Softball Game, and senior Corn Hole. Volleyball takes place on the PIBYC grounds and the softball game, at the school. Because most of the participants play these games only once a year, the spectators usually get a good laugh from the weekend warriors but occasionally see some impressive athleticism. The rivalry is sometimes intense but always good-natured. A trophy is naturally awarded to the victors but bragging rights are the real "Gold Medal" that is sought.

General Information

1. The SAFETY of all participants, crew, committee and audience is our number one rule. While participating in these contests, we ask all to observe navigation rules of the road, local laws and follow all safe boating practices. Please conduct yourself in an orderly and professional manner at all times and not put fellow participants, general public or the committee at risk or cause unnecessary nuisance. We want everyone to enjoy these contests whether on land or sea, please remember to BE SAFE.
2. These Contests and their rules have been prepared by the various contest committees and approved by the Powerboat Committee. From time to time, weather and scheduling conflicts may require changes or modifications to the schedule or contest rules. The various Committee chairpersons will make every effort to inform you of any last minute changes.
3. The success of the Regatta is directly related to participation in these contests and events. There is a first, second and third place flag given to the Clubs with the most participants in Regatta contests and events.
4. In addition to the Club Participation award, Clubs are eligible to receive an award for volunteerism. This is awarded to the Club having the most volunteers working the various contests, events and social functions. If you are a committee chairperson, it is very important to record the hours worked by your many volunteers in order that clubs are credited with all the hours earned during the Regatta.
5. Protests of judges' ruling can be filed with the Powerboat Committee. The Powerboat Committee will review the protest and make a final ruling.
6. Electronic copy of the official Regatta "Contest Rules Booklet" is available from the I-LYA website (i-lya.org). Also, hard copies are available at the Registrar's desk.
7. Refer to the official Regatta schedule and information available at the registrar's desk for the specific place and time of each contest.
8. Entry forms for all contests are available at the Registrar's desk located at PIBYC.

The Club Participation Award is given to the club with the most participation points earned in the Power Regatta and Junior Power Regatta events. Power Regatta events include: Docking, Chicane, Flying Mile, Predicted Log, Weather Forecasting, Inflatable Boat Races, Kayak, Softball, Volleyball, Putt-Putt, and Golf. Junior Power Regatta events include: Children's Games, Fishing Derby, Kayak, Navigation Class, Navigation On-the-Water, Weather Forecasting, Volleyball and Putt-Putt. One person participating in one event equals one participation point with the exception of Docking, Chicane, and Flying Mile which are worth 2 points each and Predicted Log which is worth 3 points. The club earning the most participation points earns the 1st place Participation Flag. 2^d and 3^d place flags are also awarded.

Club Participation Award	
1 st Bay View Yacht Club	100 points
2 ^d Harbor View Yacht Club	97 points
3 ^d Catawba West Harbor YC	87 points

The Club Volunteer Award is given to the club having the most hours worked to support the events listed under the Participation Award plus the hot dog roast, spaghetti dinner, steak roast, taco dinner, rum party, Tito's party, shuttle driving, dock security, registrar, announcement trailer, beer trailer, marks, pub crawl, and other functions, as appropriate. Committee chairmen are automatically given 10 hours. Committee chairmen shall record all the hours worked by their volunteers and submit to the designated Power Regatta chairman. 1st, 2^d and 3^d place flags are awarded.

Club Volunteer Award	
1 st Ford Yacht Club	276 hrs
2 ^d West River Yacht & CC	240 hrs
3 ^d Bay View Yacht Club	205.5 hrs

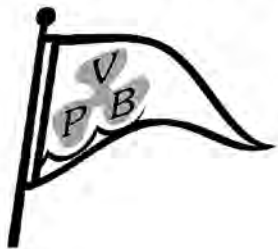

The Commodore's Trophy is presented to the individual displaying superior skills in four events: Predicted Log, Docking, Chicane, and Weather Prediction.

I-LYA Mid America Boating Skipper of the Year

Kevin Stone, GLSBC

I-LYA Mid America Boating Skipper of the Year

The Mid-America Boating skipper of the year is given each year to the skipper who provided outstanding support and leadership to boating, the I-LYA organization, and its membership.

Kevin Stone, Great Lakes Steel Boat Club

Kevin was raised in a boating family. As a child, his family always had a fishing boat. His adult boating life began in 1987 when he purchased a 24-foot weekender. It was on this boat, which he still owns, that he introduced boating to his three sons. In 2011, he bought a 34-foot Silverton fly-bridge, which allowed him to expand his boating experience.

A past member of the Elba-Mar Boat Club, Kevin is currently a member of the River View Yacht Club. He joined the Great Lakes Steel Boat Club in 2002. He has served on many committees, including as Entertainment chair, Quartermaster, and Grounds chairperson. In 2014, he joined the Board of Directors and served as Commodore in 2018 and 2019. He is currently President of the IOBG and Treasurer for GLSBC.

Kevin became more involved in I-LYA in 2018 by serving as a Fleet Captain under Com. Mike Powers and again the following year for Com. Bob Lang. He served as Head Fleet Captain for Com. Lloyd Bogue, as well as being elected Trustee in 2023 and is currently Head Fleet Captain for Com. Scott Kneisel. Kevin joined the Power Regatta Committee as treasurer in 2021, eventually working his way to Chairman of the Power Regatta in 2024. He enjoyed being a part of the Powerboat Committee and will treasure the experience. For this reason, I-LYA awards Kevin Stone the Mid-America Boating Skipper of the Year.

A promotional graphic for the Great Lakes Scuttlebutt magazine. It features the magazine cover for the Winter issue (January-February 2025), which is labeled 'FREE'. The cover has the title 'Great Lakes Scuttlebutt' and the subtitle 'THE ULTIMATE BOATING RESOURCE FOR THE GLS'. It also mentions 'South Shore Marina' and 'FEATURED TOPICS: POWER GENERATION, WINTER BOAT SHOWS, GREAT LAKES DESTINATION: TORONTO'. Below the magazine, there is a smartphone and a tablet, both displaying the Scuttlebutt website. At the bottom, it says 'READ IT NOW' with a QR code and the website 'www.greatlakesscuttlebutt.com'. Social media icons for Facebook, YouTube, Instagram, and Twitter are also present.

From the Editor:

We would like to thank our sponsors, advertisers, clubs, and other individuals for their support. Without your continued generosity and support, we would not be able to produce this book. This book is a valuable resource to our members and our regatta participants and allows them to access important information throughout the year. The book also serves as an historical record of our members' enthusiasm and success.

Many thanks also go to our photographers for the images that are reproduced in this year's book. They include John Bedford, Gloria Denos/Shutterglo Photography, Sharon Kneisel, Connie Miller, Donna Pribe, Deb Schaefer, and Tom Thanasiu. You'll also find some of the images submitted through the Regatta Committee's photo contest mixed into the pages. Look for the ★.

We are grateful to the commodores and chairmen, past and present, who provided data for the pages, to R/C Tom Thanasiu for his efforts in keeping I-LYA history alive, and Com. Scott and Lady Sharon Kneisel, Steve Harris, and Connie Miller who lent their proofing expertise to the project. Special thanks go to Com. Kneisel and Lady Sharon who put extra effort and hours into reaching out to advertisers, new and old, and bringing in the advertising that pays for the printing of this book.

Looking forward to a successful and fun-filled season!

—2025 Yearbook Editor, Marilyn Paselsky

Membership in the GLCC includes:

- Access to real time Harbor Reports
- Helpful Port Captains
- Great Lakes Cruising Club School
- Great Lakes Foundation
- A vast website full of boating information
- Fellowship via events and connection with power and sail boaters
- And more!

www.glclub.com

The GLCC founded in 1934 as the single best source of cruising information about all of the five Great Lakes.

Congratulations

2025 I-LYA Commodore Scott Kneisel and Lady Sharon Kneisel

Lake Erie is Ohio's Most Precious Resource

Lake Erie Foundation (LEF) is Lake Erie's advocate for economic sustainability, legal defense, education, outreach and innovative sustainable technology.

Help LEF protect Lake Erie against:

**Plastics &
Contaminants**

**Wind Turbines in
Lake Erie**

**Harmful
Algal Blooms**

We can no longer take our greatest resource for granted.
Join us and support our mission to ensure Lake Erie is
accessible now and for future generations by scanning the
code or visiting us at **LakeErieFoundation.org**.
